CAUTION

The federal adjusted gross income that you use on your Arizona return may not be the same as the federal adjusted gross income from your federal tax return. Also, the federal Schedule A deductions used on the Arizona return may be different from the federal Schedule A deductions taken on your federal return.

Each year the Arizona State Legislature considers if they will adopt changes made to the federal tax law during the prior year. These forms assume the

Legislature will adopt all federal law changes made after January 1, 2013. If you use the amounts from your 2013 federal tax return to complete your Arizona return and the Legislature does not adopt the 2013 federal changes, you may have to amend your return at a later date for any difference between Arizona and federal law. For more details, visit **www.azdor.gov** and click on the link for 2013 conformity.

Notice

As a rule, the starting point for your Arizona return is your federal adjusted gross income. To take itemized deductions, you must start with the amount shown on the federal Schedule A. This is the case for 2013, except for changes Congress made to the federal tax code during 2013 and the following apply.

1. The changes affect how you figure your federal adjusted gross income.

AND/OR

2. The changes affect how you figure your itemized deductions.

When federal changes are made, Arizona legislature must adopt those changes if the Arizona starting points are to be kept the same. The legislature will address this issue when it is in session during 2014. We must publish these forms before this issue will be addressed by the legislature. When we went to print, Arizona had not yet adopted any federal tax law changes made after January 1, 2013.

What does this mean to you? It means that if any of the federal law changes made in 2013 apply to your 2013 return, you can opt to file your 2013 return using one of the following methods.

1. You can wait and file your 2013 return after this issue has been addressed.
 - To do this, you may need to ask for a filing extension. You must pay 90% of the tax due by the due date of the return before any extension.
2. You can file your 2013 return assuming that the federal law changes will be adopted. The 2013 tax forms make this assumption.

If you opt for method 2, one of the following will apply.

- If Arizona adopts those changes, you do not have to do anything more.
 - If Arizona does not adopt all those changes, you may need to amend your 2013 Arizona return. Your amended return will have to show the difference between the Arizona law and the federal law. If this happens, we will post more details on our Conformity to IRC webpage. To view this page go to <http://www.azdor.gov> and click on Legal Research on the left side, then click on Conformity to IRC. Generally, no penalties or interest will be assessed on these amended returns, if you follow the Department's instructions and pay any tax due when you file your original 2013 return and you file and pay the required amended return by the extended due date of your 2014 return.
3. You can file your 2013 return assuming that we will not adopt the federal law changes. If you opt for this method, you will have to do the following.
 - You will have to research all of the federal changes made after January 1, 2013.
 - You will have to figure out if any of those changes apply to you.
 - You will have figure out how to make adjustments for those changes on your return.

If you opt for method 3, one of the following will apply.

- If Arizona does not adopt those changes, you do not have to do anything more.
- If Arizona adopts those changes, you may need to amend your 2013 Arizona return. Your amended return will have to show the difference between what you reported and what you should have reported. If this happens, we will post more details on our Conformity to IRC webpage. To view this page go to <http://www.azdor.gov> and click on Legal Research on the left side, then click on Conformity to IRC.

Same-sex married couples and Arizona filing requirements

For Federal tax purposes, Rev. Rul. 2013-17 provides that the Internal Revenue Service (IRS) will recognize a marriage of same-sex individuals that was validly entered into in a state whose laws authorize the marriage of two individuals of the same sex. This applies even if the married couple is domiciled in a state that does not recognize the validity of same-sex marriages.

The Arizona Constitution defines marriage as the union of one man and one woman. A person who is married to a person of the same sex cannot file an Arizona income tax return using the filing status of married filing jointly or married filing separately. For more information, see the notice, *2013 Arizona Individual Income Tax Filing Requirements for Same-Sex Couples*, on our website at www.azdor.gov.

2013 Arizona Standard Deduction Indexed for Inflation

For 2013, the Arizona standard deduction has been indexed for inflation. For a single taxpayer or a married taxpayer filing a separate return the amount is \$4,945. For a head of household or a married couple filing a joint return the amount is \$9,883.

Subtraction for Net Long-Term Capital Gains From Assets Acquired after December 31, 2011.

Beginning in 2013, you may take a subtraction from Arizona gross income for a percentage of any net long-term capital gain included in a resident's federal adjusted gross income (Arizona gross income for nonresidents) that is derived from assets acquired *after* December 31, 2011, pursuant to A.R.S. § 43-1022(35). (Laws 2012, Ch. 343)

Laws 2013, Ch. 114, added language to make it clear that assets acquired through gift or at the death of a transferor will be considered "acquired" when the asset was acquired by the transferor. If the date cannot be verified then a subtraction is not allowed. Taxpayers must complete a worksheet included in the tax form instructions to take this subtraction.

Subtraction for Long-Term Care Insurance Premiums

Beginning in 2013, you may subtract the amount of qualifying premium costs for long-term care insurance. You may take this subtraction only if you are *not* claiming itemized deductions for the taxable year. (Laws 2012, Ch. 351)

Subtraction for Arizona Long-Term Health Care Savings Accounts (AZLTHSA)

Beginning in 2013, you may subtract amounts you paid into a long-term health care savings account established under Arizona laws. An individual may set up the Arizona long-term health care savings account with an account Administrator who will manage the account. The total amount you may subtract is equal to the amount of your contributions that are included in your federal adjusted gross income. For more information regarding the subtraction for contributions made to a long-term health care savings account, see A.R.S. § 43-1032.

If you made a withdrawal from your Arizona long-term health care savings account during 2013 for purposes other than to

pay for qualified long-term health care expenses, you must pay a withdrawal penalty. The penalty is equal to 10% (.10) of the amount of the withdrawal. You must remit this penalty with your income tax return filed for the year in which you made the withdrawal. (Laws 2012, Ch. 351)

Qualified IRC § 179 Expenses Deducted in Computing Federal Taxable Income

Recent legislation removed the \$25,000 cap on the allowable subtraction from Arizona gross income of the value of qualifying property purchased and placed in service in a taxable year beginning from and after January 1, 2013. For Arizona purposes, taxpayers who took a deduction in computing federal taxable income under IRC § 179 are no longer required to adjust the amount of the deduction taken on the Arizona return.

Taxpayers who made this adjustment for qualified purchases placed in service in a taxable year ending on or before December 31, 2012, may continue to take a subtraction of one-fifth (20%) of the adjustment required in the year in which the adjustment was made and each of the following four taxable years. (Laws 2013, Ch. 256)

Subtraction for IRC § 529 College Savings Plans

The amount of the allowable subtraction from Arizona gross income for amounts contributed into a college savings plan established pursuant to IRC § 529 increased. For single taxpayers or heads of household, the amount is \$2,000. For married taxpayers filing a joint return, the amount is \$4,000.

Credit for Contributions to Qualifying Charitable Organizations (formerly known as Credit for Contributions to Charities That Provide Assistance to the Working Poor)

Beginning in 2013, you are no longer required to itemize deductions in order to claim a credit for contributions made to a qualifying charitable organization. (Laws 2013, Ch. 236)

Beginning in 2013, the maximum credit has been increased for cash contributions made to a qualified foster care charitable organization that is also a qualified charitable organization. If you made a cash contribution to a qualified foster care charitable organization, you can increase the maximum credit allowed from \$200 to \$400 (\$400 to \$800 for married filing joint). If you made cash contributions to **both** types of charities during the taxable year, the **total maximum** credit allowed for the taxable year is \$400 for single taxpayers or heads of household. For married taxpayers, the **total maximum** credit allowed for the taxable year is \$800. For more information see AZ Form 321. (Laws 2013, Ch. 9)

Credit for Contributions to Private School Tuition Organization Indexed for Inflation

For 2013, the amount of the allowable credit for contributions to private school tuition organizations was adjusted for inflation purposes. The maximum credit for single taxpayers or heads of household is \$517. For married taxpayers that file a joint return, the maximum credit is \$1,034. For more information, see AZ Form 323.

Credit for Contributions Made to Certified School Tuition Organizations indexed for Inflation

For 2013, the amount of the allowable credit for contributions to certified school tuition organizations was adjusted for inflation purposes. The maximum credit for single taxpayers or heads of household is \$514. For married taxpayers that file a joint return, the maximum credit is \$1,028. For more information, see AZ Form 348.

Refundable Credit for Qualified Facilities

You may qualify for the refundable qualified facilities credit if you expanded or located a qualified facility in Arizona. This credit is refundable in five equal installments. Pre-approval and post-approval are required through the Arizona Commerce Authority. Co-owners of a business, including partners in a partnership and shareholders of an S corporation, may each claim only the pro rata share of the credit allowed based on the ownership interest. For more information, see AZ Form 349.

Refundable Credit for Qualified FAA Settlement Payments Rolled Over Into a Traditional IRA

Each year, Arizona determines whether it will conform to tax law changes enacted by the federal government during the previous year.

For 2013, Arizona did not conform to the retroactive provision of Section 1106 of Public Law 112-95 (the FAA Modernization and Reform Act of 2012) relating to payments made by airline carriers to qualified airline employees (and surviving spouses).

For federal tax purposes, under Public Law 112-95, a qualified airline employee (and surviving spouse) who received a settlement payment from an airline company in bankruptcy was permitted to roll over that amount into a traditional IRA. An individual making such a rollover contribution may exclude the contributed airline payment amount from gross income in the taxable year in which the airline payment amount was paid. The provision would apply whether or not the settlement payment had previously been rolled over into a Roth IRA. The rollover to a traditional IRA must have occurred within 180 days of the bill's enactment date of February 14, 2012.

Taxpayers who wanted to take advantage of this provision must have made the transfer by August 13, 2012, and filed an amended federal income tax return to claim the deduction for the IRA contribution by April 15, 2013. Individuals were required to amend their federal tax returns to receive any overpayment as a result of the qualified rollover(s). This provision was retroactive to tax years 2001 through 2011.

Instead of conforming to the retroactive provision, any taxpayer that would have received a refund of Arizona income tax for taxable years 2001 through 2011, if Arizona had conformed to that retroactive provision, is allowed a refundable income tax credit on his or her 2013 *timely filed* income tax return. The credit is based on the amount of refund you would have received if you amended your Arizona tax returns for taxable years 2001 through 2011. For more information, see AZ Form 350. (Laws 2013, Ch. 65)

Voluntary Donation - Solutions Teams Assigned to Schools (formerly known as Aid to Education Fund)

Laws 2013, Ch. 251 made various changes to the Arizona Revised Statutes relating to school finance. A.R.S. § 43-617 was amended which resulted in a name change of the *Aid to Education Fund* to *Solutions Teams Assigned to Schools Fund*.

Contributions received through the voluntary donation check-off box are transferred to the state board of education, which shall credit the amount of the contribution to the assistance for education fund. The state board of education will distribute those contributions to the Department of Education to fund solutions teams assigned to schools.

Are You Subject to Tax in Arizona?

As a part-year resident, you are subject to tax on all of the following.

1. Any income you earned in 2013 while an Arizona resident. This includes any interest or dividends received from sources outside Arizona.
2. Any income you earned from an Arizona source in 2013 before moving to (or after leaving) the state.

NOTE: *If you also have Arizona source income and deductions for the portion of the year you were an Arizona nonresident, file Arizona Form 140PY for the entire taxable year.*

Do You Have to File?

Arizona Filing Requirements These rules apply to all Arizona taxpayers		
You must file if you are:	and your Arizona adjusted gross income is at least:	or your gross income is at least:
• Single	\$ 5,500	\$15,000
• Married filing joint	\$11,000	\$15,000
• Married filing separate	\$ 5,500	\$15,000
• Head of household	\$ 5,500	\$15,000
If you are a part-year resident, you must report all income for the part of the year you were an Arizona resident, plus any income from Arizona sources for the part of the year you were an Arizona nonresident.		
To see if you have to file, figure your gross income the same as you would figure your gross income for federal income tax purposes. Then you should exclude income Arizona law does not tax.		
You can find your Arizona adjusted gross income on line 20 of Arizona Form 140PY.		

NOTE: *You must file a state return even if your employer withheld all or part of the tax. Even if you do not have to file, you must still file a return to get a refund of any Arizona income tax withheld.*

Do You Have to File if You Are an American Indian?

You must file if you meet the Arizona filing requirements unless **all** the following apply to you.

- You are an enrolled member of an Indian tribe.
- You live on the reservation established for that tribe.
- You earned **all** of your income on that reservation.

The department has issued a ruling on the Arizona tax treatment of American Indians. This ruling is ITR 96-4.

Do You Have to File if You Are the Spouse of an American Indian and You Are Not an Enrolled Indian?

You must file if you meet the Arizona filing requirements. The department has issued a ruling on the tax treatment of spouses of American Indians. This ruling is ITR 96-4.

Do You Have to File if You Are in the Military?

You must file if you meet the Arizona filing requirements unless **all** the following apply to you.

- You are an active duty member of the United States armed forces.
- Your only income for the taxable year is pay received for active duty military service.
- There was no Arizona tax withheld from your active duty military pay.

If Arizona tax was withheld from your active duty military pay, you must file an Arizona income tax return to claim any refund you may be due from that withholding.

You must also file an Arizona income tax return if you have any other income besides pay received for active duty military pay.

If you were an Arizona resident when you entered the service, you remain an Arizona resident, no matter where stationed, until you establish a new domicile. As an Arizona part-year resident, you must report all of your income for the portion of the year you were an Arizona resident, no matter where stationed. You must include your military pay, but using Form 140PY, you may subtract all pay received for active duty military service, to the extent it is included in your Arizona gross income.

If you are not an Arizona resident, but stationed in Arizona, the following applies to you.

- You are not subject to Arizona income tax on your military pay.
- You must report any other income you earn in Arizona. Use Form 140NR, *Nonresident Personal Income Tax Return*, to report this income.

To find out more, see our brochure, Pub 704, *Taxpayers in the Military*.

If You Included Your Child's Unearned Income on Your Federal Return, Does Your Child Have to File an Arizona Return?

No. In this case, the child should not file an Arizona return. The parent must include that same income in his or her Arizona taxable income.

Residency Status

If you are not sure if you are an Arizona resident for state income tax purposes, we may be able to help. The department has issued a procedure on determining residency status. This procedure is ITP 92-1.

Residents

You are a resident of Arizona if your domicile is in Arizona. Domicile is the place where you have your permanent home. It is where you intend to return if you are living or working temporarily in another state or country. If you leave Arizona for a temporary period, you are still an Arizona resident while gone. A resident is subject to tax on all income no matter where the resident earns the income.

If you are a full year resident, you must file either Form 140, Form 140A, or Form 140EZ.

Part-Year Residents

If you are a part-year resident, you must file Form 140PY, *Part-Year Resident Personal Income Tax Return*.

You are a part-year resident if you did either of the following during 2013.

- You moved into Arizona with the intent of becoming a resident.
- You moved out of Arizona with the intent of giving up your Arizona residency.

Nonresidents

If you are a nonresident, you must file Form 140NR, *Nonresident Personal Income Tax Return*.

What if a Taxpayer Died?

If a taxpayer died before filing a return for 2013, the taxpayer's spouse or personal representative may have to file and sign a return for that taxpayer. A personal representative can be an executor, administrator, or anyone who is in charge of the deceased taxpayer's property.

If the deceased taxpayer did not have to file a return but had tax withheld, a return must be filed to get a refund.

The person who files the return should use the form the taxpayer would have used. **If the department mailed the taxpayer a booklet, do not use the label.** The person who files the return should print the word "deceased" after the decedent's name in the address section of the form. Also enter the date of death after the decedent's name.

If your spouse died in 2013 and you did not remarry in 2013, or if your spouse died in 2014 before filing a return for 2013, you may file a joint return. If your spouse died in 2013, the joint return should show your spouse's 2013 income before death and your income for all of 2013. If your spouse died in 2014, before filing the 2013 return, the joint return should show all of your income and all of your spouse's income for 2013. Print "Filing as surviving spouse" in the area where you sign the return. If someone else is the personal representative, he or she must also sign the return.

Are Any Other Returns Required?

You may also have to file a fiduciary income tax return (Form 141AZ). For details about filing a fiduciary income tax return, call the department at (602) 255-3381.

Claiming a Refund for a Deceased Taxpayer

If you are claiming a refund for a deceased taxpayer, you **must** complete Form 131, *Claim for Refund on Behalf of Deceased Taxpayer*. Attach this form to the **front** of the return.

What Are the Filing Dates and Penalties?

When Should You File?

Your 2013 calendar year tax return is due no later than midnight, April 15, 2014. File your return as soon as you can after January 1, but no later than April 15, 2014.

If you are a fiscal year filer, your return is due on the 15th day of the fourth month following the close of your fiscal year.

What if You Cannot File on Time?

You may request an extension if you know you will not be able to file on time.

NOTE: *An extension does not extend the time to pay your income tax. For details, see the instructions for Arizona Form 204.*

To get a filing extension, you can either:

1. Apply for a state extension (Form 204). To apply for a state extension, file Arizona Form 204 by April 15. See Form 204 for details. You do not have to attach a copy of the extension to your return when you file, but make sure that you check box **82F** on page 1 of the return. If you must make a payment, use Arizona Form 204, or visit www.aztaxes.gov to make an electronic payment.
2. You may use your federal extension (federal Form 4868). File your Arizona return by the same due date. You do not have to attach a copy of your federal extension to your return, but make sure that you check box **82F** on page 1 of the return.

When Should You File if You Are a Nonresident Alien?

The due date for your Arizona return is not the same as the due date for your federal return. Your Arizona return is due by April 15 even though your federal return is due on June 15. If you want to file your Arizona return after April 15, you must ask for a filing extension. You must file this request by April 15. Arizona will allow up to a 6-month extension. This will allow you to file your return by October 15, 2014. See Form 204 for extension filing details.

If you have a federal 6-month extension, you can file your Arizona return under that extension. If you file using your federal extension, Arizona will also allow you an extra 6 months. Because we will allow only 6 months, the due date for your Arizona return is not the same as the due date for your federal return. In this case, your Arizona return will be due by October 15 even though your federal return will not be due until December 15. If you file your 2013 Arizona calendar year return after October 15, 2014, your return will be late.

If you are a fiscal year filer, your return is due on the 15th day of the fourth month following the close of your fiscal year.

What if You File or Pay Late?

If you file or pay late, we will charge you interest and penalties on the amount you owe. If the U.S. Post Office postmarks your 2013 calendar year return by April 15, 2014, your return will not be late. You may also use certain private delivery services designated by the IRS to meet the "timely mailing as timely filed" rule.

Late Filing Penalty

If you file late, we will charge you a late filing penalty. This penalty is 4½% (.045) of the tax required to be shown on the return for each month or fraction of a month the return is late. This penalty cannot exceed 25% of the tax found to be remaining due.

Late Payment Penalty

If you pay your tax late, we will charge you a late payment penalty. This penalty is ½ of 1% (.005) of the amount shown as tax for each month or fraction of a month for which the failure continues. We charge this penalty from the original due date of the return until the date you pay the tax. This penalty cannot exceed a total of 10%.

Extension Underpayment Penalty

If you file your return under an extension, you must pay 90% of the tax shown on your return by the return's original due date. If you do not pay this amount, we will charge you a penalty. This penalty is ½ of 1% (.005) of the tax not paid for each 30-day period or fraction of a 30-day period. We charge this penalty from the original due date of the return until the date you pay the tax. This penalty cannot exceed 25% of the unpaid tax. If we charge you the extension underpayment penalty, we will not charge you the late payment penalty under Arizona Revised Statutes (A.R.S.) § 42-1125(D).

NOTE: If you are subject to two or more of the above penalties, the total cannot exceed 25%.

Interest

We charge interest on any tax not paid by the due date. We will charge you interest even if you have an extension. If you have an extension, we will charge you interest from the original due date until the date you pay the tax. The Arizona interest rate is the same as the federal rate.

When Should You Amend a Return?

If you need to make changes to your return once you have filed, you should file Form 140X, *Individual Amended Income Tax Return*. You should file your amended return after your original return has processed. **Do not** file a new return for the year you are correcting. Generally, you have four years to amend a return to claim a refund.

If you amend your federal return for any year, you must also file an Arizona Form 140X for that year. You must file the Form 140X within 90 days of the final determination of the IRS.

If the IRS makes a change to your federal taxable income for any year, you must report that change to Arizona. You may use one of the following two options to report this change.

Option 1

You may file a Form 140X for that year. If you choose this option, you must amend your Arizona return within 90 days of the final determination of the IRS. Attach a complete copy of the federal notice to your Form 140X.

Option 2

You may file a copy of the final federal notice with the department within 90 days of the final determination of the IRS. If you choose this option, you must include a statement in which you must:

1. Request that the department recompute your tax; and
 2. Indicate if you agree or disagree with the federal notice.
- If you do not agree with the federal notice, you must also include any documents that show why you do not agree.

If you choose option 2, mail the federal notice and any other documents to:

Arizona Department of Revenue
Individual Income Audit
PO Box 29084
Phoenix, AZ 85038-9084

Do You Need to Make Estimated Payments in 2014?

You must make Arizona estimated income tax payments during 2014 if:		
Your filing status is:	AND Your Arizona gross income for 2013 was greater than:	AND Your Arizona gross income for 2014 exceeds:
Married Filing Joint	\$150,000	\$150,000

If you met the income threshold for 2013, you must make estimated payments during 2014, unless you are sure you will not meet the threshold for 2014.

As a part-year resident, your Arizona gross income is that part of your federal adjusted gross income that you must report to Arizona. Your Arizona gross income is on line 15 of the 2013 Arizona Form 140PY.

Use the worksheet for Form 140ES to figure how much your payments should be. For more information, see the department's brochure (012), *Arizona Individual Estimated Income Tax Payments*.

What if You Make Your Estimated Payments Late?

We will charge you a penalty if you fail to make any required payments. We will charge you a penalty if you

make any of your required payments late. For details, see Arizona Form 221.

Can You Make Estimated Payments Even if You do Not Have to?

If you do not have to make Arizona estimated income tax payments, you may still choose to make them.

For details, see Arizona Form 140ES.

NOTE: *If you also have Arizona source income for the portion of the taxable year you were an Arizona nonresident, also include that source income on the appropriate line in the ARIZONA column.*

The Tax Reform Act of 1986 limits the amount of losses that you may deduct from passive activities. A passive activity is one that involves the conduct of any trade or business in which the taxpayer does not materially participate.

As a part-year resident, your Arizona gross income may include some of these losses. For the part of the year you were an Arizona resident, you may consider any passive losses that arose while an Arizona resident. For the part of the year you were an Arizona nonresident, you may consider only those passive losses that arose from Arizona sources.

Your 2013 Arizona gross income can include only losses you used on your 2013 federal return.

The following line-by-line instructions apply to the ARIZONA column.

Also enter any other income derived from Arizona sources during the part of the year you were an Arizona nonresident.

Net Operating Losses

Arizona does not have specific provisions for calculating the net operating loss of an individual. Generally, the amount of net operating loss deduction included in your federal adjusted gross income is the amount allowable for Arizona purposes. However, there are instances when the amount allowable for Arizona purposes may be different.

As a part-year resident, Arizona recognizes that portion of the federal net operating loss which is attributable to income taxed by Arizona as the Arizona net operating loss.

As a part-year Arizona resident, include in Arizona gross income the amount of federal net operating loss carry forward or carryback attributable to Arizona unless any of the following apply.

1. The net operating loss attributable to Arizona included in your federal adjusted gross income has already been deducted for Arizona purposes.

Enter the amount of net operating loss deduction included in your federal adjusted gross income that was attributable to income taxed by Arizona. Do not include any amount of the loss that has already been deducted for Arizona purposes.

For information on deducting a net operating loss carryback in cases where you did not make an election under Internal Revenue Code (IRC) § 172(b)(1)(H), see the department's Income Tax Procedure ITP 99-1. A. Non-Arizona Municipal Interest

Enter interest income earned from non-Arizona municipal bonds while an Arizona resident.

NOTE: *You may reduce this addition by any interest or other related expenses incurred to purchase or carry the obligation. As a part-year resident, you may reduce the addition by the amount of those expenses attributable to income subject to Arizona tax. You may reduce the addition by those expenses that you could not deduct on your federal return.*

B. Ordinary Income Portion of Lump Sum Distribution Excluded on Your Federal Return

Arizona law does not provide for averaging. Enter the amount of the distributions received while an Arizona resident and treated as ordinary income on your federal return. If you chose to treat the capital gain portion of the distributions as ordinary income, you must also include that amount on line C23.

For more information, see Arizona Department of Revenue Income Tax Ruling, ITR 93-5.

C. Fiduciary Adjustment

A fiduciary uses Form 141AZ, Schedule K-1, to report to you your share of the fiduciary adjustment from the trust or estate. Line 3 of Form 141AZ, Schedule K-1, shows your share of the fiduciary adjustment from the estate or trust.

If you had an MSA during the part of the year you were an Arizona resident, you must make an entry here if all of the following apply.

1. You withdrew money from your MSA during 2013, while either a resident or a nonresident.
2. You did not use the amount withdrawn to pay qualified medical expenses.
3. You did not have to include the withdrawal as income on your federal income tax return.

Enter the amount withdrawn.

If you had an MSA during the part of the year you were an Arizona nonresident, you must make an entry here if all of the following apply.

In this case, the MSA ceased to be an MSA. Enter the fair market value of the MSA as of the date of death, less the amount of MSA funds used within one year of the date of death, to pay the decedent's qualified medical expenses. You can reduce the fair market value by only those expenses paid from the MSA. If you pay additional medical expenses for the decedent from the MSA after you file, you may file an amended return to further reduce the fair market value of the MSA.

3 - Decedent's Final Return and No Named MSA Beneficiary

Make an entry here if all of the following apply.

1. The account holder died during the part of the year in which he or she was an Arizona resident.
2. There is no named MSA beneficiary.
3. This is the decedent's final return.
4. The value of the MSA did not have to be included on the decedent's final federal income tax return.

In this case, the MSA ceased to be an MSA. Enter the fair market value of the MSA as of the date of death. This rule applies in all cases in which there is no named beneficiary, even if the surviving spouse ultimately obtains the right to the MSA assets.

NOTE: *The following are not withdrawals. Do not enter any of the following.*

- Amounts from the MSA used to pay qualified medical expenses
- A qualified return of excess contributions

E. Pensions (First Payment Received Prior to 1979)

Prior to 1979, we treated pension income differently than the IRS. For federal purposes, you could have excluded a portion of the cost of the pension from the pension payment included on your federal return. For Arizona purposes, the payments were excluded from Arizona gross income until you recovered the cost. After recovering the cost, you must include the rest of the payments in Arizona gross income.

If you received the first payment prior to December 31, 1978, you may have to make an addition to income.

Complete the worksheet below to figure your addition. The addition is equal to the total payments received during the taxable year that are more than the cost.

Complete this worksheet only if **both** of the following apply.

1. Arizona taxed your pension for **years before 1979**; and
2. You reported that pension on your federal return using the percentage exclusion method.

Do not complete the worksheet if **either** of the following applies.

1. You reported your pension income as fully taxable on your federal return.
2. You reported your pension income on your federal return under the "three-year-rule."

Pension Adjustment Worksheet	
1. Your contribution to the pension.	
2. Pension amount received in prior years.	
3. Remainder of cost (line 1 minus line 2 but not less than zero).	
4. Pension amount received this year.	
5. Subtract line 3 from line 4 (but not less than zero).	
6. Enter the pension amount taxable on your federal return.	
7. Subtract line 6 from line 5.	
If line 7 is more than zero, enter the amount on line 7 as an addition to income. Enter the addition on line C23. Keep this worksheet for your records.	

F. Partnership Income

Depending on your situation, you may either add (line C23) or subtract (line D35) this amount.

Use this adjustment if your Arizona Form 165, Schedule K-1, shows a difference between federal and state distributable income.

If the difference reported on your Arizona Form 165, Schedule K-1, is a positive number, enter that portion of the

difference that is allocable to partnership income taxable by Arizona as an addition. Enter the addition on line C23.

If the difference reported on your Arizona Form 165, Schedule K-1, is a negative number, enter that portion of the difference that is allocable to partnership income taxable by Arizona as a subtraction. Enter the subtraction on line D35.

G. Agricultural Water Conservation System Credit

If you claim this credit on AZ Form 312, you cannot deduct any expenses for which you claim the credit. If you take this credit, enter the amount of such expenses that you deducted on your federal return.

H. Items Previously Deducted for Arizona Purposes

Arizona statutes prohibit a taxpayer from deducting items more than once. However, under the operation of former Arizona law (1989 and prior), you could deduct certain items in greater amounts for Arizona purposes than federal purposes. Investment interest and passive activity losses were such items. In some cases, you could have deducted such amounts in their entirety on the Arizona return. For federal purposes, the deduction for these items was limited, with the unused portions being carried forward and deducted in future years.

Your Arizona return may include these previously deducted items because of the difference between the federal and former Arizona treatment. If your Arizona taxable income includes items previously deducted for Arizona purposes, you must add such amounts to your Arizona gross income.

I. Claim of Right Adjustment for Amounts Repaid in 2013

You must make an entry here if **all** of the following apply.

1. During 2013, you were required to repay amounts held under a claim of right.

4. You took a deduction for the amount repaid on your 2013 federal income tax return.
5. The deduction taken on your federal income tax return is reflected in your Arizona taxable income.

If the above apply, enter the amount deducted on your federal income tax return which is reflected in your Arizona taxable income.

For more information on the Arizona claim of right provisions, see Arizona Department of Revenue Individual Income Tax Procedure ITP 95-1.

J. Claim of Right Adjustment for Amounts Repaid in Prior Taxable Years

You must make an entry here if **all** of the following apply.

1. During a year prior to 2013 you were required to repay income held under a claim of right.
2. You computed your tax for that prior year under Arizona's claim of right provisions.
3. A net operating loss or capital loss was established due to the repayment made in the prior year.
4. You are entitled to take that net operating loss or capital loss carryover into account when computing your 2013 Arizona taxable income.
5. The amount of the loss carryover included in your Arizona gross income is more than the amount allowed to be taken into account for Arizona purposes.

NOTE: Any interest earned on your retirement contributions while they were in the system should be reported on line B8 in both the FEDERAL and ARIZONA income columns.

P. Adjusted Basis in Property for Which You Have Claimed a Credit for Investment in Qualified Small Businesses

If you claim a credit for an investment in a qualified small business on AZ Form 338, you must adjust your basis in the investment by the amount of the credit claimed. You must report this difference in basis on the Arizona return that you file for the taxable year in which you sell or otherwise dispose of the investment. If you sold or otherwise disposed of the investment during the 2013 taxable year, enter the amount by which the adjusted basis computed under the IRC with respect to that property exceeds the adjusted basis of the property computed under A.R.S. § 43-1074.02.

Q. Depreciation or Amortization for a Water Conservation System

If you claimed a water conservation system credit on AZ Form 339, you may not deduct any depreciation or amortization for that system on your Arizona return. Enter the amount of depreciation or amortization claimed on your federal return for the water conservation system for which you have claimed a credit.

R. Nonqualified Withdrawals From 529 College Savings Plans

You must make an addition to income if both of the following apply to you.

1. You received a nonqualified withdrawal from a 529 college savings plan.
2. You did not include the amount of the withdrawal in your federal adjusted gross income.

The amount that you must add is the amount withdrawn, but no more than the difference between the amount of contributions subtracted in prior years and the amount added in any prior years.

A nonqualified withdrawal is a withdrawal other than any of the following:

1. A qualified withdrawal. A qualified withdrawal is a withdrawal from an account to pay the qualified higher education expenses of the designated beneficiary of the account.
2. A withdrawal made as the result of the death or disability of the designated beneficiary of an account.
3. A withdrawal that is made on the account of a scholarship, or the allowance or payment described in IRC § 135(d)(1)(B) or (C) and that is received by the designated beneficiary, but only to the extent of the amount of this scholarship, allowance or payment.
4. A rollover or change of designated beneficiary.

S. Original Issue Discount (OID) on reacquisition of Debt Instrument

For federal purposes, when a taxpayer made the special election to defer discharge of indebtedness (DOI) income under IRC § 108(i) (for 2009 or 2010), the taxpayer was not allowed to take a deduction with respect to the portion of any OID that accrued with respect to that DOI income, during the income deferral period. In this case, the taxpayer had to deduct the aggregate amount of the OID deductions disallowed ratably over a 5 year period, beginning with the period in which the income was includible in federal adjusted gross income.

Arizona did not adopt the federal provisions requiring a taxpayer to defer the OID deduction in cases where the

taxpayer federally deferred the DOI income. For Arizona purposes you were required to add the amount of deferred DOI income to Arizona gross income on the return filed for the year in which you reacquired the debt instrument if the debt reacquisition occurred while you were an Arizona resident, or if the DOI income was from an Arizona source. In this case, you were allowed to subtract any OID related to that DOI income in the year the OID accrued. (See the instructions for line D35, "Other Subtractions From Income.")

If your Arizona gross income includes a deduction for any accrued OID that you have already subtracted for Arizona purposes, you must make an addition to Arizona income for the amount of deferred OID deducted on your federal return that you included in your Arizona gross income. Generally, this addition will not apply until taxable year 2014 through 2018. However, if you were required to accelerate reporting of the DOI income for federal purposes and were allowed to deduct accrued OID attributable to that income on an Arizona return filed for a year prior to 2014, this addition may apply to an earlier year. On line C23, enter the amount of any previously deferred OID that you deducted in computing your 2013 Arizona gross income, to the extent that the amount was previously subtracted from Arizona gross income.

T. Qualified Health Insurance Plans

If you claim a credit on AZ Form 347 for providing a qualified health insurance plan for your employees who are Arizona residents, you may not deduct any expenses for which you claim the credit. If you claim this credit, enter the amount of such expenses that you deducted on your federal return.

U. Sole Proprietorship Loss of an Arizona Nonprofit Medical Marijuana Dispensary Included in Federal Adjusted Gross Income

If you are registered as an Arizona sole proprietorship with the Arizona Department of Health Services to operate in this state as a nonprofit medical marijuana dispensary, you are required to add the amount of the loss from the dispensary that is included in the computation of your federal adjusted gross income. Include the amount of the loss on line C23.

NOTE: *If the Arizona nonprofit medical marijuana dispensary is registered with the Arizona Department of Health Services as anything other than a sole proprietorship, this addition does not apply.*

V. AZ Long-Term Health Care Savings Account (AZLTHSA) Withdrawals

You must add amounts withdrawn from your AZLTHSA if you used the money for purposes other than paying qualified long-term health care expenses. For more information, see A.R.S. § 43-1032.

W. Other Adjustments

Other special adjustments may be necessary. You may need to make an addition for depreciation or amortization. You may also need to make an addition if you claimed certain tax credits. Call one of the numbers listed on page 1, if any of the following apply.

- You are a previously certified defense contractor that elected to amortize under A.R.S. section 43-1024.

- You sold or disposed of property that was held for the production of income and your basis was computed under the Arizona Income Tax Act of 1954.
- You claimed the environmental technology facility credit.
- You claimed the pollution control credit.
- You claimed the recycling equipment credit.
- You claimed the agricultural pollution control equipment credit.
- You elected to amortize the basis of a pollution control device or the cost of a child care facility under Arizona law in effect before 1990. You are still deducting amortization or depreciation for that device or facility on your federal income tax return.

Line C24 - Total Additions

Add lines C21 through C23. Enter the total on line C24 and on the front of your return on line 16.

Part D - Subtractions From Income

You may only subtract those items for which statutory authority exists. Without such authority, you cannot take a subtraction. If you have any questions concerning subtractions from income, call one of the numbers listed on page 1.

NOTE: *You may not subtract any amount which is allocable to income excluded from your Arizona taxable income.*

Line D25 - Exemption: Age 65 or Over

Multiply the number in box 8 on the front of your return by \$2,100 and enter the result.

Line D26 - Exemption: Blind

Multiply the number in box 9 on the front of your return by \$1,500 and enter the result.

Line D27 - Exemption: Dependents

Multiply the number in box 10 on the front of your return by \$2,300 and enter the result.

Line D28 - Exemption: Qualifying Parents and Grandparents

Multiply the number in box 11 on the front of your return by \$10,000 and enter the result.

Line D29 - Total Exemptions

Add lines D25 through D28 and enter the total.

Line D30 - Prorated Exemptions

Multiply the amount on line D29 by the Arizona percentage from line B20 and enter the result.

Active Duty Military Personnel Only: *If you were an active duty military member who either began or gave up Arizona residency during 2013, do not prorate these exemptions. You are allowed 100 percent deductions for the age 65, the blind, the dependent and qualifying parent and grandparent exemptions. Enter the amount on line D29 (Total) on this line.*

Line D31 - Interest on U.S. Obligations

Enter the amount of interest income from U.S. Government obligations included on line B8 in the ARIZONA column. U.S. Government obligations include obligations such as U.S. savings bonds and treasury bills. You cannot deduct any interest or other related expenses incurred to purchase or carry the obligations. If such expenses are included in your Arizona gross income, you must reduce the subtraction by

such expenses. If you are itemizing deductions on your Arizona return, you must exclude such expenses from the amount deducted.

NOTE: Do not subtract interest earned on FNMA or GNMA bonds since this interest is taxable by Arizona. For details, see the department's income tax ruling, ITR 06-1.

Do not subtract any amount received from a qualified pension plan that invests in U.S. Government obligations. Do not subtract any amount received from an IRA that invests in U.S. Government obligations. These amounts are not interest income. For more information, see the department's Income Tax Rulings ITR 96-2 and ITR 96-3.

Line D32 - Arizona Lottery Winnings

You may subtract up to \$5,000 of winnings received in 2013 for Arizona lottery prizes. Only subtract those Arizona lottery winnings that you included on line B15 in the ARIZONA column and reported on your federal income tax return.

If you subtract Arizona lottery winnings here, you may have to adjust the amount of gambling losses claimed as an itemized deduction.

Line D33 - U.S. Social Security Benefits or Railroad Retirement Benefits

Arizona does not tax social security benefits received under Title II of the Social Security Act. Arizona does not tax railroad retirement benefits received from the Railroad Retirement Board under the Railroad Retirement Act. If you included such social security or railroad retirement benefits on your federal return as income and also included this amount in the ARIZONA column on line B15, subtract this income on line D33.

Subtract only the amount you reported as income on your federal return and included on line B15 in the ARIZONA column.

See the department's Income Tax Ruling ITR 96-1 for more information about railroad retirement benefits.

Line D34 - Adjustment for IRC § 179 Expense Not Allowed in Prior Years

If you made an addition for IRC § 179 expense on your 2009, 2010, 2011, and/or 2012 return, enter 20% of the amount added for 2009, 2010, 2011 and/or 2012.

Line D35 - Other Subtractions From Income

Use line D35 if any of the following special circumstances apply. Attach your own schedule, explaining any amounts entered here.

A. Exclusion for U.S. Government, Arizona State, or Local Government Pensions

If you receive pension income from any of the sources listed below, subtract the amount you received or \$2,500, whichever is less. Include only the amount you reported as income on your federal return and included on line B15 in the ARIZONA column. If both you and your spouse receive such pension income, each spouse may subtract the amount received or \$2,500, whichever is less.

Public pensions from the following sources qualify for this subtraction.

- The United States Government Service Retirement and Disability Fund
- The United States Foreign Service Retirement and Disability System

- Retired or retainer pay of the uniformed services of the United States
- Any other retirement system or plan established by federal law

NOTE: This applies only to those retirement plans authorized and enacted into the U.S. Code. This does not apply to a retirement plan that is only regulated by federal law (i.e., plans which must meet certain federal criteria to be qualified plans).

- The Arizona State Retirement System
- The Arizona State Retirement Plan
- The Corrections Officer Retirement Plan
- The Public Safety Personnel Retirement System
- The Elected Officials' Retirement Plan
- A retirement plan established for employees of a county, city, or town in Arizona
- An optional retirement program established by the Arizona Board of Regents under Arizona Revised Statutes
- An optional retirement plan established by an Arizona community college district.

NOTE: Public retirement pensions from states other than Arizona do not qualify for this subtraction.

B. Previously Reported Gain on Decedent's Installment Sale

Prior Arizona law required acceleration of any unrecognized installment sale gain upon the death of a taxpayer. However, this acceleration could have been avoided by the posting of a bond. If acceleration was required, your federal adjusted gross income may include installment sale amounts already recognized on a decedent's final Arizona return. Deduct that portion of the gain included on line B13, ARIZONA column.

C. Deposits Made Into Your MSA

If you have an MSA, you may be able to subtract deposits made into that MSA. Make an entry here if all of the following apply.

1. You have an MSA that qualifies as an MSA under Arizona law, but not federal law.
2. Either you or your employer made deposits into that MSA during the tax year.
3. You had to include the deposits in income on your federal income tax return.

Enter the amount of the MSA deposits that you had to include in your federal adjusted gross income.

D. Employer Contributions Made to Employee MSAs

If you are an employer, you may subtract the amount contributed to your employees' MSAs that are established under Arizona law. You can subtract these contributions only to the extent not deductible for federal income tax purposes. Enter these contributions here.

E. Agricultural Crops Given to Arizona Charitable Organizations

Arizona law allows a subtraction for qualified crop gifts made during 2013 to one or more charitable organizations. To take this subtraction, all of the following must apply.

1. You must be engaged in the business of farming or processing agricultural crops.
2. The crop must be grown in Arizona.

3. You made your gift to a charitable organization located in Arizona that is exempt from Arizona income tax.

The subtraction is the greater of the wholesale market price or the most recent sale price for the given crop. The amount of the subtraction cannot include any amount deducted pursuant to IRC § 170 with respect to the crop contribution that exceeds the cost of producing the contributed crop.

To determine if your crop contribution qualifies for this subtraction, see Arizona Department of Revenue Procedure ITP 12-1.

F. Certain Wages of American Indians

Enrolled members of American Indian tribes may subtract wages earned while living and working on their tribe's reservation. You can subtract only those amounts that you included on line B7, ARIZONA column. The federal government must recognize these tribes.

For more information, see Income Tax Ruling, ITR 96-4.

G. Pay Received for Active Service as a Member of the Reserves, National Guard, or the U.S. Armed Forces

If you are a member of the reserves or the National Guard, you may subtract pay received for active service as a reservist or as a National Guard member, including pay received for weekend or two-week training periods. You may subtract the amount of pay received for active service as a reservist or as a National Guard member that you had to include in your Arizona gross income. Enter only that amount of pay reported on your 2013 federal return that you also included on line B7 in the ARIZONA column.

Members of the U.S. armed forces may subtract pay received for active duty military service, including pay for serving in a combat zone or an area given the treatment of a combat zone. If you are a member of the U.S. armed forces, you may subtract the amount of pay received for active duty military service that you had to include in your Arizona gross income. Enter only that amount of pay reported on your 2013 federal return that you also included on line B7 in the ARIZONA column.

Military Technician (dual status)

You may not subtract any income you received for full-time civil service employment as a "military technician (dual status)". Compensation received by a "military technician (dual status)" for federal civil service employment for the National Guard or for the United States Reserves, is not income received for active service as a National Guard member for a Reserve member even though the employee may be required to wear a military uniform while at work.

For more information, see the department's Income Tax Ruling ITR 12-2.

NOTE: You may not subtract pay received for active duty service as a member of the U.S. Public Health Service or NOAA. For more information, see the department's Income Tax Ruling ITR 10-1.

H. Federally Taxable Arizona Municipal Interest as Evidenced by Bonds

Enter the amount of any interest income received on obligations of the State of Arizona, or any political subdivisions of Arizona, as evidenced by bonds and is

included in your Arizona gross income. Enter only that amount of Arizona municipal interest income that you included on line B8 in the ARIZONA column. Do not enter any Arizona municipal interest that is exempt from federal taxation and not included in your federal adjusted gross income.

I. Adoption Expenses

You may take this subtraction only in the year the final adoption order is granted.

Enter the lesser of the total of the following adoption expenses or \$3,000.

When figuring your subtraction, you may include expenses incurred in prior years.

The following expenses are qualified adoption expenses.

1. Nonreimbursed medical and hospital costs.
2. Adoption counseling.
3. Legal and agency fees.
4. Other nonrecurring costs of adoption.

If filing separately, you may take the entire subtraction, or you may divide the subtraction with your spouse. However, the total subtraction taken by both you and your spouse cannot exceed \$3,000.

J. Qualified Wood Stove, Wood Fireplace, or Gas Fired Fireplace

Arizona law provides a subtraction for converting an existing fireplace to one of the following.

- a qualified wood stove
- a qualified wood fireplace
- a gas fired fireplace and non-optional equipment directly related to its operation.

You may subtract up to \$500 of the costs incurred for converting an existing fireplace on your property located in Arizona. When you figure your subtraction, do not include taxes, interest, or other finance charges.

A qualified wood stove or a qualified wood fireplace is a residential wood heater that was manufactured on or after July 1, 1990, or sold at retail on or after July 1, 1992. The residential wood heater must also meet the U.S. Environmental Protection Agency's July 1990 particulate emissions standards.

A qualified gas fired fireplace is any device that burns natural or liquefied petroleum gas as its fuel through a burner system that is permanently installed in the fireplace. The conversion of an existing wood burning fireplace to noncombustible gas logs that are permanently installed in the fireplace also qualifies as a gas fired fireplace.

K. Claim of Right Adjustment for Amounts Repaid in Prior Taxable Years

You must make an entry here if **all** of the following apply.

1. During a year prior to 2013 you were required to repay income held under a claim of right.
2. The amount required to be repaid was subject to Arizona income tax in the year included in income.
3. You computed your tax for that prior year under Arizona's claim of right provisions.
4. A net operating loss or capital loss was established due to the repayment made in the prior year.
5. You are entitled to take that net operating loss or capital loss carryover into account when computing your 2013 Arizona taxable income.

6. The amount of the loss carryover allowed to be taken into account for Arizona purposes is more than the amount included in your Arizona gross income.

Enter the amount by which the loss carryover allowed for the taxable year under Arizona law is more than the amount included in your Arizona gross income.

L. Certain Expenses Not Allowed for Federal Purposes

You may subtract some expenses that you cannot deduct on your federal return when you claim certain federal tax credits. These federal tax credits include the following.

- the federal work opportunity credit
- the empowerment zone employment credit
- the credit for employer-paid social security taxes on employee cash tips
- the Indian employment credit

If you received any of the above federal tax credits for 2013, enter the portion of wages or salaries attributable to income subject to Arizona tax that you paid or incurred during the taxable year that is equal to the amount of those federal tax credits you received.

M. Qualified State Tuition Program Distributions

If you are a beneficiary of a qualified state tuition program, you may subtract some of the amount distributed from the program for qualified education expenses. Enter the amount of the distribution included in your federal adjusted gross income that you included as income in the ARIZONA column. A qualified state tuition program is a program that meets the requirements of IRC § 529.

N. Subtraction for World War II Victims

You may subtract distributions made to you for your persecution or the persecution of your ancestors by Nazi Germany or any other Axis regime for racial, religious or political reasons. If you are the first recipient of such distributions, enter the amount of the distributions that you had to include in your federal adjusted gross income that you also entered in the ARIZONA column on your Form 140PY.

You may also subtract items of income that are attributable to, derived from or related to assets that were stolen or hidden from or lost to you if you were persecuted by Nazi Germany or any other Axis regime for racial, religious or political reasons before, during or immediately after World War II. If you are the first recipient of such income, enter the amount of income that you had to include in your federal adjusted gross income that you also entered in the ARIZONA column on your Form 140PY.

O. Installment Sale Income From Another State Taxed by the Other State in a Prior Taxable Year

You may subtract income from an installment sale if **both** of the following apply:

1. The income from the sale is subject to Arizona income tax in 2013; and
2. You paid income tax to another state on that income in a prior tax year.

Enter the amount of such income that you included in your Arizona gross income for 2013.

Do not enter any amount that is subject to tax by both Arizona and another state in 2013. In this case, you may be eligible for a tax credit. See AZ Form 309 for details.

P. Recalculated Arizona Depreciation

Figure the total amount of depreciation allowable pursuant to IRC § 167(a) for the taxable year calculated as if you had elected not to claim bonus depreciation for eligible properties for federal purposes. Enter the amount that is attributable to income taxable by Arizona.

Q. Basis Adjustment for Property Sold or Otherwise Disposed of During the Taxable Year

With respect to property that is sold or otherwise disposed of during the taxable year by a taxpayer who has complied with the requirement to add back all depreciation attributable to income taxable by Arizona with respect to that property on tax returns for all taxable years beginning from and after December 31, 1999, enter the amount of depreciation that has been allowed pursuant to IRC § 167(a) attributable to income taxable by Arizona to the extent that the amount has not already reduced Arizona taxable income in the current or prior years. (Note: The practical effect of this is to allow a subtraction for the difference in basis for any asset for which bonus depreciation has been claimed on the federal return.)

A part-year resident may subtract only that amount that is attributable to income subject to Arizona tax.

R. Fiduciary Adjustment

If the amount reported on line 3 of your Arizona Form 141AZ, Schedule K-1, is a negative number, enter that portion of Form 141AZ, Schedule K-1, line 3 that is allocable to estate or trust income taxable by Arizona as a subtraction from income. Enter the subtraction on line D35.

S. Contributions to 529 College Savings Plans

You may subtract amounts you contribute to 529 college savings plans during the taxable year. You may subtract the amount you contributed during the year, while an Arizona resident, up to a total of \$2,000 (\$4,000 for a married couple filing a joint return). If you are married filing separate returns, either you or your spouse may take the subtraction, or you may divide it between you, but the total taken by both of you cannot be more than \$4,000.

If you contribute more than \$2,000 (\$4,000 if married) during the year, your total subtraction is still limited to \$2,000 (\$4,000 if married). For example, Jorge and Kate are married and have two children. During 2013, Jorge and Kate contributed \$2,500 to a 529 plan for Child 1 and \$2,500 to a 529 plan for Child 2. Even though Jorge and Kate contributed a total of \$5,000 during 2013, they may subtract only \$4,000 on their 2013 return.

You may take a subtraction for a contribution that you made during 2013, to a plan that existed before 2013. You may take a subtraction for a contribution that you made during 2013, to a plan established in another state. You may take a subtraction for a contribution that you made in 2013, to any 529 college savings plan. This could be a plan established for a child, grandchild, niece, nephew, or any other person for whom a plan has been established.

You cannot take a subtraction for an amount transferred from one college savings plan to a different college savings plan (a rollover).

T. Net Operating Loss Adjustment

NOTE: *This subtraction applies to only those individuals who made an election under the special federal net operating loss rules for 2008 and 2009. Under the special rules for 2008 and 2009, you could have elected to carry the net operating loss back for 3, 4 or 5 years, instead of the normal 2 years. This election would have been allowed under IRC § 172(b)(1)(H) as amended by the American Recovery and Reinvestment Act of 2009 or the Worker, Homeownership, and Business Assistance Act of 2009.*

Arizona did not adopt the special federal net operating loss rules for losses incurred during 2008 or 2009. For Arizona purposes, you must deduct an Arizona source net operating loss as if the loss was computed under IRC § 172 in effect prior to the enactment of those special rules. If you made an election to deduct your 2008 or 2009 federal net operating loss under IRC § 172(b)(1)(H), you may have to enter an amount here. Figure how much of the net operating loss carry forward would have been allowed as a deduction on your 2013 federal income tax return, if the election described in IRC § 172(b)(1)(H) had not been made in the year of the loss. Then figure how much of the carry forward computed under that method is attributable to income taxed by Arizona. The amount you may take as a subtraction is the difference between the Arizona amount and the amount actually taken for federal purposes that you included in your Arizona gross income. On line D35, enter the amount of carry forward deduction allowable on your Arizona return that exceeds the actual amount of net operating loss carry forward deduction that was deducted in arriving at Arizona gross income.

U. Previously Deferred Discharge of Indebtedness (DOI) Income Adjustment

Generally, when a loan is settled for less than the amount owed, DOI income is realized by the debtor and usually must be included in the debtor's gross income. The amount of DOI income is generally equal to the amount of loan forgiveness. DOI income also occurs when a debtor repurchases his or her own debt at a discount (a price lower than the adjusted basis issue price of the debt instrument). In debt repurchase transactions, the amount of DOI income is generally equal to the difference between the adjusted issue price and the price paid for the debt instrument.

For federal purposes, a taxpayer may have made a special election for taxable years 2009 or 2010 to include DOI income in connection with the reacquisition of a business debt instrument, ratably over a 5 year period. A taxpayer that made this election will generally include this income in federal adjusted gross income beginning with the 2014 taxable year. A taxpayer would have made the federal election under IRC § 108(i) as added by the American Recovery and Reinvestment Act of 2009.

Arizona did not adopt the special federal DOI income deferral provisions for the 2009 or 2010 taxable year. For Arizona purposes, if you made the federal election to defer the inclusion of DOI income under IRC § 108(i), you were required to add the amount of deferred DOI income to Arizona gross income on the return filed for the year in which you reacquired the debt instrument if the debt reacquisition occurred while you were an Arizona resident, or if the DOI income was from an Arizona source. If you made the required addition to Arizona income on the Arizona return filed for the year in which you reacquired the debt instrument (2009 or 2010), Arizona will not tax that DOI income twice. In the year in which you include that deferred DOI income in your federal adjusted gross income

and likewise, your Arizona gross income, you may take a subtraction for the amount included for that year. Usually this subtraction will apply to taxable years 2014 through 2018. However, if you had to accelerate the deferral for federal purposes, this subtraction may apply to a taxable year prior to 2014. On line D35, enter the amount of previously deferred DOI income that you included in your Arizona gross income for the current taxable year to the extent that the amount was previously added to your Arizona income.

V. Original Issue Discount (OID) on Reacquisition of Debt Instrument

For federal purposes, when a taxpayer made the special election to defer DOI income under IRC § 108(i), the taxpayer was not allowed to take a deduction with respect to the portion of any OID that accrued with respect to that DOI income, during the income deferral period. In this case, the taxpayer must deduct the aggregate amount of the OID deductions disallowed ratably over a 5 year period, beginning with the period in which the income is includible in federal adjusted gross income.

Arizona did not adopt the federal provisions requiring a taxpayer to defer the OID deduction in cases where the taxpayer federally deferred the DOI income under IRC § 108(i). For Arizona purposes, you were required to add the amount of deferred DOI income to Arizona gross income on the return filed for the year in which you reacquired the debt instrument if the debt reacquisition occurred while you were an Arizona resident, or if the DOI income was from an Arizona source. If Arizona taxed the federally deferred DOI income for 2009 or 2010 on your 2009 or 2010 Arizona return, you may subtract the amount of OID that accrued during the taxable year with respect to that DOI income. On line D35, enter the amount of any OID related to that DOI income that was deferred and not allowed to be deducted in computing your federal adjusted gross income for 2013 under IRC § 108(i).

W. Sole Proprietorship Income of an Arizona Nonprofit Medical Marijuana Dispensary Included in Federal Adjusted Gross Income

If you are registered as an Arizona sole proprietorship with the Arizona Department of Health Services to operate in this state as a nonprofit medical marijuana dispensary, you may subtract the amount of the income from the dispensary that is included in the computation of your federal adjusted gross income. Include the amount of the income on line D35.

NOTE: *If the Arizona nonprofit medical marijuana dispensary is registered with the Arizona Department of Health Services as anything other than a sole proprietorship, this subtraction does not apply.*

X. Long-Term Care Insurance Premiums

Beginning in 2013, you may subtract the amount of premium costs for long-term care insurance for qualified long-term care services. Qualified long-term care services are necessary diagnostic, preventive, therapeutic, curing, treating, mitigating, rehabilitative services, and maintenance and personal care services.

You may take this subtraction only if you are *not* claiming itemized deductions for the taxable year. An individual who claims itemized deductions may *not* take this subtraction.

You may only subtract the amount of premiums paid during the period you were an Arizona resident. Do not include the costs of any premiums paid during the period you were a nonresident. Include the allowable subtraction on line D35.

Y. AZ Long-Term Health Care Savings Accounts

Beginning 2013, you may subtract amounts you paid into a long-term health care savings account established under Arizona law. An individual may establish a long-term health care savings account with an account Administrator who will manage the account. For more information regarding the subtraction for contributions made to a long-term health care savings account, see A.R.S. § 43-1032.

The total amount you may subtract is equal to the amount of your contributions that are included in your federal adjusted gross income. Include the amount of the allowable subtraction on line D35.

Do not include any amounts already excluded in the computation of your federal adjusted gross income on line D35.

Z. Other Adjustments

Other special adjustments may be necessary. Call one of the numbers listed on page 1 if any of the following apply.

- You are a previously certified defense contractor that elected to amortize under A.R.S. § 43-1024.
- You sold or disposed of property that was held for the production of income and your basis was computed under the Arizona Income Tax Act of 1954.
- You were an Arizona resident before December 31, 1975, and you are receiving IRA distributions from your IRA account to which you made contributions before December 31, 1975.
- You were an Arizona resident before December 31, 1975, and you are receiving distributions from your qualified self-employment retirement plan to which you made contributions before December 31, 1975.
- You deferred exploration expenses determined under IRC § 617 in a taxable year ending before January 1, 1990, and you have not previously taken a subtraction for those expenses.

Line D36 - Subtractions From Income

Add lines D30 through D35. Enter the total here and on the front of your return, line 18.

Part E - Net Long-Term Capital Gain Subtraction from Income

Note: If you reported a net capital gain or (loss) on your federal tax return, you must enter the amount of qualified Arizona net gain or (loss), on page 1, line 19, box 19A. See the instructions for line 19.

If you entered an amount in box 19A, you must complete lines E37 and E38. If you are taking a subtraction for any net long-term capital gain from assets acquired after December 31, 2011, you must also complete lines E39 and E40. If you do not complete Part E, you cannot take the subtraction.

Beginning in 2013, you may subtract a percentage of any net long-term capital gain included in your federal adjusted gross income that is derived from an investment in an asset acquired after December 31, 2011. For 2013, the percentage is 10% (.10).

2013 Form 140PY Schedule A(PY) Itemized Deductions

For Part-Year Residents Only

Before you complete Arizona Form 140PY, Schedule A(PY), you must complete a federal Form 1040, Schedule A.

You may itemize your deductions on your Arizona return even if you do not itemize deductions on your federal return. For the most part, you can deduct those items that are allowable itemized deductions under the Internal Revenue Code (IRC).

A part-year resident who has no Arizona source income during the part of the year while an Arizona nonresident can deduct all of the following.

1. Those expenses incurred and paid during the part of the year while an Arizona resident.
2. Arizona source itemized deductions incurred and paid during the part of the year while a nonresident.

For more information, see Arizona Department of Revenue Individual Income Tax Ruling ITR 94-10 at www.azdor.gov.

In some cases, the itemized deductions allowed on your Arizona return are not the same as those allowable under the IRC. The itemized deductions allowed on your Arizona return can differ if any of the following apply.

1. You are deducting medical and dental expenses.
2. You are claiming a federal credit (from federal Form 8396) for interest paid on mortgage credit certificates.
3. You are deducting gambling losses while claiming a subtraction for Arizona lottery winnings.
4. You are claiming a credit for any amount allowed as a charitable contribution.

Complete the Arizona Form 140PY, Schedule A(PY), as instructed below.

Medical and Dental Expenses

Line 1 -

Enter the amount of medical and dental expenses incurred and paid while an Arizona resident. Also enter the amount of such expenses from Arizona sources that you incurred and paid during the part of the year that you were a nonresident.

The medical and dental expenses that you can deduct on your Arizona return are the same expenses that you can deduct on your federal return.

Be sure you reduce these expenses by any payments received from insurance or other sources. Do not include insurance premiums you paid through an employer-sponsored health insurance plan (cafeteria plan) unless your employer included the premiums in Box 1 of your Form W-2. Also, do not include any other medical and dental expenses paid by the plan unless your employer included the amount paid in Box 1 of your Form(s) W-2.

If self-employed, do not include any amount paid for health insurance that you deducted in computing your federal adjusted gross income.

Do not include any medical and dental expenses paid from your individual medical savings account (MSA) or your AZ long-term health care savings account (AZLTHSA).

Taxes

Line 2 -

Enter the amount of taxes allowable on federal Form 1040, Schedule A, that you incurred and paid while an Arizona resident. Also enter the amount of such taxes from Arizona sources that you incurred and paid during the part of the year while a nonresident.

Include that portion of such interest that you incurred and paid during the part of the year while an Arizona resident.

Do not enter any interest expense that you incurred to purchase or carry U.S. obligations, the income from which is exempt from Arizona income tax.

Gifts to Charity

Line 4 -

Enter the amount of gifts to charity allowable on federal Form 1040, Schedule A, that you incurred and paid while an Arizona resident. Also enter the amount of such gifts from Arizona sources that you incurred and paid during the part of the year while a nonresident.

If you claimed a credit for any charitable contribution, do not include any contribution for which you claimed a tax credit.

For Example:		
If you claimed a credit on Arizona Form:	For contributions made to a:	You cannot take a deduction on the Arizona Form 140PY, Schedule A (PY) for the amount of that contribution.

323	Contributions to Private School Tuition Organizations	
331	School Site Donation

2013 Arizona Individual Income Tax Filing Requirements for Same-Sex Couples

The Arizona Constitution defines marriage as the union of one man and one woman. A person who is married to a person of the same sex cannot file an Arizona income tax return using the filing status of married filing joint or married filing separate.

The following requirements apply to the filing of the Arizona individual income tax return by taxpayers of the same sex who are considered married for federal income tax purposes and filed as married filing joint:

- Each taxpayer must file a Arizona income tax return.
- Each taxpayer must use the filing status of single, or, if qualified, head of household.
- Each taxpayer must use the Arizona tax rates corresponding to the single or head of household filing status, whichever applies.
- If taking the Arizona standard deduction, each taxpayer must use the Arizona standard deduction

corresponding to the single or head of household filing status, whichever applies.

- If the same-sex couple files a joint federal income tax return, they must complete AZ Schedule S, *Allocation of Income by Same-Sex Couples Filing a Joint Federal Return*.
- Each taxpayer will determine his or her separate share of the federal adjusted gross income reported on their joint federal income tax return. Each taxpayer will use his or her share of the amounts to complete his or her Arizona individual income tax return. Only one AZ Schedule S is to be completed by the couple; a copy of AZ Schedule S must be attached to each taxpayer's Arizona individual income tax return.

Arizona individual income tax returns filed for tax year 2013 requiring AZ Schedule S as an attachment may be e-filed.

AZ Schedule S Instructions

AZ Schedule S is used by a same-sex couple that filed a joint federal income tax return. A same-sex couple filing a joint federal income tax return must complete AZ Schedule S to determine the part of their federal adjusted gross income that is reported to Arizona by each taxpayer using a single or, if qualified, head of household filing status.

Same-sex couples, who filed their 2013 federal income tax return using the status of *married filing separate*, are not required to complete AZ Schedule S. However, each taxpayer must use the filing status of single or if qualified, head or household, for Arizona tax purposes.

Note: AZ Schedule S includes line items that are on page 1 of federal Form 1040, and may not include changes to federal Form 1040 made after this form was published. As such, Lines 15 and 16 (income items); and lines 31 and 32 (subtractions from income) are provided to allow taxpayers to report those items not specifically listed on AZ Schedule S. If more lines are needed to report all information, attach a separate schedule and include those amounts in columns (a), (b) and (c).

The amount on AZ Schedule S, line 34, column (a), should equal your joint federal adjusted gross income reported on federal Form 1040, Form 1040A, or Form 1040EZ. The amount on AZ Schedule S, line 34, column (b) or column (c,) is the federal adjusted gross income that must be reported to Arizona by each taxpayer. Each taxpayer must report the amount from line 34, column (b) or column (c), that reflects their income on Arizona Form 140, Arizona Form 140A or Arizona Form 140EZ. If filing Arizona Form 140NR or Arizona Form 140PY, the amounts from each line of column (b) or column (c), as appropriate, is used to complete the FEDERAL column on Arizona Form 140NR or Arizona Form 140PY.

Taxpayers of the same sex who are considered married for federal purposes must each file an Arizona income tax return on Arizona Form 140, Arizona Form 140A, Arizona Form 140EZ, Arizona Form 140NR (if a nonresident) or Arizona Form 140PY (if a part-year resident) and attach a copy of AZ Schedule S to his or her state tax return when filed.

Instructions for claiming Arizona Itemized Deductions

Arizona Schedule A; Schedule A(NR); Schedule A(PY) or Schedule A(PYN)

For Arizona purposes, you may itemize deductions on your Arizona return, even if you don't itemize on your federal return. If you choose to itemize deductions on your Arizona return, you must first complete a federal Schedule A.

For same-sex couples who filed a joint federal income tax return and claimed itemized deductions on that

federal return, each taxpayer that chooses to claim itemized deductions for Arizona must complete a federal Schedule A, as if each taxpayer had filed a federal income tax return with the same filing status as the Arizona individual income tax return. Each taxpayer must attach the as if federal Schedule A to the Arizona income tax return when filed.

Use of Form 204

Leave the paper behind and e-file your Arizona extension request. Visit www.azdor.gov for e-file requirements.

Use Form 204 to apply for an extension of time to file an Arizona Form 140, 140A, 140EZ, 140ET, 140PTC, 140PY, or 140NR. Individuals use this form to apply for an automatic six (6) month extension.

If you are using Form 204 to request a filing extension for a composite return, enter the partnership's or S corporation's employer identification number (EIN) in the area designated for an individual's social security number (SSN).

Also, use Form 204 to remit an extension payment whether you are requesting an Arizona extension or using a valid federal extension. However, if you are filing under a federal extension, but making an electronic extension payment or making an extension payment using a credit card, you do not need to send in Form 204. Arizona will accept your federal extension for the period covered by the federal extension.

Foreign Address

If you have a foreign address, enter the information in the following order: city, province or state, and country. Follow the country's practice for entering the postal code. Do not abbreviate the country name.

When to File

For 2013, you must file Form 204 by April 15, 2014 (or by the original due date of your return).

Complete Form 204 to request an automatic six (6) month extension. Mark your envelope "Extension Request."

If you are **sending a payment** with this request, mail the request to:

Arizona Department of Revenue
PO Box 29085
Phoenix, AZ 85038-9085

If you are **not sending a payment** with your request, mail the request to:

Arizona Department of Revenue
PO Box 52138
Phoenix, AZ 85072-2138

The department will not return a copy of the Form 204 to you. Be sure to keep a copy of the completed Form 204.

An extension does not extend the time to pay your income tax. You must still pay your tax liability by April 15 (or by the original due date of your return). If you do not pay at least 90% (.90) of the income tax liability disclosed by your return by the return's original due date, you will be subject to the extension underpayment penalty. We charge interest from the original due date to the date of payment.

Extension Underpayment Penalty: We impose this penalty if you do not pay at least 90% (.90) of the income tax liability shown on your return filed under an extension by the return's original due date. The extension underpayment penalty is 1/2 of 1% (.005) of the income tax not paid for each 30-day period or fraction of a 30-day period. We impose this penalty from the original due date of the return until you pay the tax. The extension underpayment penalty cannot exceed 25% (.25) of the unpaid income tax. If we charge you the extension underpayment penalty, we will not charge you the late payment penalty under Arizona Revised Statutes (A.R.S.) § 42-1125(D).

Nonresident Aliens

The due date for your Arizona return is not the same as the due date for your federal return. Your Arizona return is due by April 15 even though your federal return is due on June 15. If you want to file your Arizona return after April 15, you must ask for a filing extension. You must file this request by April 15. Arizona will allow up to a 6-month extension. This will allow you to file your return by October 15, 2014.

If you have a federal 6-month extension, you can file your Arizona return under that extension. If you file using your federal extension, Arizona will also allow you an extra 6 months. Because we will allow only 6 months, the due date for your Arizona return is not the same as the due date for your federal return. In this case, your Arizona return will be due by October 15 even though your federal return will not be due until December 15. If you file your 2013 Arizona calendar return after October 15, 2014, your return will be late.

Making Your Payment

Individuals may make extension payments by check, electronic check, money order, or credit card. Partnerships or S corporations making an extension payment on behalf of nonresidents participating in the filing of a composite return must make those payments by check or money order.

Check or money order

If paying by check or money order, make your check or money order payable to Arizona Department of Revenue.

Write your SSN and **2013 extension** on the **front** of your check or money order.

Attach your check to the front of Form 204 in the upper left hand corner on page 1 of the return.

Electronic payment from your checking or savings account

You can make an electronic payment from your checking or savings account to pay your balance due for 2013. There is no fee to use this method. To make an electronic payment, go to www.aztaxes.gov and click on the "Make a Payment" link. The "E-Check" option in the "Payment Method" drop-down box will debit the amount from the checking or savings account that you specify. If you make an electronic payment from your checking or savings account, you will receive a confirmation number. **Please keep this confirmation number as proof of payment.**

NOTE: You may not make an electronic payment from your checking or savings account if the payment will ultimately be coming from a foreign account. In this case, you must pay by check or money order.

Credit card payment

You can pay with your Visa, MasterCard, Discover, or American Express credit card. Go to www.aztaxes.gov and click on the "Make a Payment" link and choose the credit card option. This will take you to a third party vendor site (provider). The provider **will charge** you a convenience fee based on the amount of your tax payment. The provider will tell you what the fee is during the transaction; you will have the option to continue or cancel the transaction. If you complete the credit card transaction, you will receive a confirmation number. **Please keep this confirmation number as proof of payment.**

Instructions Before Mailing

Make sure that you have completed all the information requested on the **front** of the form.

You may qualify for the refundable airline bankruptcy payments credit if you amended your federal tax return adjusting your federal adjusted gross income for overpayment of tax related to payments received that qualified for a Roth IRA rollover under a 2008 federal law. For federal tax purposes, individuals were required to amend their tax returns to receive any overpayment as a result of the qualified rollover(s). This provision is retroactive to taxable years 2001 through 2011.

Arizona did not conform to the federal retroactive provision. Instead, any taxpayer that would have received a refund of Arizona income tax for taxable years 2001 through 2011, if Arizona had conformed to that retroactive provision, is allowed a refundable income tax credit on his or her 2013 income tax return.

The credit is based on the amount of refund you would have received if you amended your tax returns for taxable years 2001 through 2011.

To claim this credit, complete and attach AZ Form 350 to your return. The credit must be claimed on a timely filed 2013 Arizona income tax return (including extensions). Enter the refundable credit from Form 350, Part II, line 13.

Filing Your Return

Before you mail your return, make a copy of your return. Also make a copy of any schedules that you are sending in with your return. Keep the copies for your records. Be sure that you mail the original and not a copy.

To mail your return, use the envelope that came in your booklet. To avoid delays, if you are mailing more than one return, please use separate envelopes for each return.

Where Should I Mail My Return?

If you are sending a payment with this return, use the white address label attached to the envelope. If the envelope or label is missing, send the return to:

Arizona Department of Revenue
PO Box 52016
Phoenix, AZ 85072-2016

If you are expecting a refund, or owe no tax, or owe tax but are not sending a payment, use the yellow address label attached to the envelope. If the envelope or label is missing, send the return to:

Arizona Department of Revenue
PO Box 52138
Phoenix, AZ 85072-2138

Make sure you put enough postage on the envelope.

The U.S. Post Office must postmark your return or extension request by midnight April 15. A postage meter postmark will not qualify as a timely postmark. *Only a postmark from the U.S. Post Office will qualify.* You may also use certain private delivery services designated by the IRS to meet the "timely mailing as timely filed" rule.

How Long To Keep Your Return

You must keep your records as long as they may be needed for the administration of any provision of Arizona tax law. Generally, this means you must keep records that support items shown on your return until the period of limitations for that return runs out.

The period of limitations is the period of time in which you can amend your return to claim a credit or refund or the department can assess additional tax. A period of limitations is the limited time after which no legal action can be brought. Usually, this is four years from the date the return was due or filed.

In some cases, the limitation period is longer than four years. The period is six years from when you file a return if you underreport the income shown on that return by more than 25%. The department can bring an action at any time if a return is false or fraudulent, or you do not file a return. To find out more about what records you should keep, get federal Publication 552.

Where's My Refund?

If you e-filed, you can expect your refund within 2 weeks of the date you filed. If you filed a paper return, you can expect your refund within 12 weeks of the date you filed. You can check on your refund by visiting www.azdor.gov and clicking on "Where's my refund?"

If you have not received your refund within the noted time frames, you may call one of the numbers listed on page 1. Before you call, be sure to have a copy of your 2013 tax return on hand. You will need to know your SSN, your filing status and your 5-digit zip code.

Contacting the Department

If you want the department to discuss your tax matters with someone other than yourself, you must authorize the department to release confidential information to that person. Instructions for completing the worksheet for the subtraction from Arizona gross income for any net long-term capital gain from assets acquired after December 31, 2011.

Purpose of the Worksheet

Beginning 2013, you may subtract a percentage of any net long-term capital gain included in your federal adjusted gross income that is from an investment in an asset acquired after December 31, 2011.

For purposes of this subtraction, “qualified” means an Arizona asset that was acquired *after* December 31, 2011.

As a part-year resident, you may take the allowable subtraction for only those qualified net long-term capital gains that are from the following.

- Only those qualified net long-term capital gains sourced to Arizona during the period that you were an Arizona nonresident.
- All qualified net long-term capital gains during the period that you were an Arizona resident.

To take the allowable subtraction, you must know whether the capital gain or (loss) is considered short-term or long-term. Only the net long-term capital gain from assets acquired *after* December 31, 2011, is used in the computation for the subtraction.

For more information about determining whether a gain or (loss) is short term or long term, see federal *Publication 544* at www.irs.gov.

Who Should Complete the Worksheet?

You *must* complete this worksheet to take the allowable subtraction if you have a net capital gain included in your federal adjusted gross income and the gain includes assets purchased *after* December 31, 2011.

Do *not* complete this worksheet if either of the following applies.

- You do not have any capital gains to report for the current tax year; or
- You do not have any net capital gain from asset(s) acquired *after* December 31, 2011, to report for the current tax year.

General Instructions

1. Enter your name and social security number as shown on Form 140PY, page 1.
2. Check the box if this worksheet is for an original or an amended return.
3. Keep this worksheet for your records.

Have You Paid Your Use Tax? ... What's That?

A use tax is levied on any person who uses, stores or consumes any tangible personal property upon which no tax has been collected by a retailer. The Arizona state use tax rate is 5.6%; some cities also impose a city use tax.

An Arizona purchaser is liable for use tax on goods purchased from an out-of-state vendor that did not collect the use tax. Internet sales are also subject to use tax. There is no exemption from use taxes on Internet purchases. The Internet Tax Freedom Act is a moratorium on any imposition of new taxes. The Arizona use tax law has been in effect since the 1950s.

Any purchase of a vehicle, aircraft, boat, or any other tangible personal item purchased from an out-of-state vendor is also subject to the use tax if no tax was paid. Items brought into the State of Arizona that were subject to U.S. Customs may also be liable for the use tax as well, minus your personal U.S. Customs exemption.

Basically, use taxes and transaction privilege taxes (often referred to as sales taxes) are complementary taxes. In effect, you must pay one or the other but never both. If you purchase an item from a mail order entity and that entity also has an Arizona location, then you may be liable for a transaction privilege tax instead of a use tax.

Use taxes were instituted to prevent unfair competition by out-of-state vendors in the Arizona market. The passing of a use tax law helped create a more suitable balance in this area.

So how does an individual report a use tax? Currently, you should calculate your purchase amount, multiply that amount by 5.6% and remit this total along with a cover letter that includes your name, address and taxpayer identification number to the Arizona Department of Revenue along with a copy of the original invoice. Failure to comply may result in penalties and interest.

If you have questions regarding use tax or how to report your use tax, please contact Taxpayer Information and Assistance by calling 602-255-2060.

Mail your cover letter, payment and copy of invoice to:
