A business entity that files a single Arizona income tax return which includes income from more than one transaction privilege tax license, should file this election form with the Arizona Department of Revenue if it is expected that the credit for accounting and reporting expenses for all transaction privilege tax licenses will meet or exceed the maximum \$10,000 amount for the calendar year. This election form should indicate how the credit will be allocated among the licensees. See Arizona Administrative Code rule R15-5-2007.

Filing an Original Election

The election is due on or before the 15th day of January of the first year for which an election is being made or within 30 days prior to beginning operations if the taxpayer is a new entity.

Please use whole dollar amounts to allocate the credit. If no credit is allocated to a particular licensee, enter zero.

Mail the election to:

Arizona Department of Revenue
PO Box 29010
Phoenix, AZ 85038-9010

Filing an Amended Election

An amended election may be filed under the following circumstances:

- 1) If the taxpayer does not claim the entire credit by the end of the calendar year, the taxpayer may amend the election at the end of the calendar year to reallocate the unclaimed portion. The amended election is due by January 31 of the following year.
- 2) If the taxpayer acquires, sells or terminates a taxable business during the calendar year, the taxpayer may amend the election at that time to reallocate the portion of the credit that has not been claimed.
