INSTRUCTIONS

This report form is required to be filed in order to provide the information necessary for the determination of the full cash value of mining property valued under provisions of ARS 42-14051.

Return the complete report, including this page. DO NOT DETACH ANY PAGES. The verification page must be signed and notarized for the report form to be considered complete.

This report, along with all attached schedules including land printout and original cost statement must be completed and returned to the above address by April 1, 2020, together with any and all supplementary information, and, when applicable, copies of stockholder reports, recent prospectus documents and Securities and Exchange Commission 10K reports.

REFUSAL OR FAILURE TO FILE

FAILURE TO FILE a completed report ON OR BEFORE APRIL 1, or on the extended due date if an extension is granted, will result in a valuation of one hundred five percent of the prior year's full cash value or a value based upon other information available to the Department. In addition, a penalty will be assessed in the amount of the lesser of one-half of one percent of the value estimated by the Department or one hundred dollars per day for each day the taxpayer fails to file the report. The number of days late will be calculated from the original due date, April 1, 2020 (ARS 42-14052).
