Who Should Use Form 141AZ ES

A fiduciary making a voluntary estimated payment on behalf of an estate or a trust should use Form 141AZ ES.

General Information

- Please type or print the estate's or trust's employer identification number (EIN).
- Complete Form 141AZ ES using black ink.
- Once you make an estimated payment, you must file a tax return for that year in order to claim the estimated payment.
- You must round each estimated payment to whole dollars (no cents).
- Check only **one** box for the quarter for which this payment is made. Do not select more than one quarter. You must submit a separate form for each quarter for which a payment is made.
- Use the 2015 tax table to help estimate this year's tax liability.
- If the fiduciary has a foreign address, enter the information in the following order: city, province or state, and country. Follow the country's practice for entering the postal code. Do not abbreviate the country name.

Voluntary Payments

Estates and trusts are not required to make Arizona estimated income tax payments. An estate or a trust may choose to make voluntary estimated income tax payments.

Taxpayers who elect to make voluntary estimated payments may choose one of the following three methods to make their payments.

Method 1: If you pay federal estimated tax, you can file Form 141AZ ES at the same time. The amount that you remit with Form 141AZ ES should be 10%, 15%, or 20% of the amount that you paid on the federal Form 1041-ES.

Method 2: You may pay installments using Form 141AZ ES. If you are a calendar year taxpayer, pay four installments by the following dates.

Installment	Due Date
First Quarter	April 18, 2016. Because Emancipation Day (legal holiday) is on Saturday, April 16, 2016, and will be observed on April 15, 2016, you have until Monday, April 18, 2016, to make this payment.
Second Quarter	June 15, 2016
Third Quarter	September 15, 2016
Fourth Quarter	January 17, 2017. Because January 15 th falls on a Sunday, and January 16 th is Martin Luther King Day, you have until January 17, 2017, to make this payment.

Fiscal year tax filer

If you are a fiscal year tax filer, use the due dates established for the federal filing.

NOTE: *If any due date falls on a Saturday, Sunday, or legal holiday, you may make the installment by midnight on the next business day following that day.*

The sum of the amounts remitted should equal your estimated end-of-tax-year liability.

Method 3: You may file an Arizona Estimated Tax Payment Form 141AZ ES with a single, lump-sum payment before January 17, 2017. The payment should reflect your estimated end-of-tax-year liability.
