Dear Governor Hobbs, President Petersen, and Speaker Toma:

Pursuant to A.R.S. § 41-562, the Economic Estimates Commission is submitting its third and final estimate of total personal income for fiscal year 2024/25 and providing the estimated maximum amount available for legislative appropriations from state revenues for the fiscal year imposed by Article IX, Section 17 of the Arizona Constitution.

The Commission's third and final estimate of Arizona personal income for fiscal year 2024/25 is \$499.5 billion, a 5.9% increase over the revised fiscal year 2023/24 estimate of \$471.8 billion. Correspondingly, the estimated per capita personal income for fiscal year 2024/25 is \$65,058, a 4.4% change over the revised fiscal year 2023/24 of \$62,278.

Based on this estimate, the maximum amount available for legislative appropriations from state revenues for fiscal year 2024/25 is \$37.014 billion. The limitation is calculated using the current appropriation limit percentage of 7.41% as the multiplier against personal income.

Sincerely,

ECONOMIC ESTIMATES COMMISSION
