Are You Subject to Tax in Arizona?

You are subject to Arizona income tax on all income derived from Arizona sources. If you are in this state for a temporary or transitory purpose or did not live in Arizona but received income from sources within Arizona during 2014, you are subject to Arizona tax.

Income from Arizona sources includes the following:

- wages
- rental income
- business income
- the sale of Arizona real estate
- interest and dividends having a taxable or business situs in this state
- any other income from an Arizona source

Do You Have to File?

Arizona Filing Requirements These rules apply to all Arizona taxpayers.		
You must file if you are:	and your Arizona adjusted gross income is at least:	or your gross income is at least:
● Single	\$ 5,500	\$15,000
● Married filing joint	\$11,000	\$15,000
● Married filing separate	\$ 5,500	\$15,000
● Head of household	\$ 5,500	\$15,000
If you are a nonresident, you must report income derived from Arizona sources.		
To see if you have to file, figure your gross income the same as you would figure your gross income for federal income tax purposes. Then you should exclude income Arizona law does not tax.		
You can find your Arizona adjusted gross income on line 52 of Arizona Form 140NR.		

NOTE: Even if you do not have to file, you must still file a return to get a refund of any Arizona income tax withheld.

Do You Have to File if You Are an American Indian?

You must file if you meet the Arizona filing requirements unless **all** the following apply to you.

- You are an enrolled member of an Indian tribe.
- You live on the reservation established for that tribe.
- You earned **all** of your income on that reservation.

The department has issued a ruling on the Arizona tax treatment of American Indians. This ruling is ITR 96-4.

Do You Have to File if You Are The Spouse of an American Indian and You Are Not an Enrolled Indian?

You must file if you meet the Arizona filing requirements. The department has issued a ruling on the tax treatment of spouses of American Indians. This ruling is ITR 96-4.

Do You Have to File if You Are in the Military?

You must file if you meet the Arizona filing requirements unless **all** the following apply to you.

- You are an active duty member of the United States armed forces.
- Your only income for the taxable year is pay received for active duty military service.
- There was no Arizona tax withheld from your active duty military pay.

If Arizona tax was withheld from your active duty military pay, you must file an Arizona income tax return to claim any refund you may be due from that withholding.

You must also file an Arizona income tax return if you have any other income besides pay received for active duty military service.

If you are an Arizona resident and you have to file an Arizona return, you should file using Form 140. If you were an Arizona resident when you entered the service, you remain an Arizona resident, no matter where stationed, until you establish a new domicile. As an Arizona resident, you must report all of your income to Arizona, no matter where stationed. You must include your military pay, but using Form 140, you may subtract all pay received for active duty military service; to the extent it is included in your federal adjusted gross income.

If you are not an Arizona resident, but stationed in Arizona, the following applies to you.

- You are not subject to Arizona income tax on your military pay.
- You must report any other income you earn in Arizona. Use Form 140NR, *Nonresident Personal Income Tax Return*, to report this income.

To find out more, see our brochure, Pub 704, *Taxpayers in the Military*.

If You Included Your Child's Unearned Income on Your Federal Return, Does Your Child Have to File an Arizona Return?

No. In this case, the child should not file an Arizona return. The parent must include that same income in his or her Arizona taxable income.

Residency Status

If you are not sure if you are an Arizona resident for state income tax purposes, we may be able to help.

The department has issued a procedure on determining residency status. This procedure is ITP 92-1.

Residents

You are a resident of Arizona if your domicile is in Arizona. Domicile is the place where you have your permanent home. It is where you intend to return if you are living or working temporarily in another state or country. If you leave Arizona for a temporary period, you are still an Arizona resident while gone. A resident is subject to tax on all income no matter where the resident earns the income.

If you are a full year resident, you must file Form 140, Form 140A, or Form 140EZ.

Part-Year Residents

If you are a part-year resident, you must file Form 140PY, *Part-Year Resident Personal Income Tax Return*.

You are a part-year resident if you did either of the following during 2014.

- You moved into Arizona with the intent of becoming a resident.
- You moved out of Arizona with the intent of giving up your Arizona residency.

Nonresidents

If you are a nonresident, you must file Form 140NR, *Nonresident Personal Income Tax Return*.

What if a Taxpayer Died?

If a taxpayer died before filing a return for 2014, the taxpayer's spouse or personal representative may have to file and sign a return for that taxpayer. A personal representative can be an executor, administrator, or anyone

who is in charge of the deceased taxpayer's property. If the deceased taxpayer did not have to file a return but had tax withheld, a return must be filed to get a refund.

The person who files the return should use the form the taxpayer would have used. The person who files the return should print the word "deceased" after the decedent's name in the address section of the form. Also, enter the date of death after the decedent's name.

If your spouse died in 2014 and you did not remarry in 2014, or if your spouse died in 2015 before filing a return for 2014, you may file a joint return. If your spouse died in 2014, the joint return should show your spouse's 2014 income before death and your income for all of 2014. If your spouse died in 2015, before filing the 2014 return, the joint return should show all of your income and all of your spouse's income for 2014. Print "Filing as surviving spouse" in the area where you sign the return. If someone else is the personal representative, he or she must also sign the return.

Are any Other Returns Required?

You may also have to file a fiduciary income tax return (Form 141AZ). For details about filing a fiduciary income tax return, call the department at (602) 255-3381.

Claiming a Refund for a Deceased Taxpayer

If you are claiming a refund for a deceased taxpayer, you **must** complete Arizona Form 131, *Claim for Refund on Behalf of Deceased Taxpayer*. Include this form with the return.

What Are the Filing Dates and Penalties?

When Should You File?

Your 2014 calendar year tax return is due no later than midnight, April 15, 2015. File your return as soon as you can after January 1, but no later than April 15, 2015.

If you are a fiscal year filer, your return is due on the 15th day of the fourth month following the close of your fiscal year.

What if You Cannot File on Time?

You may request an extension if you know you will not be able to file on time.

NOTE: *An extension does not extend the time to pay your income tax. For details, see the instructions for Arizona Form 204.*

To get a filing extension, you can either:

1. Apply for a state extension (Arizona Form 204). To apply for a state extension, file Arizona Form 204 by April 15. See Form 204 for details. You do not have to include a copy of the extension with your return when you file, but make sure that you check box 82F on page 1 of the return. If you must make a payment, use Arizona Form 204, or visit www.AZTaxes.gov to make an electronic payment.
2. Use your federal extension (federal Form 4868). File your Arizona return by the same due date. You do not have to include a copy of your federal extension with your return, but make sure that you check box 82F on page 1 of the return.

When Should You File if You Are a Nonresident Alien?

The due date for your Arizona return is not the same as the due date for your federal return. Your Arizona return is due by April 15 even though your federal return is due on June 15. If you want to file your Arizona return after April 15, you must ask for a filing extension. You must file this

request by April 15. Arizona will allow up to a 6-month extension. This will allow you to file your return by October 15, 2015. See Form 204 for extension filing details.

If you have a federal 6-month extension, you can file your Arizona return under that extension. If you file using your federal extension, Arizona will also allow you an extra 6 months. Because we will allow only 6 months, the due date for your Arizona return is not the same as the due date for your federal return. In this case, your Arizona return will be due by October 15 even though your federal return will not be due until December 15. If you file your 2014 Arizona calendar year return after October 15, 2015, your return will be late.

If you are a fiscal year filer, your return is due on the 15th day of the fourth month following the close of your fiscal year.

What if You File or Pay Late?

If you file or pay late, we will charge you interest and penalties on the amount you owe. If the U.S. Post Office postmarks your 2014 calendar year return by April 15, 2015, your return will not be late.

You may also use certain private delivery services designated by the IRS to meet the “timely mailing as timely filed” rule.

Late Filing Penalty

If you file late, we will charge you a late filing penalty. This penalty is 4½% (.045) of the tax required to be shown on the return for each month or fraction of a month the return is late. This penalty cannot exceed 25% (.25) of the tax found to be remaining due.

Late Payment Penalty

If you pay your tax late, we will charge you a late payment penalty. This penalty is ½ of 1% (.005) of the amount shown as tax for each month or fraction of a month for which the failure continues. We charge this penalty from the original due date of the return until the date you pay the tax. This penalty cannot exceed a total of 10% (.10) of the unpaid tax.

Extension Underpayment Penalty

If you file your return under an extension, you must pay 90% of the tax shown on your return by the return's original due date. If you do not pay this amount, we will charge you a penalty. This penalty is ½ of 1% (.005) of the tax not paid for each 30-day period or fraction of a 30-day period. We charge this penalty from the original due date of the return until the date you pay the tax. This penalty cannot exceed 25% (.25) of the unpaid tax. If we charge you the extension underpayment penalty, we will not charge you the late payment penalty under Arizona Revised Statutes (A.R.S.) § 42-1125(D).

NOTE: *If you are subject to two or more of the above penalties, the total cannot exceed 25%.*

Interest

We charge interest on any tax not paid by the due date. We will charge you interest even if you have an extension. If you have an extension, we will charge you interest from the original due date until the date you pay the tax. The Arizona interest rate is the same as the federal rate.

When Should You Amend a Return?

If you need to make changes to your return once you have filed, you should file Arizona Form 140X, *Individual*

Amended Income Tax Return. You should file your amended return after your original return has processed. **Do not** file a new return for the year you are correcting. Generally, you have four years to amend a return to claim a refund.

If you amend your federal return for any year, you must also file an Arizona Form 140X for that year. You must file Form 140X within 90 days of the final determination of the IRS.

If the IRS makes a change to your federal taxable income for any year, you must report that change to Arizona. You may use one of the following two options to report this change.

Option 1

You may file a Form 140X for that year. If you choose this option, you must amend your Arizona return within 90 days of the final determination of the IRS. Include a complete copy of the federal notice with your Form 140X.

Option 2

You may file a copy of the final federal notice with the department within 90 days of the final determination of the IRS. If you choose this option, you must include a statement in which you must:

1. Request that the department recompute your tax; and
2. Indicate if you agree or disagree with the federal notice.

If you do not agree with the federal notice, you must also include any documents that show why you do not agree.

If you choose option 2, mail the federal notice and any other documents to

Do You Need to Make Estimated Payments in 2015?

If you met the income threshold for 2014, you must make estimated payments during 2015 unless you are sure you will not meet the threshold for 2015.

As a nonresident, your Arizona gross income is that part of your federal adjusted gross income derived from Arizona sources. Your Arizona gross income is on line 26 of the 2014 Arizona Form 140NR. See the worksheet for Arizona Form 140ES to figure how much your payments should be. For more information, see the department’s brochure (Pub 012), *Arizona Individual Estimated Income Tax Payments*.

What if You Make Your Estimated Payments Late?

We will charge you a penalty if you fail to make any required payments. We will charge you a penalty if you make any of your required payments late. For details, see Arizona Form 221.

Can You Make Estimated Payments Even if You Do Not Have to?

If you do not have to make Arizona estimated income tax payments, you may still choose to make them. For details, see Arizona Form 140ES.

- If Arizona gross income is positive (greater than zero), and federal adjusted gross income is equal to or less than zero (negative), enter 100% on line 27.
- If Arizona gross income is equal to or less than zero (negative), and federal adjusted gross income is positive, enter 0% on line 27.
- If Arizona gross income and federal gross income are both negative, divide the Arizona amount by the federal amount and enter the percentage on line 27. The percentage cannot be more than 100%.

Additions to Income

Line 28 - Total Depreciation Included in Arizona Gross Income

Enter the amount of depreciation deducted on the federal return that is included in Arizona gross income. If you make an entry here, you should also take a subtraction on line 37 for allowable depreciation attributable to assets used in your Arizona business. See the instructions for line 37.

NOTE: You may take a subtraction, on line 38, for Arizona bonus depreciation on assets placed in service during 2013. For more information, see the department's income tax procedure, ITP 14-3.

Line 29 - Other Additions to Income

Use line 29 if any of the special circumstances below apply. Include your own schedule with your return, explaining any amounts entered on line 29.

A. Fiduciary Adjustment

A fiduciary uses Form 141AZ, Schedule K-1(NR), to report to you your share of the fiduciary adjustment from the trust or estate. Line 5 of Form 141AZ, Schedule K-1(NR), shows your share of the fiduciary adjustment from the estate or trust.

Depending on your situation, you may either add (line 29) or subtract (line 46) this amount.

If the amount reported on line 5 of your Arizona Form 141AZ, Schedule K-1(NR), is a positive number, enter that amount as an addition on line 29.

If the amount reported on line 5 of your Arizona Form 141AZ, Schedule K-1(NR), is a negative number, enter that amount as a subtraction from income on line 46.

B. Items Previously Deducted for Arizona Purposes

Arizona statutes prohibit a taxpayer from deducting items more than once. If your Arizona taxable income includes items previously deducted for Arizona purposes, you must add such amounts to your Arizona gross income.

C. Claim of Right Adjustment for Amounts Repaid in 2014

You must make an entry here if **all** of the following apply.

1. During 2014, you were required to repay amounts held under a claim of right.

2. The amount required to be repaid was subject to Arizona income tax in the year included in income.
3. The amount required to be repaid during 2014 was more than \$3,000.
4. You took a deduction for the amount repaid on your 2014 federal income tax return.
5. The deduction taken on your federal income tax return is reflected in your Arizona taxable income.

If the above apply, enter the amount deducted on your federal income tax return which is reflected in your Arizona taxable income.

For more information on the Arizona claim of right provisions, see the department's income tax procedure, ITP 95-1.

D. Claim of Right Adjustment for Amounts Repaid in Prior Taxable Years

You must make an entry here if **all** of the following apply.

1. During a year prior to 2014, you were required to repay income held under a claim of right.
2. You computed your tax for that prior year under Arizona's claim of right provisions.
3. A net operating loss or capital loss was established due to the repayment made in the prior year.
4. You are entitled to take that net operating loss or capital loss carryover into account when computing your 2014 Arizona taxable income.
5. The amount of the loss carryover included in your Arizona gross income is more than the amount allowed to be taken into account for Arizona purposes.

Enter the amount by which the loss carryover included in your Arizona gross income is more than the amount allowed for the taxable year under Arizona law.

E. Addition to S Corporation Income Due to Credits Claimed

Shareholders of an S corporation who claim a credit passed through from an S corporation must make an addition to income for the amount of expenses disallowed by reason of claiming the credit.

An S corporation that passes the following credits through to its shareholders must notify each shareholder of his or her pro rata share of the adjustment. You must enter an amount on this line when claiming any of the following credits.

- Environmental technology facility credit (Form 305)
- Agricultural water conservation system credit (Form 312)
- Pollution control credit (Form 315)
- Credit for solar hot water heater plumbing stub outs and electric vehicle recharge outlets (Form 319)
- Credit for employment of TANF recipients (Form 320)
- Agricultural pollution control equipment credit (Form 325)
- Motion picture credits (Form 334)

F. Solar Hot Water Heater Plumbing Stub Outs and Electric Vehicle Recharge Outlet Expenses

If you claim a credit for installing solar hot water heater plumbing stub outs or electric vehicle recharge outlets in a dwelling you constructed (Form 319), you cannot deduct any expenses for which you claim the credit. If you claim this credit, enter the amount of such expenses that you deducted on your federal return.

G. Wage Expense for Employers of TANF Recipients

If you claim a credit for employing TANF recipients (Form 320), you cannot deduct any wage expense for which you

claim the credit. If you claim this credit, enter the amount of such expenses that you deducted on your federal return.

H. Motion Picture Expenses

If you claim a motion picture credit (Form 334), you cannot deduct any expenses related to the production or related to a transferred credit. Enter the amount of any such expenses that were deducted in computing Arizona gross income for which you claimed a credit.

I. Adjusted Basis in Property for Which You Have Claimed a Credit for Investment in Qualified Small Businesses

If you claim a credit for an investment in a qualified small business (Arizona Form 338), you must adjust your basis in the investment by the amount of the credit claimed. You must report this difference in basis on the Arizona return that you file for the taxable year in which you sell or otherwise dispose of the investment. If you sold or otherwise disposed of the investment during the 2014 taxable year, enter the amount by which the adjusted basis computed under the IRC with respect to that property exceeds the adjusted basis of the property computed under A.R.S. § 43-1074.02.

J. Original Issue Discount (OID) on Reacquisition of Debt Instrument

For federal purposes, when a taxpayer made the special election to defer discharge of indebtedness (DOI) income under IRC § 108(i) (for 2009 or 2010), the taxpayer was not allowed to take a deduction with respect to the portion of any OID that accrued with respect to that DOI income, during the income deferral period. In this case, the taxpayer had to deduct the aggregate amount of the OID deductions disallowed ratably over a 5-year period, beginning with the period in which the income was includible in federal adjusted gross income.

Arizona did not adopt the federal provisions requiring a taxpayer to defer the OID deduction in cases where the taxpayer federally deferred the DOI income. For Arizona purposes, you had to report the Arizona source DOI income from a debt reacquisition in the year in which you reacquired the debt, and you were allowed to subtract any OID related to that DOI income in the year the OID accrued. (See the instructions for line 46, "Other Subtractions From Income.") If your Arizona gross income includes a deduction for any accrued OID that you have already subtracted for Arizona purposes, you must make an addition to Arizona income for the amount of deferred OID deducted on your federal return that you included in your Arizona gross income.

Generally, this addition will not apply until taxable year 2014 through 2018. On line 29, enter the amount of any previously deferred OID that you deducted in computing your 2014 Arizona gross income, to the extent that the amount was previously subtracted from Arizona gross income.

K. Qualified Health Insurance Plans

If you claimed a credit on AZ Form 347, you may not deduct any expenses for which you claim the credit. If you take this credit, enter the amount of such expenses that you deducted on your federal return.

L. Sole Proprietorship Loss of an Arizona Nonprofit Medical Marijuana Dispensary Included in Federal Adjusted Gross Income

If you are registered as an Arizona sole proprietorship with the Arizona Department of Health Services to operate in this

state as a nonprofit medical marijuana dispensary, you are required to add the amount of the loss from the dispensary that is included in the computation of your federal adjusted gross income. Include the amount of the loss on line 29.

NOTE: *If the Arizona nonprofit medical marijuana dispensary is registered with the Arizona Department of Health Services as anything other than a sole proprietorship, this addition does not apply.*

M. Arizona Long-Term Health Care Savings Account (AZLTHSA) Withdrawals

You must add amounts withdrawn from your AZLTHSA if you withdrew money for purposes other than paying qualified long-term health care expenses. For more information, see A.R.S. § 43-1032.

N. Other Adjustments

Other special adjustments may be necessary. You may need to make an addition for depreciation or amortization. You may also need to make an addition if you claimed certain tax credits. Call one of the numbers listed on page 1 if any of the following apply.

- You sold or disposed of property that was held for the production of income and your basis was computed under the Arizona Income Tax Act of 1954, as amended (1978 prior) except depreciable property.
- You claimed the environmental technology facility credit.
- You claimed the pollution control credit.
- You claimed the recycling equipment credit.
- You claimed the agricultural pollution control equipment credit.
- You elected to amortize cost of a childcare facility under Arizona law in effect before 1990. You are still deducting amortization or depreciation for that facility on your federal income tax return.

Line 30 - Subtotal

Add lines 26, 28, and 29.

Subtractions From Income

You may only subtract those items for which statutory authority exists. Without such authority, you cannot take a subtraction. *You may not subtract any amount which is allocable to income excluded from your Arizona income.* If you have any questions concerning subtractions from income, call one of the numbers listed on page 1 of these instructions.

NOTE: *If you reported a net capital gain or (loss) on your federal tax return, you must enter the amount of the net gain or (loss) from Arizona sources, line 31. See the instructions for line 31.*

If you are taking a subtraction for any net long-term capital gain from assets acquired after December 31, 2011, you must also complete lines 33 and 34. If you do not complete these lines, you cannot take the subtraction.

You may subtract a percentage of any net long-term capital gain included in your federal adjusted gross income that is derived from an investment in an asset acquired after December 31, 2011. For 2014, the percentage is 20% (.20).

As a nonresident, you may take the allowable subtraction for only those qualified net long-term capital gains that are from Arizona sources. Use the worksheet at the end of these instructions, *Worksheet for Net Long-Term Capital Gain*

Subtraction for Assets Acquired after December 31, 2011, to determine the allowable subtraction.

Line 31 – Total Arizona Sourced Net Capital Gain or (Loss)

Enter the total Arizona sourced net capital gain or (loss).

Line 32 – Total Arizona Sourced Net Short-Term Capital Gain or (Loss)

Enter the amount of net short-term capital gain included on line 20, in the ARIZONA Column.

NOTE: *If you are not required to report dividend distributions and/or short-term capital gains from mutual funds on federal Form Schedule D, do not include the short-term capital gain distributed by the mutual fund on line 32.*

Line 33 - Total Net Long-Term Capital Gain or (Loss)

Enter the amount from the worksheet, line 14, column (c).

Line 34 - Net Long-Term Capital Gain From Assets Acquired After December 31, 2011

Enter the amount from the worksheet, line 14, column (e).

Line 35 - Net Long-Term Capital Gain Subtraction From Income

Multiply the amount on line 34 by 20% (.20) and enter the result.

Line 36 - Net Capital Gain from Investment in a Qualified Small Business

Beginning in 2014, you may subtract the amount of any net capital gain included in federal adjusted gross income for the taxable year derived from investment in a qualified small business as determined by the Arizona Commerce Authority pursuant to A.R.S. § 41-1518.

Caution: *If the amount entered on line 36 includes a long-term capital gain from an investment made after December 31, 2011, you cannot include that portion of the net capital gain in your computation of the allowable subtraction for any net long-term capital gain from assets acquired after December 31, 2011 and included in federal adjusted gross income. For more information, see the instructions on page 21 for the amount to enter on line 13 on the net long-term capital gain worksheet.*

Line 37 - Recalculated Arizona Depreciation

For assets placed in service in taxable years beginning before December 31, 2012, enter the total amount of depreciation attributable to assets used in your Arizona business allowable pursuant to IRC § 167(a) for the taxable year calculated as if you had elected not to claim bonus depreciation for eligible properties for federal purposes.

For assets placed in service during taxable years beginning from and after December 31, 2012 through December 31, 2013, the amount of the subtraction depends on the method used to compute the depreciation for these assets.

NOTE: *For more information, see the department's individual income tax procedure, ITP 14-3.*

For assets placed in service in taxable years beginning from and after December 31, 2013, enter the total amount of depreciation allowable pursuant to IRC § 167(a) for the taxable year

calculated as if the bonus depreciation is 10% of the amount of federal bonus depreciation pursuant to IRC § 168(k).

Add all amounts together and enter the total on line 37

Line 38 - 2013 Arizona Depreciation Adjustment for Assets Placed in Service in Taxable Year 2013

For an asset placed in service during taxable year 2013, Arizona law allows a taxpayer that claimed bonus depreciation for the asset on the federal income tax return, to make an election to claim Arizona bonus depreciation for that asset on the 2014 Arizona income tax return. This election is made by taking a subtraction, on the 2014 Arizona income tax return, for Arizona bonus depreciation for the asset placed in service during tax year 2013. The Arizona bonus depreciation is 10% of the amount of bonus depreciation claimed on the federal income tax return.

On line 38, enter the amount of allowable Arizona depreciation adjustment for an asset placed in service during the 2013 taxable year.

NOTE: *For more information and examples of how to calculate Arizona bonus depreciation, see the department's Income Tax Procedure, ITP 14-3.*

Line 39 - Adjustment for IRC § 179 Expense Not Allowed in Prior Years

If you made an addition for IRC § 179 expense on your 2010, 2011, and/or 2012 return(s), enter 20% (.20) of the amount added for 2010, 2011, and/or 2012.

Line 40 - Reserved

Do not enter an amount on line 40.

Line 41 -

Subtract lines 35 through 40 from line 30.

Line 42 -

Enter the amount from page 1, line 41.

Line 43 - Interest on U.S. Obligations

Enter the amount of interest income from U.S. Government obligations included as income on line 16 in the ARIZONA column. U.S. Government obligations include obligations such as savings bonds and treasury bills. You must reduce this subtraction by any interest or other related expenses incurred to purchase or carry the obligation. Reduce the subtraction only by the amount of such expenses included in your Arizona gross income.

Line 44 - Arizona Lottery Winnings

You may subtract up to \$5,000 of winnings received in 2014 for Arizona lottery prizes. Only subtract those Arizona lottery winnings that you included on line 22 in the ARIZONA column and reported on your federal income tax return.

If you subtract Arizona lottery winnings here, you may have to adjust the amount of gambling losses claimed as an itemized deduction.

Line 45 - Agricultural Crops Given to Arizona Charitable Organizations

Arizona law allows a subtraction for qualified crop gifts made during 2014 to one or more charitable organizations. To take this subtraction, all of the following must apply.

1. You must be engaged in the business of farming or processing agricultural crops; and
2. The crop must be grown in Arizona; and
3. You made your gift to a charitable organization located in Arizona that is exempt from Arizona income tax.

The subtraction is the greater of the wholesale market price or the most recent sale price for the contributed crop.

The amount of subtraction cannot include any amount deducted pursuant to IRC § 170 with respect to crop contribution that exceeds the cost of producing the contributed crop. To determine if your crop gift qualifies for this subtraction, see income tax procedure, ITP 12-1.

Line 46 - Other Subtractions From Income

Use line 46 if any of the following special circumstances apply. Include your own schedule with the return, explaining any amounts entered here.

A. Certain Wages of American Indians

Enrolled members of American Indian tribes may subtract wages earned while living and working on their tribe's reservation. You can subtract only those amounts that you included on line 15, ARIZONA column. The federal government must recognize these tribes.

For more information, see income tax ruling, ITR 96-4.

B. Qualified Wood Stove, Wood Fireplace, or Gas Fired Fireplace

Arizona law provides a subtraction for converting an existing fireplace to one of the following.

- a qualified wood stove
- a qualified wood fireplace
- a gas fired fireplace and non-optional equipment directly related to its operation

You may subtract up to \$500 of the costs incurred for converting an existing fireplace on your property located in Arizona. When you figure your subtraction, do not include taxes, interest, or other finance charges.

A qualified wood stove or a qualified wood fireplace is a residential wood heater that was manufactured on or after July 1, 1990, or sold at retail on or after July 1, 1992. The residential wood heater must also meet the U.S. Environmental Protection Agency's July 1990 particulate emissions standards.

A qualified gas fired fireplace is any device that burns natural or liquefied petroleum gas as its fuel through a burner system that is permanently installed in the fireplace. The conversion of an existing wood burning fireplace to noncombustible gas logs that are permanently installed in the fireplace also qualifies as a gas fired fireplace.

C. Claim of Right Adjustment for Amounts Repaid in Prior Taxable Years

You must make an entry here if **all** of the following apply.

1. During a year prior to 2014, you were required to repay income held under a claim of right.
2. The amount required to be repaid was subject to Arizona income tax in the year included in income.
3. You computed your tax for that prior year under Arizona's claim of right provisions.
4. A net operating loss or capital loss was established due to the repayment made in the prior year.

5. You are entitled to take that net operating loss or capital loss carryover into account when computing your 2014 Arizona taxable income.

6. The amount of the loss carryover allowed to be taken into account for Arizona purposes is more than the amount included in your Arizona gross income.

Enter the amount by which the loss carryover allowed for the taxable year under Arizona law is more than the amount included in your Arizona gross income. For more information on the Arizona claim of right provisions, see income tax procedure, ITP 95-1.

D. Certain Expenses Not Allowed for Federal Purposes

You may subtract some expenses that you cannot deduct on your federal return when you claim certain federal tax credits. These federal tax credits include the following.

- the federal work opportunity credit
- the empowerment zone employment credit
- the credit for employer-paid social security taxes on employee cash tips
- the Indian employment credit

If you claimed any of the above federal tax credits for 2014, enter the portion of wages or salaries attributable to Arizona source income that you paid or incurred during the taxable year that is equal to the amount of those federal tax credits you claimed.

E. Basis Adjustment for Property Sold or Otherwise Disposed of During the Taxable Year

With respect to property used in an Arizona business that is sold or otherwise disposed of during the taxable year by a taxpayer who has complied with the requirement to add back all depreciation with respect to that property on tax returns for all taxable years beginning from and after December 31, 1999, enter the amount of depreciation that has been allowed pursuant to IRC § 167(a) to the extent that the amount has not already reduced Arizona taxable income in the current or prior years. (Note: The practical effect of this is to allow a subtraction for the difference in basis for any asset for which bonus depreciation has been claimed on the federal return.) You may make this adjustment only for property that was used in your Arizona business.

F. Fiduciary Adjustment

If the amount on Form 141AZ, Schedule K-1(NR), line 5, is a negative number, enter that amount as a subtraction from income on line 46.

G. Net Operating Loss Adjustment

NOTE: *This subtraction applies to only those individuals who made an election under the special federal net operating loss rules for 2008 and 2009. Under the special rules for 2008 and 2009, you could have elected to carry the net operating loss back for 3, 4, or 5 years, instead of the normal 2 years. This election would have been allowed under IRC § 172(b)(1)(H) as amended by the American Recovery and Reinvestment Act of 2009 or the Worker, Homeownership, and Business Assistance Act of 2009.*

Arizona did not adopt the special federal net operating loss rules for losses incurred during 2008 or 2009. For Arizona purposes, you must deduct an Arizona source net operating loss as if the loss was computed under IRC § 172 in effect prior to the enactment of those special rules. If you made an

election to deduct your 2008 or 2009 federal net operating loss under IRC § 172(b)(1)(H), you may have to enter an amount here. Figure how much of the net operating loss carry forward would have been allowed as a deduction on your 2014 federal income tax return, if the election described in IRC § 172(b)(1)(H) had not been made in the year of the loss. Then figure how much of the carry forward computed under that method was derived from Arizona source losses. The amount you may take as a subtraction is the difference between the amount of Arizona source net operating loss carryover allowable as a deduction for federal purposes under the as if calculation and the amount of the Arizona source net operating loss deduction actually taken for federal purposes that you included in your Arizona gross income. On line 46, enter the amount of allowable Arizona source loss carry forward deduction that exceeds the actual amount of Arizona source net operating loss carry forward deduction that was deducted in arriving at Arizona gross income.

NOTE: *As an Arizona nonresident, you may have had a loss from prior year Arizona business operations. However, the loss cannot offset this year's income unless the as if calculation results in an Arizona source net operating loss deduction for federal purposes. You can only take this subtraction if the as if federal net operating loss deduction for 2014 includes Arizona source losses that have not been absorbed by non-Arizona income in any intervening years. You cannot subtract any amount of that net operating loss that has been absorbed by non-Arizona income in any intervening years. You also cannot take a subtraction for any amount that has already been deducted for Arizona purposes.*

H. Previously Deferred Discharge of Indebtedness (DOI) Income Adjustment

Generally, when a loan is settled for less than the amount owed, DOI income is realized by the debtor and usually must be included in the debtor's gross income. The amount of DOI income is generally equal to the amount of loan forgiveness. DOI income also occurs when a debtor repurchases his or her own debt at a discount (a price lower than the adjusted basis issue price of the debt instrument). In debt repurchase transactions, the amount of DOI income is generally equal to the difference between the adjusted issue price and the price paid for the debt instrument.

For federal purposes, a taxpayer may have made a special election for taxable years 2009 or 2010 to include DOI income in connection with the reacquisition of a business debt instrument, ratably over a 5-year period. **A taxpayer that made this election will generally include this income in federal adjusted gross income beginning with the 2014 taxable year.** A taxpayer would have made the federal election under IRC § 108(i) as added by the American Recovery and Reinvestment Act of 2009.

Arizona did not adopt the special federal DOI income deferral provisions for the 2009 or 2010 taxable year. For Arizona purposes, if you made the federal election to defer the inclusion of Arizona source DOI income under IRC § 108(i), you were required to add the amount of that deferred DOI income to Arizona income for the year for which you made the election. If you made the required addition to Arizona income on the Arizona return filed for the year in which you reacquired the debt instrument (2009 or 2010), Arizona will not tax that Arizona source DOI income twice. In the year in which you include that deferred Arizona source DOI income

in your federal adjusted gross income, and likewise your Arizona gross income, you may take a subtraction for the amount included for that year. **Usually this subtraction will apply to taxable years 2014 through 2018.** On line 46, enter the amount of previously deferred Arizona source DOI income that you included in your Arizona gross income for the current taxable year to the extent that the amount was previously added to your Arizona income.

I. Sole Proprietorship Income of an Arizona Nonprofit Medical Marijuana Dispensary Included in Federal Adjusted Gross Income

If you are registered as an Arizona sole proprietorship with the Arizona Department of Health Services to operate in this state as a nonprofit medical marijuana dispensary, you may subtract the amount of the income from the dispensary that is included in the computation of your federal adjusted gross income. Include the amount of the income on line 46.

NOTE: *If the Arizona nonprofit medical marijuana dispensary is registered with the Arizona Department of Health Services as anything other than a sole proprietorship, this subtraction does not apply.*

J. Other Adjustments

Other special adjustments may be necessary. Call one of the numbers listed on the back cover if any of the following apply.

- You sold or disposed of property that was held for the production of income subject to Arizona tax and your basis was computed under the Arizona Income Tax Act of 1954, as amended (1978 prior), except depreciable property.
- You deferred exploration expenses determined under IRC § 617 in a taxable year ending before January 1, 1990, and you have not previously taken a subtraction for those expenses.

Line 51 - Prorated Exemptions

Multiply the amount on line 50 by your Arizona percentage from line 27 and enter the result.

For Active Duty Military Personnel Only: *If you were on active duty in Arizona during 2014, but you were a resident of another state, you must prorate these exemptions.*

Line 52 - Arizona Adjusted Gross Income

Subtract lines 43 through 46 and line 51 from line 42.

Figuring Your Tax

Line 53 - Itemized or Standard Deductions

You must decide whether to take the standard deduction or to itemize your deductions. Your Arizona income tax will be less if you take the larger of your standard deduction or your itemized deductions.

 When you **e-file**, the software completes the math for you.

Your Standard Deduction

Caution: *You must prorate the standard deduction.*

Nonresident individuals, who claim the standard deduction, must prorate the deduction by the percentage which the taxpayer's Arizona gross income is of the taxpayer's federal adjusted gross income.

This will in effect prorate the standard deduction between income taxable to Arizona and income not taxable to Arizona and allow only that portion of the deduction allocable to income taxable to Arizona. If you take the standard deduction, check box 53S.

Standard Deduction Chart	
If your filing status is:	Your standard deduction prior to prorating is:
• Single	\$5,009
• Married filing separate	\$5,009
• Married filing joint	\$10,010
• Head of household	\$10,010

3. Multiply line 1 by the percent on line 2. Enter the result here and on Form 140NR, page 2, line 53. Also check box 53S if you are taking the standard deduction.	\$

Your Itemized Deduction

You may itemize deductions on your Arizona return even if you do not itemize deductions on your federal return.

The itemized deductions allowed for Arizona purposes are those itemized deductions that are allowable under the IRC.

As an Arizona nonresident, you must prorate these deductions by the percentage which your Arizona gross income is of your federal adjusted gross income.

To determine your Arizona itemized deductions, complete a federal Form 1040, Schedule A. Then complete the Arizona Form 140NR, Schedule A(NR). If you itemize deductions, check box 53L.

NOTE: *If you itemize, you must include a copy of your federal Schedule A and your Arizona Schedule A(NR) with your Arizona return.*

Line 54 - Personal Exemptions

Your personal exemption depends on your filing status. See Personal Exemption Chart. Then complete the Personal Exemption Worksheet.

Personal Exemption Worksheet	
1. Amount from the personal exemption chart. If you were an active duty military member during 2014, skip lines 2 and 3 and enter this amount on Form 140NR, page 2, line 54. All other taxpayers complete lines 2 and 3.	\$
2. Enter your Arizona percentage from Form 140NR, page 1, line 27.	%
3. Multiply line 1 by the percent on line 2. Enter the result here and on Form 140NR, page 2, line 54.	\$

A married couple who does not claim any dependents may take one personal exemption of \$4,200 (prior to prorating). If the husband and wife file separate returns, either spouse may (prior to prorating) take the entire \$4,200 exemption, or the spouses may divide the \$4,200 (prior to prorating) between them. You and your spouse must complete Arizona Form 202 if either you or your spouse claims a personal exemption of more than \$2,100 (prior to prorating). If you and your spouse do not complete Form 202, you may (prior to prorating) take an exemption of only \$2,100 (one-half of the total \$4,200).

A married couple who claims at least one dependent may take one personal exemption of \$6,300 (prior to prorating). If the husband and wife file separate returns, either spouse may (prior to prorating) take the entire \$6,300 exemption, or the spouses may divide the \$6,300 (prior to prorating) between them. You and your spouse must complete Form 202 if either you or your spouse claims a personal exemption of more than \$3,150 (prior to prorating). How Long to Keep Your Return

You must keep your records as long as they may be needed for the administration of any provision of Arizona tax law. Generally, this means you must keep records that support items shown on your return until the period of limitations for that return runs out.

The period of limitations is the period of time in which you can amend your return to claim a credit or refund or the department can assess additional tax. A period of limitations

is the limited time after which no legal action can be brought. Usually, this is four years from the date the return was due or filed.

In some cases, the limitation period is longer than four years. The period is six years from when you file a return if you underreport the income shown on that return by more than 25%. The department can bring an action at any time if a return is false or fraudulent, or you do not file a return. To find out more about what records you should keep, see federal Publication 552.

Where’s My Refund

You can check on your refund by visiting www.azdor.gov or www.AZTaxes.gov and clicking on “Where’s my refund?” or you may call one of the numbers listed on page 1. Before you call, be sure to have a copy of your 2014 tax return on hand. You will need to know your SSN, your filing status and your 5-digit ZIP Code.

Contacting the Department

Your tax information on file with the department is confidential. If you want the department to discuss your tax matters with someone other than yourself, you must authorize the department to release confidential information to that person.

You may use Arizona Form 285, to authorize the department to release confidential information to your appointee. See Form 285 for details.

Instructions for completing the worksheet for the subtraction from Arizona gross income for net long-term capital gain from assets acquired *after* December 31, 2011.

Purpose of the Worksheet

You may subtract a percentage of any net long-term capital gain included in your federal adjusted gross income that is from an investment in an asset acquired after December 31, 2011.

As a nonresident, you may take the allowable subtraction for only those qualified net long-term capital gains that are from Arizona sources.

To take the allowable subtraction, you must know whether the capital gain or (loss) is considered short-term or long-term. Only the net long-term capital gain from assets acquired *after* December 31, 2011, is used in the computation for the subtraction.

For more information about determining whether a gain or (loss) is short term or long term, see federal *Publication 544* at www.irs.gov.

When Should the Worksheet be Complete?

You *must* complete this worksheet to take the allowable subtraction if you have a net capital gain included in your federal adjusted gross income and the gain includes assets purchased *after* December 31, 2011.

Do *not* complete this worksheet if either of the following applies.

- You do not have any capital gains to report for the current tax year; or
- You do not have any net capital gain from asset(s) acquired *after* December 31, 2011, to report for the current tax year.
