General Instructions

Which Corporations Must File a Return

Every corporation subject to the Arizona Income Tax Act of 1978 must file an Arizona corporate income tax return.

NOTE: *Homeowners associations described in Internal Revenue Code (IRC) § 528 are not exempt from tax under Arizona Revised Statutes (A.R.S.) § 43-1201(A) [associations that file federal Form 1120-H or 1120]. These associations must file an Arizona corporate income tax return on Form 120A or Form 120. However, certain homeowners associations are federally tax exempt under IRC § 501(c)(4), as social welfare organizations or under IRC § 501(c)(7), as clubs organized for pleasure or recreation. These homeowners associations are similarly tax exempt for Arizona income tax purposes. These organizations may file Form 99.*

Which Corporations May Use Form 120A

The short form, Form 120A, is designed for corporate taxpayers with less complex filing requirements.

A corporation may use Form 120A if it files its return on a separate company (separate entity) basis and it is a "wholly Arizona corporation". A corporation that has income from business activity that is taxable entirely within Arizona is a "wholly Arizona corporation". A corporation files on a separate company (separate entity) basis if: (1) it is not part of a group of corporations comprising a unitary business; or (2) it is not a member of an affiliated group that elected to file an Arizona consolidated return.

A corporation **MUST USE** Arizona Form 120 if: (1) it is a multistate corporation; or (2) it is a member of a unitary group of corporations that files an Arizona return on a combined basis; or (3) it is a member of an affiliated group of corporations that elected to file an Arizona consolidated return. A "multistate corporation" is a corporation that has income from business activity that is taxable in more than one state.

NOTE: *The corporation must file Form 120 if the corporation is: (1) a partner in a multistate partnership; or (2) a partner in a partnership with business activity conducted entirely outside Arizona.*

Entity Classification under the Federal "Check-the-Box Rules"

The federal tax classification of an entity under the federal "check-the-box rules" determines the entity's classification for Arizona tax purposes. Refer to Arizona Corporate Tax Ruling CTR 97-1 for further information. An entity that is disregarded as an entity separate from its owner is included in the tax return of its owner.

Limited Liability Companies

Under the provisions of the Arizona Limited Liability Company Act, a limited liability company (LLC) is classified as a partnership, or as a corporation, or as a disregarded entity as determined under the IRC as defined in A.R.S. § 43-105. An LLC would file a return appropriate to its classification as a partnership, corporation, or a branch or division of its owner. Refer to Arizona Corporate Tax Ruling CTR 97-2 for further information.

Electing Small Business Corporations

Corporations taxed as S corporations under Subchapter S of the IRC must file Arizona Form 120S.

Taxable Year Covered by Return

File returns for the calendar year or fiscal year. Indicate whether the taxable year is a calendar year or a fiscal year; if a fiscal year, indicate the taxable year on the top of page 1 of the return.

Filing Original Returns

Returns are due by the 15th day of the fourth month following the close of the taxable year. If the taxpayer has a valid federal or Arizona extension, file the return by the extended due date. If the taxpayer uses an extension, the taxpayer must check the extension box (82F) on page 1 of the return. Mail the return to:

Arizona Department of Revenue
PO Box 29079
Phoenix, AZ 85038-9079

One or more of the following officers (president, treasurer, or any other principal officer) must sign the return.

The department requests that taxpayers include a copy of the completed federal return with the Arizona return. To save paper, the detail of Schedule M-3 can be omitted. Instead, substitute a statement that the detail schedules are available upon request. Please include the consolidated Schedule M-3. A similar statement may be substituted for Form 5471. A.R.S. § 42-1112 prescribes the schedules required to be included.

The department normally determines the timeliness of a return by the postmark or other official mark of the U.S. Postal Service stamped on the envelope in which the return is mailed. Refer to Arizona General Tax Ruling GTR 93-1 for further information. The department will also accept proof of mailing from a private delivery service included in the Internal Revenue Service (IRS) list of designated private delivery services. Contact the private delivery service for information regarding how to obtain written proof of mailing.

Rounding Dollar Amounts

Taxpayers must round amounts to the nearest whole dollar. If 50 cents or more, round up to the next dollar. If less than 50 cents, round down.

Treatment of Installment Obligations When Corporation Activities Cease

If a corporation elects to report income from the sale or other disposition of property on the installment method, and does not report the entire amount of income from the sale before the year the corporation ceases to be subject to Arizona corporation income tax, the corporation must report the unreported income in

the last year in which the corporation is subject to the tax. This provision does not apply if a reorganization transfers the installment obligation to another taxpayer subject to Arizona tax as the transferee. The transferee may not use its capital losses to offset income from the installment obligation transferred from a corporation no longer subject to the tax.

Estimated Tax Payments

Corporations that expect an Arizona income tax liability for the taxable year of \$1,000 or more must make Arizona estimated tax payments. Use Form 120ES, *Corporation Estimated Tax Payment*. The required installments may be computed on Form 120W, *Estimated Tax Worksheet for Corporations*.

For exceptions to the estimated tax requirements, see the instructions for Form 220, *Underpayment of Estimated Tax by Corporations*.

A corporation that fails to make the required estimated tax payments is subject to a penalty on any estimated tax payment which is late or underpaid.

The Arizona required annual payment of corporate estimated tax is the smaller of:

- Ninety percent of the taxpayer's Arizona tax liability (reduced by refundable tax credits and claim of right adjustments, if applicable) for the current taxable year; or
- One hundred percent of the taxpayer's Arizona tax liability (reduced by refundable tax credits and claim of right adjustments, if applicable) for the prior taxable year.

NOTE: *In order for the taxpayer to base its Arizona corporate estimated tax payments on the prior taxable year's tax liability:*

- *The taxpayer's return filed for the prior taxable year must have shown at least some amount of tax liability (an amount greater than zero); and*
- *The taxpayer's return filed for the prior taxable year must have been for a period of twelve months.*

ESTIMATED TAX PAYMENTS BY ELECTRONIC FUNDS TRANSFER

Refer to A.R.S. § 42-1129 and the related Arizona Administrative Code rules (A.A.C. R15-10-301 through R15-10-307) for detailed information regarding electronic funds transfer.

Taxpayers whose Arizona corporate income tax liability for the preceding taxable year was \$20,000 or more must make Arizona corporate estimated tax payments via the electronic funds transfer program. If the taxpayer makes its estimated tax payments by electronic funds transfer (EFT), the taxpayer should not submit Form 120ES to the department.

Taxpayers required to make estimated tax payments via electronic funds transfer must complete the department's electronic funds transfer authorization agreement at least 30 days prior to initiation of the first applicable transaction.

Taxpayers whose Arizona corporate income tax liability for the preceding taxable year was less than \$20,000 may elect voluntary participation in the electronic funds transfer program. Voluntary participants in the program must complete the department's electronic funds transfer authorization agreement at least 30 days prior to the first applicable transaction.

NOTE: *Taxpayers required to make corporate estimated payments via EFT that fail to do so are subject to a penalty of 5% of the amount of the payment not made by EFT. See A.R.S. § 42-1125(O).*

ESTIMATED TAX PAYMENTS VIA THE INTERNET

Taxpayers must be licensed by the department before they can register to pay taxes online. Visit www.AZTaxes.gov to register and make estimated tax payments over the Internet. If a taxpayer makes its estimated tax payments via the Internet, the taxpayer should not submit Form 120ES to the department.

Electronic payment from checking or savings account

Estimated tax payments can be made electronically from a checking or savings account. Visit www.AZTaxes.gov and choose the e-check option. There is no fee to use this method. This payment method will debit the amount from the specified checking or savings account on the date specified. If an electronic payment is made from a checking or savings account, a confirmation number will be generated. Please keep this confirmation number as proof of payment.

Credit card payment

Estimated tax payments can be made via American Express, Discover, MasterCard or VISA credit cards. Visit www.AZTaxes.gov and choose the credit card option. This will take you to the website of the credit card payment service provider. The service provider will charge a convenience fee based on the amount of the tax payment. The service provider will disclose the amount of the convenience fee during the transaction and the option to continue or cancel the transaction will be presented. If you accept the convenience fee and complete the credit card transaction, a confirmation number will be generated. Please keep this confirmation number as proof of payment.

Extension of Time to File a Return

A request for an Arizona extension of time to file a corporate income tax return is made by filing a completed Form 120EXT by the original due date of the return. The taxpayer can use a valid federal extension rather than applying for an Arizona extension. Form 120EXT must be used to transmit extension payments via check or money order, whether the taxpayer uses a valid federal extension or requests an Arizona extension. Taxpayers that make extension payments over the internet need not file Form 120EXT unless an Arizona extension is being requested. If the taxpayer files under extension, the taxpayer must check the extension box (82F) on page 1 of the return.

The taxpayer must pay 90% of the tax liability (including the \$50 minimum tax) by the original due date of the return. The department imposes the extension underpayment penalty on any late or underpaid extension payments.

The department grants an Arizona extension for a period of six months. Arizona law provides that six months is the maximum extension of time to file that the department may grant. However, Arizona law provides that the department may accept the federal extension for the same period of time as covered by the federal extension.

Either the Arizona or federal extension provide an extension of time to file, but do not provide an extension of time to pay.

Penalties and Interest

A. Late Filing Penalty. A return filed after the original due date is subject to the late filing penalty unless the taxpayer has a valid federal or Arizona extension. A return filed after its extended due date is also subject to the late filing penalty. The late filing penalty is 4.5% (.045) of the amount of tax required

to be shown on the return. "Amount of tax required to be shown on the return" is the amount of tax imposed less the amount of any part of the tax paid on or before the beginning of the month and the amount of any credit against the tax which may be claimed on the return. The penalty period is each month or fraction of a month between the due date of the return and the date the taxpayer filed the return. The maximum penalty is 25% of the tax found to be remaining due.

B. Extension Underpayment Penalty. The taxpayer must pay 90% of the tax liability disclosed by the taxpayer's return on or before the original due date of the return. The department imposes the extension underpayment penalty on any late or underpaid extension payments. The extension underpayment penalty is 0.5% (.005) of the tax not paid. The penalty period is each 30 day period or fraction thereof between the original due date of the return and the date the taxpayer paid the tax. The maximum penalty is 25% of the unpaid tax. Taxpayers subject to the extension underpayment penalty are not subject to the late payment penalty prescribed under A.R.S. § 42-1125(D).

C. Late Payment Penalty. The department imposes the late payment penalty on any amount shown as tax on a return that is not paid by the date prescribed for its payment. "Amount of tax shown on the return" is the amount of tax imposed shown on the return less the amount of any part of the tax paid on or before the beginning of the month and the amount of any credit against the tax which may be claimed on the return. The late payment penalty is 0.5% (.005) of the unpaid tax for each month or fraction of a month that the tax remains unpaid, not to exceed 10% of the unpaid tax.

NOTE: *If more than one of the penalties described in A, B, or C apply, the maximum combined penalty is 25%.*

Refer to Arizona Corporate Income Tax Ruling CTR 09-1 regarding the application of penalties to returns filed under extension.

D. Interest. The department assesses interest on any portion of the tax, whether determined by the department or the taxpayer, not paid by the date prescribed for its payment. The department applies interest, compounded annually, in the same manner and at the same times as prescribed by IRC § 6621 with the following exception. **Exception:** The Arizona rate of interest for both underpayments and overpayments *for all taxpayers* is the federal underpayment rate under IRC § 6621(a)(2) [the federal short-term rate, determined pursuant to IRC § 6621(b), plus three percentage points].

On January 1 of each year, the department adds any interest outstanding as of that date to the principal amount of the tax. It is then a part of the principal amount of the tax and accrues interest until paid.

E. Underpayment of Estimated Tax Penalty. The department imposes the underpayment of estimated tax penalty on any late payment or underpayment of a required installment of estimated tax. Refer to Form 220 for further details. The penalty imposed is the penalty prescribed by A.R.S. § 43-582 for the applicable period.

Furnishing Data

The department requests that taxpayers include a copy of the completed federal return (along with all schedules and attachments) with the Arizona return. To save paper, the detail of Schedule M-3 can be omitted. Instead, substitute a statement that the detail schedules are available upon request. Please include the consolidated Schedule M-3. A similar statement may be substituted for Form 5471. A.R.S. § 42-1112 prescribes the schedules required to be included.

Do not send in a blank Arizona return with a copy of the federal return; the return will not process accurately. Taxpayers must furnish complete data. Answer all questions on the return. Complete all applicable schedules. Also, include all appropriate supplementary schedules.

Filing Amended Returns

Any taxpayer who files an amended return with the IRS must file an Arizona amended return on Form 120X within 90 days of its final determination by the IRS.

The taxpayer must report changes or corrections of the taxpayer's taxable income by the IRS or as the result of renegotiation of a contract or subcontract with the United States to the department. The taxpayer must, within 90 days after the final determination of the change or correction, either:

- File a copy of the final determination with the department, concede the accuracy of the determination or state any errors, and request the department to recompute the tax owed to Arizona; or
- File an amended return as required by the department.

The taxpayer must include additional schedules that provide sufficient information for the department to recompute the taxpayer's Arizona taxable income based on the Revenue Agent Report changes. The department may require the taxpayer to file an amended return if the department does not have the necessary information to recompute the tax owed to Arizona.

Do not file an amended return until the original return has been processed. Mail the amended return to:

Arizona Department of Revenue
PO Box 29079
Phoenix, AZ 85038-9079

Records

Every corporation should maintain books and records substantiating information reported on the return and keep these documents for inspection. Arizona General Tax Ruling GTR 96-1 discusses the general requirements for the maintenance and retention of books, records, and other sources of information received, created, maintained, or generated through various computer, electronic, and imaging processes and systems. Refer to this tax ruling for further information.
