

2010 Nonresident Personal Income Tax Return

Special Notice for 2009 Returns

Arizona did not fully conform to federal tax law changes for 2009. This means that you may have to file an amended return for 2009. Look at items 1 through 5 below. See if any of those items apply to you. If any of those items apply to you, this will affect your 2009 return. If you have already filed your 2009 return, you must file an amended return to properly report those items. If you were a full year resident during 2009 and you filed Form 140, 140A or 140EZ, you may use Form 140X-NC to correct your 2009 return. If you file Form 140X-NC and pay the entire tax due by October 17, 2011, we will not charge you any penalty or interest on that tax.

The following is the list of items that affect your 2009 return.

1. You received unemployment income during 2009. You excluded up to \$2,400 of that income on your 2009 federal return.
2. You claimed an itemized deduction for both the sales tax on a new motor vehicle and state income taxes on your 2009 federal return.
3. You made a cash gift during 2010 to aid Haiti earthquake victims. You claimed an itemized deduction for that gift on your 2009 federal return.
4. You elected to exclude discharge of indebtedness (DOI) income from the reacquisition of a business debt instrument on your 2009 federal return.
5. You excluded original issue discount (OID) on a debt instrument described in number 4 above from income on your 2009 federal return.

If any of items 1 through 5 above apply to you, you must correct your 2009 Arizona return.

Are You Subject to Tax in Arizona?

You are subject to Arizona income tax on all income derived from Arizona sources. If you are in this state for a temporary or transitory purpose or did not live in Arizona but received income from sources within Arizona during 2010, you are subject to Arizona tax. Income from Arizona sources includes wages, rental income, business income, the sale of Arizona real estate, interest and dividends having a taxable

or business situs in this state, or any other income from an Arizona source.

Do You Have to File?

Arizona Filing Requirements These rules apply to all Arizona taxpayers.		
You must file if you are:	and your Arizona adjusted gross income is at least:	or your gross income is at least:
• Single	\$ 5,500	\$15,000
• Married filing jointly	\$11,000	\$15,000
• Married filing separately	\$ 5,500	\$15,000
• Head of household	\$ 5,500	\$15,000
If you are a nonresident, you must report income derived from Arizona sources.		
To see if you have to file, figure your gross income the same as you would figure your gross income for federal income tax purposes. Then you should exclude income Arizona law does not tax.		
You can find your Arizona adjusted gross income on line 19 of Arizona Form 140NR.		

NOTE: *Even if you do not have to file, you must still file a return to get a refund of any Arizona income tax withheld.*

Do You Have to File if You are an American Indian?

You must file if you meet the Arizona filing requirements unless **all** the following apply to you.

- You are an enrolled member of an Indian tribe.
- You live on the reservation established for that tribe.
- You earned **all** of your income on that reservation.

The department has issued a ruling on the Arizona tax treatment of American Indians. This ruling is ITR 96-4. To see this ruling, visit our web site at www.azdor.gov and click on legal research and then click on rulings.

Do You Have to File if You are the Spouse of an American Indian and You are Not an Enrolled Indian?

You must file if you meet the Arizona filing requirements. The department has issued a ruling on the tax treatment of spouses of American Indians. This ruling is ITR 96-4. To see this ruling, visit our web site at www.azdor.gov and click on legal research and then click on rulings.

Do You Have to File if You are in the Military?

You must file if you meet the Arizona filing requirements unless **all** the following apply to you.

- You are an active duty member of the United States armed forces.
- Your only income for the taxable year is pay received for active duty military service.
- There was no Arizona tax withheld from your active duty military pay.

If Arizona tax was withheld from your active duty military pay, you must file an Arizona income tax return to claim any refund you may be due from that withholding.

You must also file an Arizona income tax return if you have any other income besides pay received for active duty military service.

If you are an Arizona resident and you have to file an Arizona return, you should file using Form 140. If you were an Arizona resident when you entered the service, you remain an Arizona resident, no matter where stationed, until you establish a new domicile. As an Arizona resident, you must report all of your income, no matter where stationed. You must include your military pay, but using Form 140, you may subtract all pay received for active duty military service, to the extent it is included in your federal adjusted gross income.

If you are not an Arizona resident, but stationed in Arizona, the following applies to you.

- You are not subject to Arizona income tax on your military pay.
- You must report any other income you earn in Arizona. Use Form 140NR, *Nonresident Personal Income Tax Return*, to report this income.

To find out more, see Arizona Department of Revenue brochure, Pub 704, *Taxpayers in the Military*.

If You Included Your Child's Unearned Income on Your Federal Return, Does Your Child Have to File an Arizona Return?

No. In this case, the child should not file an Arizona return. The parent must include that same income in his or her Arizona taxable income.

Residency Status

If you are not sure if you are an Arizona resident for state income tax purposes, we may be able to help. The department has issued a procedure on determining residency status. This procedure is ITP 92-1. To see this procedure, visit our web site at www.azdor.gov and click on legal research and then click on procedures.

Residents

You are a resident of Arizona if your domicile is in Arizona. Domicile is the place where you have your permanent home. It is where you intend to return if you are living or working temporarily in another state or country. If you leave Arizona for a temporary period, you are still an Arizona resident while gone. A resident is subject to tax on all income no matter where the resident earns the income.

If you are a full year resident, you must file Form 140, Form 140A, or Form 140EZ.

Part-Year Residents

If you are a part-year resident, you must file Form 140PY, *Part-Year Resident Personal Income Tax Return*.

You are a part-year resident if you did either of the following during 2010.

- You moved into Arizona with the intent of becoming a resident.
- You moved out of Arizona with the intent of giving up your Arizona residency.

Nonresidents

If you are a nonresident, you must file Form 140NR, *Nonresident Personal Income Tax Return*.

What if a Taxpayer Died?

If a taxpayer died before filing a return for 2010, the taxpayer's spouse or personal representative may have to file and sign a return for that taxpayer. If the deceased taxpayer did not have to file a return but had tax withheld, a return must be filed to get a refund.

The person who files the return should use the form the taxpayer would have used. **If the department mailed the taxpayer a booklet, do not use the label.** The person who files the return should print the word "deceased" after the decedent's name in the address section of the form. Also enter the date of death after the decedent's name.

If your spouse died in 2010 and you did not remarry in 2010, or if your spouse died in 2011 before filing a return for 2010, you may file a joint return. If your spouse died in 2010, the joint return should show your spouse's 2010 income before death, and your income for all of 2010. If your spouse died in 2011, before filing the 2010 return, the joint return should show all of your income and all of your spouse's income for 2010. Print "Filing as surviving spouse" in the area where you sign the return. If someone else is the personal representative, he or she must also sign the return.

Are any Other Returns Required?

You may also have to file a fiduciary income tax return. For details about filing a fiduciary income tax return, call the department at (602) 255-3381.

Claiming a Refund for a Deceased Taxpayer

If you are claiming a refund, you **must** complete Form 131, *Claim for Refund on Behalf of Deceased Taxpayer*. Attach this form to the **front** of the return.

What are the Filing Dates and Penalties?

When Should You File?

You have extra time to file and pay for 2010 because April 15, 2011 is a legal holiday in Washington DC. This means that your 2010 calendar year tax return is due no later than midnight, April 18, 2011. File your return as soon as you can after January 1, but no later than April 18, 2011.

If you are a fiscal year filer, your return is due on the 15th day of the fourth month following the close of your fiscal year.

What if You Cannot File on Time?

You may request an extension if you know you will not be able to file on time.

NOTE: *An extension does not extend the time to pay your income tax. For details, see the instructions for Arizona Form 204.*

To get a filing extension, you can either:

1. Apply for a state extension (Form 204). To apply for a state extension, file Arizona Form 204 by April 18. See Form 204 for details. You do not have to attach a copy of the extension to your return when you file, but make sure that you check box **82F** on page 1 of the return. If you must make a payment, use Arizona Form 204, or visit www.aztaxes.gov to make an electronic payment.
2. You may use your federal extension (federal Form 4868). File your Arizona return by the same due date. You do

not have to attach a copy of your federal extension to your return, but make sure that you check box **82F** on page 1 of the return.

When Should You File if You are a Nonresident Alien?

The due date for your Arizona return is not the same as the due date for your federal return. Your Arizona return is due by April 18 even though your federal return is due on June 15. If you want to file your Arizona return after April 18, you must ask for a filing extension. You must file this request by April 18. Arizona will allow up to a 6-month extension. This will allow you to file your return by October 17, 2011. See Form 204 for extension filing details.

If you have a federal 6-month extension, you can file your Arizona return under that extension. If you file using your federal extension, Arizona will also allow you an extra 6 months. Because we will allow only 6 months, the due date for your Arizona return is not the same as the due date for your federal return. In this case, your Arizona return will be due by October 17 even though your federal return will not be due until December 15. If you file your 2010 Arizona calendar return after October 17, 2011, your return will be late.

If you are a fiscal year filer, your return is due on the 15th day of the fourth month following the close of your fiscal year.

What if You File or Pay Late?

If you file or pay late, we will charge you interest and penalties on the amount you owe. If the U.S. Post Office postmarks your 2010 calendar year return by April 18, 2011, your return will not be late. You may also use certain private delivery services designated by the IRS to meet the "timely mailing as timely filed" rule.

Late Filing Penalty

If you file late, we will charge you a late filing penalty. This penalty is 4½% of the tax required to be shown on the return for each month or fraction of a month the return is late. This penalty cannot exceed 25% of the tax found to be remaining due.

Late Payment Penalty

If you pay your tax late, we will charge you a late payment penalty. This penalty is ½ of 1% (.005) of the amount shown as tax for each month or fraction of a month for which the failure continues. We charge this penalty from the original due date of the return until the date you pay the tax. This penalty cannot exceed a total of 10%.

Extension Underpayment Penalty

If you file your return under an extension, you must pay 90% of the tax shown on your return by the return's original due date. If you do not pay this amount, we will charge you a penalty. This penalty is ½ of 1% (.005) of the tax not paid for each 30 day period or fraction of a 30 day period. We charge this penalty from the original due date of the return until the date you pay the tax. This penalty cannot exceed 25% of the unpaid tax. If we charge you the extension underpayment penalty, we will not charge you the late payment penalty under Arizona Revised Statutes section 42-1125.D.

NOTE: *If you are subject to two or more of the above penalties, the total cannot exceed 25%.*

Interest

We charge interest on any tax not paid by the due date. We will charge you interest even if you have an extension. If you have an extension, we will charge you interest from the original due date until the date you pay the tax. The Arizona interest rate is the same as the federal rate.

When Should You Amend a Return?

If you need to make changes to your return once you have filed, you should file Form 140X, *Individual Amended Return*. You should file your amended return after your original return has processed. **Do not** file a new return for the year you are correcting. Generally, you have four years to amend a return to claim a refund.

If you amend your federal return for any year, you must also file an Arizona Form 140X for that year. You must file the Form 140X within 90 days of the final determination of the IRS.

If the IRS makes a change to your federal taxable income for any year, you must report that change to Arizona. You may use one of the following two options to report this change.

Option 1

You may file a Form 140X for that year. If you choose this option, you must amend your Arizona return within 90 days of the final determination of the IRS. Attach a complete copy of the federal notice to your Form 140X.

Option 2

You may file a copy of the final federal notice with the department within 90 days of the final determination of the IRS. If you choose this option, you must include a statement in which you must:

1. Request that the department recompute your tax; and
2. Indicate if you agree or disagree with the federal notice.

If you do not agree with the federal notice, you must also include any documents that show why you do not agree.

If you choose option 2, mail the federal notice and any other documents to:

Phoenix, AZ 85007-2650

Do You Need to Make Estimated Payments in 2011?

You must make Arizona estimated income tax payments during 2011 if:

Your filing status is:	AND Your Arizona gross income for 2010 was greater than:	AND Your Arizona gross income for 2011 exceeds:
Married Filing Joint	\$150,000	\$150,000
Single	\$75,000	\$75,000
Head of Household	\$75,000	\$75,000
Married Filing Separately	\$75,000	\$75,000

If you met the income threshold for 2010, you must make estimated payments during 2011 unless you are sure you will not meet the threshold for 2011.

As a nonresident, your Arizona gross income is that part of your federal adjusted gross income derived from Arizona sources. Your Arizona gross income is on line 15 of the 2010 Arizona Form 140NR.

See the worksheet for Form 140ES to figure how much your payments should be.

What if You Make Your Estimated Payments Late?

We will charge you a penalty if you fail to make any required payments. We will charge you a penalty if you make any of your required payments late.

For details, see Arizona Form 221.

Can You Make Estimated Payments Even if You do Not Have to?

If you do not have to make Arizona estimated income tax payments, you may still choose to make them.

For details, see Arizona Form 140ES.

Line-by-Line Instructions

Tips for Preparing Your Return:

- Make sure that you write your SSN on your return.
- Complete your return using black ink.
- You **must** round dollar amounts to the nearest whole dollar. If 50 cents or more, round up to the next dollar. If less than 50 cents, round down. Do not enter cents.
- When asked to provide your own schedule, attach a separate sheet with your name and SSN at the top. Attach your own schedules to your return. Attach these schedules behind page 2 of your return and behind your Schedules A if itemizing.
- You must complete your federal return before you can start your Arizona return.
- Make sure you include your home telephone number. If your daytime number is not the same as your home number, make sure you include a daytime number.
- If filing a fiscal year return, fill in the period covered in the space provided at the top of the form.

Entering Your Name, Address, and SSN

Lines 1, 2, and 3 -

NOTE: Make sure that you write your SSN on the appropriate line.

If your booklet has a peel-off label, use that label if all the information is correct. **If any of the information on the label is incorrect, do not use the label.** Attach the label after you finish your return. If you do not have a peel-off label, print or type your name, address, and SSN in the space provided.

If you are married filing separately, enter your name and SSN on the first line 1. Then enter your spouse's name and SSN on second line 1.

If you are a nonresident of the United States or a resident alien who does not have an SSN use the identification number (ITIN) the IRS issued to you.

For a deceased taxpayer, see page 2 of these instructions.

Use your current home address. The department will send your refund or correspond with you at that address.

NOTE: Make sure your SSN is correct. If you are filing a joint return, also make sure you list your SSNs in the same order every year.

Make sure that you enter your SSN on your return. Make sure that all SSNs are clear and correct. You may be subject to a penalty if you fail to include your SSN. It will take longer to process your return if SSNs are missing, incorrect, or unclear.

A paid preparer who fails to include the proper ID numbers may also be subject to a penalty.

Determining Your Filing Status

The filing status that you use on your Arizona return may be different from that used on your federal return.

Use this section to determine your filing status. Check the correct box (4 through 7) on the front of Form 140NR.

Line 4 Box - Married Filing a Joint Return

If you are married and filing a joint return, check box 4.

You may file a joint return if your spouse died during 2010 and you did not remarry in 2010. See page 2 of these instructions for details.

If you are married to an Arizona full year resident, you may file a joint return using the 140NR. The department has issued a ruling on filing a joint return with your full-year resident spouse. If one spouse is a resident and the other spouse is not, special rules apply when filing a separate return. The department has issued a ruling on how to report income in this case. This ruling is ITR 93-20. To see this ruling, visit our web site at www.azdor.gov and click on legal research and then click on rulings.

NOTE: *In some cases you may treat community income as separate income. The department has issued a ruling on when you may treat community income as separate income. This ruling is ITR 93-22. Net Operating Losses

Arizona does not have specific provisions for calculating the net operating loss of an individual. Generally, the amount of Arizona source net operating loss deduction included in your

federal adjusted gross income is the amount allowable for Arizona purposes. However, there are instances when the amount allowable for Arizona purposes may be different.

As an Arizona nonresident, you may have had a loss from prior year Arizona business operations. However, the loss cannot offset this year's income unless the loss is a net operating loss for federal purposes. You can include the loss deduction in your Arizona gross income only to the extent included in your federal adjusted gross income. You cannot deduct any amount of that net operating loss that has been absorbed by non-Arizona income in any intervening years. Additionally, you cannot include any amount of that net operating loss that has already been deducted for Arizona purposes.

Enter the amount of net operating loss deduction included in your federal adjusted gross income that was derived from Arizona sources. Do not include any amount of the loss that has already been deducted for Arizona purposes.

For information on deducting a net operating loss carryback in cases where you did not make an election under I.R.C. § 172(b)(1)(h), see Arizona Department of Revenue Income Tax Procedure *ITP 99-1*. To see this procedure, visit our web site at www.azdor.gov and click on legal research and then click on procedures.

If you made an election under I.R.C. § 172(b)(1)(h), see the instructions for "Other Subtractions to Income."

Line B13 - Total Income

Add lines B5 through B12 and enter the total.

Line B14 - Other Federal Adjustments

Include on line B14 any other federal adjustments included in your federal adjusted gross income that are attributable to the Arizona source income reported on your 2010 Arizona nonresident return.

Line B16 - Arizona Income

Complete line B16 as instructed on the form.

Line B17 - Arizona Percentage

Divide line B16 by line B15 and enter the result. (**Do not enter more than 100 percent.**) This is the Arizona percentage of your total income.

Example:		
Arizona Gross Income from line B16	Federal Adjusted Gross Income from line B15	Arizona percentage
\$ 7,500	\$ 30,000	$\$7,500/30,000 = 25\%$

Determining Additions to Income

Line C18 - I.R.C. § 179 Expense in Excess of Allowable Amount

Enter the amount of I.R.C. § 179 expense included in your Arizona gross income that exceeds \$25,000. If you make an entry here, also see the instructions for line D31, "Other Subtractions From Income".

Line C19 - Total Depreciation Included in Arizona Gross Income

Enter the amount of depreciation deducted on the federal return that is included in Arizona gross income. If you make an entry here, also see the instructions for line D31, "Other Subtractions from Income".

Line C20 - Other Additions to Income

Use line C20 if any of the special circumstances below apply. Attach your own schedule to the back of your return, explaining any amounts entered on line C20.

A. Fiduciary Adjustment

A fiduciary uses Form 141AZ, Schedule K-1(NR), to report to you your share of the fiduciary adjustment from the trust or estate. Line 5 of Form 141AZ, Schedule K-1(NR), shows your share of the fiduciary adjustment from the estate or trust.

Depending on your situation, you may either add (line C20) or subtract (line D31) this amount.

If the amount reported on line 5 of your Arizona Form 141AZ, Schedule K-1(NR), is a positive number, enter that amount as an addition on line C20.

If the amount on line 5 of your Arizona Form 141AZ, Schedule K-1(NR), is a negative number, enter that amount as a subtraction from income on line D31.

B. Agricultural Water Conservation System Credit

If you take this credit (Form 312), you cannot deduct any expenses for which you claim the credit. If you take this credit, enter the amount of such expenses that you deducted on your federal return.

C. Items Previously Deducted for Arizona Purposes

Arizona statutes prohibit a taxpayer from deducting items more than once. However, under the operation of former Arizona law (1989 and prior), you could deduct certain items in greater amounts for Arizona purposes than federal purposes. Investment interest and passive activity losses were such items. In some cases, you could have deducted such amounts in their entirety on the Arizona return. For federal purposes, the deduction for these items was limited, with the unused portions being carried forward and deducted in future years. Your Arizona return may include these previously deducted items because of the difference between the federal and former Arizona treatment. If your Arizona taxable income includes items previously deducted for Arizona purposes, you must add such amounts to your Arizona gross income.

D. Claim of Right Adjustment for Amounts Repaid in 2010

You must make an entry here if **all** of the following apply.

1. During 2010, you were required to repay amounts held under a claim of right.
2. The amount required to be repaid was subject to Arizona income tax in the year included in income.
3. The amount required to be repaid during 2010 was more than \$3,000.
4. You took a deduction for the amount repaid on your 2010 federal income tax return.
5. The deduction taken on your federal income tax return is reflected in your Arizona taxable income.

If the above apply, enter the amount deducted on your federal income tax return which is reflected in your Arizona taxable income.

For more information on the Arizona claim of right provisions, see Arizona Department of Revenue Individual Income Tax Procedure ITP 95-1.

E. Claim of Right Adjustment for Amounts Repaid in Prior Taxable Years

You must make an entry here if **all** of the following apply.

1. During a year prior to 2010 you were required to repay income held under a claim of right.
2. You computed your tax for that prior year under Arizona's claim of right provisions.
3. A net operating loss or capital loss was established due to the repayment made in the prior year.
4. You are entitled to take that net operating loss or capital loss carryover into account when computing your 2010 Arizona taxable income.
5. The amount of the loss carryover included in your Arizona gross income is more than the amount allowed to be taken into account for Arizona purposes.

Enter the amount by which the loss carryover included in your Arizona gross income is more than the amount allowed for the taxable year under Arizona law.

F. Addition to S Corporation Income Due to Credits Claimed

Shareholders of an S corporation who claim a credit passed through from an S corporation must make an addition to income for the amount of expenses disallowed by reason of claiming the credit.

An S corporation that passes the following credits through to its shareholders must notify each shareholder of his or her pro rata share of the adjustment. You must enter an amount on this line when claiming any of the following credits.

- Agricultural water conservation system credit
- Environmental technology facility credit
- Pollution control credit
- Credit for solar hot water heater plumbing stub outs and electric vehicle recharge outlets
- Credit for employment of TANF recipients
- Agricultural pollution control equipment credit
- Motion picture credits

G. Solar Hot Water Heater Plumbing Stub Out and Electric Vehicle Recharge Outlet Expenses

If you take a credit for installing solar hot water heater plumbing stub outs or electric vehicle recharge outlets in a dwelling you constructed, you cannot deduct any expenses for which you claim the credit. If you take this credit, enter the amount of such expenses that you deducted on your federal return.

H. Wage Expense for Employers of TANF Recipients

If you take a credit for employing TANF recipients, you cannot deduct any wage expense for which you claim the credit. If you take this credit, enter the amount of such expenses that you deducted on your federal return.

I. Motion Picture Expenses

If you take a motion picture credit on Form 334, you cannot deduct any expenses related to the production, the

infrastructure project or related to a transferred credit. Enter the amount of any such expenses that were deducted in computing Arizona gross income for which you claimed a credit.

J. Early Withdrawal of Arizona, County, City, or School Retirement System Contributions

If you meet all the following, you must enter an amount here.

1. You left your job with the State of Arizona or an Arizona county, city, or school district for reasons other than retirement.
2. When you left, you took out the contributions you had made to the retirement system while employed.
3. You deducted these contributions on your Arizona income tax returns that you filed in prior years.
4. You did not include these contributions in your federal adjusted gross income this year.

If you meet all these tests, you must report as income those contributions previously deducted on your prior year Arizona tax returns.

For more information, see Arizona Department of Revenue Income Tax Ruling ITR 93-7.

K. Medical Savings Account (MSA) Distributions

For information on Arizona's MSA provisions, see the department's MSA brochure, Pub 542.

You must add amounts received from an MSA here if any of the following apply.

1 - You Withdrew Funds From Your MSA for Other than Qualified Expenses

You must make an entry here if all of the following apply.

1. You have an MSA that qualifies as an MSA under Arizona law.
2. If you are an employee, your high deductible health coverage is provided by your Arizona employer. If you are self employed, your high deductible health coverage is provided by your Arizona business.
3. You withdrew money from your MSA during 2010.
4. You did not use the amount withdrawn to pay qualified medical expenses.
5. You did not have to include the withdrawal as income on your federal income tax return.

Enter the amount withdrawn.

2 - Deceased Account Holder Where the Named Beneficiary is Not the Decedent's Surviving Spouse

You must make an entry here if all of the following apply:

1. The account holder died during the year.
2. The account holder's MSA qualified as an MSA under Arizona law.
3. If the account holder was an employee, the account holder's high deductible health coverage was provided by his or her Arizona employer. If the account holder was self employed, the account holder's high deductible health coverage was provided by his or her Arizona business.
4. You are the named beneficiary of the decedent's MSA.

5. You are not the decedent's surviving spouse.
6. You did not have to include the value of the MSA as income on your federal income tax return.

In this case, the MSA ceased to be an MSA. Enter the fair market value of the MSA as of the date of death, less the amount of MSA funds used within one year of the date of death, to pay the decedent's qualified medical expenses. If the MSA has not paid all of the decedent's medical expenses by the time you file this return, reduce the fair market value by only those expenses the MSA paid. If the MSA pays additional expenses for the decedent after you file, you may file an amended return to further reduce the fair market value of the MSA.

3 - Decedent's Final Return and no Named MSA Beneficiary

Make an entry here if all of the following apply.

1. The account holder died during the year.
2. The account holder's MSA qualified as an MSA under Arizona law.
3. If the account holder was an employee, the account holder's high deductible health coverage was provided by his or her Arizona employer. If the account holder was self employed, the account holder's high deductible health coverage was provided by his or her Arizona business.
4. There is no named MSA beneficiary.
5. This is the decedent's final return.
6. The value of the MSA did not have to be included on the decedent's final federal income tax return.

In this case, the MSA ceases to be an MSA. Enter the fair market value of the MSA as of the date of death. This rule applies in all cases in which there is no named beneficiary, even if the surviving spouse ultimately obtains the right to the MSA assets.

NOTE: *The following are not withdrawals. Do not enter any of the following:*

- *Amounts from the MSA used to pay qualified medical expenses*
- *A qualified return of excess contributions*
- *A qualified rollover*
- *The fair market value of an MSA received by a surviving spouse who was the deceased account holder's named beneficiary*

For more information about the above items, see the department's MSA brochure, Pub 542.

L. Adjusted Basis in Property for Which You Have Claimed a Credit for Investment in Qualified Small Businesses

If you claim a credit for an investment in a qualified small business on Arizona Form 338, you must adjust your basis in the investment by the amount of the credit claimed. You must report this difference in basis on the Arizona return that you file for the taxable year in which you sell or otherwise dispose of the investment. If you sold or otherwise disposed of the investment during the 2010 taxable year, enter the amount by which the adjusted basis computed under the internal revenue code with respect to that property exceeds

the adjusted basis of the property computed under Arizona Revised Statutes section 43-1074.02.

M. 2010 Discharge of Indebtedness (DOI) Income

Generally, when a loan is settled for less than the amount owed, DOI income is realized by the debtor and usually must be included in the debtor's gross income. The amount of DOI income is generally equal to the amount of loan forgiveness. DOI income also occurs when a debtor repurchases his or her own debt at a discount (a price lower than the adjusted basis issue price of the debt instrument). In debt repurchase transactions, the amount of DOI income is generally equal to the difference between the adjusted issue price and the price paid for the debt instrument.

For federal purposes, a taxpayer may have made a special election for taxable years 2009 or 2010 to include DOI income in connection with the reacquisition of a business debt instrument, ratably over a 5 year period. A taxpayer that made this election will generally include this income in federal adjusted gross income beginning with the 2014 taxable year. A taxpayer would have made the federal election under I.R.C. § 108(i) as added by the American Recovery and Reinvestment Act of 2009.

Arizona did not adopt the special federal DOI income deferral provisions for the 2009 or 2010 taxable year. For Arizona purposes, if you made the federal election to defer the inclusion of Arizona source DOI income under I.R.C. § 108(i), you must make an entry here. On line C20, enter the amount of Arizona source DOI income that you deferred and excluded from the computation of your 2010 federal adjusted gross income under I.R.C. § 108(i). Even though you must include that Arizona source DOI income on your 2010 Arizona return, Arizona will not tax that income again in the future years when you include that Arizona source income in your federal adjusted gross income, and likewise your Arizona gross income. If you make an entry here, also see the instructions for "Other Subtractions from Income" even though this subtraction will not apply until the year in which you include the income in your Arizona gross income.

N. Original Issue Discount (OID) on Reacquisition of Debt Instrument

For federal purposes, when a taxpayer made the special election to defer DOI income under I.R.C. § 108(i) (see letter "M" above), the taxpayer was not allowed to take a deduction with respect to the portion of any OID that accrued with respect to that DOI income, during the income deferral period. In this case, the taxpayer had to deduct the aggregate amount of the OID deductions disallowed ratably over a 5 year period, beginning with the period in which the income was includible in federal adjusted gross income.

Arizona did not adopt the federal provisions requiring a taxpayer to defer the OID deduction in cases where the taxpayer federally deferred the DOI income. For Arizona purposes, you had to report the Arizona source DOI income from a debt reacquisition in the year in which you reacquired the debt, and you were allowed to subtract any OID related to that DOI income in the year the OID accrued. (See the instructions for "Other Subtractions from Income.") If your Arizona gross income includes a deduction for any accrued OID that you have already subtracted for Arizona purposes, you must make an addition to Arizona income for the amount of deferred OID deducted on your federal return that you included in your Arizona gross income. Generally, this addition will not apply until taxable year 2014 through 2018. However, if you were required to accelerate reporting of the

Arizona source DOI income for federal purposes and were allowed to deduct accrued OID attributable to that income on an Arizona return filed for a year prior to 2014, this addition may apply to an earlier year. On line C20, enter the amount of any previously deferred OID that you deducted in computing your 2010 Arizona gross income, to the extent that the amount was previously subtracted from Arizona gross income.

O. Other Adjustments

Other special adjustments may be necessary. You may need to make an addition for depreciation or amortization. You may also need to make an addition if you claimed certain tax credits. Call one of the numbers listed on the back cover if any of the following apply.

- You are a previously certified defense contractor that elected to amortize under Arizona Revised Statutes section 43-1024.
- You sold or disposed of property that was held for the production of income and your basis was computed under the Arizona Income Tax Act of 1954.
- You claimed the environmental technology facility credit.
- You claimed the pollution control credit.
- You claimed the recycling equipment credit.
- You claimed the agricultural pollution control equipment credit.
- You elected to amortize the basis of a pollution control device or the cost of a child care facility under Arizona law in effect before 1990. You are still deducting amortization or depreciation for that device or facility on your federal income tax return.

Line C21 - Total Additions

Add lines C18 through C20. Enter the total on line C21 and on the front of your return, line 16.

Determining Subtractions From Income

You may only subtract those items for which statutory authority exists. Without such authority you cannot take a subtraction. If you have any questions concerning subtractions from income, call one of the numbers listed on the back cover.

NOTE: *You may not subtract any amount which is allocable to income excluded from your Arizona income.*

Line D22 - Exemption: Age 65 or Over

Multiply the number in box 8 on the front of your return by \$2,100 and enter the result.

Line D23 - Exemption: Blind

Multiply the number in box 9 on the front of your return by \$1,500 and enter the result.

Line D24 - Exemption: Dependents

Multiply the number in box 10 on the front of your return by \$2,300 and enter the result.

Line D25 - Total

Add lines D22 through D24 and enter the total.

Line D26 - Prorated Exemptions

Multiply the amount on line D25 by your Arizona percentage from line B17 and enter the result.

NOTE Active Duty Military Personnel Only: *If you were on active duty in Arizona during 2010, but you were a resident of another state, you must prorate these exemptions.*

Line D27 - Interest on U.S. Obligations

Enter the amount of interest income from U.S. Government obligations included as income on line B6 in the ARIZONA column. U.S. Government obligations include obligations such as savings bonds and treasury bills. You must reduce this subtraction by any interest or other related expenses incurred to purchase or carry the obligation. Reduce the subtraction only by the amount of such expenses included in your Arizona gross income.

Line D28 - Arizona Lottery Winnings

You may subtract up to \$5,000 of winnings received in 2010 for Arizona lottery prizes. Only subtract those Arizona lottery winnings that you included on line B12 in the ARIZONA column and reported on your federal income tax return.

If you subtract Arizona lottery winnings here, you may have to adjust the amount of gambling losses claimed as an itemized deduction.

Line D29 - Agricultural Crops Given to Arizona Charitable Organizations

Arizona law allows a subtraction for qualified crop gifts made during 2010 to one or more charitable organizations. To take this subtraction, you must be engaged in the business of farming or processing agricultural crops. The crop must be grown in Arizona. You must make your gift to a charitable organization located in Arizona that is exempt from Arizona income tax.

The subtraction is the greater of 80% of the wholesale market price or 80% of the most recent sale price for the contributed crop.

To determine if your crop gift qualifies for this subtraction, see Arizona Department of Revenue Income Tax Procedure ITP 93-2.

Line D30 - Construction of an Energy Efficient Residence

For taxable years beginning from and after December 31, 2001, through December 31, 2010, Arizona law allows a subtraction for an energy efficient residence. The subtraction is allowed for selling one or more new energy efficient residences located in Arizona. The subtraction is equal to 5% of the sales price excluding commissions, taxes, interest, points, and other brokerage, finance and escrow charges. The subtraction cannot exceed \$5,000 for each new qualifying residence.

The taxpayer that builds the new residence may claim the subtraction when the taxpayer first sells the residence. However, the seller may elect to transfer the subtraction to the buyer.

For more information, see Arizona Department of Revenue Income Tax Procedure ITP 02-1.

Enter the number of residences for which you are claiming a subtraction on line D30a, then enter the amount of the subtraction on line D30. Also enter the number from line D30a on Form 140NR, page 1, line 181.

Line D31 - Other Subtractions

Use line D31 if any of the following special circumstances apply. Attach your own schedule to the back of the return, explaining any amounts entered here.

A. Certain Wages of American Indians

Enrolled members of American Indian tribes may subtract wages earned while living and working on their tribe's reservation. You can subtract only those amounts that you included on line B5, ARIZONA column. The federal government must recognize these tribes.

For more information, see Arizona Department of Revenue Income Tax Ruling *ITR 96-4*.

B. Qualified Wood Stove, Wood Fireplace, or Gas Fired Fireplace

Arizona law provides a subtraction for **converting** an existing fireplace to a qualified wood stove, qualified wood fireplace, or gas fired fireplace and non-optional equipment directly related to its operation. You may subtract up to \$500 of the costs incurred for converting an existing fireplace to a qualified wood stove, qualified wood fireplace, or gas fired fireplace on your property located in Arizona. When you figure your subtraction, do not include taxes, interest, or other finance charges.

A qualified wood stove or a qualified wood fireplace is a residential wood heater that was manufactured on or after July 1, 1990, or sold at retail on or after July 1, 1992. The residential wood heater must also meet the U.S. Environmental Protection Agency's July 1990 particulate emissions standards.

A qualified gas fired fireplace is any device that burns natural or liquefied petroleum gas as its fuel through a burner system that is permanently installed in the fireplace. The conversion of an existing wood burning fireplace to noncombustible gas logs that are permanently installed in the fireplace also qualifies as a gas fired fireplace.

C. Claim of Right Adjustment for Amounts Repaid in Prior Taxable Years

You must make an entry here if **all** of the following apply.

1. During a year prior to 2010 you were required to repay income held under a claim of right.
2. The amount required to be repaid was subject to Arizona income tax in the year included in income.
3. You computed your tax for that prior year under Arizona's claim of right provisions.
4. A net operating loss or capital loss was established due to the repayment made in the prior year.
5. You are entitled to take that net operating loss or capital loss carryover into account when computing your 2010 Arizona taxable income.
6. The amount of the loss carryover allowed to be taken into account for Arizona purposes is more than the amount included in your Arizona gross income.

Enter the amount by which the loss carryover allowed for the taxable year under Arizona law is more than the amount included in your Arizona gross income.

For more information on the Arizona claim of right provisions, see Arizona Department of Revenue Individual Income Tax Procedure *ITP 95-1*.

D. Deposits Made Into Your MSA

If you have an MSA, you may be able to subtract deposits made into that MSA. Make an entry here if all of the following apply.

1. You have an MSA that qualifies as an MSA under Arizona law, but not federal law.
2. If you are an employee, your high deductible health coverage is provided by your Arizona employer. If you are self employed, your high deductible health coverage is provided by your Arizona business.
3. Either you or your employer made deposits into that MSA during the tax year.
4. You had to include the deposits in income on your federal income tax return.

You can subtract these deposits only to the extent included in your Arizona gross income. Enter these contributions here.

E. Employer Contributions Made to Employee MSAs

If you are an employer, you may subtract the amount contributed to your employees' MSAs that are established under Arizona law. You can subtract these contributions only to the extent not deductible for federal income tax purposes. You can subtract these contributions only to the extent included in your Arizona gross income. Enter these contributions here.

F. Certain Expenses not Allowed for Federal Purposes

You may subtract some expenses that you cannot deduct on your federal return when you claim certain federal tax credits. These federal tax credits are:

- the federal work opportunity credit;
- the empowerment zone employment credit;
- the credit for employer-paid social security taxes on employee cash tips;
- the Indian employment credit.

If you received any of the above federal tax credits for 2010, enter the portion of wages or salaries attributable to Arizona source income that you paid or incurred during the taxable year that is equal to the amount of those federal tax credits you received.

G. Recalculated Arizona Depreciation

Enter the total amount of depreciation attributable to assets used in your Arizona business allowable pursuant to I.R.C. § 167(a) for the taxable year calculated as if you had elected not to claim bonus depreciation for eligible properties for federal purposes.

H. Basis Adjustment for Property Sold or Otherwise Disposed of During the Taxable Year

With respect to property used in an Arizona business that is sold or otherwise disposed of during the taxable year by a taxpayer who has complied with the requirement to add back all depreciation with respect to that property on tax returns for all taxable years beginning from and after December 31, 1999, enter the amount of depreciation that has been allowed pursuant to I.R.C. § 167(a) to the extent that the amount has not already reduced Arizona taxable income in the current or prior years. (Note: The practical effect of this is to allow a subtraction for the difference in basis for any asset for which bonus depreciation has been claimed on the federal return.) You may make this adjustment for only property that was used in your Arizona business.

I. Fiduciary Adjustment

If the amount on Form 141AZ, Schedule K-1(NR), line 5, is a negative number, enter that amount as a subtraction from income on line D31.

J. Adjustment for I.R.C. § 179 Expense Not Allowed

Enter 20% of the amount entered on line C18 for excess I.R.C. § 179 expense. This same amount can be subtracted in each of

the following four taxable years also, effectively amortizing the difference in treatment over five years. If you made an addition for I.R.C. § 179 expense on your 2006, 2007, 2008 and/or 2009 return(s), also enter 20% of the amount added for 2006, 2007, 2008 and/or 2009.

K. Net Operating Loss Adjustment.

NOTE: *This subtraction applies to only those individuals who made an election under the special federal net operating loss rules for 2008 and 2009. Under the special rules for 2008 and 2009, you could have elected to carry the net operating loss back for 3, 4 or 5 years, instead of the normal 2 years. This election would have been allowed under I.R.C. § 172(b)(1)(h) as amended by the American Recovery and Reinvestment Act of 2009 or the Worker, Homeownership, and Business Assistance Act of 2009.*

Arizona did not adopt the special federal net operating loss rules for losses incurred during 2008 or 2009. For Arizona purposes, you must deduct an Arizona source net operating loss as if the loss was computed under I.R.C. § 172 in effect prior to the enactment of those special rules. If you made an election to deduct your 2008 or 2009 federal net operating loss under I.R.C. § 172(b)(1)(h), you may have to enter an amount here. Figure how much of the net operating loss carry forward would have been allowed as a deduction on your 2010 federal income tax return, if the election described in I.R.C. § 172(b)(1)(h) had not been made in the year of the loss. Then figure how much of the carry forward computed under that method was derived from Arizona source losses. The amount you may take as a subtraction is the difference between the amount of Arizona source net operating loss carryover allowable as a deduction for federal purposes under the as if calculation and the amount of the Arizona source net operating loss deduction actually taken for federal purposes that you included in your Arizona gross income. On line D31, enter the amount of allowable Arizona source loss carry forward deduction that exceeds the actual amount of Arizona source net operating loss carry forward deduction that was deducted in arriving at Arizona gross income.

NOTE: *As an Arizona nonresident, you may have had a loss from prior year Arizona business operations. However, the loss cannot offset this year's income unless the as if calculation results in an Arizona source net operating loss deduction for federal purposes. You can only take this subtraction if the as if federal net operating loss deduction for 2010 includes Arizona source losses that have not been absorbed by non-Arizona income in any intervening years. You cannot subtract any amount of that net operating loss that has been absorbed by non-Arizona income in any intervening years. You also cannot take a subtraction for any amount that has already been deducted for Arizona purposes.*

L. Previously Deferred Discharge of Indebtedness (DOI) Income Adjustment

Generally, when a loan is settled for less than the amount owed, DOI income is realized by the debtor and usually must be included in the debtor's gross income. The amount of DOI income is generally equal to the amount of loan forgiveness. DOI income also occurs when a debtor repurchases his or her own debt at a discount (a price lower than the adjusted basis issue price of the debt instrument). In debt repurchase transactions, the amount of DOI income is generally equal to the difference between the adjusted issue price and the price paid for the debt instrument.

For federal purposes, a taxpayer may have made a special election for taxable years 2009 or 2010 to include DOI

income in connection with the reacquisition of a business debt instrument, ratably over a 5 year period. A taxpayer that made this election will generally include this income in federal adjusted gross income beginning with the 2014 taxable year. A taxpayer would have made the federal election under I.R.C. § 108(i) as added by the American Recovery and Reinvestment Act of 2009.

Arizona did not adopt the special federal DOI income deferral provisions for the 2009 or 2010 taxable year. For Arizona purposes, if you made the federal election to defer the inclusion of Arizona source DOI income under I.R.C. § 108(i), you were required to add the amount of that deferred DOI income to Arizona income for the year for which you made the election. (See the instructions for "Other Additions to Income.") If you made the required addition to Arizona income on the Arizona return filed for the year in which you reacquired the debt instrument (2009 or 2010), Arizona will not tax that Arizona source DOI income twice. In the year in which you include that deferred Arizona source DOI income in your federal adjusted gross income, and likewise your Arizona gross income, you may take a subtraction for the amount included for that year. Usually this subtraction will apply to taxable years 2014 through 2018. However, if you had to accelerate the deferral for federal purposes, this subtraction may apply to a taxable year prior to 2014. On line D31, enter the amount of previously deferred Arizona source DOI Arizona that you included in your Arizona gross income for the current taxable year to the extent that the amount was previously added to your Arizona income.

M. Original Issue Discount (OID) on Reacquisition of Debt Instrument

For federal purposes, when a taxpayer made the special election to defer DOI income under I.R.C. § 108(i) (see letter "L" above), the taxpayer was not allowed to take a deduction with respect to the portion of any OID that accrued with respect to that DOI income, during the income deferral period. In this case, the taxpayer must deduct the aggregate amount of the OID deductions disallowed ratably over a 5 year period, beginning with the period in which the income is includible in federal adjusted gross income.

Arizona did not adopt the federal provisions requiring a taxpayer to defer the OID deduction in cases where the taxpayer federally deferred the DOI income under I.R.C. § 108(i). For Arizona purposes, you were required to add the amount of deferred Arizona source DOI income to Arizona gross income on the return filed for the year in which you reacquired the debt instrument. Since Arizona is taxing the federally deferred Arizona source income for 2009 or 2010 on your 2009 or 2010 Arizona return, you may subtract the amount of OID that accrued during the taxable year with respect to that Arizona source DOI income. On line D31, enter the amount of any OID related to that Arizona source income that was deferred and not allowed to be deducted in computing your federal adjusted gross income for 2010 under I.R.C. § 108(i).

N. Other Adjustments

Other special adjustments may be necessary. Call one of the numbers listed on the back cover if any of the following apply.

 When you **e-File**, the software completes the math for you.

Your Standard Deduction

Tax Tip: *You must now prorate the standard deduction.*

Nonresident individuals, who claim the standard deduction, must now prorate the deduction by the percentage which the taxpayer's Arizona gross income is of the taxpayer's federal adjusted gross income. This will in effect prorate the standard deduction between income taxable to Arizona and income not taxable to Arizona and allow only that portion of the deduction allocable to income taxable to Arizona.

If you take the standard deduction, check box 20S.

The itemized deductions allowed for Arizona purposes are those itemized deductions that are allowable under the Internal Revenue Code. As an Arizona nonresident, you must prorate these deductions by the percentage which your Arizona gross income is of your federal adjusted gross income.

To determine your Arizona itemized deductions, complete a federal Form 1040, Schedule A. Then complete the Arizona Form 140NR, Schedule A(NR). If you itemize deductions, check box 20I.

Figuring Your Refund or Tax Due

Line 57 - Refund

Subtract line 56 from line 41. Enter your refund on line 57 and skip line 58.

If you owe money to any state agency and certain federal agencies, your refund may go to pay some of the debt. If so, the department will let you know by letter.

Tax Tip: If you change your address before you get your refund, let the department know. Write to: Refund Desk, Arizona Department of Revenue, 1600 W Monroe, Phoenix AZ 85007. Include your SSN in your letter.

Direct Deposit of Refund

Complete the direct deposit line if you want us to directly deposit the amount shown on line 57 into your account at a bank or other financial institution (such as a mutual fund, brokerage firm or credit union) instead of sending you a check.

NOTE: Check the box on line 57A if the direct deposit will ultimately be placed in a foreign account. If you check box 57A, do not enter your routing or account numbers. If this box is checked, we will not direct deposit your refund. We will send you a check instead.

Why Use Direct Deposit?

- You will get your refund fast – even faster if you e-file!
- Payment is more secure since there is no check to get lost.
- It is more convenient. No trip to the bank to deposit your check.
- Saves tax dollars. A refund by direct deposit costs less to process than a check.

NOTE: We are not responsible for a lost refund if you enter the wrong account information. Check with your financial institution to get the correct routing and account numbers and to make sure your direct deposit will be accepted. If the direct deposit is rejected, a check will be sent instead.

Routing Number

The routing number must be 9 digits. The first 2 digits must be 01 through 12 or 21 through 32. Otherwise, the direct deposit will be rejected and a check sent instead. On the sample check below, the routing number is 250250025.

Your check may state that it is payable through a financial institution different from the one at which you have your checking account. If so, **do not** use the routing number on that check. Instead, contact your financial institution for the correct routing number to enter here.

Account Number

The account number can be up to 17 characters (both numbers and letters). **DO NOT** include hyphens, spaces or special symbols. Enter the number from left to right and leave any unused boxes blank. On the sample check that follows, the account number is 20202086. Be sure **not** to include the check number.

line 58. You may pay only with a check, electronic check, money order, or credit card.

Check or money order

NOTE: Attach your check to the front of your return in the upper left hand corner where indicated. Please do not send cash.

Make your check payable to Arizona Department of Revenue. Write your SSN on the front of your check or money order.

The department cannot accept checks or money orders in foreign currency. You must make payment in U.S. dollars.

Electronic payment from your checking or savings account

You can make an electronic payment from your checking or savings account to pay your balance due for 2010. There is no fee to use this method. To make an electronic payment, go to www.aztaxes.gov click on the "Make a Payment" link. The "E-Check" option in the "Payment Method" drop-down box will debit the amount from the checking or savings account that you specify. If you make an electronic payment from your checking or savings account, you will receive a confirmation number. **Please keep this confirmation number as proof of payment.**

NOTE: You may not make an electronic payment from your checking or savings account if the payment will ultimately be coming from a foreign account. In this case, you must pay by check or money order.

Credit card payment

You can pay with your Discover, MasterCard, Visa, or American Express credit card. Go to www.aztaxes.gov click on the "Make a Payment" link and choose the credit card option. This will take you to a third party vendor site. The provider **will charge** you a convenience fee based on the amount of your tax payment. The service provider will tell you what the fee is during the transaction; you will have the option to continue or cancel the transaction. If you complete the credit card transaction, you will receive a confirmation number. **Please keep this confirmation number as proof of payment.**

Installment Payments

If you cannot pay the full amount shown on line 58 when you file, you may ask to make monthly installment payments. To make this request, complete Arizona Form 140-IA and mail the completed form to the address on the Form 140-IA. **Do not mail Form 140-IA with your income tax return.** You may obtain Arizona Form 140-IA from our web site at www.azdor.gov.

If you cannot pay the full amount shown on line 58, you will be charged interest and may be charged a late payment penalty on the tax not paid by April 18, 2011. To limit the interest and penalty charges, pay as much of the tax as possible when you file.

Sign Your Return

You must sign your return. If married filing a joint return, both you and your spouse must sign even if only one had income. Form 140NR is not considered a valid return unless you sign it. The department cannot send a refund check without proper signatures on the return.

Where Should I File My Return?

Make sure you put enough postage on the envelope.

The U.S. Post Office must postmark your return or extension request by midnight April 18. A postage meter postmark will not qualify as a timely postmark. *Only a postmark from the U.S. Post Office will qualify.* You may also use certain private delivery services designated by the IRS to meet the "timely mailing as timely filed" rule.

How Long To Keep Your Return

You must keep your records as long as they may be needed for the administration of any provision of Arizona tax law. Generally, this means you must keep records that support items shown on your return until the period of limitations for that return runs out.

The period of limitations is the period of time in which you can amend your return to claim a credit or refund or the department can assess additional tax. A period of limitations is the limited time after which no legal action can be brought. Usually, this is four years from the date the return was due or filed.

In some cases, the limitation period is longer than four years. The period is six years from when you file a return if you underreport the income shown on that return by more than 25%. The department can bring an action at any time if a return is false or fraudulent, or you do not file a return. To find out more about what records you should keep, get federal Publication 552.

Where's My Refund

If you e-filed, you can expect your refund within 2 weeks of the date you filed. If you filed a paper return, you can expect your refund within 12 weeks of the date you filed. You can check on your refund by visiting www.azdor.gov and clicking on "Where's my refund?" If you have not received your refund within the noted time frames, you may call one of the numbers listed on the back cover. Before you call, be sure to have a copy of your 2010 tax return on hand. You will need to know your SSN, your filing status and your 5-digit zip code.
