AVOID PROCESSING DELAYS: *Are you mailing your Arizona income tax return? If you are mailing your return to the department, see page 28 for assembly order (form sequence) information.*

Who Must Use Form 140?

You (and your spouse, if married filing a joint return) may file Form 140 only if both of you are full year residents of Arizona.

You **must** use Form 140 rather than Form 140A or Form 140EZ to file for 2021 if any of the following apply to you:

- Your Arizona **taxable income** is \$50,000 or more, regardless of filing status.
- You are making adjustments to income.
- You itemize deductions.

(Continued on next column.)

- You claim tax credits other than the family income tax credit, the credit for increased excise taxes, or the property tax credit.
- You are claiming estimated payments.

Do You Have to File?

| Arizona Filing Requirements These rules apply to all Arizona taxpayers. | |
|--|--|
| You must file if you are: | and your gross income is more than: |
| ● Single | \$12,550 |
| ● Married filing joint | \$25,100 |
| ● Married filing separate | \$12,550 |
| ● Head of Household | \$18,800 |
| If you are an Arizona resident, you must report income from all sources including out-of-state income. | |
| To see if you have to file, figure your gross income the same as you would figure your gross income for federal income tax purposes. Then, you should exclude income that Arizona law does not tax. Income that Arizona law does not tax includes: | |
| <ul style="list-style-type: none"> ● interest from U.S. Government obligations; ● social security retirement benefits received under Title II of the Social Security Act; ● benefits received under the Railroad Retirement Act, tier 1 or tier 2 railroad retirement benefits, railroad disability benefits reported on federal forms RRB-1099 and RRB-1099-R, railroad unemployment benefits and railroad sickness payments paid by the Railroad Retirement Board; ● pay received for active service as a member of the Reserves, National Guard or the U.S. Armed Forces; or ● benefits, annuities and pensions as retired or retainer pay of the uniformed services of the United States. | |

NOTE: *Even if you are not required to file, you must still file a return to get a refund of any Arizona income tax withheld.*

Do You Have to File if You Are an American Indian?

You must file if you meet the Arizona filing requirements unless **all** the following apply to you:

- You are an enrolled member of an Indian tribe.
- You live on the reservation established for that tribe.
- You earned **all** of your income on that reservation.

For information on the Arizona tax treatment of American Indians, see the department's ruling, ITR 96-4, *Income Taxation of Indians and Spouses*.

Do You Have to File If You Are the Spouse of an American Indian and You Are Not an Enrolled Indian?

You must file if you meet the Arizona filing requirements. For more information, see the department's ruling, ITR 96-4, *Income Taxation of Indians and Spouses*.

Do You Have to File If You Are in the Military?

You must file if you meet the Arizona filing requirements unless **all** of the following apply to you:

- You are an active duty member of the United States armed forces.
- Your only income for the taxable year is pay received for active duty military service.
- There was no Arizona tax withheld from your active duty military pay.

If Arizona tax was withheld from your active duty military pay, you must file an Arizona income tax return to claim any refund you may be due from that withholding.

You must also file an Arizona income tax return if you have any other income besides pay received for active duty military service.

If you were an Arizona resident when you entered the service, you remain an Arizona resident, no matter where you are stationed, until you establish a new domicile.

As an Arizona resident, you must report all of your income to Arizona, no matter where you are stationed. You must include your military pay, but using Form 140, you may subtract all pay received for active duty military service to the extent it is included in your federal adjusted gross income.

If you are **not** an Arizona resident, but stationed in Arizona, the following apply to you:

- You are not subject to Arizona income tax on your military pay.
- You must report any other income you earn in Arizona using Form 140NR, *Nonresident Personal Income Tax Return*.

To find out more, see the department's publication, Pub. 704, *Taxpayers in the Military*.

If You Included Your Child's Unearned Income on Your Federal Return, Does Your Child Have to File an Arizona Return?

No. In this case, the child should not file an Arizona return. The parent must include that same income in his or her Arizona taxable income.

Determining Residency Status

If you are not sure if you are an Arizona resident for state income tax purposes, we may be able to help. For more information, see the department's procedure, ITP 92-1, *Procedure For Determining Residency Status*.

Residents

You are a resident of Arizona if your domicile is in Arizona. Domicile is the place where you have your permanent home. It is where you intend to return if you are living or working temporarily in another state or country. If you leave Arizona for a temporary period, you are still an Arizona resident while gone. An Arizona resident is subject to Arizona tax on all income no matter where the income is earned.

Part-Year Residents

If you are a part-year resident, you must file Arizona Form 140PY, *Part-Year Resident Personal Income Tax Return*. You are a part-year resident if you did **either** of the following during 2021:

- You moved into Arizona with the intent of becoming a resident.
- You moved out of Arizona with the intent of giving up your Arizona residency.

Nonresidents

If you are a nonresident (including nonresident aliens), you must file Arizona Form 140NR, *Nonresident Personal Income Tax Return*.

What If a Taxpayer Died?

If a taxpayer died before filing a return for 2021, the taxpayer's spouse or personal representative may have to file and sign a return for that taxpayer. A personal representative can be an executor, administrator, or anyone who is in charge of the deceased taxpayer's property.

If the deceased taxpayer did not have to file a return but had tax withheld, a return must be filed to get a refund.

The person who files the return should use the form the taxpayer would have used. The person who files the return should print the word "deceased" after the decedent's name and enter the date of death after the decedent's name.

If your spouse died in 2021 and you did not remarry in 2021 or if your spouse died in 2022 before filing a return for 2021, you may file a joint return. If your spouse died in 2021, the joint return should show your spouse's 2021 income before death and your income for all of 2021. If your spouse died in 2022, before filing the 2021 return, the joint return should show all of your income and all of your spouse's income for 2021. Print "Filing as surviving spouse" in the area where you sign the return. If someone else is the personal representative, he or she must also sign the return.

Are Any Other Returns Required?

You may also have to file a fiduciary income tax return (Form 141AZ). For details about filing a fiduciary income tax return, call the department at (602) 255-3381.

Claiming a Refund for a Deceased Taxpayer

If you are claiming a refund for a deceased taxpayer, you **must** complete Arizona Form 131, *Claim for Refund on Behalf of Deceased Taxpayer*. Place the completed Form 131 on top of the **front** of the return.

What are the Filing Dates and Penalties?

NOTE: *If the due date for an income tax or related payment falls on a weekend and/or legal holiday, the filing or payment is considered timely if filed or paid on the next business day and that business day is a day other than Saturday, Sunday or a legal holiday.*

When Should You File?

Your 2021 calendar year tax return is due no later than midnight, April 15, 2022. **However, April 15, 2022 falls on a federal holiday, you have until Monday, April 18, 2022 to timely file your 2021 tax return.** File your return as soon as you can after January 1, 2022, but no later than April 18, 2022.

If you are a fiscal year filer, your return is due on the 15th day of the fourth month following the close of your fiscal tax year.

What If You Cannot File on Time?

You may request an automatic 6-month extension if you know you will not be able to file on time. If you request an extension to file your 2021 calendar year tax return, your due date is October 15, 2022. **However, October 15, 2022 falls on a Saturday, you have until Monday, October 17, 2022 to timely file your 2021 tax return.**

NOTE: *An extension does not extend the time to pay your income tax. See the instructions for Arizona Form 204.*

To get a filing extension, you can either:

- Apply for a state extension (Arizona Form 204). To apply for a state extension, file Form 204 by April 18, 2022. See Form 204 for details. You do not have to include a copy of the extension with your return when you file, but make sure that you check box **82F** (above your name) on page 1 of the return. If you must make a payment, use Arizona Form 204, or visit www.AZTaxes.gov to make an electronic payment.
- Use your federal extension (federal Form 4868). File your Arizona return by the same due date. You do not have to include a copy of your federal extension with your return, but make sure that you check box **82F** (above your name) on page 1 of the return.

When Should You File If You Are a Nonresident Alien?

As a Nonresident Alien, do not file Form 140. Use Form 140NR, *Nonresident Personal Income Tax Return*, to report your Arizona sourced income. File Form 140NR-SBI if you elect to report your Arizona sourced small business income on the Small Business Income Tax Return. **See the instructions for Form 140NR for your filing due dates.**

What If You File or Pay Late?

If you file or pay late, we will charge you interest and penalties on the amount you owe. If the U.S. Post Office postmarks your 2021 calendar year return by April 18, 2022, your return will not be late. You may also use certain private delivery services designated by the Internal Revenue Service (IRS) to meet the

“timely mailing as timely filed” rule. For more information, see “*Mailing Your Return*” at the end of these instructions.

Late Filing Penalty

If you file late, we will charge you a late filing penalty. This penalty is 4½% (.045) of the tax required to be shown on the return for each month or fraction of a month the return is late. This penalty cannot exceed 25% (.25) of the tax found to be remaining due.

Late Payment Penalty

If you pay your tax late, we will charge you a late payment penalty. This penalty is ½ of 1% (.005) of the amount shown as tax for each month or fraction of a month for which the failure continues. We charge this penalty from the original due date of the return until the date you pay the tax. This penalty cannot exceed a total of 10% (.10) of the unpaid tax.

Extension Underpayment Penalty

If you file your return under an extension, you must pay 90% (.90) of the tax shown on your return by the return's original due date. If you do not pay this amount, we will charge you a penalty. This penalty is ½ of 1% (.005) of the tax not paid for each 30-day period or fraction of a 30-day period. We charge this penalty from the original due date of the return until the date you pay the tax. This penalty cannot exceed 25% (.25) of the unpaid tax. If we charge you the extension underpayment penalty, we will not charge you the late payment penalty under Arizona Revised Statutes (A.R.S.) § 42-1125(D).

NOTE: *If you are subject to two or more of the above penalties, the total cannot exceed 25%.*

Interest

We charge interest on any tax not paid by the due date. We will charge you interest even if you have an extension. If you have an extension, we will charge you interest from the original due date until the date you pay the tax. The Arizona interest rate is the same as the federal rate.

When Should You Amend a Return?

If you need to make changes to your return after you have filed, **do not** file a new return using Form 140. You must file Arizona Form 140X, *Individual Amended Income Tax Return*. File your amended return after your original return has processed. Generally, you have four years to amend a return to claim a refund.

If you amend your federal return for any year, you must also file an Arizona Form 140X for that year.

If the IRS makes a change to your federal taxable income for any year, you must report that change to Arizona. You must file Form 140X within 90 days of the final determination of the IRS. You may use one of the following two options to report this change.

Option 1

You may file a Form 140X for that year. If you choose this option, you must amend and mail your Arizona return within

90 days of the final determination of the IRS. Include a complete copy of the federal notice with your Form 140X.

Option 2

You may file a copy of the final federal notice with the department within 90 days of the final determination of the IRS.

If you choose this option, you must include a statement in which you must:

1. Request that the department recompute your tax **and**
2. Indicate if you agree or disagree with the federal notice.

If you do not agree with the federal notice, you must also include any documents that show why you do not agree. If you choose Option 2, mail the federal notice and any other documents to:

Do You Need to Make Arizona Estimated Payments in 2022?

| You must make Arizona estimated income tax payments during 2022 if: | | |
|---|--|---|
| Your filing status is: | AND your Arizona gross income for 2021 was greater than: | AND your Arizona gross income for 2022 is greater than: |
| Single | \$75,000 | \$75,000 |

| Married filing separate | \$ 75,000 | \$ 75,000 |
| Head of Household | \$ 75,000 | \$ 75,000 |

If you met the income threshold for 2021, you must make estimated payments during 2022 unless you are sure you will not meet the threshold for 2022. As a full year resident, your Arizona gross income is your federal adjusted gross income. Your Arizona gross income is on line 12 of the 2021 Form 140.

Use the worksheet for Arizona Form 140ES to figure how much your payments should be. For more information about making estimated payments, see the department’s publication, Pub. 012, *Arizona Individual Estimated Income Tax Payments*.

What if You Make Your Estimated Payments Late?

We will charge you a penalty if you are late or if you fail to make any required payments. See Arizona Form 221.

Can You Make Estimated Payments Even if You Do Not Have To?

If you do not have to make Arizona estimated income tax payments, you may still choose to make them. For details, see Arizona Form 140ES.

Entering Your Name, Address, and SSN

Enter your name, address, and SSN in the space provided. If you are filing a joint return, enter your SSNs in the same order as your first names. If your name appears first on the return, make sure your SSN is the first number listed.

If you are married filing separately, enter your name and SSN on the first line 1. Enter your spouse’s name and SSN on the second line 1.

Make sure that you enter your SSN on your return. Make sure that all SSNs are clear and correct. You may be subject to a penalty if you fail to include your SSN. It will take longer to process your return if SSNs are missing, incorrect, or unclear.

Use your current home address. The department will mail your refund to or correspond with you at that address.

For a deceased taxpayer, see page 2 of these instructions.

Foreign Addresses

If you have a foreign address, enter the information in the following order: city, province or state, and country.

Follow the country's practice for entering the postal code. Do not abbreviate the country name.

Last Names Used in Last 4 Prior Years

If the last name that you or your spouse are using on this return is not the same as the last name you or your spouse used on returns filed in the last 4 years, enter any other last name(s) that you or your spouse used when filing your return during that period.

Identification Numbers for Paid Preparers

If you pay someone else to prepare your return, that person must also include an identification number where requested. A paid preparer may use any of the following:

- his or her PTIN;
- his or her SSN; or
- the EIN for the business.

A paid preparer who fails to include the proper identification number may also be subject to a penalty.

Determining Your Filing Status

The filing status that you use on your Arizona return may be different from that used on your federal return.

Use this section to determine your filing status. Check the correct box (4 through 7) on the front of Form 140.

If you qualify as married for federal purposes, you qualify as married for Arizona purposes and must file using the status of either married filing joint or married filing separate.

If you are single, you must file as single or if qualified you may file as head of household (see the instructions for box 5).

Box 4 - Married Filing Joint Return

If you are married and filing a joint return, check box 4.

You may file a joint return if you were married as of December 31, 2021. It does not matter whether or not you were living with your spouse. You may file an Arizona joint return, even if you and your spouse filed separate federal returns.

You may file a joint return if your spouse died during 2021 and you did not remarry in 2021. See page 2 of these instructions for details.

Arizona Form 140 is for full year residents **only**. You may not file a joint income tax return on Form 140 if any of the following apply:

- Your spouse is a nonresident alien (citizen of and living in another country).
- Your spouse is a resident of another state.
- Your spouse is a part-year Arizona resident.

If filing a joint return with your nonresident spouse, you must file a joint return using Arizona Form 140NR. See Form 140NR instructions.

If filing a joint return with your part-year resident spouse, you must file a joint return using Arizona Form 140PY. See Form 140PY instructions. For more information on filing a joint tax return with your part-year resident or nonresident

spouse, see the department's ruling, ITR 14-1, *Filing a Joint Tax Return When a Resident Spouse is Married to a Part-Year Resident or Nonresident*.

Box 4a - Injured Spouse Protection of Joint Overpayment

Check box 4a **only** if you and your spouse are filing a joint return **and** you or your spouse qualify as an injured spouse and are requesting protection from application of any joint overpayment against the other spouse's delinquencies or debts for back child support, court fees, and fees to counties, cities or educational institutions. **The taxpayer (spouse) requesting injured spouse protection must have Arizona income with taxes withheld and reported on his/her own Form W-2 or Form 1099.**

NOTE: You cannot use Form 203 to request protection from offset for past-due federal taxes. You must contact the IRS.

You **must** complete Arizona Form 203, *Request for Injured Spouse Protection from Application of Joint Overpayment Against Spouse's Delinquencies and Debts*, and include that form with your tax return when filed. For more information, see the instructions for Form 203.

Box 5 - Head of Household Return

If you are filing as a head of household, check box 5. Enter the name of the qualifying child or dependent in the space provided. You may file as head of household on your Arizona return only if one of the following applies:

- You qualify to file as head of household on your federal return; or
- You qualify to file as a qualifying widow or widower on your federal return.

Box 6 - Married Filing Separate Return

If you are married and filing a separate return, check box 6. Enter your spouse's name and SSN on the second line 1.

If you were married as of December 31, 2021, you may choose to file a separate return. You may file a separate Arizona return, even if you and your spouse filed a joint federal return.

Arizona is a community property state. If you file a separate return, you must figure out how much income to report using community property laws. Under these laws, a separate return must reflect one-half of the community income from all sources plus any separate income.

When you file separate returns, you must account for community deductions and credits on the same basis as community income. Both you and your spouse must either itemize or not itemize. If one of you itemizes, you both must itemize. If one of you takes a standard deduction, you both must take a standard deduction. One of you may not claim a standard deduction while the other itemizes.

If you and your spouse support a dependent child from community income, either you or your spouse may claim the dependent. Both of you cannot claim the same dependent on both separate returns. For more information, see the

department's rulings, ITR 93-18, *Income Reporting Requirements for Married Arizona Residents Who File Separate Arizona Individual Income Tax Returns*; and ITR 93-19, *Deductions, Exemptions, and Credits for Married Taxpayers Who File Separate Arizona Individual Income Tax Returns*.

NOTE: *In some cases, you may treat community income as separate income. For more information, see the department's ruling, ITR 93-22, When Community Income May Be Treated as Separate Income.*

If one spouse is a resident and the other spouse is not, other special rules may apply when filing a separate return. See the department's ruling, ITR 93-20, *Income Reporting Requirements of Resident and Nonresident Spouses Who File Separate Arizona Individual Income Tax Returns*; and the department's publication, Pub. 200, *Income Tax Issues Affecting Married and Divorced Taxpayers*.

Box 7 - Single Return

If you are filing as single, check box 7.

Use this filing status if you were single on December 31, 2021. You are single if any of the following apply to you:

- You have never been married.
- You are legally separated under a decree of divorce or of separate maintenance.
- You were widowed before January 1, 2021, and you did not remarry in 2021, and you do not qualify to file as a qualifying widow or widower with dependent children on your federal return.

NOTE: *If you got divorced during the year, see the department's ruling, ITR 14-2, Reporting Income, Deductions, Exemptions, and Withholding for Divorced Individuals for the Year of Divorce; and publication, Pub. 200, Income Tax Issues Affecting Married and Divorced Taxpayers.*

Exemptions - Boxes 8, 9, and 11a

Enter the **number** of exemptions you are claiming in boxes 8, 9, and 11a. **Do not put a check mark.** You may lose the exemption if you put a checkmark in these boxes.

Box 8 - Age 65 or Over

NOTE: *If a taxpayer's 65th birthday was January 1, 2022 (born 1/1/1957), that person is considered to be age 65 at the end of 2021 for federal income tax purposes and likewise for Arizona income tax purposes.*

- If you are single or filing as head of household, enter "1" in box 8 if you were 65 or older in 2021 and not claimed as a dependent by another taxpayer.
- If you are married filing a joint return, enter "1" in box 8 if you were 65 or older and not claimed as a dependent by another taxpayer or your spouse was 65 or older in 2021 and not claimed as a dependent by another taxpayer. Enter "2" in box 8 if both you and your spouse were 65 or older in 2021 and neither of you are claimed as a dependent by another taxpayer.

- If you are married and filing a separate return, enter "1" in box 8 if you were 65 or older and not claimed by another taxpayer. You cannot take an exemption for your spouse. Your spouse, if 65 or older and not claimed by another taxpayer, may take this exemption on his/her own separate return.

Box 9 - Blind

If you or your spouse was partially blind as of December 31, 2021, you must get a statement certified by your eye doctor or registered optometrist that either:

- You cannot see better than 20/200 in your better eye with glasses or contact lenses **or**
- Your field of vision is 20 degrees or less.

If your eye condition is not likely to improve beyond the conditions listed above, you can get a statement certified by your eye doctor or registered optometrist to that effect instead. You must keep the statement for your records.

- If you are single or filing as head of household, enter "1" in box 9 if you are totally or partially blind.
- If you are married filing a joint return, enter "1" in box 9 if you **or** your spouse is totally or partially blind.

Enter "2" in box 9 if both you **and** your spouse are totally or partially blind.

- If you are married and filing a separate return, you may take an exemption for yourself if you are totally or partially blind. You may only claim an exemption for your spouse if (1) your spouse is totally or partially blind, (2) has no Arizona adjusted gross income for the calendar year, and (3) is not the dependent of another taxpayer.

Enter "1" in box 9 if you are totally or partially blind **or** your spouse is totally or partially blind **and** your spouse meets the above criteria.

Enter "2" in box 9 if you are totally or partially blind **and** your spouse is totally or partially blind **and** your spouse meets the above criteria.

Box 11a - Qualifying Parents and Grandparents

NOTE: *If a person who is a qualifying parent or grandparent also qualifies as your dependent, you may include that person as a dependent in box 10b, **or** you may claim that person as a qualifying parent or grandparent in box 11a. You may **not** include the same person in both box 10b and box 11a.*

You must complete the qualifying parent and grandparent section (lines 11b and 11c) on page 1 (and Part 2 on page 4, if more space is needed) before you can total your exemptions for qualifying parents and grandparents. **Be sure to check the box on page 1 indicating you are completing page 4.**

A qualifying parent or grandparent may be any one of the following:

- Your parent, grandparent, or great-grandparent, etc.
- If married filing a joint return, your spouse's parent, grandparent, or great-grandparent, etc.

You may claim this exemption if **all** of the following apply:

1. The parent, grandparent, or great-grandparent was 65 years old or older during 2021.
2. The parent, grandparent, or great-grandparent lived in your principal residence for the entire taxable year.

If your parent or grandparent died during the taxable year, this requirement will still be met if he or she lived with you for the entire part of the year in which he or she was alive. Temporary absences by the parent or grandparent for special circumstances, such as a hospital stay or care in a hospice facility, count as time lived in the taxpayer's principal residence.

3. You paid more than one-half of the support and maintenance costs of the parent or grandparent during the taxable year.

To help you determine if you paid more than one-half of your parent or grandparent's support during the taxable year, it is recommended that you review the department's procedure, ITP 14-1, *Procedure for Determining Support for Purposes of the Parents and Grandparents Exemption Allowed under A.R.S. § 43-1023(C)* and complete the worksheet. Keep the worksheet for your records.

4. The parent or grandparent required assistance with activities of daily living.

The term "activities of daily living" means two or more of the following listed categories. Activities of daily living include both basic activities of daily living and instrumental activities of daily living. The categories of activities of daily living are: dressing, eating, ambulating, toileting, medicating and hygiene, shopping, housekeeping, managing personal finances, basic communication, food-preparation, and transportation.

For more information regarding what the term "activities of daily living" means when determining an Arizona resident taxpayer's eligibility for this exemption, see the department's ruling, ITR 14-3, *"Activities of Daily Living" for the Purpose of the Exemption Allowed Under A.R.S. § 43-1023(C)*.

To help you determine if your parent or grandparent required assistance with activities of daily living to meet this requirement, it is recommended that you review the department's procedure, ITP 14-2, *Procedure for Determining Whether a Parent or Grandparent Requires Assistance with Activities of Daily Living for Purposes of the Exemption Allowed under A.R.S. § 43-1023(C)* and complete the checklist. Keep the checklist for your records.

- a) first and last name;
- b) social security number;
- c) relationship to taxpayer;
- d) the number of months this person lived in your home;
- e) check this box if the person is age 65 or over;
- f) check this box if the person died in 2021.

You may lose the exemption for qualifying parents and grandparents if you do not furnish this information. Enter the total number of qualifying parents/grandparents in box 11a.

Dependents - Boxes 10a and 10b

Boxes 10a and 10b

Boxes 10a and 10b identify the *number* of your qualifying dependents that are either under the age of 17 (box 10a) or age 17 and over (box 10b). This information is used to compute the allowable Dependent Tax Credit. Include only those dependents in box 10a or 10b that you are using to compute the allowable Dependent Tax Credit claimed on line 49.

NOTE: *If a person who is a qualifying parent or grandparent also qualifies as your dependent, you may include that person as a dependent in box 10b to compute the allowable Dependent Tax Credit or you may claim that person as a qualifying parent or grandparent in box 11a. You may **not** include the same person in both box 10b and box 11a.*

Lines 10c through 10e

You must complete the dependent information section (lines 10c through 10e) on page 1 (and Part 1 on page 4, if more space is needed) for each person counted in either box 10a or 10b. **Be sure to check the box on page 1 indicating you are completing page 4.**

You may claim only those individuals that qualify as your dependent for federal purposes. For each qualifying individual, enter the following information:

- a) first and last name;
- b) social security number;
- c) relationship to taxpayer;
- d) the number of months this person lived in your home;

Temporary absences: Your child or dependent is considered to have lived with you during periods of time when temporarily absent due to special circumstances such as: illness, education, business, or vacation. Your child is also considered to have lived with you during any required hospital stay following birth, as long as the child would have lived with you during that time but for the hospitalization.

- e) - check box 1 (for box 10a) if this person is under the age of 17 or
- check box 2 (for box 10b) if this person is age 17 or over;
and
- f) check the box if you did not claim this person on your federal return due to educational credits.

NOTE: *If you did not claim a dependent who is a student on your federal return in order to allow the student to claim a federal education credit on the student's federal return, you may still claim the dependent on your Arizona return.*

For more information, see the department's ruling, ITR 05-2, Will Arizona Allow a Dependent Exemption When a Taxpayer Does Not Claim Federal Exemption in Order to Claim the Education Credit?

You may lose the dependent tax credit if you do not furnish this information. Enter the total number of dependents in box 10a and 10b.

Totaling Your Income

Line 12 - Federal Adjusted Gross Income

You must complete your federal return before you enter an amount on line 12. You must complete a 2021 federal return to determine your federal adjusted gross income, even if you are not filing a federal return.

Arizona uses federal adjusted gross income as a starting point to determine Arizona taxable income. Your federal adjusted gross income is your Arizona gross income.

NOTE: *Be sure to use your federal adjusted gross income and not your federal taxable income.*

If the amount on line 12 is more than \$75,000 (\$150,000 if filing a joint return), you may need to make estimated payments. See "Do You Need to Make Estimated Payments in 2022?" on page 4.

Arizona Small Business Income Tax Return

Beginning with tax year 2021, individuals *may* elect to report their small business income on Arizona Form 140-SBI, *Small Business Income (SBI)*, for the small business income amount included in their federal adjusted gross income.

An individual's small business income is reported on federal Schedules B, C, D, E, F and Form 4797 (for amounts not included on Schedule D).

For more information, see Form 140-SBI and instructions.

How do I Elect to Report Small Business Income on Arizona Form 140-SBI?

Taxpayers make the election by simply completing Form 140-SBI reporting their small business income **and including the completed form with their Arizona Form 140 tax returns, when filed.**

NOTE: *You must include Form 140-SBI with your Form 140, when filed. If you do not include Form 140-SBI with your Form 140, processing of your return may be delayed or your subtraction on line 13 may be denied. See the Mailing instructions for the correct address when mailing both Form 140 and Form 140-SBI.*

Modified Federal Adjusted Gross Income

Line 13 - Small Business Income

If you elect to report your small business income on Arizona Form 140-SBI, check the box on line 13 and enter the amount of small business income reported on Form 140-SBI, line 10.

Complete lines 4 through 10 on Form 140-SBI to determine the amount to enter on line 13 (Form 140).

If you are not making this election, enter "0" on line 13.

Line 14 – Modified Federal Adjusted Gross Income

Subtract line 13 from line 12.

Additions to Income

Line 15 - Non-Arizona Municipal Interest

If you are making the small business election, do not make the addition here. Make it on the 140-SBI tax return.

Enter the amount of interest income from non-Arizona municipal bonds that you did not include as income on your federal return.

You may exclude any expenses incurred to purchase or carry the obligation. Reduce the interest income by the amount of those expenses that you could not deduct on your federal return.

If you received tax exempt interest from municipal bonds, keep a schedule listing the payors and the amount received from each payor for your records. You should also keep supporting documents for amounts received from Arizona municipal bonds that are exempt from Arizona income tax. These may be items such as bank statements, brokerage statements, etc.

Line 16 - Partnership Income Adjustment

If you are making the small business election, do not make the addition here. Make it on the 140-SBI tax return.

Complete line 16 if you received an Arizona Form 165 Schedule K-1 and line 3 shows a difference between federal and state distributable income.

If the difference reported on line 3 of your Form 165 Schedule K-1 is a positive number, enter that difference as an addition on line 16.

NOTE: *If the difference reported on line 3 of your Form 165 Schedule K-1 is a negative number, enter the difference on 27.*

Line 17 - Total Federal Depreciation

If you are making the small business election, do not make the addition here, make it on the 140-SBI tax return.

Enter the total amount of depreciation deducted on your federal return. If you make an entry here, you should also take a subtraction on line 26. To figure how much you should subtract, see the instructions for line 26.

Line 18 - Other Additions to Arizona Gross Income

Use line 18 if any of the following special circumstances apply.

NOTE: *If you are reporting any adjustment on line 18, complete the schedule on page 5 of your tax return, Additions to Arizona Gross Income, and include it with your return.*

*If you are not reporting any adjustment on line 18, do **not** include page 5 with your return.*

You may either add (on line 18) or subtract (on line 36) items A and B, depending on your situation.

A. Married Persons Filing Separate Returns

If you file a separate Arizona return, you must report the following income on that return:

- one-half of the community income from all sources, and
- all of your separate income.

If you and your spouse file a joint federal return but separate Arizona returns, you must make sure that each separate return reflects the correct income. If you begin your Arizona return

with only the income that you earned during the year, you will have to adjust this income.

If you file separate federal returns, each of your federal returns should already reflect the correct income. Since your separate Arizona returns will begin with the federal adjusted gross income, you will not have to adjust your income.

If you adjust your income, keep a schedule for your records of how you figured your adjustment. For more information, see the department's publication, Pub. 200, *Income Tax Issues Affecting Married and Divorced Taxpayers*.

B. Fiduciary Adjustment

If you are making the small business election, do not make the addition here. Make it on the 140-SBI tax return.

A fiduciary uses Arizona Form 141AZ Schedule K-1 to report to you your share of the fiduciary adjustment from the trust or estate.

Line 3 of Form 141AZ Schedule K-1 shows your share of the fiduciary adjustment from the estate or trust. If the amount reported on line 3 of your Form 141AZ Schedule K-1 is a positive number, include that amount on line 18.

NOTE: *If the amount reported on line 3 of your Form 141AZ Schedule K-1 is a negative number, include that amount as an Other Subtraction on line 36.*

C. Ordinary Income Portion of Lump-Sum Distributions Excluded on Your Federal Return

Make this adjustment if you use federal averaging for lump-sum distributions from your pension or profit-sharing plan. Arizona law does not provide for averaging. Enter the amount of the distribution that you treated as ordinary income on your federal return. If you choose to treat the capital gain portion of the distribution as ordinary income, you must also include that amount.

For more information, see the department's ruling, ITR 93-5, *Arizona's Income Tax Treatment of the Capital Gain Portion of a Lump Sum Distribution from a Qualified Retirement Plan*.

D. Items Previously Deducted for Arizona Purposes

Arizona statutes prohibit a taxpayer from deducting items more than once. If your Arizona taxable income includes items previously deducted for Arizona purposes, you must add such amounts to your Arizona gross income.

E. Claim of Right Adjustment for Amounts Repaid in 2021

NOTE: *For items E, Fa and Fb; taxpayers that made the election to file an Arizona Small Business Income Tax Return in 2021, if the income required to be paid back under the claim of right is the type of income that would be included in lines 4 through 9 of the 140-SBI return if the income were reported in 2021, the adjustment should be made in the 140-SBI return. All other claim of right adjustments should be made on the regular 140 return.*

You must make an entry here if **all** of the following apply:

- During 2021, you were required to repay amounts held under a claim of right.
- The amount required to be repaid during 2021 was more than \$3,000.
- You took a deduction for the amount repaid on your 2021 federal income tax return.

If the above apply, include the amount deducted on your federal income tax return. For more information on the Arizona claim of right provisions, see the department's procedure, ITP 16-1, *Procedure for Individuals Who Restore Substantial Amounts Held under a Claim of Right*.

F (a). Claim of Right Adjustment for Amounts Repaid in Prior Taxable Years

You must make an entry here if **all** of the following apply:

- During a year prior to 2021, you were required to repay amounts held under a claim of right.
- You computed your tax for that prior year under Arizona's claim of right provisions.
- A net operating loss or capital loss was established due to the repayment made in the prior year.
- You are entitled to take that net operating loss or capital loss carryover into account when computing your 2021 Arizona taxable income.
- The amount of the loss carryover included in your federal income is more than the amount allowed to be taken into account for Arizona purposes.

Include the amount by which the loss carryover included in your federal adjusted gross income is more than the amount allowed for the taxable year under Arizona law.

F (b). Adjustment for Net Operating Loss Due to Claim of Right

You must addback the adjustment for any net operating loss previously claimed that is related to the amount of your claim of right reported.

G. Addition to S Corporation Income Due to Claiming Pass-Through Credits

If you are making the small business election, do not make the addition here. Make it on the 140-SBI tax return.

Shareholders of an S corporation who claim a credit passed through from an S corporation must make an addition to income for the amount of expenses disallowed by reason of claiming the credit.

An S corporation that passes the following credits through to its shareholders must notify each shareholder of his or her *pro rata* share of the adjustment. You must include an amount on this line when claiming any of the following Arizona credits:

- Agricultural Water Conservation System Credit (Form 312)
- Pollution Control Credit (Form 315)

H. Adjusted Basis in Property for Which You Have Claimed a Credit for Investment in Qualified Small Businesses

If you are making the small business election, do not make the addition here. Make it on the 140-SBI tax return.

If you claim a credit on Form 338 for an investment in a qualified small business, you must adjust your basis in the investment by the amount of the credit claimed. You must report this difference in basis on the Arizona return that you file for the taxable year in which you sell or otherwise dispose of the investment. If you sold or otherwise disposed of the investment during the 2021 taxable year, include the amount by which the adjusted basis computed under the IRC with respect to that property exceeds the adjusted basis of the property computed under A.R.S. § 43-1074.02.

I. Nonqualified Withdrawals from 529 College Savings Plans

You must make an addition to income if **both** of the following apply to you:

- You received a nonqualified withdrawal from a 529 college savings plan.
- You did not include the amount of the withdrawal in your federal adjusted gross income.

The amount that you must include is the amount withdrawn, but no more than the difference between the amount of contributions subtracted in prior years and the amount added in any prior years.

A nonqualified withdrawal is a withdrawal other than any of the following:

- A qualified withdrawal, which is a withdrawal from an account to pay the qualified higher education expenses of the designated beneficiary of the account.
- A withdrawal made as the result of the death or disability of the designated beneficiary of an account.
- A withdrawal that is made on the account of a scholarship or allowance or payment described in IRC § 135(d)(1)(B) or (C), if received by the designated beneficiary, but only to the extent of the amount of this scholarship, allowance or payment.
- A rollover or change of the designated beneficiary.

J. Sole Proprietorship Loss of an Arizona Nonprofit Medical Marijuana Dispensary Included in Federal Adjusted Gross Income

If you are making the small business election, do not make the addition here. Make it on the 140-SBI tax return.

NOTE: *A dual licensee that elects to operate on a for-profit basis does not qualify for a subtraction for the medical marijuana portion of its business.*

If you are registered as an Arizona sole proprietorship with the Arizona Department of Health Services to operate in this state as a nonprofit medical marijuana dispensary, you are required to add the amount of the loss from the dispensary that is

included in the computation of your federal adjusted gross income. Include the amount of the loss.

NOTE: *If the Arizona nonprofit medical marijuana dispensary is registered with the Arizona Department of Health Services as anything other than a sole proprietorship, this addition does not apply.*

In addition, a sole proprietorship of an Arizona dual licensee that has not elected to operate on a for-profit basis may subtract the portion of income included in federal adjusted gross income that is from the medical marijuana portion of the business.

NOTE: *A dual licensee that elects to operate on a for-profit basis does not qualify for a subtraction for the medical marijuana portion of their business.*

K. Federal Net Operating Loss (NOL) Carryforward from Non-Arizona Sources Accrued While a Nonresident

An individual cannot include a federal NOL carryforward deduction, incurred from non-Arizona sources while the taxpayer was an Arizona nonresident, in the Arizona taxable income of a return filed for a taxable year in which the taxpayer is an Arizona resident.

Instead, the taxpayer must make an addition to Arizona gross income on the full-year Arizona resident return for the amount of the NOL carryforward deduction included in the taxpayer's federal adjusted gross income. For more information, see the department's ruling, ITR 13-5, *Can A Net Operating Loss Incurred as a Non-Resident Be Used to Offset Income In A Year In Which the Taxpayer Is A Resident?*

NOTE: *For a non-Arizona source loss incurred while the taxpayer was an Arizona nonresident, the taxpayer would not be allowed to amend a prior year resident Arizona income tax return to claim the NOL carry back deduction.*

L. Federal Capital Loss Carryforward Deduction Incurred from Non-Arizona Sources Prior to Arizona Residency

If you are making the small business election, do not make the addition here. Make it on the 140-SBI tax return.

An individual cannot include a capital loss carryforward deduction, incurred from non-Arizona sources while the taxpayer was an Arizona nonresident, in the Arizona taxable income of a return filed for a taxable year in which the taxpayer is an Arizona resident. Therefore, a capital loss incurred from non-Arizona sources while the taxpayer was an Arizona nonresident cannot be carried forward to a taxpayer's Arizona resident return when the loss carryover is reflected in the taxpayer's federal adjusted gross income.

The taxpayer must make an addition to Arizona gross income on the full-year Arizona resident return for the amount of such capital loss carryforward deduction included in the computation of the taxpayer's federal adjusted gross income.

For more information, see the department's ruling, ITR 13-6, *Can A Capital Loss Incurred as a Non-Resident Be Used to Offset Income In A Year In Which the Taxpayer Is A Resident?*

M. Americans with Disabilities Act - Access Expenditures

If you are making the small business election, do not make the addition here. Make it on the Small Business Income Tax Return.

If you take a subtraction on line 36, *Other Subtractions from Income* (Item N), for the full amount of eligible business access expenditures paid or incurred during the taxable year to comply with the Americans with Disabilities Act of 1990 or A.R.S Title 41, chapter 9, article 8, you must make an addition to Arizona gross income for any amount that is included in the computation of federal adjusted gross income for the current year, plus any federally amortized amounts.

N. Amortization or Depreciation for Child Care Facility

You may need to make an addition for depreciation or amortization if you elected to amortize the cost of a child care facility under Arizona law in effect before 1990 and you are still deducting amortization or depreciation for that facility on your federal income tax return.

O. Net Capital (Loss) from Exchange of One Kind of Legal Tender for Another Kind of Legal Tender

NOTE: If you elected to file the Arizona Small Business Income Tax Return, only claim the addition on this return if the net capital loss to which the addition relates was not moved to the Small Business Income Tax Return.

To determine if you are required to make this addition to income, you must net **all** gains and (losses) from all exchanges of one kind of legal tender for another kind of legal tender, including amounts shown on Form 165 Schedule K-1, Form 120S Schedule K-1, and Form 141AZ Schedule K-1.

Enter the amount of any net capital (loss) included in Arizona gross income for the taxable year that is derived from the exchange of one kind of legal tender for another kind of legal tender.

NOTE: If the amount from all sources results in a **net capital gain** from the exchange of one kind of tender for another kind of tender, enter that amount on page 6, *Other Subtractions from Arizona Gross Income*, item "R".

For the purposes of this paragraph:

- (a) "Legal tender" means a medium of exchange, including specie that is authorized by the United States Constitution or Congress for the payment of debts, public charges, taxes and dues.
- (b) "Specie" means coins having precious metal content.

P. Other Adjustments Related to Tax Credits

If you are making the small business election, do not make the addition here. Make it on the 140-SBI tax return.

You may also need to make an addition if you claimed certain tax credits. Call one of the numbers listed on page 1 of these instructions if you claimed any of the following:

- Agricultural Water Conservation System credit (Form 312)
- Pollution Control Credit. (Form 315)
- Agricultural Pollution Control Equipment Credit. (Form 325)

Q. Other Adjustments

If you are making the small business election, do not make the addition here. Make it on the 140-SBI tax return.

Other adjustments may be necessary. For example, you must addback expenses related to income that Arizona does not tax. If you have more than one *Other Adjustment*, add the amounts together and enter the total.

R. Total Other Additions to Arizona Gross Income

Add all amounts from page 5 and enter the total on line 18.

Line 19 - Subtotal

Add lines 14 through 18 and enter the total.

Subtractions from Income

You may only subtract those items for which statutory authority exists. You cannot take a subtraction without such authority.

You may not subtract any amount that is allocable to income excluded from your Arizona taxable income.

If you have any questions concerning subtractions from income, call one of the numbers listed on page 1 of these instructions.

Lines 20 through 24 - Net Capital Gain or (Loss)

NOTE: For lines 20-24, if you elected to file the Arizona Small Business Income Tax Return, only claim the subtraction on this return if the net capital gain to which the subtraction relates was not moved to the Arizona Small Business Income Tax Return.

If you have net capital gains or (losses) not related to small business income, enter those amounts on Form 140, lines 20-24.

If you are not filing a small business income tax return, include all net capital gains or (losses) on Form 140, lines 20-24.

NOTE: If you enter an amount on line 20, you must complete lines 21 and 22. If you are taking a subtraction on line 24 for any net long-term capital gain from assets acquired after December 31, 2011, you must also complete line 23. If you do not complete lines 20 through 23, you cannot take the subtraction on line 24.

You may subtract 25% (.25) of any net long-term capital gain included in your federal adjusted gross income that is derived from an investment in an asset acquired after December 31, 2011.

Complete the *Worksheet for Net Long-Term Capital Gain Subtraction for Assets Acquired after December 31, 2011* at the end of these instructions to determine the allowable subtraction. Keep the worksheet for your records.

NOTE: If you do not have any net capital gain or (loss) to report, enter zero (0) on lines 20-22.

Line 20 - Total Net Capital Gain or (Loss)

If you reported a net capital gain or (loss) on your federal income tax return, enter the total net capital gain or (loss)

reported on the *Capital Gain or (Loss)* line on your federal return. This amount should be included in your federal adjusted gross income.

Line 21 - Total Net Short-Term Capital Gain or (Loss)

Enter the total amount of net short-term capital gain or (loss) reported on federal Schedule D. This amount should be included in your federal adjusted gross income.

NOTE: *If you are not required to report dividend distributions and/or short-term capital gains from mutual funds on federal Form Schedule D, do not include the short-term capital gain distributed by the mutual fund on line 21.*

Line 22 - Total Net Long-Term Capital Gain or (Loss)

Enter the total amount of net long-term capital gain or (loss) reported on federal Schedule D. This amount should be included in your federal adjusted gross income.

If your net long-term capital gain (loss) is limited to an amount reported on Form 1099-DIV and you were not required to complete federal Schedule D, enter the amount shown on Form 1099-DIV on line 22.

Line 23 - Net Long-Term Capital Gain from Assets Acquired After December 31, 2011

NOTE: *Only include net long-term capital gains on this line if it can be verified that the asset was acquired after December 31, 2011. If the date of acquisition cannot be determined, the asset is considered to have been acquired before January 1, 2012.*

For purposes of this line, an asset acquired by gift or inheritance is considered acquired on the date it was acquired by the gift-giver or the deceased individual.

If you completed the worksheet at the end of these instructions, enter the amount from line 5 of the worksheet.

If you did not complete the worksheet and you have no net long-term capital gain from assets acquired after December 31, 2011, enter zero (0).

Line 24 - Net Long-Term Capital Gain Subtraction From Income for Assets Acquired After December 31, 2011

Multiply the amount on line 23 by 25% (.25) and enter the result.

CAUTION: *If you take a subtraction for the net capital gain derived from investment in a qualified business (on line 25) or the net capital gain from the exchange of one kind of legal tender for another kind of legal tender (on page 6, item R) that includes any long-term capital gain from an investment made after December 31, 2011, you **cannot include** that portion in your computation of the allowable subtraction on line 24 for any net long-term capital gain from assets acquired after December 31, 2011 and included in federal adjusted gross income. For more information, see the worksheet on page 29.*

1099-DIV: If you received Form 1099-DIV issued from a fund Administrator and the 1099-DIV included long-term capital gains from the sale of assets within the fund (for example, a mutual fund) for the current tax year but the form did not include the acquisition date of each asset sold within the fund,

you cannot verify that the long-term capital gain was from an asset acquired by the Fund was after December 31, 2011 for the purpose of the allowable subtraction on line 23. In this case, you may want to contact the Fund Administrator and request to obtain the acquisition date of each asset sold within the fund. If the Administrator does not provide you with the specific date(s), then those assets cannot be included on line 23.

1099-B: If you received Form 1099-B showing a capital gain or (loss) from the sale of your portion of a fund (for example a mutual fund), Form 1099-B would generally include your purchase date of the fund, including acquisition dates of assets included in your portion of the fund when reporting short-term or long-term capital gains or (losses). In this case, you would know the specific date the asset was acquired and those assets may be included on line 23.

Line 25 - Net Capital Gain from Investment in an Arizona Qualified Small Business

If you are making the small business election, do not take the subtraction here. Take it on the 140-SBI tax return.

To take the subtraction for a net capital gain from investment in an Arizona qualified small business, you must net all gains and (losses) from investments in Arizona qualified small businesses, including amounts shown on Forms 165 Schedule K-1, 120S Schedule K-1, and/or 141AZ, Schedule K-1.

You may subtract the amount of any net capital gain included in federal adjusted gross income for the taxable year derived from investment in a qualified small business as determined by the Arizona Commerce Authority (ACA) pursuant to A.R.S. § 41-1518.

To qualify for this subtraction, your investment in the qualified small business must have been made *after* the ACA certified the company as a qualified small business and *before* the company's certification expiration date. An investment made prior to certification or after the expiration of certification does not qualify for this subtraction. See the ACA's website, *Small Business Incentives: Angel Investment*, for a list of certified businesses and their certification dates.

On line 25, enter the amount of the allowable subtraction.

Line 26 - Recalculated Arizona Depreciation

If you are making the small business election, do not take the subtraction here. Take it on the 140-SBI tax return.

NOTE: *For more information and examples of how to calculate Arizona bonus depreciation, see the department's procedure, ITP 16-2, Procedure for Individuals who Claim Federal and/or Arizona Bonus Depreciation.*

For assets placed in service in taxable years beginning before December 31, 2012, enter the total amount of depreciation allowable pursuant to IRC § 167(a) for the taxable year, calculated as if you had elected not to claim bonus depreciation for eligible properties for federal purposes.

For assets placed in service during taxable years beginning from and after December 31, 2012 through December 31, 2013, the amount of the subtraction for these assets depends on the method used to compute the depreciation for these assets.

For assets placed in service in taxable years beginning from and after December 31, 2013 through December 31, 2015, enter the total amount of depreciation allowable pursuant to IRC § 167(a) for the taxable year, calculated as if the bonus depreciation is 10% (.10) of the amount of federal bonus depreciation pursuant to IRC § 168(k).

For assets placed in service in taxable years beginning from and after December 31, 2015 through December 31, 2016, enter the total amount of depreciation allowable pursuant to IRC § 167(a) for the taxable year, calculated as if the bonus depreciation is 55% (.55) of the amount of federal bonus depreciation pursuant to IRC § 168(k).

For assets placed in service in taxable years beginning from and after December 31, 2016, enter the total amount of depreciation allowable pursuant to IRC § 167(a) for the taxable year, calculated as if the bonus depreciation had been the full amount (100%) of federal bonus depreciation pursuant to IRC § 168(k).

Add all of the amounts together and enter the total on line 26.

Line 27 – Partnership Income Adjustment

If you are making the small business election, do not take the subtraction here. Take it on the 140-SBI tax return.

Use this adjustment if you received an Arizona Form 165 Schedule K-1, line 3 that shows a difference between federal and state distributable income.

If the difference reported on line 3 of your Arizona Form 165 Schedule K-1 is a negative number, enter that difference on line 27. **Do not include a minus sign or use parentheses.**

NOTE: *If the difference reported on line 3, of your Arizona Form 165 Schedule K-1, is a positive number, enter that difference as an addition on line 16.*

Line 28 - Interest on U.S. Obligations

If you are making the small business election, do not take the subtraction here. Take it on the 140-SBI tax return.

Enter the amount of interest income from U.S. Government obligations included as income on your federal return. U.S. Government obligations include obligations such as savings bonds and treasury bills. You cannot deduct any interest or other related expenses incurred to purchase or carry the obligations. If such expenses are included in your Arizona gross income, you must reduce the subtraction by such expenses. If you are itemizing deductions on your Arizona return, you must exclude such expenses from the amount deducted.

NOTE: *Do not subtract interest earned on Fannie Mae (FNMA) or Ginnie Mae (GNMA) bonds since this interest is taxable by Arizona.*

For details, see the department's ruling, ITR 06-1, Obligations of the United States Government, Federal Agencies, and United States Territories.

Do not subtract any amount received from a qualified pension plan that invests in U.S. Government obligations. Do not subtract any amount received from an IRA that invests in U.S. Government obligations. These amounts are not interest income.

For details, see the department's rulings, ITR 96-2, *Pension Plan Distributions Derived from Investment in U.S. Government Obligations*; and ITR 96-3, *Distributions Comprised of Income Earned by the IRA*.

Line 29a - Exclusion for U.S. Government, Arizona State or Local Government Pensions

If you received pension income from any of the sources listed below, subtract the amount you received or \$2,500, whichever is less. Include only the amount you reported as income on your federal return. If both you and your spouse receive such pension income, each spouse may subtract the amount received or \$2,500, whichever is less.

NOTE: *Do not enter any subtraction for pension income received from retired or retainer pay of the Uniformed Services. The allowable subtraction for this pension type is entered on line 29b.*

Public pensions from the following sources qualify for this subtraction:

- the United States Government Service Retirement and Disability Fund;
- the United States Foreign Service Retirement and Disability System;
- any other retirement system or plan established by federal law;

NOTE: *This applies only to those retirement plans authorized and enacted into the U.S. Code. This does not apply to a retirement plan that is only regulated by federal law (i.e., plans which must meet certain federal criteria to be qualified plans).*

- the Arizona State Retirement System;
- the Arizona State Retirement Plan;
- the Corrections Officer Retirement Plan;
- the Public Safety Personnel Retirement System;
- the Elected Officials' Retirement Plan;
- a retirement plan established for employees of a county, city, or town in Arizona; and
- an optional retirement program established by the Arizona Board of Regents under Arizona law, and an optional retirement program established by an Arizona community college district.

NOTE: *Public retirement pensions from states other than Arizona do not qualify for this subtraction.*

Line 29b – Exclusion for Retired or Retainer Pay of the Uniformed Services of the United States

Beginning with tax year 2021, if you received benefits, annuities and pensions as retired or retainer pay of the uniformed services of the United States, you may subtract 100% of the amount you received. If both you and your spouse each received such income, each spouse may subtract 100% of the amount received.

Line 30 - U.S. Social Security Benefits or Railroad Retirement Benefits

Arizona does not tax the following:

- Social Security benefits received under Title II of the Social Security Act.
- Railroad retirement benefits received from the Railroad Retirement Board under the Railroad Retirement Act, tier 1 or tier 2 railroad retirement benefits, railroad disability benefits reported on federal forms RRB-1099 and RRB-1099-R, railroad unemployment benefits and railroad sickness payments paid by the Railroad Retirement Board. For more information, see the department's ruling, ITR 16-1, *Railroad Retirement Benefits, Railroad Disability Benefits, Railroad Unemployment Benefits and Railroad Sickness Payments*.

If you included such Social Security or railroad retirement benefits as income on your federal return, use line 30 to subtract this income.

NOTE: Enter only the taxable amount (the amount that was subject to federal income tax). Do not include any amount that was not subject to federal income tax on line 30.

Line 31 - Certain Wages of American Indians

Enrolled members of American Indian tribes may subtract wages earned while living and working on their tribe's reservation. The federal government must recognize these tribes. For more information, see the department's ruling, ITR 96-4, *Income Taxation of Indians and Spouses*.

Line 32 - Pay Received for Active Service as a Member of the Reserves, National Guard or the U.S. Armed Forces

Members of the U.S. armed forces may subtract pay received for active duty military service. Enter the amount of that income included in your federal adjusted gross income.

Members of the reserves or the National Guard may subtract pay received for active service as a reservist or as a National Guard member. This includes pay received for weekend or two-week training periods. Enter the amount of that income included in your federal adjusted gross income.

Military Technician (dual status)

You may **not** subtract any income you received for full-time civil service employment as a "military technician (dual status)." Compensation received by a "military technician (dual status)" for federal civil service employment for the National Guard or for the United States Reserves is not income received for active service as a National Guard member or a Reserve member, even though the employee may be required to wear a military uniform while at work.

For more information, see the department's ruling, ITR 12-2, *Compensation Received by a National Guard member or a member of the United States Reserves*.

NOTE: You may not subtract pay received for active duty service as a member of the U.S. Public Health Service or NOAA. For more information, see the department's ruling, ITR 10-1, Does the subtraction, for armed forces personnel, under A.R.S. § 43-1022 apply to Arizona residents who are active duty service members of the commissioned corps of the United States Public Health Service or the National Oceanic and Atmospheric Administration?

Line 33 - Net Operating Loss Adjustment

If you are making the small business election, do not take the subtraction here. Take it on the 140-SBI tax return.

Arizona did not adopt the special federal net operating loss rules for losses incurred during 2008 or 2009. For Arizona purposes, you must deduct a net operating loss as if the loss was computed under IRC § 172 in effect prior to the enactment of those special rules. If you made an election to deduct your 2008 or 2009 federal net operating loss under IRC § 172(b)(1)(H), you may have to enter an amount here. Figure how much of the net operating loss carryforward would have been allowed as a deduction on your 2021 federal income tax return, if the election described in IRC § 172(b)(1)(H) had not been made in the year of the loss. Enter the amount that exceeds the actual net operating loss carryforward that was deducted in arriving at federal adjusted gross income.

NOTE: This subtraction applies to only those individuals who made an election under the special federal net operating loss rules for 2008 and 2009. Under the special rules for 2008 and 2009, you could have elected to carry the net operating loss back for 3, 4 or 5 years instead of the normal 2 years. This election would have been allowed under IRC § 172(b)(1)(H) as amended by the American Recovery and Reinvestment Act of 2009 or the Worker, Homeownership, and Business Assistance Act of 2009.

Line 34 (Box 34a) - Contributions to 529 College Savings Plans

You may subtract amounts you contributed directly to 529 college savings plans during the taxable year on behalf of the designated beneficiary to the extent that contributions were not deducted in computing federal adjusted gross income. You may subtract the amount you contributed during the year up to a maximum of \$2,000 per beneficiary (\$4,000 for a married couple filing a joint return). If you are married filing separate returns, either you or your spouse may take the subtraction or you may divide it between you, but the total subtraction taken by both of you cannot be more than \$4,000 per beneficiary.

If you contribute more than \$2,000 per beneficiary (\$4,000 if married) during the year, your total subtraction is limited to \$2,000 per beneficiary (\$4,000 if married).

For example: Jorge and Kate are married and have two children. During 2021, Jorge and Kate contributed \$5,000 to a 529 plan for Child 1 and \$5,000 to a 529 plan for Child 2. Even though Jorge and Kate contributed a total of \$10,000 during 2021, they may subtract only \$8,000 on their 2021 joint tax return.

You may take a subtraction for the following:

- A contribution that you made during 2021 to a plan that existed before 2021.
- A contribution that you made during 2021 to a plan established in another state.
- A contribution that you made in 2021 to any 529 college savings plan. This could be a plan established for a child, grandchild, niece, nephew, or any other person for whom a plan has been established.

You cannot take a subtraction for an amount transferred from one college savings plan to a different one (a rollover).

Line 34 (Box 34b) - Contributions to 529A (ABLE) Accounts

You may subtract amounts you contributed directly to a 529A, *Achieving a Better Life Experience (ABLE), Account* during the taxable year on behalf of the designated beneficiary if such contributions were not deducted in computing federal adjusted gross income. You may subtract the amount you contributed during the year up to a maximum of \$2,000 per beneficiary (\$4,000 for a married couple filing a joint return.) If you are married filing separate returns, either you or your spouse may take the subtraction, or you may divide it between you, but the total subtraction taken by both of you cannot be more than \$4,000 per beneficiary.

If you contribute more than \$2,000 per beneficiary (\$4,000 if married) during the year, your total subtraction is still limited to \$2,000 per beneficiary (\$4,000 if married). See the example under Line 34a.

Line 34c

Add the amounts in boxes 34a and 34b and enter the total on line 34c.

Line 35

Subtract lines 24 through 34c from line 19. Enter the difference.

Line 36 - Other Subtractions from Arizona Gross Income

NOTE: *If you are reporting adjustments on 36, complete the schedule on page 6 of your tax return, Other Subtractions from Arizona Gross Income, and include it with your return.*

If are not reporting an adjustment on line 36, do not include page 6 with your return.

Use line 36 if any of the following special circumstances apply.

Do not include on line 36 any amounts already excluded in the computation of your federal adjusted gross income.

A. Married Persons Filing Separate Returns

If you file a separate Arizona return, you must report the following income on that return:

- one-half of the community income from all sources, and
- all of your separate income.

If you and your spouse file a joint federal return but separate Arizona returns, you must make sure that each separate return reflects the correct income. If you begin your Arizona return with only the income that you earned during the year, you will have to adjust this income.

If you file separate federal returns, each of your federal returns should already reflect the correct income. Since your separate Arizona returns will begin with the federal adjusted gross income, you will not have to adjust your income.

If you adjust your income, keep a schedule for your records of how you figured your adjustment. For more information, see the department's publication, Pub. 200, *Income Tax Issues Affecting Married and Divorced Taxpayers*.

B. Arizona Form 141AZ Schedule K-1 - Fiduciary Adjustment

If you are making the small business election, do not take the subtraction here. Take it on the 140-SBI tax return.

A fiduciary uses Form 141AZ Schedule K-1 to report to you your share of the fiduciary adjustment from the trust or estate.

Line 3 of Form 141AZ Schedule K-1 shows your share of the fiduciary adjustment from the estate or trust. If the amount reported on line 3 of your Arizona Form 141AZ Schedule K-1 is a negative number, include that amount as an Other Subtraction on line 36.

NOTE: If the amount reported on line 3 of your Arizona Form 141AZ Schedule K-1 is a positive number, enter that amount as an Other Addition on line 18.

C. Federally Taxable Arizona Municipal Interest as Evidenced by Bonds

Include the amount of any interest income received on obligations of the State of Arizona or any political subdivision of Arizona, as evidenced by bonds, that is included in your Arizona gross income. Do not enter any Arizona municipal interest that is exempt from federal taxation and *not* included in your federal adjusted gross income. For more information, see the department's ruling, ITR 15-1, *Arizona Municipal Interest that is Included in Federal Adjusted Gross Income*.

D. Adoption Expenses

You may take this subtraction only in the year the final adoption order is granted. Include the lesser of the total of the following adoption expenses or \$3,000. When figuring your subtraction, you may include expenses incurred in prior years.

The following expenses are qualified adoption expenses:

- unreimbursed medical and hospital costs;
- adoption counseling;
- legal and agency fees; and
- other nonrecurring costs of adoption.

If you are married and filing separately, you may take the entire subtraction or you may divide the subtraction with your spouse. However, the total subtraction taken by both you and your spouse cannot exceed \$3,000.

E. Qualified Wood Stove, Wood Fireplace, or Gas-Fired Fireplace

You may take a subtraction for converting an existing fireplace to one of the following:

- a qualified wood stove;
- a qualified wood fireplace; or

- a gas fired fireplace and non-optional equipment directly related to its operation.

You may subtract up to \$500 of the costs incurred for converting an existing fireplace on your property located in Arizona. When you figure your subtraction, do not include taxes, interest, or other finance charges.

A qualified wood stove or a qualified wood fireplace is a residential wood heater that was manufactured on or after July 1, 1990, or sold at retail on or after July 1, 1992. The residential wood heater must also meet the U.S. Environmental Protection Agency's July 1990 particulate emissions standards.

A qualified gas fired fireplace is any device that burns natural or liquefied petroleum gas as its fuel through a burner system that is permanently installed in the fireplace. The conversion of an existing wood burning fireplace to noncombustible gas logs that are permanently installed in the fireplace also qualifies as a gas fired fireplace.

F. Claim of Right Adjustment for Amounts Repaid in Prior Taxable Years

NOTE: For taxpayers that made the election to file an Arizona Small Business Income Tax Return in 2021, if the income required to be paid back under the claim of right is the type that would be included in lines 4 through 9 of the 140-SBI return, the adjustment should be made in the 140-SBI return. All other claim of right adjustments should be made on the regular 140 return.

You must make an entry here if **all** of the following apply:

- During a year prior to 2021 you were required to repay amounts held under a claim of right.
- You computed your tax for that prior year under Arizona's claim of right provisions.
- A net operating loss or capital loss was established due to the repayment made in the prior year.
- You are entitled to take that net operating loss or capital loss carryover into account when computing your 2021 Arizona taxable income.
- The amount of the loss carryover allowed to be taken into account for Arizona purposes is more than the amount included in your federal income.

Include the amount by which the loss carryover allowed for the taxable year under Arizona law is more than the amount included in your federal adjusted gross income.

G. Certain Expenses Not Allowed for Federal Purposes (due to claiming federal tax credits)

If you are making the small business election, do not take the subtraction here. Take it on the 140-SBI tax return.

You may subtract some expenses that you cannot deduct on your federal return when you claim certain federal tax credits. These federal tax credits include the following:

- the Federal Work Opportunity Credit;
- the Empowerment Zone Employment Credit;
- the credit for employer-paid social security taxes on employee cash tips; and
- the Indian Employment Credit.

If you received any of the above federal tax credits for 2021, include the portion of wages or salaries you paid or incurred during the taxable year equal to the amount of those federal tax credits you received.

H. Qualified State Tuition Program Distributions

If you are a beneficiary of a qualified state tuition program, you may subtract some of the amount distributed from the program for qualified education expenses. Include the amount of the distribution that you had to include in your federal adjusted gross income. A qualified state tuition program is a program that meets the requirements of IRC § 529.

I. Installment Sale Income from Another State Taxed by the Other State in a Prior Taxable Year

If you are making the small business election, do not take the subtraction here. Take it on the 140-SBI tax return.

You may subtract income from an installment sale if **both** of the following apply:

- The income from the sale is subject to Arizona income tax in 2021.
- You paid income tax to another state on that income in a **prior** tax year.

Include the amount of such income that you included in your Arizona gross income for 2021.

Do not include any amount that is subject to tax by both Arizona and another state in 2021. In this case, you may be eligible for a tax credit. See Arizona Form 309 for details.

J. Agricultural Crops Given to Arizona Charitable Organizations

If you are making the small business election, do not take the subtraction here. Take it on the 140-SBI tax return.

Arizona law allows a subtraction for qualified crop gifts made during 2021 to one or more charitable organizations. To take this subtraction, **all** of the following must apply:

- You must be engaged in the business of farming or processing agricultural crops.
- The crop must be grown in Arizona.
- You made your gift to a charitable organization located in Arizona that is exempt from Arizona income tax.

The subtraction is the larger of the wholesale market price or the most recent sale price for the contributed crop. The amount of the subtraction cannot include any amount deducted pursuant to IRC § 170 with respect to crop contribution that exceeds the cost of producing the contributed crop.

To determine if your crop gift qualifies for this subtraction, see the department's procedure, ITP 12-1, *Establishing an Income Tax Subtraction for Agricultural Crops Contributed to Charitable Organizations*.

K. Basis Adjustment for Property Sold or Otherwise Disposed of During the Taxable Year

If you are making the small business election, do not take the subtraction here. Take it on the 140-SBI tax return.

For property that is sold or otherwise disposed of during the taxable year by a taxpayer who has complied with the

requirement to add back all depreciation for that property on tax returns for all taxable years beginning from and after December 31, 1999, include the amount of depreciation that has been allowed pursuant to IRC § 167(a) if the amount has not already reduced Arizona taxable income in the current or prior years. (Note: The practical effect of this is to allow a subtraction for the difference in basis for any asset for which bonus depreciation has been claimed on the federal return.)

L. Sole Proprietorship Income of an Arizona Nonprofit Medical Marijuana Dispensary Included in Federal Adjusted Gross Income

If you are making the small business election, do not take the subtraction here. Take it on the 140-SBI tax return.

NOTE: *If the Arizona nonprofit medical marijuana dispensary is registered with the Arizona Department of Health Services as anything other than a sole proprietorship, this subtraction does not apply.*

If you are registered as an Arizona sole proprietorship with the Arizona Department of Health Services to operate in this state as a nonprofit medical marijuana dispensary, you may subtract the amount of the income from the dispensary that is included in the computation of your federal adjusted gross income.

In addition, a sole proprietorship of an **Arizona dual licensee that has not elected to operate on a for-profit basis** may subtract the portion of income included in federal adjusted gross income that is from the medical marijuana portion of the business.

NOTE: *A dual licensee that elects to operate on a for-profit basis does not qualify for a subtraction for the medical marijuana portion of its business.*

M. Long-Term Care Insurance Premiums

You may subtract the amount of premium costs for long-term care insurance for qualified long-term care services. Qualified long-term care services are necessary diagnostic, preventive, therapeutic, curing, treating, mitigating, rehabilitative services, and maintenance and personal care services.

You may take this subtraction only if you are **not** claiming itemized deductions for the taxable year.

An individual who claims itemized deductions may **not** take this subtraction.

N. Americans with Disabilities Act - Access Expenditures

If you are making the small business election, do not take the subtraction here. Take it on the 140-SBI tax return.

A subtraction is allowed for eligible business access expenditures paid or incurred during the taxable year to comply with the requirements of the Americans with Disabilities Act of 1990 or A.R.S. Title 41, chapter 9, article 8 by retrofitting developed real property that was originally placed in service at least ten years before the current taxable year (A.R.S. §§ 43-1022 and 43-1024).

“Eligible business access expenditures” include reasonable and necessary amounts paid or incurred to do any of the following:

- Remove any barriers that prevent a business from being accessible to or usable by individuals with disabilities.
- Provide qualified interpreters or other methods of making audio materials available to hearing-impaired individuals.
- Provide qualified readers, taped texts, and other effective methods of making visually delivered materials available to individuals with visual impairments.
- Acquire or modify equipment or devices for individuals with disabilities.
- Provide other similar services, modifications, materials, or equipment.

NOTE: *A taxpayer who has been cited for noncompliance with the Americans with Disabilities Act of 1990 or A.R.S. Title 41, chapter 9, article 8 by either federal or state enforcement officials is ineligible for a subtraction under this section for any expenditure required to cure the cited violation.*

O. Exploration Expenses Deferred before January 1, 1990

If you are making the small business election, do not take the subtraction here. Take it on the 140-SBI tax return.

Call one of the numbers on page 1 of these instructions if you deferred exploration expenses determined under IRC § 617 in a taxable year ending before January 1, 1990 and you have not previously taken a subtraction for those expenses.

P. Sole Proprietorship – Marijuana Establishment, Testing Facilities and Dual Licensees that Elected to Operate on a For-Profit Basis

If you are making the small business election, do not take the subtraction here. Take it on the 140-SBI tax return.

A sole proprietorship or disregarded LLC (dual licensee) that takes the allowable subtraction for the income of an Arizona Nonprofit Medical Marijuana Dispensary (NMMD) under item “L”, cannot take this allowable subtraction.

Enter the **total** amount of **ordinary and necessary expenses related to the sales of adult use products** reported on **Arizona Schedule DFE, Disallowed Federal Expense Schedule for Marijuana Establishments**, line 16. **Include this schedule (after page 6) with your tax return, when filed.**

Do not include Cost of Goods Sold or any other expenses already allowed to be deducted on your federal return in the total amount of expenses reported on this line.

NOTE: *Sole Proprietors and disregarded LLCs must contact the Arizona Department of Health Services (ADHS) to make the election to operate on a for-profit basis.*

Q. S Corporation Shareholders – Marijuana Establishment, Testing Facilities and Dual Licensees that Elected to Operate on a For-Profit Basis

If you are making the small business election, do not take the subtraction here. Take it on the 140-SBI tax return.

Enter the amount of your pro-rata share of ordinary and necessary expenses related to the sales of adult use products shown on your Form 120S Schedule K-1, line 7.

R. Net Capital Gain from Exchange of One Kind of Legal Tender for Another Kind of Legal Tender

If you are making the small business election, do not take the subtraction here. Take it on the 140-SBI.

To take this subtraction, you must net **all** gains and (losses) from all exchanges of kind of legal tender for another kind of legal tender including amounts shown on Forms 165 Schedule K-1, 120S Schedule K-1, and/or 141AZ, Schedule K-1.

Enter the amount of any **net** capital gain included in Arizona gross income for the taxable year that is derived from the exchange of one kind of legal tender for another kind of legal tender.

NOTE: If the amount from all sources results in a **net capital (loss)** from the exchange of one kind of tender for another kind of tender, enter that amount on page 5, Other Additions to Arizona Gross Income, item "O".

For the purposes of this subtraction:

(a) "Legal tender" means a medium of exchange, including specie that is authorized by the United States Constitution or Congress for the payment of debts, public charges, taxes and dues.

(b) "Specie" means coins having precious metal content.

S. Other Adjustments

If you are making the small business election, do not take the subtraction here. Take it on the 140-SBI tax return.

Other adjustments may be necessary. If an allowable adjustment is not listed above, enter that amount on this line. If you have more than one *Other Adjustment*, add the amounts together and enter the total.

T. Total Other Subtractions from Arizona Gross Income

Add all amounts from page 6 and enter the total on line 36.

Line 37

Subtract line 36 from line 35 and enter the difference.

Exemptions - Lines 38 through 41**Line 38 - Age 65 or Over**

Multiply the number in box 8 on the front of your return by \$2,100 and enter the result.

Line 39 - Blind

Multiply the number in box 9 on the front of your return by \$1,500 and enter the result.

Line 40 - Other Exemptions

NOTE: If you take an "Other Exemption" for an individual on line 40, you cannot take an exemption for this individual as a qualifying parent/grandparent on line 41 or claim this individual for the dependent tax credit on line 49. In this case, do not include this individual as a dependent in Box 10b.

You must complete page 4, Part 3 to compute your allowable *Other Exemptions* on line 40. Be sure to enter the number of individuals listed in Part 3 in the box, **40E, on line 40.**

You may take an exemption in the amount of \$2,300 for **each** of the following individuals:

- A person who is age 65 or over (related to you or not) if either of the following applies:

1. In 2021, you paid more than one-fourth of the cost of keeping this person in an Arizona nursing care institution, an Arizona residential care institution, or an Arizona assisted living facility. Your cost must be more than \$800.
2. In 2021, you paid more than \$800 for either Arizona home health care or other medical costs for the person.

If both 1 and 2 apply to the same person, you are limited to only **one** exemption of \$2,300 for that person.

NOTE: If a taxpayer's 65th birthday was January 1, 2022 (born 1/1/1957), that person would be considered to be age 65 at the end of 2021 for federal income tax purposes and likewise for Arizona income tax purposes.

- A stillborn child if the following apply:
 1. The stillbirth occurred during 2021.
 2. You received a certificate of birth resulting in stillbirth from the Arizona Department of Health Services.
 3. The child would have otherwise been a member of your household.

Enter the following in columns (a) through (d):

- a) The individual's first and last name. If you are claiming an exemption for a stillborn child and the child was not named, enter "stillborn child" in place of a name.
- b) The individual's SSN. If you are claiming an exemption for a stillborn child, enter the certificate number from the certificate of birth resulting in stillbirth.
- c) For those individuals age 65 or over:
 - Check box C1 if you paid more than one-fourth of the cost of keeping this person in an Arizona nursing care institution, an Arizona residential care institution, or an Arizona assisted living facility. Your cost must be more than \$800 during the taxable year.
 - Check box C2 if you paid more than \$800 for either Arizona home health care or other medical costs for the person during the taxable year.

If you check both box C1 and box C2 for the same individual, you are limited to only **one** exemption of \$2,300 for that individual.

- d) Check this box if claiming an exemptions for a stillborn child.

Enter the total **number** of exemptions in box **40E** on line 40. **You may lose the exemption if you do not furnish this information.**

In this case, do not include this individual as a dependent in Box 10b.*

Multiply the number in box 11a on the front of your return by \$10,000 and enter the result.

Line 42 - Arizona Adjusted Gross Income

Subtract lines 38 through 41 from line 37. If less than zero, enter zero (0).

Figuring Your Tax

Line 43 - Itemized Deductions or Standardized Deductions

You must decide whether to take the standard deduction or to itemize your deductions. Your Arizona income tax will be less if you take the larger of your standard deduction or your itemized deductions.

 When you *e-file*, the software completes the math for you.

Your Itemized Deductions

If you itemize your deductions, check box 43I.

You may itemize deductions on your Arizona return even if you take a standard deduction on your federal return. For the most part, you may claim those deductions allowable as itemized deductions under the IRC. In some cases, the amount allowed for some deductions may not be the same as the amount allowable for federal purposes.

You may have to adjust the amounts shown on your completed federal Form 1040 Schedule A.

See Arizona Form 140 Schedule A, *Itemized Deduction Adjustments*, to figure if you have to make any adjustments.

To figure your itemized deductions, you must complete a federal Form 1040 Schedule A. Then, if required, complete Arizona Form 140, Schedule A, *Itemized Deduction Adjustments*.

If you do **not** have to complete Form 140 Schedule A, *Itemized Deduction Adjustments*; enter the amount from federal Form 1040 Schedule A, on Form 140, line 43. You must include a copy of the completed federal Schedule A with your tax return.

Your Standard Deduction

If you take the standard deduction, check box 43S.

| If your filing status is: | Your standard deduction is: |
|---------------------------|-----------------------------|
| • Single | \$12,550 |
| • Married filing joint | \$25,100 |
| • Married filing separate | \$12,550 |
| • Head of Household | \$18,800 |

Line 44 - Increased Standard Deduction for Charitable Contributions

A taxpayer may increase the allowable standard deduction amount equal to 25% (.25) of the total amount of a taxpayer's charitable contributions that would have been allowed if the taxpayer elected to claim itemized deductions.

To claim the increased standard deduction, you must complete Form 140, page 3, and include the completed page with your tax return, when filed.

Be sure to check box 44C on line 44. If you do not check this box **and** include a completed page 3 with your tax return, you may be denied the increased standard deduction.

Line 45 - Arizona Taxable Income

Subtract lines 43 and 44 from line 42 and enter the difference. If less than zero, enter "0". Use this amount to calculate your tax using Tax Tables X & Y or the Optional Tax Tables.

Line 46a - Tax Amount

Enter the tax from either Tax Tables X and Y or the Optional Tax Tables. If your taxable income is \$50,000 or less, you may use the Optional Tax Table or Tax Tables X and Y. If your taxable income is \$50,000 or more, you must use Tax Tables X and Y.

Line 46b

Do not enter an amount on this line.

Line 47 - Tax from Recapture of Credits from Arizona Form 301

Enter the amount of tax due from recapture of the credits from Arizona Form 301, Part 2, line 30.

Line 48 - Subtotal of Tax

Add lines 46a and 47 and enter the total.

Line 49 - Dependent Tax Credit

NOTE: *If you claim an individual for the dependent tax credit on line 49, you cannot take an exemption for the same individual as a qualifying parent/grandparent on line 41 or as an "Other Exemption" on line 40.*

Taxpayers may claim a nonrefundable Dependent Tax Credit for certain qualifying dependents.

For the purpose of the dependent tax credit, "dependent" means an individual that qualifies as a dependent for federal purposes.

The tax credit is equal to:

- \$100 for each qualifying dependent who is under 17 years of age at the end of the taxable year.
- \$25 for each qualifying dependent who is at least 17 years of age at the end of the taxable year.

The allowable credit is reduced for single, head of household, and married taxpayers filing separate returns whose federal adjusted gross income (page 1, line 12) is more than \$200,000; and for married taxpayers filing a joint return whose federal adjusted gross income is more than \$400,000.

Complete the following tables to compute your allowable Dependent Tax Credit.

| Table I | | | |
|---|-----|----------------------|--|
| (a) | (b) | (c) Credit amount | (d) Multiply column (b) by column (c) |
| 1. Enter number of dependents from page 1, box 10a.... | | \$ 100 | \$.00 |
| 2. Enter number of dependents from page 1, box 10b.... | | \$ 25 | \$.00 |
| 3. Credit amount before adjustment. Add lines 1 and 2. Enter total in column (d). | | | \$.00 |

All taxpayers go to Table II.

| Table II | | | |

| If your filing status is married filing joint, is your federal adjusted gross income on page 1, line 12 more than \$400,000? | Yes | No | |

- If you answered “No”, you are not required to reduce the amount of credit computed in Table I.
Enter the amount From Table I, line 3 on page 2, line 49.

Figuring Your Refund or Amount Owed

e-file You can get your refund quicker when you e-file and use direct deposit.

Line 79 - Refund

Subtract line 78 from line 63. Enter your refund on line 79 and skip line 80. If less than zero (0), enter the amount owed on line 80.

If you owe money to any Arizona state agency, court, county, incorporated city or town, and certain federal agencies, your refund may go to pay some of that debt. If so, the department will let you know by letter.

Tax Tip: If you change your address before you get your refund, let the department know. Write to: Refund Desk, Arizona Department of Revenue, PO Box 29216, Phoenix, AZ 85038-9216. Include your SSN in your letter.

Direct Deposit of Refund

Complete the direct deposit line if you want us to directly deposit the amount shown on line 79 into your account at a bank or other financial institution (such as a mutual fund, brokerage firm, or credit union) instead of sending you a check.

NOTE: Check the box on line 79A if the direct deposit will ultimately be placed in a foreign account. If you check box 79A, do not enter your routing or account numbers. If this box is checked, we will not direct deposit your refund. We will mail you a check instead.

Why use Direct Deposit?

- You will get your refund fast - even faster if you e-file!
- Payment is more secure - there is no check to get lost.
- It is more convenient - no trip to the bank to deposit your check.
- It saves tax dollars. A refund by direct deposit costs less to process than a check.

NOTE: We are not responsible for a lost refund if you enter the wrong account information. Check with your financial institution to get the correct routing and account numbers and to make sure your direct deposit will be accepted.

Routing Number MAKE SURE YOU ENTER THE CORRECT ROUTING NUMBER

The routing number must be nine digits. The first 2 digits must be 01 through 12 or 21 through 32. Otherwise, the direct deposit will be rejected and a check will be mailed instead. On the sample check, the routing number is 250250025.

Make your check payable to Arizona Department of Revenue. Write your SSN and tax year on the front of your check or money order. The department cannot accept checks or money orders in foreign currency. You must make payment in U.S. dollars. It may take 2-3 weeks for your payment to process.

The Department of Revenue may charge you \$50 for a check returned unpaid by your financial institution.

Electronic payment from your checking or savings account

You can make an electronic payment from your checking or savings account to pay your balance due for 2021. There is no fee to use this method. To make an electronic payment, go to www.AZTaxes.gov and click on the "Make a Payment" link.

Be sure to enter the correct routing number and account number for your checking or savings account. You will be charged a \$50 non-sufficient funds (NSF) fee if you provide an incorrect routing number or an incorrect account number. Check with your financial institution to get the correct account and routing numbers.

The "E-Check" option in the "Payment Method" drop-down box will debit the amount from the checking or savings account that you specify. If you make an electronic payment from your checking or savings account, you will receive a confirmation number. **Please keep this confirmation number as proof of payment.**

NOTE: You may not make an electronic payment from your checking or savings account if the payment will ultimately be coming from a foreign account. In this case, you must pay by check or money order.

Credit card payment

You can pay with your American Express, Discover, Visa, or MasterCard. Go to www.AZTaxes.gov and click on the "Make a Payment" link, and choose the credit card option. This will take you to a third party vendor site (provider). The provider **will charge** you a convenience fee based on the amount of your tax payment. The provider will tell you what the fee is during the transaction; you will have the option to continue or cancel the transaction. If you complete the credit card transaction, you will receive a confirmation number. **Please keep this confirmation number as proof of payment.**

Installment payments

If you cannot pay the full amount shown on line 80 when you file, you may request to make monthly installment payments.

Complete Arizona Form 140-IA and mail the completed form to the address listed on Form 140-IA. **Do not mail Form 140-IA with your income tax return.** You may obtain Arizona Form 140-IA from our website. If you cannot pay the full amount shown on line 80, you will be charged interest and may be charged a late payment penalty on the tax not paid by April 18, 2022. To limit the interest and penalty charges pay as much of the tax as possible when you file your return.

Sign Your Return

You must sign your return. If married filing a joint return, both you and your spouse must sign even if only one had income. Form 140 is not considered a valid return unless you sign it. The department cannot mail a refund check without proper signatures on the return.

Make Sure You Put Enough Postage on the Envelope

The U.S. Post Office or United States mail service must postmark your return or extension request by midnight April 18, 2022.

The term "United States mail" includes any private delivery service designated by the United States Secretary of the Treasury pursuant to IRC § 7502(f) and the term "postmark" includes any date recorded or marked by any such designated delivery service.

An income tax return that is mailed to the department is timely filed if it is delivered on or before its due date. Additionally, if the envelope or wrapper containing the return sent through the United States mail bears a postmark of the United States mail and that tax return is delivered to the department after its due date that return will be considered timely filed if **all** of the following apply:

1. The return was deposited in an official depository of the United States mail;
2. The date of the postmark is no later than the due date;
3. The return was properly addressed; and
4. The return had proper postage.

If the envelope or wrapper containing a return sent through the United States mail bears a private meter postmark made by other than the United States mail, the return is treated as timely filed if both of the following apply:

1. The private meter postmark bears a date on or before the due date for filing; and
2. The return is received no later than the time it would ordinarily have been received from the same point of origin by the same class of U.S. postage. If the return is received by the department within five business days of the private meter postmark date, the department will consider the requirement satisfied.

You may also use certain private delivery services designated by the IRS to meet the "timely mailing as timely filed" rule.

For more information, see the department's ruling, GTR 16-1, *Timely Filing of Income or Withholding Tax Returns Through the United States Mail*.

How Long to Keep Your Return

You must keep your records as long as they may be needed for the administration of any provision of Arizona tax law. Generally, this means you must keep records that support items shown on your return until the period of limitations for that return runs out.

The period of limitations is the period of time in which you can amend your return to claim a credit or refund or the department can assess additional tax. A period of limitations is the limited time after which no legal action can be brought. Usually, this is four years from the date the return was due or filed.

In some cases, the limitation period is longer than four years. The period is six years from when you file a return if you underreport the income shown on that return by more than 25% (.25). The department can bring an action at any time if a return is false or fraudulent, or if you do not file a return. To find out more about what records you should keep, review federal Publication 552.

Where's My Refund?

You can check on your refund by visiting www.azdor.gov or www.AZTaxes.gov and clicking on "Where's my refund?" or you may call one of the numbers listed on page 1 of these instructions. Before you call, be sure to have a copy of your 2021 tax return on hand. You will need to know your SSN, your filing status, and your 5-digit ZIP Code.

Contacting the Department

Your tax information on file with the department is confidential. If you want the department to discuss your tax matters with someone other than yourself, you must authorize the department to release confidential information to that person.

You may use Arizona Form 285 to authorize the department to release confidential information to your appointee. See Form 285 for details.
