General Instructions

Which Corporations Must File a Return

Every corporation subject to the Arizona Income Tax Act of 1978 must file an Arizona corporate income tax return.

Which Corporations May Use Form 120A

The short form, Form 120A, is designed for corporate taxpayers with less complex filing requirements.

A corporation may use Form 120A if it files its return on a separate company (separate entity) basis and it is taxable entirely within Arizona.

A corporation files on a separate company (separate entity) basis if:

- It is not part of a group of corporations that was part of a unitary business; and
- It is not a member of an affiliated group that elected to file an Arizona consolidated return.

A corporation ***MUST FILE*** Form 120 if it:

- Has income from business activity that is taxable in more than one state (a "multistate corporation");
- Is a partner in:
 - A multistate partnership; and/or
 - A partnership that conducts no business in Arizona.
- Is a member of a unitary group of corporations that files an Arizona return on a combined basis; or
- Is a member of an affiliated group of corporations that elects to file an Arizona consolidated return.

Entity Classification under the Federal "Check-the-Box Rules"

The federal tax classification of an entity under the federal "check-the-box rules" determines the entity's classification for Arizona tax purposes. Refer to the department's ruling, CTR 97-1, *Federal "Check-The-Box Rules" on Elective Tax Classification*, for further information. An entity that is disregarded as an entity separate from its owner is included in the tax return of its owner.

Limited Liability Companies

A limited liability company (LLC) that made a valid federal election to be treated as an association taxable as a corporation must file an Arizona corporate income tax return.

A single member LLC that is disregarded as an entity for federal income tax purposes is treated as a branch or division of its owner, and is included in the tax return of its owner. Refer to the department's ruling, CTR 97-2, *Limited Liability Companies*, for further information.

Electing Small Business Corporations

Corporations taxed as S corporations under Subchapter S of the IRC must file Arizona Form 120S.

Homeowners Associations

Homeowners associations that file federal Form 1120-H or federal Form 1120 are not exempt from Arizona income tax. These associations must file an Arizona corporate income tax return on Form 120A or Form 120.

Certain homeowners associations are federally tax exempt under as social welfare organizations, or as clubs organized for pleasure or recreation. These homeowners associations are similarly tax exempt for Arizona income tax purposes and are not required to file an Arizona information return.

Records

Every corporation should maintain books and records substantiating information reported on the return and keep these documents for inspection. See the department's ruling, GTR 96-1, *Electronic Data Processing*, for more information about record retention requirements.

IRC § 7519 Required Payments

Taxpayers cannot deduct the federal required payments on their Arizona tax returns as an ordinary and necessary business expense or otherwise.

Rounding Dollar Amounts

Taxpayers must round amounts to the nearest whole dollar. If 50 cents or more, round up to the next dollar. If less than 50 cents, round down.

Examples:

Company A (A) reports federal taxable income of \$15,000. A has no Arizona additions to, or subtractions from, federal taxable income. Its apportionment ratio is .326954. A multiplies the federal taxable income by the apportionment ratio. The result is \$4,904.31. Company A rounds the result to \$4,904.00.

Company W (W) reports a federal taxable loss of (\$27,000). W has no Arizona additions to, or subtractions from, its federal taxable loss. Its apportionment ratio is .005946. W multiplies its federal loss of (\$27,000) by the apportionment ratio. The result is an Arizona loss of (\$160.54). Company W rounds the result to (\$161.00).

Company Z (Z) reports a federal taxable loss of (\$500). Z has no Arizona additions to, or subtractions from, federal taxable income. Its apportionment ratio is .075000. Z multiplies its federal loss of (\$500) by the apportionment ratio. The result is an Arizona loss of (\$37.50). Company Z rounds the result to (\$38.00).

Extension of Time to File a Return

- A request for an extension of time to file an Arizona corporate income tax return **must** be submitted by the original due date of the return.
- **The department may grant an extension request for a maximum of six months.**
- The extension request can be made by filing an Arizona extension request, Form 120EXT.
- The department will also accept a valid federal extension for the same period of time covered by the federal extension. The length of time for an automatic federal extension for C corporations is:
 - **Seven months** for taxable (fiscal) year end dates of **June 30.**
 - **June 30 Fiscal Year Filer – Federal Extension**
Company Y, a June 30 fiscal year end taxpayer, requested a federal extension for its taxable year ending 06/30/2020. The federal extension will extend its Arizona due date of October 15, 2020, to May 15, 2021. (*A period of 7 months.*)
 - **June 30 Fiscal Year Filer – Arizona Extension**
The same taxpayer, Company Y, requested an Arizona extension for its taxable year ending 06/30/2020. The Arizona extension will extend its Arizona due date of October 15, 2020, to April 15, 2021. (*A period of 6 months.*)
 - **Six months** for all other taxable (calendar or fiscal) year end dates. The extended due date will be the same for the federal extension and the Arizona extension.
- If the original return is filed under extension, do not include a copy of the extension with your return.
 - If the return is filed under a **FEDERAL extension**, **check box 82F** on page 1 of the return.
 - If the return is filed under an **ARIZONA extension**, do **NOT** check box 82F on page 1 of the return.
- Arizona Form 120EXT must be used to transmit extension payments by check or money order regardless of how you request an Arizona extension (valid federal extension or Form 120EXT). If you made extension payments over the Internet, you are not required to file Form 120EXT unless you are requesting an Arizona filing extension.
- The Arizona extension and the federal extension provide an extension of time to file, they do not provide an extension of time to pay tax.
 - You must pay 90% of your tax liability (including the \$50 minimum tax) by the original due date of your return.
 - The department imposes the extension underpayment penalty on any late or underpaid extension requests.
- See the department's ruling, CTR 01-3, *Extensions*, for additional information.
- Submit the extension request to the department electronically or by mail to the address shown on the form.

Timely filing of returns

- The department determines the timeliness of a tax return by the postmark or other official mark of the United States Mail stamped on the envelope in which the return is mailed.

See the department's ruling, GTR 16-1, *Timely Filing of Income or Withholding Tax Returns Through the United States Mail.*

- The department will accept proof of mailing from a private delivery service included in the Internal Revenue Service (IRS) list of designated private delivery services. Contact the private delivery service for information regarding how to obtain written proof of mailing.
- If the due date for the return falls on a Saturday, Sunday, or a legal holiday, the return is considered timely filed if it is post-marked the next business day. See the department's ruling, GTR 16-2, *Timely Filing of Income or Withholding Tax Return – Holidays and Weekends.*

Electronic Filing of Corporate Income Tax Returns

Electronic filing of Arizona corporate income tax returns is required for the 2020 taxable year. Please see the department's website at <https://azdor.gov/> for a list of approved software vendors.

Any corporate taxpayer who is required to file its income tax return electronically may apply to the director for an annual waiver from the electronic filing requirement. The waiver may be granted if any of the following apply:

- The taxpayer has no computer.
- The taxpayer has no internet access.
- Any other circumstance considered to be worthy by the director.

Waivers are granted on an annual basis and expire at the end of the requested tax year. Waivers must be renewed each calendar year. If a waiver is not renewed, you will be subject to statutory electronic filing and payment requirements at the expiration of your waiver.

To request a waiver, submit Form 292, *Electronic Filing and Payment Waiver Application*, to the department. Form 292 is available at: <https://azdor.gov/forms/other-forms/electronic-filing-and-payment-waiver-application>.

A waiver is not required if the corporate income tax return cannot be electronically filed for reasons beyond the taxpayer's control, including situations in which the taxpayer was instructed by either the Internal Revenue Service or the Arizona Department of Revenue to file by paper.

Please contact the department at azefile@azdor.gov if you need assistance in electronically submitting your Arizona corporate income tax return.

Filing Original Returns

- Returns are due by the 15th day of the 4th month following the close of the taxable year.
- A corporation filing a short-period return must file by the 15th day of the 4th month after the short period ends.
- If the taxpayer has a valid federal or Arizona filing extension, the return is due by the extended due date. See the examples in "*Extension of Time to File a Return*" to determine the extended due date of a return filed using a federal extension, or an Arizona extension.
- If the return is filed under **FEDERAL extension**, check box 82F on page 1 of the return.
- If the return is filed under an **ARIZONA extension**, do NOT check box 82F on page 1 of the return.

- If the due date for the return falls on a Saturday, Sunday, or a legal holiday, the return is considered timely filed if it is post-marked the next business day.
 - See the department’s ruling, GTR 16-2, *Timely Filing of Income or Withholding Tax Return – Holidays and Weekends*.
- The return must be signed by one or more of the officers of the corporation (President, Treasurer, or any other principal officer).
- Do not submit a blank Arizona return with a copy of the federal return.
 - Taxpayers must furnish complete data.
 - Answer all questions on the return.
 - Complete all applicable schedules.
 - Include all appropriate supplementary schedules.
- The department requests that taxpayers include a copy of their “as-filed” federal return (i.e. federal Form(s) 1120, 1120-F, 1120-RIC, etc.) and all its schedules and attachments with their Arizona return.
- Submit the return to the department electronically unless the corporation has been granted a waiver pursuant to A.R.S. §43-323(F), or has been directed to file a paper return by the IRS or by the department.

Taxable Year Covered by Return

File the 2020 Form 120A for calendar year 2020 and fiscal years that begin in 2020 and end in 2021. Indicate whether the taxable year is a calendar year or a fiscal year. If the return is for a fiscal year, indicate the beginning and ending dates for the year in the space(s) provided at the top of page 1.

The 2020 Form 120A can also be used if the corporation has a tax year of less than 12 months that begins and ends in 2021, and the 2021 Form 120A is not available at the time the corporation is required to file its return. The corporation must show its 2021 year on the 2020 Form 120A and take into account any tax law changes that are effective for tax years beginning after December 31, 2020. If submitting the 2020 Form 120A for a 2021 short-period return, submit a paper-filed return. Do not submit this short-period return electronically.

Filing Amended Returns

Electronic filing of amended returns for the 2020 taxable year may be available. Submit the amended return electronically. If electronic filing is unavailable, mail Form 120X to the address indicated on the form.

- Any taxpayer who files an amended return with the IRS *must* file an Arizona amended return on Form 120X within 90 days of final determination of the federal amended return by the IRS.
- Taxpayers *must* report changes or corrections of the taxpayer’s taxable income by the IRS or as a result of renegotiation of a contract or subcontract with the United States to the department.
- Within 90 days after the final determination of the change or correction, the taxpayer must:
 - File a copy of the final determination with the department, concede the accuracy of the determination or state any errors, and request the department recompute the tax owed Arizona, or
 - File an amended return as required by the department.

- The taxpayer must provide sufficient information for the department to recompute the taxpayer’s Arizona taxable income based on the Revenue Agent Report changes.
- The department may require the taxpayer to file an amended return if the department does not have this information.
- Submit the amended return, Arizona Form 120X, electronically. If electronic filing is unavailable, submit Form 120S to the address shown on the form.
- If the corporation was required to make its tax payments for the 2020 taxable year by electronic funds transfer (EFT), it must pay any additional tax due from an amended return by EFT.

NOTE: *File amended returns for prior taxable years on the respective Form 120X for those taxable years. Use the 2020 Form 120X to amend only the taxable year 2020.*

Do NOT file an amended return until your original return has been processed.

Payment of Tax, Penalties, and Interest

The entire amount of tax, penalties, and interest is due by the original due date of the return.

Payment by Electronic Funds Transfer

Corporations are required to pay their tax liability by electronic funds transfer (EFT) if the corporation owes:

- \$5,000 or more for any taxable year beginning from and after December 31, 2019, through December 31, 2020; or
- \$500 or more for any taxable year beginning from and after December 31, 2020.

NOTE: *If a corporation was required to make its tax payments for taxable year 2020 by EFT, it must also pay any additional tax due from an amended return by EFT,*

A corporation may apply to the director for an annual waiver from the electronic payment requirement. The application must be received by December 31 of each year. The director may grant the waiver if any of the following applies:

- The corporation has no computer.
- The corporation has no internet access.
- Any other circumstance considered to be worthy by the director exists, including:
 - The corporation has a sustained record of timely payments, and,
 - No delinquent tax account with the department.

To request a waiver, submit Form 292, *Electronic Filing and Payment Waiver Application*, to the department. Form 292 is available at: <https://azdor.gov/forms/other-forms/electronic-filing-and-payment-waiver-application>.

NOTE: *A corporation who is required to pay by EFT but who fails to do so is subject to a penalty of 5% of the amount of the payment not made by EFT. See A.R.S. § 42-1125(O).*

For additional information on electronic funds transfer, refer to A.R.S. § 42-1129 and the related Arizona Administrative Code rules (A.A.C. R15-10-301 through R15-10-307) for detailed information.

How to Make EFT Payments

Corporations making EFT payments must register with the department before their EFT payments may be accepted. ***An officer of the corporation must complete the initial registration.***

Taxpayers may use www.AZTaxes.gov to make EFT payments:

- Electronic payment from checking or savings account/e-check/ACH Debit.

Payments can be made electronically from a checking or savings account. Go to www.AZTaxes.gov and choose the e check option. Follow the prompts to complete your registration.

There is no fee to use this method. This payment method will debit the amount from the specified checking or savings account on the date specified. If an electronic payment is made from a checking or savings account, a confirmation number will be generated. Please keep this confirmation number as proof of payment.

- Online credit card payment

Payments can be made by American Express, Discover, MasterCard, or Visa credit cards. Go to www.AZTaxes.gov and choose the credit card option. This will take you to the website of the credit card payment service provider. Follow the prompts to make your payment.

The service provider will charge a fee based on the amount of the tax payment. The service provider will disclose the amount of the fee during the transaction and you will be given the option to continue or cancel. If you accept the fee and complete the credit card transaction, a confirmation number will be generated. Please keep this confirmation number as proof of payment.

Taxpayers may also make EFT payment by ACH Credit.

To register to make ACH Credit payments, go to the department's website, www.azdor.gov. Click on "Forms", then click "Other Forms." Click on Form number 10366, Electronic Funds Transfer (EFT) Disclosure Agreement for ACH Credit filers. Click "Download." Complete the form as instructed. Submit the completed at least five business days before the first anticipated transaction as it may take that long to process the application.

Fax the completed form to the department at (602) 771-9913. You may also email the completed form to the department at electronicfundstransfer@azdor.gov. Once the application is processed, the corporation will receive additional information to present to its bank to make the ACH Credit payment.

The payment will be electronically transferred into the department's account, normally the next business day. The corporation should consult with its bank for the timeframe required to make timely payments. NOTE: The corporation may be charged a service fee.

NOTE: *Corporate taxpayers using a foreign bank account to make EFT payments cannot make EFT payments by ACH Debit. The department does not accept ACH Debit payments from a foreign bank account. If the taxpayer wishes to make payment from a foreign bank account by EFT, the payment MUST be made by ACH Credit. See the instructions for ACH Credit above to register and make ACH Credit payments.*

Estimated Tax Payments

Corporations expecting an Arizona income tax liability for the taxable year of \$1,000 or more must make Arizona estimated income tax payments. All corporations required to make Arizona estimated payments must make those payments by the 15th day of the 4th, 6th, 9th, and 12th months of their taxable year.

Corporations that fail to make the required estimated tax payments are subject to a penalty on any estimated tax payment which is late or underpaid.

The Arizona required annual payment of corporate estimated tax is the smaller of:

- Ninety percent of the taxpayer's Arizona tax liability (reduced by refundable tax credits and claim of right adjustments, if applicable) for the current taxable year; or
- One hundred percent of the taxpayer's Arizona tax liability (reduced by refundable tax credits and claim of right adjustments, if applicable) for the prior taxable year. For a corporation to base its Arizona estimated tax payments on its prior taxable year's tax liability:
 - The corporation's return filed for the prior taxable year must have shown at least some amount of tax liability (an amount greater than zero); and
 - The corporation's return filed for the prior taxable year must have been for a period of twelve months.

Complete Form 120W to compute the amount of the estimated payment(s) for 2021 and to compute the required installments.

NOTE: *Taxpayers required to make corporate estimated payments via EFT that fail to do so are subject to a penalty of 5% of the amount of the payment not made by EFT. See A.R.S. § 42-1125(O).*

For additional information on electronic funds transfer, refer to A.R.S. § 42-1129 and the related Arizona Administrative Code rules (A.A.C. R15-10-301 through R15-10-307) for detailed information.

MAKING ESTIMATED TAX PAYMENTS FOR 2021

Corporations making estimated tax payments for 2021 that expect a 2021 income tax liability of \$500 or more must make Arizona estimated income tax payments using EFT. See the Section *Payment of Tax Liability by Electronic Funds Transfer* on page 4 for details on making tax payments by EFT.

NOTE: *Corporations that make estimated tax payments by EFT should not submit Form 120ES.*

Corporations making estimated payments for 2021 that expect a 2021 income tax liability of less than \$500 may pay by check, e-check, money order, or credit card. Or they may elect to participate in EFT. See the Section, *Payment of Tax Liability by Electronic Funds Transfer* on page 4 for additional information. If paying by check or money order, complete Form 120ES and include the check or money order with the form.

Is the corporation subject to the Estimated Underpayment Penalty for the 2020 taxable year?

See the instructions for Form 220.

Penalties and Interest

NOTE: *If more than one of the penalties described in A, B, or C apply, the maximum combined penalty is 25%.*

A. Late Filing Penalty

Without a valid federal or Arizona extension, a return filed after the original due date is subject to the late filing penalty. A return filed after its extended due date is also subject to the late filing penalty. The late filing penalty is 4.5% (.045) of the amount of tax required to be shown on the return. The penalty period is each month or fraction of a month between the due date of the return and the date the taxpayer filed the return. The maximum penalty is 25% of the tax found to be remaining due.

B. Extension Underpayment Penalty

The taxpayer must pay 90% of the tax liability reported on its return by the original due date of the return. If it does not, the extension underpayment penalty is charged on any late or underpaid extension payments. The extension underpayment penalty is 0.5% (.005) of the tax not paid for each 30-day period or fraction of a 30-day period between the original due date and the date the tax is paid. The maximum penalty is 25% of the unpaid tax. Taxpayers subject to the extension underpayment penalty are not subject to the late payment penalty described in C below.

C. Late Payment Penalty

The late payment penalty is charged on any amount shown as tax on a return that is not paid by the due date. The late payment penalty is 0.5% (.005) of the unpaid tax for each month or fraction of a month that the tax remains unpaid, not to exceed 10% of the unpaid tax.

NOTE – Amended Return Filers: *For taxable years beginning after December 31, 2016, if you voluntarily file an amended return and pay the additional tax due when you file your amended return, the department will not assess the late payment penalty. Exceptions are:*

- *The taxpayer is under audit by the department.*
- *The amended return was filed on demand or request by the department.*

Refer to the department's ruling, CTR 09-1, *When do Penalties Apply to an Income Tax Return Filed Under an Extension* regarding the application of penalties to returns filed under extension.

D. Interest

The department charges interest on any portion of the tax not paid by the due date. The department compounds interest annually and applies it in the same manner and at the same time as the IRS. The Arizona rate of interest for both underpayments and overpayments *for all taxpayers* is the federal underpayment rate.

On January 1 of each year, any interest outstanding as of that date is added to the principal amount of the tax. It is then a part of the principal amount of the tax and accrues interest until paid.

E. Underpayment of Estimated Tax Penalty

The department imposes the underpayment of estimated tax penalty on any late payment or underpayment of a required installment of estimated tax. Refer to the instructions for Form 220 for further details.
