Payment of Tax, Penalties, and Interest

Payment by Electronic Funds Transfer

Taxpayers are required to pay their tax liability by electronic funds transfer (EFT) if the taxpayer owes \$500 or more for any taxable year beginning from and after December 31, 2020.

A taxpayer may apply to the director for an annual waiver from the electronic payment requirement. The application must be received by December 31 of each year. The director may grant the waiver if any of the following applies:

- The taxpayer has no computer.
- The taxpayer has no internet access.
- Any other circumstance considered to be worthy by the director exists, including:
 - The taxpayer has a sustained record of timely payments, and
 - The taxpayer has no delinquent tax account with the department.

To request a waiver, submit Arizona Form 292, *Electronic Filing and Payment Waiver Application*, to the department. Arizona Form 292 is available at: <https://azdor.gov/forms/other-forms/electronic-filing-and-payment-waiver-application>.

NOTE: A taxpayer who is required to pay by EFT but who fails to do so is subject to a penalty of 5% of the amount of the payment not made by EFT. See A.R.S. § 42-1125(O).

For additional information on EFT, refer to A.R.S. § 42-1129 and the related Arizona Administrative Code rules (A.A.C. R15-10-301 through R15-10-307) for detailed information.

How to Make EFT Payments

Taxpayers making EFT payments must register with the department before their EFT payments may be accepted. **An officer of the Taxpayer must complete the initial registration.**

Once registered, taxpayers may use www.AZTaxes.gov to make EFT payments:

- Electronic payment from checking or savings account/e-check/ACH Debit.

Payments can be made electronically from a checking or savings account. Go to www.AZTaxes.gov and choose the e check option. Follow the prompts to complete your registration.

There is no fee to use this method. This payment method will debit the amount from the specified checking or

savings account on the date specified. If an electronic payment is made from a checking or savings account, a confirmation number will be generated. Please keep this confirmation number as proof of payment.

- Online credit card payment

Payments can be made by American Express, Discover, MasterCard, or Visa credit cards. Go to www.AZTaxes.gov and choose the credit card option. This will take you to the website of the credit card payment service provider. Follow the prompts to make your payment.

The service provider will charge a fee based on the amount of the tax payment. The service provider will disclose the amount of the fee during the transaction and you will be given the option to continue or cancel. If you accept the fee and complete the credit card transaction, a confirmation number will be generated. Please keep this confirmation number as proof of payment.

Taxpayers may also make EFT payment by ACH Credit.

To register to make ACH Credit payments, go to the department's website, www.azdor.gov. Click on "Forms", then click "Other Forms." Click on Form number 10366, Electronic Funds Transfer (EFT) Disclosure Agreement for ACH Credit filers. Click "Download." Complete the form as instructed. Submit the completed form at least five business days before the first anticipated transaction, as it may take that long to process the application.

Fax the completed form to the department at (602) 771-9913. You may also email the completed form to the department at electronicfundstransfer@azdor.gov. Once the application is processed, the taxpayer will receive additional information to present to its bank to make the ACH Credit payment.

The payment will be electronically transferred into the department's account, normally the next business day. The taxpayer should consult with its bank for the timeframe required to make timely payments. NOTE: The taxpayer may be charged a service fee.

NOTE: *Taxpayers using a foreign bank account to make EFT payments cannot make EFT payments by ACH Debit. The department does not accept ACH Debit payments from a foreign bank account. If the taxpayer wishes to make payment by EFT, the payment MUST be made by ACH Credit. See the instructions for ACH Credit above to register and make ACH Credit payments.*

Acceptance of Federal Extension

NOTE: *Federal extensions extend an original Arizona due date by the same period of time covered by the Arizona extension.*

Generally, the taxpayer can use a valid federal extension rather than applying for an Arizona extension. The taxpayer must pay at least 90% of the tax liability by the original due date of the return. Refer to the instructions for line 1

(extension payment computation) for further information on the payment amount.

A taxpayer whose tax liability for the 2022 taxable year was greater than \$500 that uses a federal extension of time to file must make its 2022 extension payment by EFT. See the Section *Payment of Tax Liability by Electronic Funds Transfer* on page 1 for details on making tax payments by EFT.

A taxpayer whose tax liability for the 2022 taxable year was less than \$500 that uses a federal extension of time to file may use Arizona Form 120/165EXT to remit an extension payment via check or money order. Or it may elect to participate in EFT. Mail Arizona Form 120/165EXT and the extension payment to the payment address shown on the form.

Penalties and Interest

A. Late Filing Penalty

Without a valid federal or Arizona extension, a return filed after the original due date is subject to the late filing penalty. A return filed after its extended due date is also subject to the late filing penalty. The late filing penalty is 4.5% (.045) of the amount of tax required to be shown on the return. The penalty period is each month or fraction of a month between the due date of the return and the date the taxpayer filed the return. The maximum penalty is 25% of the tax found to be remaining due.

B. Extension Underpayment Penalty

The taxpayer must pay at least 90% of the tax liability reported on its return by the original due date of the return. If it does not, the extension underpayment penalty is charged on any late or underpaid extension payments. The extension underpayment penalty is 0.5% (.005) of the tax not paid for each 30-day period or fraction of a 30-day between the original due date and the date the tax is paid. The maximum penalty is 25% of the unpaid tax. Taxpayers subject to the extension underpayment penalty are not subject to the late payment penalty described in C below.

C. Late Payment Penalty

The late payment penalty is charged on any amount shown as tax on a return that is not paid by the due date. The late payment penalty is 0.5% (.005) of the unpaid tax for each

month or fraction of a month that the tax remains unpaid, not to exceed 10% of the unpaid tax.

NOTE: *If more than one of the penalties described in A, B, or C apply, the maximum combined penalty is 25%.*

Refer to the department's ruling, CTR 09-1, *When do Penalties Apply to an Income Tax Return Filed Under an Extension*, regarding the application of penalties to returns filed under extension.

D. Information Return Penalty

An information return that is incomplete or filed after its due date (including extensions) is subject to a \$100 penalty for each month or fraction of a month that the failure continues, up to a maximum penalty of \$500. This applies to Arizona Form 99M and Arizona Form 165. It also applies to Arizona Form 120S when no tax liability is due.

E. Interest

The department charges interest on any portion of the tax not paid by the due date. The department compounds interest annually and applies it in the same manner and at the same time as the IRS. The Arizona rate of interest for both underpayments and overpayments *for all taxpayers* is the federal underpayment rate.

On January 1 of each year, the department adds any interest outstanding as of that date to the principal amount of the tax. It is then a part of the principal amount of the tax and accrues interest until paid.

Rounding Dollar Amounts

Taxpayers must round amounts to the nearest whole dollar. If 50 cents or more, round up to the next dollar. If less than 50 cents, round down.

Specific Instructions

Type or print the required information in the name, address, and information boxes on the top of Arizona Form 120/165EXT. If the taxpayer has a foreign address, enter the information in the following order: city, province or state, and country. Follow the country's practice for entering the postal code. **Do not abbreviate the country's name.** Indicate whether the taxable year is a calendar year or a fiscal year; if a fiscal year, indicate the taxable year on the top of the form.

All returns, statements, and other documents filed with the department require the taxpayer's employer identification number (EIN), or taxpayer identification number, (TIN). Taxpayers that fail to include their TIN may be subject to a penalty.
