CAUTION

The federal adjusted gross income that you use on your Arizona return may not be the same as the federal adjusted gross income from your federal tax return. Also, the federal Schedule A deductions used on the Arizona return may be different from the federal Schedule A deductions taken on your federal return.

Each year the Arizona State Legislature considers if they will adopt changes made to the federal tax law during the prior year. These forms assume the

Legislature will adopt all federal law changes made after January 1, 2010. If you use the amounts from your 2010 federal tax return to complete your Arizona return and the Legislature does not adopt the 2010 federal changes, you may have to amend your return at a later date for any difference between Arizona and federal law. For more details, see the "Notice" on the inside cover or visit www.azdor.gov and click on the link for 2010 conformity.

Items of Interest for 2010

Extra Time for Filing 2010 Returns

You have extra time to file and pay for 2010 because April 15, 2011 is a legal holiday in Washington DC. This means that your 2010 calendar year tax return is due no later than midnight, April 18, 2011.

2010 Standard Deduction the Same as 2009

For 2010, the standard deduction is the same as it was for 2009 (\$4,677 for a single taxpayer or a married couple filing separate returns and \$9,354 for a head of household or a married couple filing a joint return).

Haiti Earthquake Relief Donations Made in 2010 but Deducted on Your 2009 Federal Return.

For Arizona purposes, you must deduct any donations for Haiti relief that you made during 2010 on your 2010 Arizona return. If you deducted these donations on your 2009 federal income tax return, you must add that amount back on the 2009 Arizona return and then deduct it on your 2010 Arizona return.

Discharge of Indebtedness (DOI) Income under I.R.C § 108(i)

If you made the federal election to defer the inclusion of DOI income under I.R.C. § 108(i), you must make an addition to Arizona income for the amount of DOI that you deferred and excluded from your 2010 federal adjusted gross income. In future years when you include that income on your federal income tax return, you will be allowed to take a subtraction for the amount already included in Arizona income.

Original Issue Discount (OID) on Reacquisition of Debt Instrument

Arizona did not adopt the federal provisions requiring a taxpayer to defer the OID deduction in cases where the taxpayer deferred the DOI income under I.R.C. § 108(i). In this case a taxpayer may subtract any OID deduction that was deferred on the federal return. In future years when the taxpayer takes this deduction on the federal return, the taxpayer will be required to make an addition to Arizona income for the amount of OID already subtracted for Arizona purposes.

Special Net Operating Loss (NOL) Subtraction Rules for Losses Carried Forward from 2008 or 2009

Arizona did not adopt the federal net operating loss rules [I.R.C. § 172(b)(1)(H)] for losses incurred during 2008 or 2009. For Arizona purposes, you must deduct the loss as if you computed the loss under I.R.C. § 172 in effect prior to the enactment of those rules. An Arizona subtraction will be allowed for the difference between the actual carryforward

on the federal return and the carryforward that would have been allowed as a deduction on the federal return if the election had not been made.

New Refund Check-off for the "I Didn't Pay Enough Fund'

You may give some or all of your refund to the I Didn't Pay Enough Fund. Gifts that you make to the I Didn't Pay Enough Fund will aid the state by going to the Arizona general fund.

Nonresidents Must Now Prorate the Standard Deduction

Nonresident individuals, who claim the standard deduction, must now prorate the deduction by the percentage which the taxpayer's Arizona gross income is of the taxpayer's federal adjusted gross income.

Private School Tuition Credit

If you make a donation to a private school tuition organization between January 1, 2011 and April 15, 2011, you may opt to take a credit for this donation on your 2010 return. If you do not take the credit for this donation on your 2010 return, you may take the credit on your 2011 return. See Form 323 for details.

New Refundable Renewable Energy Industry Credit

A taxpayer may qualify for the refundable renewable energy industry credit if the taxpayer expanded or located a qualified renewable energy operation in Arizona. See Form 342 for details.

Portion of R & D Credit May Now be Refundable

Starting with the 2010 taxable year, a portion of the R & D credit may be refundable to qualified taxpayers. See Form 308-I for details.

Innocent Spouse Relief Form 200 Revised

We have revised the Form 200 to help us process the form faster. The new Form 200 asks for a lot more information. We know that some of the questions on this form involve sensitive subjects, but we need this information to determine whether a taxpayer qualifies for relief.

New Estimated Payment Form for Form 141AZ Filers

A fiduciary making estimated income tax payments on behalf of an estate or trust should use new Form 141AZ ES rather than Form 140ES to make those payments.

New Extension Request Form for Form 141AZ Filers

A fiduciary filing for an Arizona extension or making an Arizona extension payment on behalf of an estate or trust should use new Form 141AZ EXT rather than Form 204.

Special Notice for 2009 Returns

See if any of those items apply to you. If any of those items apply to you, this will affect your 2009 return. If you have already filed your 2009 return, you must file an amended return to properly report those items. The following is the list of items that affect your 2009 return.

- 1. You received unemployment income during 2009. You excluded up to \$2,400 of that income on your 2009 federal return.
- You claimed an itemized deduction for both the sales tax on a new motor vehicle and state income taxes on your 2009 federal return.

- You excluded original issue discount (OID) on a debt instrument described in number 4 above from income on your 2009 federal return.

If any of items 1 through 5 above apply to you, you must correct your 2009 Arizona return.

the credit for increased excise taxes.

the Clean Elections Fund tax credit.

NOTE: If you are an active duty military member and required to file an Arizona return, **DO not** file Form 140EZ. For 2010, you may subtract all active duty military pay included in federal adjusted gross income. To take this subtraction, you must file your 2010 return using Form 140. For more information, see Form 140 instructions.

Do You Have to File?

	na Filing Requiren apply to all Arizona								
You must file if									
you are:	Arizona adjusted	income is at							
	gross income is	least:							
	at least:								
 Single 	\$ 5,500	\$15,000							
 Married 	\$11,000	\$15,000

 Married 	\$ 5,500	\$15,000							
filing									
separately									
 Head of 	\$ 5,500	\$15,000							
household									

If you are an Arizona resident, you must report income from **all** sources. This includes out-of-state income.

To see if you have to file, figure your gross income the same as you would figure your gross income for federal income tax purposes. Then, you should exclude income Arizona law does not tax.

Income Arizona law does not tax includes:

- Interest from U.S. Government obligations
- Social security retirement benefits received under Title II of the Social Security Act
- Benefits received under the Railroad Retirement Act
- Active duty military pay
- Pay received for active service as a reservist or a National Guard member

If you use this form, your Arizona adjusted gross income is the same as your federal adjusted gross income that you entered on line 6. **NOTE:** Even if you do not have to file, you must still file a return to get a refund of any Arizona income tax withheld.

Do You Have to File if You are an American Indian?

You must file if you meet the Arizona filing requirements unless **all** the following apply to you.

- You are an enrolled member of an Indian tribe.
- You live on the reservation established for that tribe.
- You earned all of your income on that reservation.

Enrolled members of American Indian tribes that must file a return may subtract wages earned while living and working on their tribe's reservation. If you are eligible to subtract these wages, you must file Form 140. In this case, do not file Form 140EZ.

The department has issued a ruling on the Arizona tax treatment of American Indians. This ruling is ITR 96-4. To see this ruling, visit our web site at www.azdor.gov and click on legal research and then click on rulings.

Do You Have to File if You are the Spouse of an American Indian and You are Not an Enrolled Indian?

You must file if you meet the Arizona filing requirements. The department has issued a ruling on the tax treatment of spouses of American Indians. This ruling is ITR 96-4. To see this ruling, visit our web site at www.azdor.gov and click on legal research and then click on rulings.

Do You Have to File if You are in the Military?

You must file if you meet the Arizona filing requirements unless **all** the following apply to you.

- You are an active duty member of the United States armed forces.
- Your only income for the taxable year is pay received for active duty military service.
- There was no Arizona tax withheld from your active duty military pay.

If Arizona tax was withheld from your active duty military pay, you must file an Arizona income tax return to claim any refund you may be due from that withholding.

You must also file an Arizona income tax return if you have any other income besides pay received for active duty military service.

If you are an Arizona resident and you have to file an Arizona return, you should file using Form 140. If you were an Arizona resident when you entered the service, you remain an Arizona resident, no matter where stationed, until you establish a new domicile. As an Arizona resident, you must report all of your income, no matter where stationed. You must include your military pay, but using Form 140, you may subtract all pay received for active duty military service, to the extent it is included in your federal adjusted gross income.

If you are not an Arizona resident, but stationed in Arizona, the following applies to you.

- You are not subject to Arizona income tax on your military pay.
- You must report any other income you earn in Arizona. Use Form 140NR, *Nonresident Personal Income Tax Return*, to report this income.

To find out more, see Arizona Department of Revenue brochure, Pub 704, *Taxpayers in the Military*.

Residency Status

If you are not sure if you are an Arizona resident for state income tax purposes, we may be able to help. The department has issued a procedure on determining residency status. This procedure is ITP 92-1. To see this procedure, visit our web site at www.azdor.gov and click on legal research and then click on procedures.

Residents

You are a resident of Arizona if your domicile is in Arizona. Domicile is the place where you have your permanent home. It is where you intend to return if you are living or working temporarily in another state or country. If you leave Arizona for a temporary period, you are still an Arizona resident while gone. A resident is subject to tax on all income no matter where the resident earns the income.

Part-Year Residents

If you are a part-year resident, you must file Form 140PY, Part-Year Resident Personal Income Tax Return.

You are a part-year resident if you did either of the following during 2010.

- You moved into Arizona with the intent of becoming a resident.
- You moved out of Arizona with the intent of giving up your Arizona residency.

Nonresidents

If you are a nonresident, you must file Form 140NR, Nonresident Personal Income Tax Return.

What if a Taxpayer Died?

If a taxpayer died before filing a return for 2010, the taxpayer's spouse or personal representative may have to file and sign a return for that taxpayer. If the deceased taxpayer did not have to file a return but had tax withheld, a return must be filed to get a refund.

The person who files the return should use the form the taxpayer would have used. If the department mailed the taxpayer a booklet, do not use the label. The person who files the return should print the word "deceased" after the decedent's name in the address section of the form. Also enter the date of death after the decedent's name.

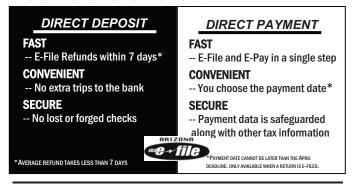

If your spouse died in 2010 and you did not remarry in 2010, or if your spouse died in 2011 before filing a return for 2010, you may file a joint return. If your spouse died in 2010, the joint return should show your spouse's 2010 income before death, and your income for all of 2010. If your spouse died in 2011, before filing the 2010 return, the joint return should show all of your income and all of your spouse's income for 2010. Print "Filing as surviving spouse" in the area where you sign the return. If someone else is the personal representative, he or she must also sign the return.

Are any Other Returns Required?

You may also have to file a fiduciary income tax return. For details about filing a fiduciary income tax return, call the department at (602) 255-3381.

Claiming a Refund for a Deceased Taxpayer

If you are claiming a refund, you **must** complete Form 131, *Claim for Refund on Behalf of Deceased Taxpayer*. Attach this form to the **front** of the return.

What are the Filing Dates and Penalties?

When Should You File?

You have extra time to file and pay for 2010 because April 15, 2011 is a legal holiday in Washington DC. This means that your 2010 calendar year tax return is due no later than midnight, April 18, 2011. File your return as soon as you can after January 1, but no later than April 18, 2011.

What if You Cannot File on Time?

You may request an extension if you know you will not be able to file on time.

NOTE: An extension does not extend the time to pay your income tax. For details, see the instructions for Arizona Form 204.

To get a filing extension, you can either:

- 1. Apply for a state extension (Form 204). To apply for a state extension, file Arizona Form 204 by April 18. See Form 204 for details. You do not have to attach a copy of the extension to your return when you file, but make sure that you check box 82F on page 1 of the return. If you must make a payment, use Arizona Form 204, or visit www.aztaxes.gov to make an electronic payment.
- 2. You may use your federal extension (federal Form 4868). File your Arizona return by the same due date. You do not have to attach a copy of your federal extension to your return, but make sure that you check box 82F on page 1 of the return.

When Should You File if You are a Nonresident Alien?

The due date for your Arizona return is not the same as the due date for your federal return. Your Arizona return is due by April 18 even though your federal return is due on June 15. If you want to file your Arizona return after April 18, you must ask for a filing extension. You must file this request by April 18. Arizona will allow up to a 6-month extension. This will allow you to file your return by October 17, 2011. See Form 204 for extension filing details.

If you have a federal 6-month extension, you can file your Arizona return under that extension. If you file using your federal extension, Arizona will also allow you an extra 6 months. Because we will allow only 6 months, the due date for your Arizona return is not the same as the due date for your federal return. In this case, your Arizona return will be due by October 17 even though your federal return will not be due until December 15. If you file your 2010 Arizona calendar return after October 17, 2011, your return will be late.

If you are a fiscal year filer, your return is due on the 15th day of the fourth month following the close of your fiscal year.

What if You File or Pay Late?

If you file or pay late, we will charge you interest and penalties on the amount you owe. If the U.S. Post Office postmarks your 2010 calendar year return by April 18, 2011, your return will not be late. You may also use certain private delivery services designated by the IRS to meet the "timely mailing as timely filed" rule.

Late Filing Penalty

If you file late, we will charge you a late filing penalty. This penalty is $4\frac{1}{2}$ % of the tax required to be shown on the return for each month or fraction of a month the return is late. This penalty cannot exceed 25% of the tax found to be remaining due.

Late Payment Penalty

If you pay your tax late, we will charge you a late payment penalty. This penalty is $\frac{1}{2}$ of 1% (.005) of the amount shown as tax for each month or fraction of a month for which the failure continues. We charge this penalty from the original due date of the return until the date you pay the tax. This penalty cannot exceed a total of 10%.

Extension Underpayment Penalty

If you file your return under an extension, you must pay 90% of the tax shown on your return by the return's original due date. If you do not pay this amount, we will charge you a penalty. This penalty is ½ of 1% (.005) of the tax not paid for each 30 day period or fraction of a 30 day period. We charge this penalty from the original due date of the return until the date you pay the tax. This penalty cannot exceed 25% of the unpaid tax. If we charge you the extension underpayment penalty, we will not charge you the late payment penalty under Arizona Revised Statutes section 42-1125.D.

NOTE: If you are subject to two or more of the above penalties, the total cannot exceed 25%.

Interest

We charge interest on any tax not paid by the due date. We will charge you interest even if you have an extension. If you have an extension, we will charge you interest from the original due date until the date you pay the tax. The Arizona interest rate is the same as the federal rate.

When Should You Amend a Return?

If you need to change your return after you have filed, you should file Form 140X, *Individual Amended Return*. You should file your amended return after your original return has processed. **Do not** file a new return for the year you are correcting. Generally, you have four years to amend a return to claim a refund.

If you amend your federal return for any year, you must also file an Arizona Form 140X for that year. You must file the Form 140X within 90 days of the final determination of the IRS.

If the IRS makes a change to your federal taxable income for any year, you must report that change to Arizona. You may use one of the following two options to report this change.

Option 1

You may file a Form 140X for that year. If you choose this option, you must amend your Arizona return within 90 days of the final determination of the IRS. Attach a complete copy of the federal notice to your Form 140X.

Option 2

You may file a copy of the final federal notice with the department within 90 days of the final determination of the IRS. If you choose this option, you must include a statement in which you must:

- 1. Request that the department recompute your tax; and
- 2. Indicate if you agree or disagree with the federal notice.

If you do not agree with the federal notice, you must also include any documents that show why you do not agree.

If you choose option 2, mail the federal notice and any other documents to:

Line-by-Line Instructions

Tips for Preparing Your Return:

- Make sure that you write your SSN on your return.
- Complete your return using black ink.
- You **must** round dollar amounts to the nearest whole dollar. If 50 cents or more, round up to the next dollar; if less than 50 cents, round down. Do not enter cents.
- You must complete your federal return before you can start your Arizona return.
- Make sure you include your home telephone number. If your daytime number is not the same as your home number, make sure you also include a daytime telephone number.

Entering Your Name, Address, and SSN

NOTE: Please make sure that you write in your SSN on the appropriate line.

If your booklet has a peel-off label, use that label if all the information is correct. **If any of the information on the label is incorrect, do not use the label.** Attach the label after you finish your return. If you do not have a peel-off label, print or type your name, address, and SSN in the space provided.

If you are filing a joint return, enter your SSNs in the same order as your names. If your name appears first on the return, make sure your SSN is the first number listed. If you are a nonresident of the United States or a resident alien who does not have an SSN use the identification number (ITIN) the IRS issued to you.

For a deceased taxpayer, see page 2 of these instructions.

Use your current home address. The department will send your refund or correspond with you at that address.

NOTE: Make sure your SSN is correct. If you are filing a joint return, also make sure you list your SSNs in the same order every year.

Make sure that you enter your SSN on your return. Make sure that all SSNs are clear and correct. You may be subject to a penalty if you fail to include your SSN. It will take longer to process your return if SSNs are missing, incorrect, or unclear.

ID Numbers for Paid Preparers

If you pay someone else to prepare your return, that person must also include an ID number where asked.

A paid preparer may use any of the following.

- his or her SSN
- his or her PTIN
- the EIN for the business

A paid preparer who fails to include the proper ID numbers may also be subject to a penalty.

Most taxpayers using this form are eligible for FREE e-File. Log on www.azdor.gov to see if you qualify.

Direct Deposit of Refund

Complete the direct deposit line if you want us to directly deposit the amount shown on line 23 into your account at a bank or other financial institution (such as a mutual fund, brokerage firm or credit union) instead of sending you a check. Be sure to check the box if the direct deposit will ultimately be placed in a foreign account.

NOTE: Check the box on line 23A if the direct deposit will ultimately be placed in a foreign account. If you check box 23A, do not enter your routing or account numbers. If this box is checked, we will not direct deposit your refund. We will send you a check instead.

Why Use Direct Deposit?

- You will get your refund fast even faster if you e-file!
- Payment is more secure since there is no check to get lost.
- It is more convenient. No trip to the bank to deposit your check.
- Saves tax dollars. A refund by direct deposit costs less to process than a check.

NOTE: We are not responsible for a lost refund if you enter the wrong account information. Check with your financial institution to get the correct routing and account numbers and to make sure your direct deposit will be accepted. If the direct deposit is rejected, a check will be sent instead.

Routing Number

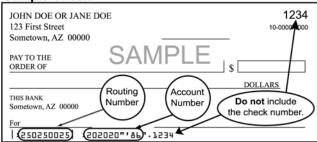

The routing number must be 9 digits. The first 2 digits must be 01 through 12 or 21 through 32. Otherwise, the direct deposit will be rejected and a check sent instead. On the sample check below, the routing number is 250250025.

Your check may state that it is payable through a financial institution different from the one at which you have your checking account. If so, **do not** use the routing number on that check. Instead, contact your financial institution for the correct routing number to enter here.

Account Number

The account number can be up to 17 characters (both numbers and letters). **DO NOT** include hyphens, spaces or special symbols. Enter the number from left to right and leave any unused boxes blank. On the sample check below, the account number is 20202086. Be sure **not** to include the check number.

Sample Check

Note: The routing and account numbers may be in different places on your check.

Line 24 - Amount Owed

Add lines 20 and 22. Enter the amount owed. You may pay only with a check, electronic check, money order, or credit card.

Check or money order

NOTE: Attach your check to the front of your return in the upper left hand corner where indicated. *Please do not send cash*

Make your check payable to Arizona Department of Revenue. Write your SSN on the front of your check or money order.

The department cannot accept checks or money orders in foreign currency. You must make payment in U.S. dollars.

Electronic payment from your checking or savings account

You can make an electronic payment from your checking or savings account to pay your balance due for 2010. There is no fee to use this method. To make an electronic payment, go to www.aztaxes.gov click on the "Make a Payment" link. The "E-Check" option in the "Payment Method" drop-down box will debit the amount from the checking or savings account that you specify. If you make an electronic payment from your checking or savings account, you will receive a confirmation number. Please keep this confirmation number as proof of payment.

NOTE: You may not make an electronic payment from your checking or savings account if the payment will ultimately be coming from a foreign account. In this case, you must pay by check or money order.

Credit card payment

You can pay with your Discover, MasterCard, Visa, or American Express credit card. Go to www.aztaxes.gov click on the "Make a Payment" link and choose the credit card option. This will take you to a third party vendor site. The provider will charge you a convenience fee based on the amount of your tax payment. The service provider will tell you what the fee is during the transaction; you will have the option to continue or cancel the transaction. If you complete the credit card transaction, you will receive a confirmation number. Please keep this confirmation number as proof of payment.

Installment Payments

If you cannot pay the full amount shown on line 24 when you file, you may ask to make monthly installment payments. To make this request, complete Arizona Form 140-IA and mail the completed form to the address on the Form 140-IA. **Do not mail Form 140-IA with your income tax return.** You may obtain Arizona Form 140-IA from our web site at www.azdor.gov.

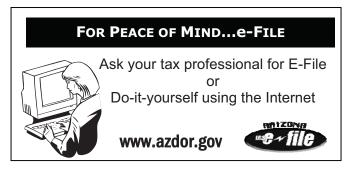

If you cannot pay the full amount shown on line 24, you will be charged interest and may be charged a late payment penalty on the tax not paid by April 18, 2011. To limit the interest and penalty charges, pay as much of the tax as possible when you file.

Line 25 - Last Name(s) Used in Prior Years

Use line 25 if the last name that you are using on this return is not the same as the last name you used on returns filed for the last 4 years. On line 25, enter any other last name(s) that you used when filing your return during the last 4 years.

Sign Your Return

You must sign your return. If married filing a joint return, both you and your spouse must sign, even if only one had income. Form 140EZ is not considered a valid return unless you sign it. The department cannot send a refund check if you, and your spouse if married filing jointly, fail to sign the return.

Instructions Before Mailing

- Make sure your SSN is on your return.
- Be sure you enter your home telephone number in the space provided on the front of your return. If your daytime number is not the same as your home number, make sure you also include a daytime telephone number.
- Check to make sure that your math is correct. A math error can cause delays in processing your return.
- Make sure your NAME is on the return. If you received your return in the mail, use the peel-off label. If the label is not correct, do not use it.
- Check the **boxes** to make sure you filled in all required boxes.
- Sign your return and have your spouse sign if filing jointly.
- Attach all required documents.
- 1. Attach Form(s) W-2 after the last page of your return.
- Write your SSN on the front of your check. Attach your check to the front of your return in the upper left hand corner where indicated.

The department may charge you \$25 for a check returned unpaid by your financial institution.

• Do not send correspondence with your return.

Filing Your Return

To mail your return, use the envelope that came in your booklet.

To avoid delays, please use separate envelopes for each return.

Where Should I Mail My Return?

If you are expecting a refund, or owe no tax, or owe tax but are not sending a payment, use the yellow address label attached to the envelope. If the envelope or label is missing, send the return to: Arizona Department of Revenue, PO Box 52138, Phoenix AZ 85072-2138.

If you are sending a payment with this return, use the white address label attached to the envelope. If the envelope or label is missing, send the return to: Arizona Department of Revenue, PO Box 52016, Phoenix AZ 85072-2016.

Make sure you put enough postage on the envelope.

The U.S. Post Office must postmark your return or extension request by midnight April 18. A postage meter postmark will not qualify as a timely postmark. *Only a postmark from the U.S. Post Office will qualify.* You may also use certain private delivery services designated by the IRS to meet the "timely mailing as timely filed" rule.

How Long to Keep Your Return

You must keep your records as long as they may be needed for the administration of any provision of Arizona tax law. Generally, this means you must keep records that support items shown on your return until the period of limitations for that return runs out.

The period of limitations is the period of time in which you can amend your return to claim a credit or refund or the department can assess additional tax. A period of limitations is the limited time after which no legal action can be brought. Usually, this is four years from the date the return was due or filed.

In some cases, the limitation period is longer than four years. The period is six years from when you file a return if you underreport the income shown on that return by more than 25%. The department can bring an action at any time if a return is false or fraudulent, or you do not file a return. To find out more about what records you should keep, get federal Publication 552.

Where's My Refund?

If you e-filed, you can expect your refund within 2 weeks of the date you filed. If you filed a paper return, you can expect your refund within 12 weeks of the date you filed. You can check on your refund by visiting www.azdor.gov and clicking on "Where's my refund?" If you have not received your refund within the noted time frames, you may call one of the numbers listed on the back cover. Before you call, be sure to have a copy of your 2010 tax return on hand. You will need to know your SSN, your filing status and your 5-digit zip code.

Calling the Department

Your tax information on file with the department is confidential. If you want the department to discuss your tax matters with someone other than yourself, you must authorize the department to release confidential information to that person. You may use Form 285 to authorize the department to release confidential information to your appointee. See Form 285 for details.

HOW MUCH INCOME CAN YOU HAVE AND PAY NO TAXES?

You still have to file a return, but you pay no taxes if your income is less than the levels shown in the chart below. **For purposes of this chart**, "income" means Arizona adjusted gross income plus the dependent exemption claimed (Form 140, page 1, line 16 plus the amount on Form 140, page 2, line C15; or Form 140A, page 1, line 18, plus the amount on Form 140A, page 1, line 15, or Form 140EZ, page 1, line 6). *To rely on this chart, you must claim the family income tax credit if you are qualified.*

All extension requests must be postmarked on or before the original due date of the return, unless the original due date falls on a Saturday, Sunday, or legal holiday. In that case, your request must be postmarked on or before the business day following that Saturday, Sunday, or legal holiday. If you are a calendar year filer, your request for a 2010 filing extension must be postmarked on or before April 18, 2011.

An Arizona extension cannot be granted for more than six months beyond the original due date of the return. Arizona will grant an automatic six-month extension to individuals filing Forms 140, 140A, 140EZ, 140NR, 140PY, 140PTC or 140ET. Arizona will accept a valid federal extension for the period covered by the federal extension. This includes the automatic six-month individual federal filing extension.

2010 Filing Extension For Individuals

Arizona Form 204

Use of Form 204

Leave the paper behind and e-file your Arizona extension request. Visit www.azdor.gov for e-file requirements.

Use Form 204 to apply for an extension of time to file an Arizona Form 140, 140A, 140EZ, 140ET, 140PTC, 140PY, or 140NR.

If you are using Form 204 to request a filing extension for a composite return, enter the partnership's or S corporation's EIN in the area designated for an individual's SSN.

Individuals use this form to apply for an automatic six (6) month extension.

Also use Form 204 to remit an extension payment whether you are requesting an Arizona extension or using a valid federal extension. However, if you are filing under a federal extension, but making an electronic extension payment or making an extension payment using a credit card, you do not need to send in Form 204.

Arizona will accept your federal extension for the period covered by the federal extension.

When to File

For 2010, you must file Form 204 by April 18, 2011 (or by the original due date of your return).

Complete Form 204 to request an automatic six (6) month extension. Mark your envelope "Extension Request."

If you are not sending a payment with your request, mail the request to: Arizona Department of Revenue, PO Box 52138, Phoenix AZ 85072-2138.

If you are sending a payment with this request, mail the request to: Arizona Department of Revenue, PO Box 29085, Phoenix AZ 85038-9085.

The department will not return a copy of the Form 204 to you. Be sure to keep a copy of the completed Form 204.

An extension does not extend the time to pay your income tax. You must still pay your tax liability by April 18 (or by the original due date of your return). If you do not pay at least 90% of the tax liability disclosed by your return by the return's original due date, you will be subject to the extension underpayment penalty. We charge interest from the original due date to the date of payment.

Extension Underpayment Penalty: We impose this penalty if you do not pay at least 90% of the tax liability shown on your return filed under an extension by the return's original due date. The extension underpayment penalty is ½ of 1% (.005) of the tax not paid for each 30 day period or fraction of a 30 day period. We impose this penalty from the original due date of the return until you pay the tax. The extension underpayment penalty cannot exceed 25% of the unpaid tax. If we charge you the extension underpayment penalty, we will not charge you the late payment penalty under Arizona Revised Statutes section 42-1125.D.

Nonresident Aliens

The due date for your Arizona return is not the same as the due date for your federal return. Your Arizona return is due by April 18 even though your federal return is due on June 15. If you want to file your Arizona return after April 18, you must ask for a filing extension. You must file this request by April 18. Arizona will allow up to a 6-month extension.

This will allow you to file your return by October 17, 2011.

If you have a federal 6-month extension, you can file your Arizona return under that extension. If you file using your federal extension, Arizona will also allow you an extra 6 months. Because we will allow only 6 months, the due date for your Arizona return is not the same as the due date for your federal return. In this case, your Arizona return will be due by October 17 even though your federal return will not be due until December 15. If you file your 2010 Arizona calendar return after October 17, 2011, your return will be late.

Making Your Payment

Individuals may make extension payments by check, electronic check, money order, or credit card. Partnerships or S corporations making an extension payment on behalf of nonresidents participating in the filing of a composite return must make those payments by check or money order.

Check or money order

If paying by check or money order, make your check or money order payable to Arizona Department of Revenue. Write your SSN and 2010 extension on the front of your check or money order. Attach your check to the front of Form 204 where shown.

Electronic payment from your checking or savings account

You can make an electronic payment from your checking or savings account to pay your balance due for 2010. There is no fee to use this method. To make an electronic payment, go to www.aztaxes.gov click on the "Make a Payment" link. The "E-Check" option in the "Payment Method" drop-down box will debit the amount from the checking or savings account that you specify. If you make an electronic payment from your checking or savings account, you will receive a confirmation number. Please keep this confirmation number as proof of payment.

NOTE: You may not make an electronic payment from your checking or savings account if the payment will ultimately be coming from a foreign account. In this case, you must pay by check or money order.

Credit card payment

You can pay with your Visa, MasterCard, Discover, or American Express credit card. Go to www.aztaxes.gov click on the "Make a Payment" link and choose the credit card option. This will take you to a third party vendor site. The provider will charge you a convenience fee based on the amount of your tax payment. The service provider will tell you what the fee is during the transaction; you will have the option to continue or cancel the transaction. If you complete the credit card transaction, you will receive a confirmation number. Please keep this confirmation number as proof of payment.

Instructions Before Mailing

Make sure that you have completed all the information requested on the **front** of the form.

To avoid an extension underpayment penalty, make sure you pay at least 90% of your Arizona tax liability.

Have You Paid Your Use Tax? ... What's That?

A use tax is levied on any person who uses, stores or consumes any tangible personal property upon which no tax has been collected by a retailer. The Arizona state use tax rate is 6.6%; some cities also impose a city use tax.

An Arizona purchaser is liable for use tax on goods purchased from an out-of-state vendor that did not collect the use tax. Internet sales are also subject to use tax. There is no exemption from use taxes on Internet purchases. The Internet Tax Freedom Act is a moratorium on any imposition of <u>new</u> taxes. The Arizona use tax law has been in effect since the 1950s.

Any purchase of a vehicle, aircraft, boat, or any other tangible personal item purchased from an out-of-state vendor is also subject to the use tax if no tax was paid. Items brought into the State of Arizona that were subject to U.S. Customs may also be liable for the use tax as well, minus your personal U.S. Customs exemption.

Basically, use taxes and transaction privilege taxes (often referred to as sales taxes) are complementary taxes. In effect, you must pay one or the other but never both. If you purchase an item from a mail order entity and that entity also has an Arizona location, then you may be liable for a transaction privilege tax instead of a use tax.

Use taxes were instituted to prevent unfair competition by out-of-state vendors in the Arizona market. The passing of a use tax law helped create a more suitable balance in this area.

So how does an individual report a use tax? Currently, you should calculate your purchase amount, multiply that amount by 6.6% and remit this total to the Arizona Department of Revenue along with a copy of the original invoice. Failure to comply may result in penalties and interest.

Mail your payment and invoice copy to:

Arizona Department of Revenue Use Tax Unit, Room 620 1600 West Monroe Street Phoenix, AZ 85007
