### Who Should Use Form 140X?

Use Form 140X to correct an individual income tax return (Form 140, 140A, 140EZ, 140PY, or 140NR) filed within the past four years. The department will compute the interest and either include it in your refund or bill you for the amount due.

**NOTE:** *Do not use Form 140X to change an earlier filed Form 140PTC. To change an earlier filed Form 140PTC, use the Form 140PTC for the year you are changing.*

*You cannot amend an estimated payment penalty.*

### When Should You File an Amended Return?

You can file Form 140X only after filing an original return. If you are filing Form 140X for a refund, you must generally file within four years from the date you filed the original return.

If the Internal Revenue Service makes a change to your federal taxable income for any year, you must file a Form 140X for that year. In this case, you must amend your Arizona return within 90 days of the change. Attach a complete copy of the federal notice to your Form 140X.

If you amend your federal return for any year, you must also file a Form 140X for that year. You must file the Form 140X within 90 days of amending your federal return.

### Where Should You File an Amended Return?

Payment is due in full at the time you file your return. Please make your check payable to Arizona Department of Revenue. Be sure to enter your social security number on the front of your check.

If you are sending a payment with this return, mail the amended return to: Arizona Department of Revenue, PO Box 52016, Phoenix AZ 85072-2016.

If you are expecting a refund, or owe no tax, or owe tax but are not sending a payment, mail your amended return to: Arizona Department of Revenue, PO Box 52138, Phoenix AZ 85072-2138.

### What if a Taxpayer Died?

If you are a surviving spouse amending a joint return, enter the word "Deceased" after the decedent's name. Also enter the date of death after the decedent's name. Sign your name. Write "Filing as Surviving Spouse" in the area for the deceased spouse's signature. (If someone else serves as personal representative for your spouse's estate, he or she must also sign the return.)

If a refund is due, complete Arizona Form 131, *Claim for Refund on Behalf of Deceased Taxpayer*. Attach this form to the **front** of your amended return.

### Penalties

The department may impose a late payment penalty on a voluntarily filed amended return if any of the following apply.

1. You are under audit by the department.
2. The department has requested or demanded that you file an amended income tax return.
3. The total additional tax you owe is a substantial underpayment. You have a substantial underpayment if the amount due is at least ten percent of the actual tax liability for the tax year or two thousand dollars.

The department may also impose a late filing penalty if you did not file your original return on time. These penalties apply to taxes due and remaining unpaid after the due date of the original return. Combined late filing and late payment penalties can go up to 25 percent of the unpaid tax.

### Interest

The department charges interest on any tax not paid by the due date even if you have an extension. The department charges interest from the original due date to the date of payment. The Arizona rate of interest is the same as the federal rate. Contact one of the help numbers listed on this page for the current interest rate.

### How Long To Keep Your Return

---

Keep your records as long as they are important for any Arizona tax law. Keep all records that support your income and deductions for a tax year until the period of limitations expires for the return for that tax year. A period of limitations is the limited time after which no legal action can be brought. Usually, this is four years from the date the return was due or filed.

In some cases, the limitation period is longer than four years. The period is six years from when you file a return if you under report the income shown on that return by more than 25 percent. The department can bring an action at any time if a return is false or fraudulent, or you do not file a return.

Keep records that establish the basis of property for a period longer than four years. Also keep net operating loss records back to the date you incurred the loss. To find out more about what records you should keep, get federal Publication 552.
