- Form 204 Extension Request

Pay your taxes by credit card! Visa MasterCard Discover Card American Express WWW.aztaxes.gov

CAUTION

The federal adjusted gross income that you use on your Arizona return may not be the same as the federal adjusted gross income from your federal tax return. Also, the federal Schedule A deductions used on the Arizona return may be different from the federal Schedule A deductions taken on your federal return.

Each year the Arizona State Legislature considers if they will adopt changes made to the federal tax law during the prior year. These forms assume the

Legislature will adopt all federal law changes made after January 1, 2011. If you use the amounts from your 2011 federal tax return to complete your Arizona return and the Legislature does not adopt the 2011 federal changes, you may have to amend your return at a later date for any difference between Arizona and federal law. For more details, visit **www.azdor.gov** and click on the link for 2011 conformity.

NOTICE FORM 140

Laws 2012, Ch 257, § 11 (HB 2779), repealed the Arizona Revised Statutes that authorize the Clean Elections Fund Tax Reduction optional check-off box, the Clean Elections Fund Tax Credit, the Citizens Clean Elections Fund donation line on the corporate income tax returns and the Citizens Clean Elections Voluntary Gift line on the individual income and fiduciary tax returns. The changes are effective from and after August 2, 2012.

If you are filing after August 2, 2012, do not make a voluntary gift to the Citizens Clean Elections Fund on line 45 of the return. Any amount designated on line 45 in a return postmarked after August 2, 2012, will not go to the Citizens Clean Elections Fund; the amount designated will be returned to the taxpayer.

Fiscal year filers with a taxable year ending from and after August 2, 2012, do not claim a credit on line 28 for any amounts donated to the Citizens Clean Elections Fund after August 2, 2012.

Notice

As a rule, the starting point for your Arizona return is your federal adjusted gross income. To take itemized deductions, you must start with the amount shown on the federal Schedule A. This is the case for 2011, except for changes Congress made to the federal tax code during 2011 and the following apply.

1. The changes affect how you figure your federal adjusted gross income.

AND/OR

2. The changes affect how you figure your itemized deductions.

When federal changes are made, Arizona legislature must adopt those changes if the Arizona starting points are to be kept the same. The legislature will address this issue when it is in session during 2012. We must publish these forms before this issue will be addressed by the legislature. When we went to print, Arizona had not yet adopted any federal tax law changes made after January 1, 2011.

What does this mean to you? It means that if any of the federal law changes made in 2011 apply to your 2011 return, you can opt to file your 2011 return using one of the following methods.

- 1. You can wait and file your 2011 return after this issue has been addressed.
 - To do this, you may need to ask for a filing extension. You must pay 90% of the tax due by the due date of the return before any extension.
- 2. You can file your 2011 return assuming that the federal law changes will be adopted.

If you opt for method 2, one of the following will apply.

- If Arizona adopts those changes, you do not have to do anything more.
- If Arizona does not adopt all those changes, you may need to amend your 2011 Arizona return. Your amended return will have to show the difference between the Arizona law and the federal law. If this happens, we will post more details on our Conformity to IRC webpage. To view this page go to http://www.azdor.gov and click on Legal Research on the left side, then click on Conformity to IRC.
- **3.** You can file your 2011 return assuming that we will not adopt the federal law changes. If you opt for this method, you will have to do the following.
 - You will have to research all of the federal changes made after January 1, 2011.
 - You will have to figure out if any of those changes apply to you.
 - You will have figure out how to make adjustments for those changes on your return.

If you opt for method 3, one of the following will apply.

- If Arizona does not adopt those changes, you do not have to do anything more.
- If Arizona adopts those changes, you may need to amend your 2011 Arizona return. Your
 amended return will have to show the difference between what you reported and what you
 should have reported. If this happens, we will post more details on our Conformity to IRC
 webpage. To view this page go to <u>http://www.azdor.gov</u> and click on Legal Research on
 the left side, then click on Conformity to IRC.

Extra Time for Filing 2011 Returns

You have extra time to file and pay for 2011 because April 15, 2012 falls on a Sunday and April 16, 2012 is a legal holiday in Washington DC. This means that your 2011 calendar year tax return is due no later than midnight, April 17, 2012.

2011 Standard Deduction Indexed for Inflation

For 2011, the standard deduction for a single taxpayer or a married taxpayer filing a separate return has increased from \$4,677 to \$4,703. The standard deduction for a head of household or a married couple filing a joint return has increased from \$9,354 to \$9,406.

New Line Added to Individual Income Tax Forms to Report Unpaid Use Tax

The individual income tax forms now include a line for reporting any use tax that an individual owes from out-of-state purchases that he or she made in 2011. An individual will use the individual income tax form to report unpaid use tax only if the individual bought the items for nonbusiness purposes and the individual is not a registered retailer. Some items are exempt from the use tax. To find out more about use tax and items exempt from use tax, see the department's brochure, *Pub 610, Use Tax*.

Arizona's use tax has been part of our tax laws since 1955. Every state with a sales tax also has a use tax. When Arizona shoppers buy from out-of-state sellers who do not collect tax, this puts in-state sellers at a disadvantage. The use tax puts all retailers on a level playing field.

Dollar Limit of Clean Elections Fund Tax Credit Increased

The Secretary of State adjusted the various Clean Elections Act dollar amounts. The maximum allowable amount for purposes of the Clean Elections Fund Tax Credit is now 20% of the tax liability or \$670 (\$1,340 for married couples filing jointly) whichever is greater.

Subtraction for Energy Efficient Homes Expired

For taxable years 2002 through 2010, Arizona law allowed a subtraction for selling one or more new energy efficient residences located in Arizona. Tax year 2010 was the last year for this subtraction. For taxable years 2011 and later, the subtraction is no longer allowed.

Form 140X Simplified

The department has simplified the Form 140X (individual amended return form). This form has a whole new look. The Form 140X now looks more like the Form 140, which should make the form easier to complete.

New Credit for Renewable Energy Production

You may qualify for this credit if you produced electricity using renewable energy resources. See Form 343 for information about this new credit.

New Solar Liquid Fuel Credit

You may qualify for this credit if you incurred expenses for research and development costs associated with solar liquid fuel. See Form 344 for information about this new credit.

New Credit for New Employment

You may qualify for this credit if your business had a net increase in full-time employees hired in qualified employment positions after June 30, 2011. See Form 345 for information about this new credit.

2011 Last Year to Claim Defense Contracting Credits

Tax year 2011 is the last year that you may use a carryover of the defense contracting credits claimed on Form 302. See Form 302 for more information.

Enterprise Zone Credit Repealed

The enterprise zone credit has been repealed effective June 30, 2011. Employment positions filled after June 30, 2011 do not qualify. Credits established in tax year 2011 will expire if not used by tax year 2016. See Form 304 for more information.

Motion Picture Credit Expired

The motion picture credit was effective from and after December 31, 2005 through December 31, 2010. However, if a motion picture production company submitted its application for pre-approval for motion picture production credits before December 31, 2010, the department will allow qualified expenses incurred after December 31, 2010, as long as the expenses are incurred during the required 24month period provided in the pre-approval issued by the Arizona Commerce Authority (or its predecessor), and all other requirements have been met. See Form 334 for more information.

Credit for Investment in Qualified Small Business Extended

The period to establish a credit for investment in qualified small businesses was extended to December 31, 2019. Use Form 338 to claim this credit.

Credit for Solar Energy Device - Commercial and Industrial Extended

The period to establish a credit for solar energy devices for commercial and industrial applications has been extended to December 31, 2018. Use Form 336 to claim this credit.

- Your Arizona taxable income is \$50,000 or more, regardless of filing status.
- You are making adjustments to income.

You must file if you are:	and your Arizona adjusted gross income is at least:	or your gross income is at least:
Single	\$ 5,500	\$15,000
Married filing jointly	\$11,000	\$15,000

Head of household	\$ 5,500	\$15,000

If you are an Arizona resident, you must report income from **all** sources. This includes out-of-state income.

To see if you have to file, figure your gross income the same as you would figure your gross income for federal income tax purposes. Then, you should exclude income Arizona law does not tax.

Income Arizona law does not tax includes:

- Interest from U.S. Government obligations
- Social security retirement benefits received under Title II of the Social Security Act
- Benefits received under the Railroad Retirement Act
- Active duty military pay
- Pay received for active service as a reservist or a National Guard member

You can find your Arizona adjusted gross income on line 15 of Arizona Form 140.

NOTE: Even if you do not have to file, you must still file a return to get a refund of any Arizona income tax withheld.

Do You Have to File if You are an American Indian?

You must file if you meet the Arizona filing requirements unless **all** the following apply to you.

- You are an enrolled member of an Indian tribe.
- You live on the reservation established for that tribe.
- You earned **all** of your income on that reservation.

The department has issued a ruling on the Arizona tax treatment of American Indians. This ruling is ITR 96-4. To see this ruling, visit our web site at www.azdor.gov and click on legal research and then click on rulings.

Do You Have to File if You are the Spouse of an American Indian and You are Not an Enrolled Indian?

You must file if you meet the Arizona filing requirements. The department has issued a ruling on the tax treatment of spouses of American Indians. This ruling is ITR 96-4. To see this ruling, visit our web site at www.azdor.gov and click on legal research and then click on rulings.

Do You Have to File if You are in the Military?

You must file if you meet the Arizona filing requirements unless **all** the following apply to you.

- You are an active duty member of the United States armed forces.
- Your only income for the taxable year is pay received for active duty military service.
- There was no Arizona tax withheld from your active duty military pay.

If Arizona tax was withheld from your active duty military pay, you must file an Arizona income tax return to claim any refund you may be due from that withholding.

You must also file an Arizona income tax return if you have any other income besides pay received for active duty military service.

If you are an Arizona resident and you have to file an Arizona return, you should file using Form 140. If you were an Arizona resident when you entered the service, you remain an Arizona resident, no matter where stationed, until you establish a new domicile. As an Arizona resident, you must report all of your income, no matter where stationed. You must include your military pay, but using Form 140, you may subtract all pay received for active duty military service, to the extent it is included in your federal adjusted gross income.

If you are not an Arizona resident, but stationed in Arizona, the following applies to you.

- You are not subject to Arizona income tax on your military pay.
- You must report any other income you earn in Arizona. Use Form 140NR, *Nonresident Personal Income Tax Return*, to report this income.

To find out more, see our brochure, Pub 704, *Taxpayers in the Military*. To see this brochure, visit our web site at www.azdor.gov and click on publications.

If You Included Your Child's Unearned Income on Your Federal Return, Does Your Child have to File an Arizona Return?

No. In this case, the child should not file an Arizona return. The parent must include that same income in his or her Arizona taxable income.

Residency Status

If you are not sure if you are an Arizona resident for state income tax purposes, we may be able to help. The department has issued a procedure on determining residency status. This procedure is ITP 92-1. To see this procedure, visit our web site at www.azdor.gov and click on legal research and then click on procedures.

Residents

You are a resident of Arizona if your domicile is in Arizona. Domicile is the place where you have your permanent home. It is where you intend to return if you are living or working temporarily in another state or country. If you leave Arizona for a temporary period, you are still an Arizona resident while gone. A resident is subject to tax on all income no matter where the resident earns the income.

Part-Year Residents

If you are a part-year resident, you must file Form 140PY, *Part-Year Resident Personal Income Tax Return*.

You are a part-year resident if you did **either** of the following during 2011.

- You moved into Arizona with the intent of becoming a resident.
- You moved out of Arizona with the intent of giving up your Arizona residency.

Nonresidents

If you are a nonresident, you must file Form 140NR, Nonresident Personal Income Tax Return.

What if a Taxpayer Died?

If a taxpayer died before filing a return for 2011, the taxpayer's spouse or personal representative may have to file and sign a return for that taxpayer. A personal representative can be an executor, administrator, or anyone who is in charge of the deceased taxpayer's property.

If the deceased taxpayer did not have to file a return but had tax withheld, a return must be filed to get a refund.

The person who files the return should use the form the taxpayer would have used. If the department mailed the taxpayer a booklet, do not use the label. The person who files the return should print the word "deceased" after the decedent's name in the address section of the form. Also enter the date of death after the decedent's name.

If your spouse died in 2011 and you did not remarry in 2011, or if your spouse died in 2012 before filing a return for 2011, you may file a joint return. If your spouse died in 2011, the joint return should show your spouse's 2011 income before death, and your income for all of 2011. If your spouse died in 2012, before filing the 2011 return, the joint return should show all of your income and all of your spouse's income for 2011. Print "Filing as surviving spouse" in the area where you sign the return. If someone else is the personal representative, he or she must also sign the return.

Are Any Other Returns Required?

You may also have to file a fiduciary income tax return (Form 141AZ). For details about filing a fiduciary income tax return, call the department at (602) 255-3381.

Claiming a Refund for a Deceased Taxpayer

If you are claiming a refund for a deceased taxpayer, you **must** complete Form 131, *Claim for Refund on Behalf of Deceased Taxpayer*. Attach this form to the **front** of the return.

What are the Filing Dates and Penalties?

When Should You File?

You have extra time to file and pay for 2011 because April 15, 2012 falls on a Sunday and April 16, 2012 is a legal holiday in Washington DC. This means that your 2011 calendar year tax return is due no later than midnight, April 17, 2012. File your return as soon as you can after January 1, but no later than April 17, 2012. If you are a fiscal year filer, your return is due on the 15th day of the fourth month following the close of your fiscal year.

What if You Cannot File on Time?

You may request an extension if you know you will not be able to file on time.

NOTE: An extension does not extend the time to pay your income tax. For details, see the instructions for Arizona Form 204.

To get a filing extension, you can either:

- 1. Apply for a state extension (Form 204). To apply for a state extension, file Arizona Form 204 by April 17. See Form 204 for details. You do not have to attach a copy of the extension to your return when you file, but make sure that you check box **82F** on page 1 of the return. If you must make a payment, use Arizona Form 204, or visit www.aztaxes.gov to make an electronic payment.
- 2. Use your federal extension (federal Form 4868). File your Arizona return by the same due date. You do not have to attach a copy of your federal extension to your return, but make sure that you check box **82F** on page 1 of the return.

When Should You File if You are a Nonresident Alien?

The due date for your Arizona return is not the same as the due date for your federal return. Your Arizona return is due by April 17 even though your federal return is due on June 15.

If you want to file your Arizona return after April 17, you must ask for a filing extension. You must file this request by April 17. Arizona will allow up to a 6-month extension. This will allow you to file your return by October 15, 2012. See Form 204 for extension filing details.

If you have a federal 6-month extension, you can file your Arizona return under that extension. If you file using your federal extension, Arizona will also allow you an extra 6 months. Because we will allow only 6 months, the due date for your Arizona return is not the same as the due date for your federal return. In this case, your Arizona return will be due by October 15 even though your federal return will not be due until December 15. If you file your 2011 Arizona calendar year return after October 15, 2012, your return will be late.

If you are a fiscal year filer, your return is due on the 15th day of the fourth month following the close of your fiscal year.

What if You File or Pay Late?

If you file or pay late, we will charge you interest and penalties on the amount you owe. If the U.S. Post Office postmarks your 2011 calendar year return by April 17, 2012, your return will not be late. You may also use certain private delivery services designated by the IRS to meet the "timely mailing as timely filed" rule.

Late Filing Penalty

If you file late, we will charge you a late filing penalty. This penalty is $4\frac{1}{2}$ % of the tax required to be shown on the return for each month or fraction of a month the return is late. This penalty cannot exceed 25% of the tax found to be remaining due.

Late Payment Penalty

If you pay your tax late, we will charge you a late payment penalty. This penalty is $\frac{1}{2}$ of 1% (.005) of the amount shown as tax for each month or fraction of a month for which the failure continues. We charge this penalty from the original due date of the return until the date you pay the tax. This penalty cannot exceed a total of 10%.

Extension Underpayment Penalty

If you file your return under an extension, you must pay 90% of the tax shown on your return by the return's original due date. If you do not pay this amount, we will charge you a penalty. This penalty is $\frac{1}{2}$ of 1% (.005) of the tax not paid for each 30 day period or fraction of a 30 day period. We charge this penalty from the original due date of the return until the date you pay the tax. This penalty cannot exceed 25% of the unpaid tax. If we charge you the extension underpayment penalty, we will not charge you the late payment penalty under Arizona Revised Statutes section 42-1125.D.

NOTE: If you are subject to two or more of the above penalties, the total cannot exceed 25%.

Interest

We charge interest on any tax not paid by the due date. We will charge you interest even if you have an extension. If you have an extension, we will charge you interest from the original due date until the date you pay the tax. The Arizona interest rate is the same as the federal rate.

When Should You Amend a Return?

If you need to make changes to your return once you have filed, you should file Form 140X, *Individual Amended Return*. You should file your amended return after your original return has processed. **Do not** file a new return for the year you are correcting. Generally, you have four years to amend a return to claim a refund.

If you amend your federal return for any year, you must also file an Arizona Form 140X for that year. You must file the Form 140X within 90 days of the final determination of the IRS.

If the IRS makes a change to your federal taxable income for any year, you must report that change to Arizona. You may use one of the following two options to report this change.

Option 1

You may file a Form 140X for that year. If you choose this option, you must amend your Arizona return within 90 days of the final determination of the IRS. Attach a complete copy of the federal notice to your Form 140X.

Option 2

You may file a copy of the final federal notice with the department within 90 days of the final determination of the IRS. If you choose this option, you must include a statement in which you must:

1. Request that the department recompute your tax; and

2. Indicate if you agree or disagree with the federal notice.

If you do not agree with the federal notice, you must also include any documents that show why you do not agree.

If you choose option 2, mail the federal notice and any other documents to:

Do You Need to Make Estimated Payments in 2012?

As a full year resident, your Arizona gross income is your federal adjusted gross income. This amount is on line 12 of the 2011 Form 140.

See the worksheet for Form 140ES to figure how much your payments should be.

What if You Make Your Estimated Payments Late?

We will charge you a penalty if you fail to make any required payments. We will charge you a penalty if you make any of your required payments late.

For details, see Arizona Form 221.

Can You Make Estimated Payments Even if You Do Not Have To?

If you do not have to make Arizona estimated income tax payments, you may still choose to make them. For details, see Arizona Form 140ES.

- the EIN for the business

A paid preparer who fails to include the proper numbers may also be subject to a penalty.

Determining Your Filing Status

The filing status that you use on your Arizona return may be different from that used on your federal return.

Use this section to determine your filing status. Check the correct box (4 through 7) on the front of Form 140.

Line 4 Box - Married Filing a Joint Return

If you are married and filing a joint return, check box 4.

You may file a joint return if you were married as of December 31, 2011. It does not matter whether or not you were living with your spouse. You may file a joint return, even if you and your spouse filed separate federal returns.

You may file a joint return if your spouse died during 2011 and you did not remarry in 2011. See page 2 of these instructions for details.

The Arizona Form 140 is for full year residents only. You may not file a joint Arizona income tax return on Form 140 if any of the following apply.

- 1. Your spouse is a nonresident alien (citizen of and living in another country).
- 2. Your spouse is a resident of another state.
- 3. Your spouse is a part-year Arizona resident.

If filing a joint return with your nonresident spouse, you must file a joint return using Form 140NR. See Form 140NR instructions.

If filing a joint return with your part-year resident spouse, you must file a joint return using Form 140PY. See Form 140PY instructions.

The department has issued a ruling on filing a joint return with your part-year resident or nonresident spouse. This ruling is ITR 95-2. To see this ruling, visit our web site at www.azdor.gov and click on legal research and then click on rulings.

Line 5 Box - Head of Household

If you are filing as a head of household, check box 5.

You may file as head of household on your Arizona return, only if one of the following applies.

- You qualify to file as head of household on your federal return.
- You qualify to file as a qualifying widow or widower on your federal return.

Line 6 Box - Married Filing Separately

If you are filing a separate return, check box 6 and enter your spouse's name and SSN on the second line 1.

If you were married as of December 31, 2011, you may choose to file a separate return. You may file a separate return, even if you and your spouse filed a joint federal return.

Arizona is a community property state. If you file a separate return, you must figure how much income to report using community property laws. Under these laws, a separate return must reflect one-half of the community income from all sources plus any separate income.

When you file separate returns, you must account for community deductions and credits on the same basis as community income. Both you and your spouse must either itemize or not itemize. If one of you itemizes, you both must itemize. If one of you takes a standard deduction, you both must take a standard deduction. One of you may not claim a standard deduction while the other itemizes.

If you and your spouse support a dependent child from community income, either you or your spouse may claim the dependent. Both of you cannot claim the same dependent on both returns.

The department has issued tax rulings on filing a separate return. These rulings are ITR 93-18 and ITR 93-19. To see these rulings, visit our web site at www.azdor.gov and click on legal research and then click on rulings.

NOTE: In some cases you may treat community income as separate income. The department has issued a ruling on when you may treat community income as separate income. This ruling is ITR 93-22. To see this ruling, visit our web site at www.azdor.gov and click on legal research and then click on rulings.

If one spouse is a resident and the other spouse is not, other special rules may apply when filing a separate return. The department has issued a ruling on how to report income in this case. This ruling is ITR 93-20. To see this ruling, visit our web site at www.azdor.gov and click on legal research and then click on rulings.

Line 7 Box - Single

If you are filing as single, check box 7.

Use this filing status if you were single on December 31, 2011. You are single if any of the following apply to you.

- You were widowed before January 1, 2011, and you did not remarry in 2011, and you do not qualify to file as a qualifying widow or widower with dependent children on your federal return.

Exemptions

Write the number of exemptions you are claiming in boxes 8, 9, 10, and 11. **Do not put a checkmark**. You may lose the exemption if you put a checkmark in these boxes. Write "1" in box 8 if you or your spouse were 65 or older in 2011. Write "2" in box 8 if both you and your spouse were 65 or older in 2011.

Line 9 Box - Blind

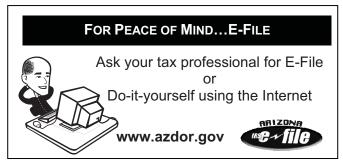

Write "1" in box 9 if you or your spouse are totally or partially blind. Write "2" in box 9 if both you and your spouse are totally or partially blind.

If you or your spouse were partially blind as of December 31, 2011, you must get a statement certified by your eye doctor or registered optometrist that:

- 1. You cannot see better than 20/200 in your better eye with glasses or contact lenses or
- 2. Your field of vision is 20 degrees or less.

If your eye condition is not likely to improve beyond the conditions listed above, you can get a statement certified by your eye doctor or registered optometrist to that effect instead.

You must keep the statement for your records.

Line 10 Box - Dependents

You must complete Part A, lines A1 through A3b, on page 2 of your return before you can total your dependent exemptions.

You may claim only the following as a dependent.

• A person that qualifies as your dependent on your federal return.

NOTE: If you do not claim a dependent exemption for a student on your federal return in order to allow the student to claim a federal education credit on the student's federal return, you may still claim the exemption on your Arizona return. For more information, see Arizona Individual Income Tax Ruling ITR 05-2.

- A person who is age 65 or over (related to you or not) that does not qualify as your dependent on your federal return, but one of the following applies.
 - 1. In 2011, you paid more than one-fourth of the cost of keeping this person in an Arizona nursing care institution, an Arizona residential care institution, or an Arizona assisted living facility. Your cost must be more than \$800.

You may not claim that same person on both line A2 and line A5. Do not list the same person on line A1 that you listed on line A4.

Enter the following on line(s) A1.

- 1. The dependent's name. If you are claiming an exemption for a stillborn child and the child was not named, enter "stillborn child" in place of a name.
- 2. The dependent's SSN. If you are claiming an exemption for a stillborn child enter the certificate number from the certificate of birth resulting in stillbirth.
- 3. The dependent's relationship to you.
- 4. The number of months the dependent lived in your home during 2011. If you are claiming an exemption for a stillborn child, enter the date of birth resulting in the stillbirth.

You may lose the exemption if you do not furnish this information.

You may claim this exemption if all of the following apply.

- 2. You paid more than one-half of the support and maintenance costs of the parent or grandparent during the taxable year.
- 3. The parent or grandparent was 65 years old or older during 2011.

4. The parent or grandparent required assistance with activities of daily living, like getting in and out of bed or chairs, walking around, going outdoors, using the toilet, bathing, shaving, brushing teeth, combing hair, dressing, medicating or feeding.

You must complete Part A, lines A4 and A5, on page 2 of your return before you can total your exemptions for qualifying parents and grandparents.

NOTE: If a person who is a qualifying parent or grandparent also qualifies as your dependent, you may claim that person as a dependent on line A2, or you may claim that person as a qualifying parent or grandparent on line A5. Line A5 - Total Qualifying Parents or Grandparents of Your Parents

Enter the total number of persons listed on line(s) A4. Enter the same number on the front of the return in box 11.

Additions to Income

Line B6 - Non-Arizona Municipal Interest

Enter the amount of interest income from non-Arizona municipal bonds that you did not include as income on your federal return.

You may exclude any expenses incurred to purchase or carry the obligation. Reduce the interest income by the amount of those expenses that you could not deduct on your federal return.

If you received tax exempt interest from municipal bonds, attach a schedule listing the payors and the amount received from each payor. You may also want to attach supporting documents for amounts received from Arizona municipal bonds that are exempt from Arizona income tax. These may be items such as bank statements, brokerage statements, etc.

Line B7 - Ordinary Income Portion of Lump-Sum Distributions Excluded on Your Federal Return

Use line B7 if you use federal averaging for lump-sum distributions from your pension or profit-sharing plan.

Arizona law does not provide for averaging. Enter the amount of the distribution that you treated as ordinary income on your federal return. If you choose to treat the capital gain portion of the distribution as ordinary income, you must also include that amount.

For details, see Arizona Department of Revenue Income Tax Ruling ITR 93-5.

Line B8 - Total Federal Depreciation

Enter the total amount of depreciation deducted on the federal return. If you make an entry here, you should also take

a subtraction on line C22. To figure how much you should subtract, see the instructions for line C22.

Line B9 - Medical Savings Account (MSA) Distributions

For information on Arizona's MSA provisions, see the department's MSA brochure, Pub 542.

You must add amounts received from an MSA here if any of the following apply.

1 - You Withdrew Funds from Your MSA for Other Than Qualified Expenses

You must make an entry here if all of the following apply.

- 1. You withdrew money from your MSA during 2011.
- 2. You did not use the amount withdrawn to pay qualified medical expenses.
- 3. You did not have to include the withdrawal as income on your federal income tax return.

Enter the amount withdrawn.

2 - Deceased Account Holder Where the Named Beneficiary is Not the Decedent's Surviving Spouse

You must make an entry here if all of the following apply.

- 1. The account holder died during the year.
- 2. You are the named beneficiary of the decedent's MSA.
- 3. You are not the decedent's surviving spouse.
- 4. You did not have to include the value of the MSA as income on your federal income tax return.

In this case, the MSA ceased to be an MSA. Enter the fair market value of the MSA as of the date of death, less the amount of MSA funds used within one year of the date of death, to pay the decedent's qualified medical expenses. You can reduce the fair market value by only those expenses paid from the MSA. If you pay additional medical expenses for the decedent from the MSA after you file, you may file an amended return to further reduce the fair market value of the MSA.

3 - Decedent's Final Return and No Named MSA Beneficiary

Make an entry here if all of the following apply.

- 1. The account holder died during the year.
- 2. There is no named MSA beneficiary.
- 3. This is the decedent's final return.
- 4. The value of the MSA did not have to be included on the decedent's final federal income tax return.

In this case, the MSA ceases to be an MSA. Enter the fair market value of the MSA as of the date of death. This rule applies in all cases in which there is no named beneficiary, even if the surviving spouse ultimately obtains the right to the MSA assets.

NOTE: The following are not withdrawals. Do not enter any of the following:

- Amounts from the MSA used to pay qualified medical expenses.
- A qualified return of excess contributions.
- A qualified rollover.
- The fair market value of an MSA received by a surviving spouse who was the deceased account holder's named beneficiary.

For more information about the above items, see the department's MSA brochure, Pub 542.

Line B10 - I.R.C. § 179 Expense in Excess of Allowable Amount

Enter the amount of IRC § 179 expense deducted on the federal return that exceeds \$25,000. If you make an entry here, you should also take a subtraction on line C26 for a portion of the amount entered here. To figure how much you should subtract, see the instructions for line C26.

Line B11 - Other Additions to Income

Use line B11 if any of the special circumstances below apply.

Attach your own schedule to the back of your return explaining any amounts entered here.

You may either add or subtract items A through D below (line B11 or C29, respectively) depending on your situation.

A. Pension Adjustments

Use this adjustment if **both** of the following apply.

- 1. Arizona taxed your pension for years before 1979.
- 2. You reported that pension on your federal return using the percentage exclusion method.

Do not use this adjustment if **either** of the following apply.

- 1. You reported your pension income as fully taxable on your federal return.
- 2. You reported your pension income on your federal return under the "three-year-rule".

Pension Adjustment Worksheet - Line B11						
Follow these steps to figure the adjustment.						
(Keep this worksheet for your records.)						
1. Your contribution to annuity.	1.					
2. Pension amount received in	prior					
years.	2.					
3. Remainder of cost (line 1 m	ninus					
line 2 but not less than zero).	3.					
4. Pension amount received this						
5. Subtract line 3 from line 4 (bu	it not					
less than zero).	5.					
6. Enter the pension amount tax	able					
on your federal return.	6.					
7. Subtract line 6 from line 5.	7.					
If line 7 is more than zero, enter the amount on line 7 as an						
addition to income. Enter the addition on line B11.						
If line 6 is more than line 5, enter the difference as a						
subtraction from income. Enter the s	subtraction on line C29.					

B. Married Persons Filing Separate Returns

If you file a separate Arizona return, you must report the following income on that return.

- one-half of the community income from all sources.
- all of your separate income.

If you and your spouse file a joint federal return but separate Arizona returns, you must make sure that each separate return reflects the correct income. If you begin your Arizona return with only the income that you earned during the year, you will have to adjust this income.

If you file separate federal returns, each of your federal returns should already reflect the correct income. Since your separate Arizona returns will begin with the federal adjusted gross income, you will not have to adjust your income.

If you have to adjust your income, attach a schedule showing how you figured your adjustment.

C. Partnership Income

Use this adjustment if your Arizona Form 165, Schedule K-1, shows a difference between federal and state distributable income.

If the difference reported on your Arizona Form 165, Schedule K-1, is a positive number, enter that difference as an addition. Enter the addition on line B11.

If the difference reported on your Arizona Form 165, Schedule K-1, is a negative number, enter that difference as a subtraction. Enter the subtraction on line C29.

D. Fiduciary Adjustment

A fiduciary uses Form 141AZ, Schedule K-1, to report to you your share of the fiduciary adjustment from the trust or estate.

Line 3 of Form 141AZ, Schedule K-1, shows your share of the fiduciary adjustment from the estate or trust. If the amount reported on line 3 of your Arizona Form 141AZ, Schedule K-1, is a positive number, enter that amount as an addition. Enter the addition on line B11.

If the amount reported on line 3 of your Arizona Form 141AZ, Schedule K-1, is a negative number, enter that amount as a subtraction. Enter the subtraction on line C29.

E. Net Operating Losses

Arizona does not have specific provisions for calculating the net operating loss of an individual. Generally, the amount of net operating loss deduction included in your federal adjusted gross income is the amount allowable for Arizona purposes. However, there are instances when the amount allowable for Arizona purposes may be different.

You must adjust the amount of net operating loss deduction included in your federal adjusted gross income if you have already deducted any amount of the net operating loss included in your federal adjusted gross income for Arizona purposes. In this case, enter on line B11, the amount of net operating loss included in your federal adjusted gross income which you previously deducted for Arizona purposes.

Usually, Arizona conforms to the federal net operating loss provisions, including the carryback provisions. However, Arizona did not conform to the special federal net operating loss rules for 2008 and 2009. Under the special rules for 2008 and 2009, you could have elected to carry the net operating loss back for 3, 4 or 5 years, instead of the normal 2 years. This election would have been allowed under I.R.C. § 172(b)(1)(h) as amended by the American Recovery and Reinvestment Act of 2009 or the Worker, Homeownership, and Business Assistance Act of 2009. If you deducted a federal net operating loss carryback under the federal American Recovery and Reinvestment Act of 2009 or the federal Worker, Homeownership, and Business Assistance Act of 2009, see the instructions for line C28.

For information on deducting a net operating loss carryback in cases where you did not make an election under I.R.C. § 172(b)(1)(h), see Arizona Department of Revenue Income Tax Procedure *ITP 99-1*.

F. Items Previously Deducted for Arizona Purposes

Arizona statutes prohibit a taxpayer from deducting items more than once. However, under the operation of former Arizona law (1989 and prior), you could deduct certain items in greater amounts for Arizona purposes than for federal purposes.

Investment interest and passive activity losses were such items. In some cases, you could have deducted such amounts in their entirety on the Arizona return. For federal purposes, the deduction for these items was limited, with the unused portions being carried forward and deducted in future years. Your Arizona return may include these previously deducted items because of the difference between the federal and former Arizona treatment. If your Arizona taxable income includes items previously deducted for Arizona purposes, you must add such amounts to your Arizona gross income.

G. Claim of Right Adjustment for Amounts Repaid in 2011

You must make an entry here if all of the following apply.

- 1. During 2011, you were required to repay amounts held under a claim of right.
- 2. The amount required to be repaid during 2011 was more than \$3,000.
- 3. You took a deduction for the amount repaid on your 2011 federal income tax return.

If the above apply, enter the amount deducted on your federal income tax return here.

For more information on the Arizona claim of right provisions, see Arizona Department of Revenue Individual Income Tax Procedure *ITP 95-1*.

H. Claim of Right Adjustment for Amounts Repaid in Prior Taxable Years

You must make an entry here if **all** of the following apply.

- 1. During a year prior to 2011 you were required to repay amounts held under a claim of right.
- 2. You computed your tax for that prior year under Arizona's claim of right provisions.
- 3. A net operating loss or capital loss was established due to the repayment made in the prior year.
- 4. You are entitled to take that net operating loss or capital loss carryover into account when computing your 2011 Arizona taxable income.
- 5. The amount of the loss carryover included in your federal income is more than the amount allowed to be taken into account for Arizona purposes.

Enter the amount by which the loss carryover included in your federal adjusted gross income is more than the amount allowed for the taxable year under Arizona law.

I. Addition to S Corporation Income Due to Credits Claimed

Shareholders of an S corporation who claim a credit passed through from an S corporation must make an addition to income for the amount of expenses disallowed by reason of claiming the credit.

An S corporation that passes the following credits through to its shareholders must notify each shareholder of his or her pro rata share of the adjustment. You must enter an amount on this line when claiming any of the following credits.

- Agricultural water conservation system credit
- Environmental technology facility credit
- Pollution control credit
- Credit for solar hot water heater plumbing stub outs and electric vehicle recharge outlets
- Credit for employment of TANF recipients
- Agricultural pollution control equipment credit
- Motion picture credits

J. Solar Hot Water Heater Plumbing Stub Outs and Electric Vehicle Recharge Outlet Expenses

If you take a credit for installing solar hot water heater plumbing stub outs or electric vehicle recharge outlets in a dwelling you constructed (Form 319), you cannot deduct any expenses for which you claim the credit. If you take this credit, enter the amount of such expenses that you deducted on your federal return.

K. Wage Expense for Employers of TANF Recipients

If you take a credit for employing TANF recipients (Form 320), you cannot deduct any wage expense for which you claim the credit. If you take this credit, enter the amount of such expenses that you deducted on your federal return.

L. Motion Picture Expenses

If you take a motion picture credit on Form 334, you cannot deduct any expenses deducted on your federal return related to the production or related to a transferred credit. Enter the amount of any such expenses that were deducted in computing federal adjusted gross income for which you claimed a credit.

M. Agricultural Water Conservation System Credit

If you take this credit (Form 312), you cannot deduct any expenses for which you claim the credit. If you take this credit, enter the amount of such expenses that you deducted on your federal return.

N. Adjusted Basis in Property for Which You Have Claimed a Credit for Investment in Qualified Small Businesses

If you claim a credit for an investment in a qualified small business on Arizona Form 338, you must adjust your basis in the investment by the amount of the credit claimed. You must report this difference in basis on the Arizona return that you file for the taxable year in which you sell or otherwise dispose of the investment. If you sold or otherwise disposed of the investment during the 2011 taxable year, on line B11, enter the amount by which the adjusted basis computed under the internal revenue code with respect to that property exceeds the adjusted basis of the property computed under Arizona Revised Statutes section 43-1074.02.

O. Depreciation or Amortization for a Water Conservation System

If you claimed a water conservation system credit on Arizona Form 339, you may not deduct any depreciation or amortization for that system on your Arizona return. Enter the amount of depreciation or amortization claimed on your federal return for the water conservation system for which you have claimed a credit.

P. Nonqualified Withdrawals from 529 College Savings Plans

You must make an addition to income if both of the following apply to you.

- 1. You received a nonqualified withdrawal from a 529 college savings plan.
- 2. You did not include the amount of the withdrawal in your federal adjusted gross income.

The amount that you must add is the amount withdrawn, but no more than the difference between the amount of contributions subtracted in prior years and the amount added in any prior years.

A nonqualified withdrawal is a withdrawal other than any of the following:

1. A qualified withdrawal. A qualified withdrawal is a withdrawal from an account to pay the qualified higher education expenses of the designated beneficiary of the account.

- 2. A withdrawal made as the result of the death or disability of the designated beneficiary of an account.
- 3. A withdrawal that is made on the account of a scholarship, or the allowance or payment described in section 135(d)(1)(B) or (C) of the internal revenue code, and that is received by the designated beneficiary, but only to the extent of the amount of this scholarship, allowance or payment.
- 4. A rollover or change of designated beneficiary.

Q. Original Issue Discount (OID) on Reacquisition of Debt Instrument

For federal purposes, when a taxpayer made the special election to defer discharge of indebtedness (DOI) income under I.R.C. § 108(i) (for 2009 or 2010), the taxpayer was not allowed to take a deduction with respect to the portion of any OID that accrued with respect to that DOI income, during the income deferral period. In this case, the taxpayer had to deduct the aggregate amount of the OID deductions disallowed ratably over a 5 year period, beginning with the period in which the income was includible in federal adjusted gross income.

Arizona did not adopt the federal provisions requiring a taxpayer to defer the OID deduction in cases where the taxpayer federally deferred the DOI income. For Arizona purposes, you had to report the DOI income from a debt reacquisition in the year in which you reacquired the debt, and you were allowed to subtract any OID related to that DOI income in the year the OID accrued. If your federal adjusted gross income includes a deduction for any accrued OID that you have already subtracted for Arizona purposes, you must make an addition to Arizona income for the amount of deferred OID deducted on your federal return. Generally, this addition will not apply until taxable year 2014 through 2018. However, if you were required to accelerate reporting of the DOI income for federal purposes and were allowed to deduct accrued OID attributable to that income on a return filed for a year prior to 2014, this addition may apply to an earlier year. On line B11, enter the amount of any previously deferred OID that you deducted in computing your 2011 federal adjusted gross income, to the extent that the amount was previously subtracted from Arizona gross income.

R. Early Withdrawal of Arizona, County, City, or School Retirement System Contributions

If you meet all of the following, you must enter an amount here.

- 1. You left your job with the State of Arizona or an Arizona county, city, or school district for reasons other than retirement.
- 2. When you left, you took out the contributions you had made to the retirement system while employed.
- 3. You deducted these contributions on your Arizona income tax returns that you filed for prior years.
- 4. You did not include these contributions in your federal adjusted gross income this year.

If you meet all these tests, you must report as income those contributions previously deducted on your prior years' Arizona tax returns.

For details, see Arizona Department of Revenue Income Tax Ruling *ITR 93-7*.

S. Other Adjustments

Other special adjustments may be necessary. You may need to make an addition for depreciation or amortization. You may also need to make an addition if you claimed certain tax credits. Call one of the numbers listed on the back cover if any of the following apply.

- You are a qualified defense contractor that elected to amortize under Arizona Revised Statutes section 43-1024.
- You sold or disposed of property that was held for the production of income and your basis was computed under the Arizona Income Tax Act of 1954.
- You claimed the environmental technology facility credit.
- You claimed the pollution control credit.
- You claimed the recycling equipment credit.
- You claimed the agricultural pollution control equipment credit.
- You elected to amortize the basis of a pollution control device or the cost of a child care facility under Arizona law in effect before 1990. You are still deducting amortization or depreciation for that device or facility on your federal income tax return.

Line B12 - Total Additions

Add lines B6 through B11. Enter the total on line B12 and on the front of your return on line 13.

Subtractions From Income

You may only subtract those items for which statutory authority exists. Without such authority you cannot take a subtraction. If you have any questions concerning subtractions from income, call one of the numbers listed on the back cover.

NOTE: You may not subtract any amount that is allocable to income excluded from your Arizona taxable income.

Line C13 - Exemption: Age 65 or Over

Multiply the number in box 8 on the front of your return by \$2,100 and enter the result.

Line C14 - Exemption: Blind

Multiply the number in box 9 on the front of your return by \$1,500 and enter the result.

Line C18 - Interest on U.S. Obligations

Enter the amount of interest income from U.S. Government obligations included as income on your federal return. U.S. Government obligations include obligations such as savings bonds and treasury bills. You cannot deduct any interest or other related expenses incurred to purchase or carry the obligations. If such expenses are included in your Arizona gross income, you must reduce the subtraction by such expenses. If you are itemizing deductions on your Arizona return, you must exclude such expenses from the amount deducted.

NOTE: Do not subtract interest earned on FNMA or GNMA bonds since this interest is taxable by Arizona. For details, see the department's income tax ruling, ITR 06-1.

Do not subtract any amount received from a qualified pension plan that invests in U.S. Government obligations. Do not subtract any amount received from an IRA that invests in U.S. Government obligations. These amounts are not interest income. For details, see Arizona Department of Revenue Income Tax Rulings *ITR 96-2* and *ITR 96-3*.

Line C19 - Exclusion for U.S. Government, Arizona State or Local Government Pensions

If you receive pension income from any of the sources listed below, subtract the amount you received or \$2,500, whichever is less. Include only the amount you reported as income on your federal return. If both you and your spouse receive such pension income, each spouse may subtract the amount received or \$2,500, whichever is less.

Public pensions from the following sources qualify for this subtraction.

- The United States Government Service Retirement and Disability Fund
- The United States Foreign Service Retirement and Disability System
- Retired or retainer pay of the uniformed services of the United States
- Any other retirement system or plan established by federal law

NOTE: This applies only to those retirement plans authorized and enacted into the U.S. Code. This does not apply to a retirement plan that is only regulated by federal law (i.e., plans which must meet certain federal criteria to be qualified plans).

- The Arizona State Retirement System
- The Arizona State Retirement Plan
- The Corrections Officer Retirement Plan
- The Public Safety Personnel Retirement System
- The Elected Officials' Retirement Plan
- A retirement plan established for employees of a county, city, or town in Arizona
- An optional retirement program established by the Arizona Board of Regents under Arizona Revised Statutes
- An optional retirement program established by an Arizona community college district.

NOTE: *Public retirement pensions from states other than Arizona do not qualify for this subtraction.*

Line C20 - Arizona Lottery Winnings

You may subtract up to \$5,000 of winnings received in 2011 for Arizona lottery prizes.

If you subtract Arizona lottery winnings here, you may have to adjust the amount of gambling losses claimed as an itemized deduction. See instructions for Form 140 Schedule A, *Itemized Deduction Adjustments*.

Line C21 - U.S. Social Security Benefits or Railroad Retirement Benefits

Arizona does not tax social security benefits received under Title II of the Social Security Act. Arizona does not tax railroad retirement benefits received from the Railroad Retirement Board under the Railroad Retirement Act. If you included such social security or railroad retirement benefits as income on your federal return, use line C21 to subtract this income. **NOTE:** Enter only the taxable amount (the amount that was subject to federal tax). Do not include any amount that was not subject to federal income tax.

See Arizona Department of Revenue Income Tax Ruling *ITR 96-1* for more information about railroad retirement benefits.

Line C22 - Recalculated Arizona Depreciation

Enter the total amount of depreciation allowable pursuant to IRC § 167(a) for the taxable year calculated as if you had elected not to claim bonus depreciation for eligible properties for federal purposes.

Line C23 - Certain Wages of American Indians

Enrolled members of American Indian tribes may subtract wages earned while living and working on their tribe's reservation. The federal government must recognize these tribes.

For more information, see Arizona Department of Revenue Income Tax Ruling *ITR 96-4*.

Line C24 - Income Tax Refund from Other States

You may subtract income tax refunds received from other states if both of the following apply.

- 1. You reported the refund as income on your federal return.
- 2. You did not deduct the taxes paid to the other state as an itemized deduction on a prior year Arizona return.

Line C25 - Deposits and Employer Contributions Into MSAs

Deposits Made Into Your MSA

If you have a medical savings account (MSA), you may be able to subtract deposits made into that MSA. Make an entry here if all of the following apply.

- 1. You have an MSA that qualifies as an MSA under Arizona law, but not federal law.
- 2. Either you or your employer made deposits into that MSA during the tax year.
- 3. You had to include the deposits in income on your federal income tax return.

Enter the amount of the MSA deposits that you had to include in your federal adjusted gross income.

Employer Contributions Made to Employee MSAs

If you are an employer, you may subtract the amount contributed to your employees' MSAs that are established under Arizona law. You can subtract these contributions only to the extent not deductible for federal income tax purposes. Enter these contributions here.

Line C26 - Adjustment for IRC § 179 Expense not Allowed

Enter 20% of the amount entered on line B10. This same amount can also be subtracted in each of the following four taxable years, effectively amortizing the difference in treatment over five years. If you made an addition for IRC § 179 expense on your, 2007, 2008, 2009 and/or 2010 return, also enter 20% of the amount added for 2007, 2008, 2009 and/or 2010.

Line C27 - Pay Received for Active Service as a Member of the Reserves, National Guard or the U.S. Armed Forces

Members of the U.S. armed forces may subtract pay received for active duty military service. On line C27, enter the amount of that income included in your federal adjusted gross income.

Members of the reserves or the National Guard may subtract pay received for active service as a reservist or as a National Guard member. This includes pay received for weekend or two-week training periods. On line C27, enter the amount of that income included in your federal adjusted gross income.

NOTE: You may not subtract pay received for active duty service as a member of the U.S. Public Health Service or NOAA. The department has issued a ruling on this issue. This ruling is ITR 10-1. To see this ruling, visit our web site at www.azdor.gov and click on legal research and then click on rulings.

Line C28 – Net Operating Loss Adjustment

NOTE: This subtraction applies to only those individuals who made an election under the special federal net operating loss rules for 2008 and 2009. Under the special rules for 2008 and 2009, you could have elected to carry the net operating loss back for 3, 4 or 5 years, instead of the normal 2 years. This election would have been allowed under I.R.C. § 172(b)(1)(h) as amended by the American Recovery and Reinvestment Act of 2009 or the Worker, Homeownership, and Business Assistance Act of 2009.

Arizona did not adopt the special federal net operating loss rules for losses incurred during 2008 or 2009. For Arizona purposes, you must deduct a net operating loss as if the loss was computed under I.R.C. § 172 in effect prior to the enactment of those special rules. If you made an election to deduct your 2008 or 2009 federal net operating loss under I.R.C. § 172(b)(1)(h), you may have to enter an amount here. Figure how much of the net operating loss carry forward would have been allowed as a deduction on your 2011 federal income tax return, if the election described in I.R.C. § 172(b)(1)(h) had not been made in the year of the loss. On line C28, enter the amount that exceeds the actual net operating loss carry forward that was deducted in arriving at federal adjusted gross income.

Line C29 - Other Subtractions from Income

Use line C29 if any of the following special circumstances apply. Attach your own schedule to the back of your return explaining any amounts entered here.

A. Previously Reported Gain on Decedent's Installment Sale

Prior Arizona law required acceleration of any unrecognized installment sale gain upon the death of a taxpayer. However, this acceleration could have been avoided by the posting of a bond. If acceleration was required, your federal adjusted gross income may include installment sale amounts already recognized on a decedent's final Arizona return. If your federal adjusted gross income includes such amounts, you may subtract that portion of the gain included on your federal return.

B. Fiduciary Adjustment

A fiduciary uses Form 141AZ, Schedule K-1 to report to you your share of the fiduciary adjustment from the trust or estate.

Line 3 of Form 141AZ, Schedule K-1 shows your share of the fiduciary adjustment from the estate or trust. If the amount reported on line 3 of your Arizona Form 141AZ, Schedule K-1, is a negative number, enter that amount as a subtraction. Enter the subtraction on line C29.

If the amount reported on line 3 of your Arizona Form 141AZ, Schedule K-1, is a positive number, enter that amount as an addition. Enter the addition on line B11.

C. Partnership Income

Use this adjustment if your Arizona Form 165, Schedule K-1, shows a difference between federal and state distributable income.

If the difference reported on your Arizona Form 165, Schedule K-1, is a negative number, enter that difference as a subtraction. Enter the subtraction on line C29.

If the difference reported on your Arizona Form 165, Schedule K-1, is a positive number, enter that difference as an addition. Enter the addition on line B11.

D. Federally Taxable Arizona Municipal Interest

Enter the amount of any interest income received on obligations of the State of Arizona, or any political subdivisions of Arizona, that is included in your Arizona gross income. Do not enter any Arizona municipal interest that is exempt from federal taxation and not included in your federal adjusted gross income.

E. Adoption Expenses

You may take this subtraction only in the year the final adoption order is granted. Enter the lesser of the total of the following adoption expenses or \$3,000. When figuring your subtraction, you may include expenses incurred in prior years.

The following expenses are qualified adoption expenses.

- 1. Nonreimbursed medical and hospital costs.
- 2. Adoption counseling.
- 3. Legal and agency fees.
- 4. Other nonrecurring costs of adoption.

If filing separately, you may take the entire subtraction, or you may divide the subtraction with your spouse. However, the total subtraction taken by both you and your spouse cannot exceed \$3,000.

F. Qualified Wood Stove, Wood Fireplace, or Gas Fired Fireplace

Arizona law provides a subtraction for converting an existing fireplace to one of the following:

- a qualified wood stove
- a qualified wood fireplace
- a gas fired fireplace and non-optional equipment directly related to its operation.

You may subtract up to \$500 of the costs incurred for converting an existing fireplace on your property located in Arizona. When you figure your subtraction, do not include taxes, interest, or other finance charges.

A qualified wood stove or a qualified wood fireplace is a residential wood heater that was manufactured on or after July 1, 1990, or sold at retail on or after July 1, 1992. The residential wood heater must also meet the U.S. Environmental Protection Agency's July 1990 particulate emissions standards.

A qualified gas fired fireplace is any device that burns natural or liquefied petroleum gas as its fuel through a burner system that is permanently installed in the fireplace. The conversion of an existing wood burning fireplace to noncombustible gas logs that are permanently installed in the fireplace also qualifies as a gas fired fireplace.

G. Claim of Right Adjustment for Amounts Repaid in Prior Taxable Years

You must make an entry here if **all** of the following apply.

- 1. During a year prior to 2011 you were required to repay amounts held under a claim of right.
- 2. You computed your tax for that prior year under Arizona's claim of right provisions.
- 3. A net operating loss or capital loss was established due to the repayment made in the prior year.
- 4. You are entitled to take that net operating loss or capital loss carryover into account when computing your 2011 Arizona taxable income.
- 5. The amount of the loss carryover allowed to be taken into account for Arizona purposes is more than the amount included in your federal income.

Enter the amount by which the loss carryover allowed for the taxable year under Arizona law is more than the amount included in your federal adjusted gross income.

H. Certain Expenses Not Allowed for Federal Purposes

You may subtract some expenses that you cannot deduct on your federal return when you claim certain federal tax credits. These federal tax credits are:

- The federal work opportunity credit
- The empowerment zone employment credit
- The credit for employer-paid social security taxes on employee cash tips
- The Indian employment credit

If you received any of the above federal tax credits for 2011, enter the portion of wages or salaries you paid or incurred during the taxable year equal to the amount of those federal tax credits you received.

I. Qualified State Tuition Program Distributions

If you are a beneficiary of a qualified state tuition program, you may subtract some of the amount distributed from the program for qualified education expenses. Enter the amount of the distribution that you had to include in your federal adjusted gross income. A qualified state tuition program is a program that meets the requirements of I.R.C. § 529.

J. Subtraction for World War II Victims

You may subtract distributions made to you for your persecution or the persecution of your ancestors by Nazi Germany or any other Axis regime for racial, religious or political reasons. If you are the first recipient of such distributions, enter the amount of the distributions that you had to include in your federal adjusted gross income.

You may also subtract items of income that are attributable to, derived from or related to assets that were stolen or hidden from or lost to you if you were persecuted by Nazi Germany or any other Axis regime for racial, religious or political reasons before, during or immediately after World War II. If you are the first recipient of such income, enter the amount of income that you had to include in your federal adjusted gross income.

K. Installment Sale Income from Another State Taxed by the Other State in a Prior Taxable Year

You may subtract income from an installment sale if **both** of the following apply:

- 1. The income from the sale is subject to Arizona income tax in 2011; and
- 2. You paid income tax to another state on that income in a **prior** tax year.

Enter the amount of such income that you included in your Arizona gross income for 2011.

Do not enter any amount that is subject to tax by both Arizona and another state in 2011. In this case, you may be eligible for a tax credit. See Form 309 for details.

L. Agricultural Crops Given to Arizona Charities

Arizona law allows a subtraction for qualified crop gifts made during 2011 to one or more charitable organizations. To take this subtraction, all of the following must apply.

- 1. You must be engaged in the business of farming or processing agricultural crops.
- 2. The crop must be grown in Arizona.
- 3. You made your gift to a charitable organization located in Arizona that is exempt from Arizona income tax.

The subtraction is the larger of 80% of the wholesale market price or 80% of the most recent sale price for the contributed crop.

To determine if your crop gift qualifies for this subtraction, see Arizona Department of Revenue Income Tax Procedure *ITP 93-2*.

M. Basis Adjustment for Property Sold or Otherwise Disposed of During the Taxable Year

With respect to property that is sold or otherwise disposed of during the taxable year by a taxpayer who has complied with the requirement to add back all depreciation with respect to that property on tax returns for all taxable years beginning from and after December 31, 1999, enter the amount of depreciation that has been allowed pursuant to I.R.C. § 167(a) to the extent that the amount has not already reduced Arizona taxable income in the current or prior years. (Note: The practical effect of this is to allow a subtraction for the difference in basis for any asset for which bonus depreciation has been claimed on the federal return.)

N. Contributions to 529 College Savings Plans

For taxable years 2008 through 2012, you may subtract amounts you contribute to 529 college savings plans during the taxable year. You may subtract the amount you contributed during the year up to a total of \$750 (\$1,500 for a married couple filing a joint return). If you are married filing separate returns, either you or your spouse may take the subtraction, or you may divide it between you, but the total taken by both of you cannot be more than \$1,500.

If you contribute more than \$750 (\$1,500 if married) during the year, your total subtraction is still limited to \$750 (\$1,500 if you are married). For example, Jorge and Kate are married and have two children. During 2011, Jorge and Kate, contributed \$1,500 to a 529 plan for Child 1 and \$1,500 to a 529 plan for Child 2. Even though Jorge and Kate contributed a total of \$3,000 during 2011, they may subtract only \$1,500 on their 2011 return.

You may take a subtraction for a contribution that you made during 2011, to a plan that existed before 2011. You may take a subtraction for a contribution that you made during 2011, to a plan established in another state. You may take a subtraction for a contribution that you made in 2011, to any 529 college savings plan. This could be a plan established for a child, grandchild, niece, nephew, or any other person for whom a plan has been established.

You cannot take a subtraction for an amount transferred from one college savings plan to a different college savings plan (a rollover).

O. Previously Deferred Discharge of Indebtedness (DOI) Income Adjustment

Generally, when a loan is settled for less than the amount owed, DOI income is realized by the debtor and usually must be included in the debtor's gross income. The amount of DOI income is generally equal to the amount of loan forgiveness. DOI income also occurs when a debtor repurchases his or her own debt at a discount (a price lower than the adjusted basis issue price of the debt instrument). In debt repurchase transactions, the amount of DOI income is generally equal to the difference between the adjusted issue price and the price paid for the debt instrument.

For federal purposes, a taxpayer may have made a special election for taxable years 2009 or 2010 to include DOI income in connection with the reacquisition of a business debt instrument, ratably over a 5 year period. A taxpayer that made this election will generally include this income in federal adjusted gross income beginning with the 2014 taxable year. A taxpayer would have made the federal election under I.R.C. § 108(i) as added by the American Recovery and Reinvestment Act of 2009.

Arizona did not adopt the special federal DOI income deferral provisions for the 2009 or 2010 taxable year. For Arizona purposes, if you made the federal election to defer the inclusion of DOI income under I.R.C. § 108(i), you were required to add the amount of deferred DOI income to Arizona income for the year for which you made the election. If you made the required addition to Arizona income on the Arizona return filed for the year in which you reacquired the debt instrument (2009 or 2010), Arizona will not tax that DOI income twice. In the year in which you include that deferred DOI income in you federal adjusted gross income, you may take a subtraction for the amount included for that year. Usually this subtraction will apply to taxable years 2014 through 2018. However, if you had to accelerate the deferral for federal purposes, this subtraction may apply to a taxable year prior to 2014. On line C29, enter the amount of previously deferred DOI income that you included in your federal adjusted gross income for the current taxable year to the extent that the amount was previously added to your Arizona income.

P. Original Issue Discount (OID) on Reacquisition of Debt Instrument

For federal purposes, when a taxpayer made the special election to defer DOI income under I.R.C. § 108(i), the taxpayer was not allowed to take a deduction with respect to the portion of any OID that accrued with respect to that DOI income, during the income deferral period. In this case, the taxpayer must deduct the aggregate amount of the OID deductions disallowed ratably over a 5 year period, beginning with the period in which the income is includible in federal adjusted gross income.

Arizona did not adopt the federal provisions requiring a taxpayer to defer the OID deduction in cases where the taxpayer federally deferred the DOI income under I.R.C. § 108(i). For Arizona purposes, you were required to add the amount of deferred DOI income to Arizona income on the return filed for the year in which you reacquired the debt instrument. Since Arizona is taxing the federally deferred DOI income for 2009 or 2010 on your 2009 or 2010 Arizona return, you may subtract the amount of OID that accrued during the taxable year with respect to that DOI income. On line C29, enter the amount of any OID that was deferred and not allowed to be deducted in computing your federal adjusted gross income for 2011 under I.R.C. § 108(i).

Q. Other Adjustments

Other special adjustments may be necessary. Call one of the numbers listed on the back cover if any of the following apply.

- You are a qualified defense contractor that elected to amortize under Arizona Revised Statutes section 43-1024.
- You sold or disposed of property that was held for the production of income and your basis was computed under the Arizona Income Tax Act of 1954.
- You were an Arizona resident before December 31, 1975, and you are receiving IRA distributions from your IRA account to which you made contributions before December 31, 1975.
- You were an Arizona resident before December 31, 1975, and you are receiving distributions from your qualified self-employment retirement plan to which you made contributions before December 31, 1975.
- You deferred exploration expenses determined under Internal Revenue Code section 617 in a taxable year ending before January 1, 1990, and you have not previously taken a subtraction for those expenses.

Line C30 - Total Subtractions

Add lines C17 through C29. Enter the total here and on the front of your return on line 14.

Line D31 - Last Name(s) Used in Prior Years

Use line D31 if the last name that you are using on this return is not the same as the last name you used on returns filed for the last 4 years. On line D31, enter any other last name(s) that you used when filing your return during the last 4 years.

Totaling Your Income

Line 12 - Federal Adjusted Gross Income

You must complete your federal return before you enter an amount on line 12. You must complete a 2011 federal return to determine your federal adjusted gross income even if not filing a federal return.

Arizona uses federal adjusted gross income as a starting point to determine Arizona taxable income. Your federal adjusted gross income is your Arizona gross income.

NOTE: Be sure to use your federal adjusted gross income and not your federal taxable income.

If the amount on line 12 is more than \$75,000 (\$150,000 if filing a joint return), you may need to make estimated payments. See "Do You Need to Make Estimated Payments" instructions on page 3.

Line 13 - Additions to Income

Enter the amount from page 2, line B12.

Line 14 - Subtractions From Income

Enter the amount from page 2, line C17 or line C30.

Figuring Your Tax

Line 16 - Itemized or Standard Deductions

You must decide whether to take the standard deduction or to itemize your deductions. Your Arizona income tax will be less if you take the larger of your standard deduction or your itemized deductions.

When you *e-File*, the software completes the math for you.

Your Standard Deduction

If you take the standard deduction, check box 16S.

If your filing status is:	Your standard deduction is:
• Single	\$4,703
Married filing separately	\$4,703
Married filing jointly	\$9,406
Head of household	\$9,406

Your Itemized Deductions

You may claim itemized deductions on your Arizona return even if you take a standard deduction on your federal return. For the most part, you may claim those deductions allowable as itemized deductions under the Internal Revenue Code. In some cases, the amount allowed for some deductions may not be the same as the amount allowable for federal purposes. You may have to adjust the amounts shown on your completed federal Form 1040, Schedule A. See Form 140 Schedule A, *Itemized Deduction Adjustments* to figure if you have to make any adjustments.

To figure your itemized deductions, you must complete a federal Form 1040, Schedule A. Then, if required, complete Form 140 Schedule A, *Itemized Deduction Adjustments*. If you do not have to complete Form 140 Schedule A, *Itemized Deduction Adjustments*, enter the amount from federal Form 1040, Schedule A, on Form 140, line 16.

NOTE: If you itemize, you must attach a copy of the completed federal Schedule A to your Arizona return. If itemizing, check box **16**I.

Line 17 - Personal Exemptions

The amount you may claim as a personal exemption depends on your filing status. If married, the amount you may claim as a personal exemption also depends on whether you or your spouse claim dependents. You may use the chart below to figure your personal exemption. If married, you may also use Form 202 to figure your personal exemption.

	Personal Exemption Chart						
If	you checked filing status:	Enter:					
•	Single (Box 7)	\$2,100					
•	Married filing joint return (Box 4) and claiming no dependents (Box 10)	\$4,200					
•	Married filing joint return (Box 4) and claiming at least one dependent (Box 10 excluding persons listed on Page 2, line A3a)	\$6,300					
•	Head of household and you are not married (Box 5)	\$4,200					
•	Head of household and you are a married person who qualifies to file as head of household (Box 5)	\$3,150, Or Complete Form 202 Personal Exemption Allocation Election.					
•	Married filing separately (Box 6) with neither spouse claiming any dependents (Box 10)	\$2,100, Or Complete Form 202 Personal Exemption Allocation Election.					
•	Married filing separately (Box 6) with one spouse claiming at least one dependent (Box 10 excluding persons listed on Page 2, line A3a)	\$3,150, Or Complete Form 202 Personal Exemption Allocation Election.					

A married couple who does not claim any dependents may take one personal exemption of \$4,200. If the husband and wife file separate returns, either spouse may take the entire \$4,200 exemption, or the spouses may divide the \$4,200 between them. You and your spouse must complete Form 202 if either you or your spouse claim a personal exemption of more than \$2,100. If you and your spouse do not complete Form 202, you may take an exemption of only \$2,100 (one-half of the total \$4,200).

A married couple who claims at least one dependent may take one personal exemption of \$6,300. If the husband and wife file separate returns, either spouse may take the entire \$6,300 exemption, or the spouses may divide the \$6,300 between them. You and your spouse must complete Form 202 if either you or your spouse claim a personal exemption of more than \$3,150. If you and your spouse do not complete Form 202, you may take an exemption of only \$3,150 (one-half of the total \$6,300).

If you are a married person who qualifies to file as a head of household, you may take the entire \$6,300 personal exemption or you may divide the exemption with your spouse. You and your spouse must complete Form 202 if either you or your spouse claim a personal exemption of more than \$3,150. If you and your spouse do not complete Form 202 you may take an exemption of only \$3,150 (one-half of the total \$6,300).

The spouse who claims more than one-half of the total personal exemption must attach the original Form 202 to his or her return. The spouse who claims less than one-half of the total personal exemption must attach a copy of the completed Form 202 to his or her return.

- 1. You are deducting medical and dental expenses.
- 2. You are claiming a federal credit (from federal Form 8396) for interest paid on mortgage credit certificates.

Line-by-Line Instructions

Lines 1 through 6

NOTE: *Skip lines 1 through 6 if you are not deducting medical and dental expenses.*

In most cases, the deduction allowed on the Arizona return will be larger than the deduction allowed on the federal return. On your Arizona return, you do not have to reduce your medical expenses by a percentage of your federal adjusted gross income.

Complete lines 1 through 6 if you are deducting medical and dental expenses. In most cases, you may deduct more medical expenses on your Arizona return than you can deduct on your federal return. Complete lines 1 through 6 to deduct those expenses that were less than 7.5% of your federal adjusted gross income. Also complete lines 1 through 6 if you had an MSA.

Line 1

Enter the total of your medical and dental expenses. Do not include any expenses that were paid by insurance or other sources. Do not reduce the amount you enter on line 1 by amounts paid from an MSA.

Do not include insurance premiums you paid through an employer-sponsored health insurance plan (cafeteria plan) unless your employer included the premiums in Box 1 of your Form W-2. Also do not include any other medical and dental expenses paid by the plan unless your employer included the amount paid in Box 1 of your Form(s) W-2. If you are self-employed, do not include any amount that you paid for health insurance that you deducted in computing your federal adjusted gross income.

For details about what types of expenses you may deduct, see federal Form 1040, Schedule A.

Line 2

Enter any amount of medical and dental expenses included on line 1 that were paid from your MSA.

Complete lines 3 through 6 as instructed on the form. Line 7

NOTE: *Skip line 7 if you are not claiming a credit for interest paid on mortgage credit certificates on your federal return.*

If you claimed this credit on your federal return (using Form 8396), you may deduct the amount of mortgage interest you paid in 2011 that is equal to the amount of that credit. Enter the amount of that interest here.

Lines 8 through 12

NOTE: *Skip lines 8 through 12 if you are not deducting gambling losses.*

You may deduct wagering losses only to the extent of your wagering gains. You must complete lines 8 through 12 if both of the following apply:

- 1. You took a subtraction for Arizona lottery winnings; and
- 2. You are claiming a deduction for gambling losses.

Complete lines 8 through 12 as instructed on the form.

In that case, your request must be postmarked on or before the business day following that Saturday, Sunday, or legal holiday. If you are a calendar year filer, your request for a 2011 filing extension must be postmarked on or before April 17, 2012. Arizona will grant an automatic six-month extension to individuals filing Forms 140, 140A, 140EZ, 140NR, 140PY, 140PTC or 140ET. Arizona will accept a valid federal extension for the period covered by the federal extension. This includes the automatic six-month individual federal filing extension.

• If you *are* sending a payment with this request, mail to Arizona Department of Revenue, PO Box 29085, Phoenix, AZ 85038-9085.

• If you are **not** sending a payment with this request, mail to Arizona Department of Revenue, PO Box 52138, Phoenix, AZ 85072-2138.

Use of Form 204

Leave the paper behind and e-file your Arizona extension request. Visit www.azdor.gov for e-file requirements.

Use Form 204 to apply for an extension of time to file an Arizona Form 140, 140A, 140EZ, 140ET, 140PTC, 140PY, or 140NR.

If you are using Form 204 to request a filing extension for a composite return, enter the partnership's or S corporation's EIN in the area designated for an individual's SSN.

Individuals use this form to apply for an automatic six (6) month extension.

Also use Form 204 to remit an extension payment whether you are requesting an Arizona extension or using a valid federal extension. However, if you are filing under a federal extension, but making an electronic extension payment or making an extension payment using a credit card, you do not need to send in Form 204.

Arizona will accept your federal extension for the period covered by the federal extension.

When to File

For 2011, you must file Form 204 by April 17, 2012 (or by the original due date of your return).

Complete Form 204 to request an automatic six (6) month extension. Mark your envelope "Extension Request."

If you are not sending a payment with your request, mail the request to: Arizona Department of Revenue, PO Box 52138, Phoenix AZ 85072-2138.

If you are sending a payment with this request, mail the request to: Arizona Department of Revenue, PO Box 29085, Phoenix AZ 85038-9085.

The department will not return a copy of the Form 204 to you. Be sure to keep a copy of the completed Form 204.

An extension does not extend the time to pay your tax. You must still pay your tax liability by April 17 (or by the original due date of your return). If you do not pay at least 90% of the tax liability (both income tax and use tax) disclosed by your return by the return's original due date, you will be subject to the extension underpayment penalty. We charge interest from the original due date to the date of payment.

Extension Underpayment Penalty: We impose this penalty if you do not pay at least 90% of the tax liability shown on your return filed under an extension by the return's original due date. The extension underpayment penalty is $\frac{1}{2}$ of 1% (.005) of the tax (both income tax and use tax) not paid for each 30 day period or fraction of a 30 day period. We impose this penalty from the original due date of the return until you pay the tax. The extension underpayment penalty cannot exceed 25% of the unpaid tax. If we charge you the extension underpayment penalty, we will not charge you the late payment penalty under Arizona Revised Statutes section 42-1125.D.

Nonresident Aliens

The due date for your Arizona return is not the same as the due date for your federal return. Your Arizona return is due by April 17 even though your federal return is due on June 15. If you want to file your Arizona return after April 17, you must ask for a filing extension. You must file this request by April 17. Arizona will allow up to a 6-month

extension. This will allow you to file your return by October 15, 2012.

If you have a federal 6-month extension, you can file your Arizona return under that extension. If you file using your federal extension, Arizona will also allow you an extra 6 months. Because we will allow only 6 months, the due date for your Arizona return is not the same as the due date for your federal return. In this case, your Arizona return will be due by October 15 even though your federal return will not be due until December 15. If you file your 2011 Arizona calendar return after October 15, 2012, your return will be late.

Making Your Payment

Individuals may make extension payments by check, electronic check, money order, or credit card. Partnerships or S corporations making an extension payment on behalf of nonresidents participating in the filing of a composite return must make those payments by check or money order.

Check or money order

If paying by check or money order, make your check or money order payable to Arizona Department of Revenue. Write your **SSN** and **2011 extension** on the **front** of your check or money order. Attach your check to the front of Form 204 where shown.

Electronic payment from your checking or savings account

You can make an electronic payment from your checking or savings account to pay your balance due for 2011. There is no fee to use this method. To make an electronic payment, go to www.aztaxes.gov click on the "Make a Payment" link. The "E-Check" option in the "Payment Method" drop-down box will debit the amount from the checking or savings account that you specify. If you make an electronic payment from your checking or savings account, you will receive a confirmation number. **Please keep this confirmation number as proof of payment**.

NOTE: You may not make an electronic payment from your checking or savings account if the payment will ultimately be coming from a foreign account. In this case, you must pay by check or money order.

Credit card payment

You can pay with your Visa, MasterCard, Discover, or American Express credit card. Go to www.aztaxes.gov click on the "Make a Payment" link and choose the credit card option. This will take you to a third party vendor site. The provider **will charge** you a convenience fee based on the amount of your tax payment. The service provider will tell you what the fee is during the transaction; you will have the option to continue or cancel the transaction. If you complete the credit card transaction, you will receive a confirmation number. **Please keep this confirmation number as proof of payment.**

Instructions Before Mailing

Make sure that you have completed all the information requested on the **front** of the form.

To avoid an extension underpayment penalty, make sure you pay at least 90% of your Arizona tax liability.

Over 100,000 eligible Arizona families failed to receive thousands of dollars in tax credits because they did not file a tax return. You may qualify for these special credits when you file your state and federal taxes.

Line 28 - Clean Elections Fund Tax Credit

NOTE: An amount entered on Form 140, page 1, line 23 does not qualify for the credit. Do not include that amount here. For the purpose of this credit, that amount is not a donation.

If you made a donation to the Citizens Clean Elections Fund, you may take a credit for that gift.

For 2011, you may claim a credit for:

- Donations made directly to the fund during 2011.
- A donation made to the fund on your 2010 income tax return that you filed in 2011.

You may not claim a credit on the 2011 return for a donation made to the fund on your 2011 return. If you make a donation to the fund with your 2011 return, that you file in 2012, you may claim a credit for that donation on your 2012 return.

Line 29 – Balance of Income Tax

Subtract lines 25, 26 and 28 from line 24. Enter the result. If the sum of lines 25, 26 and 28 is more than line 24, enter "0" here.

Line 30 - Unpaid Arizona Use Tax

Use line 30 to report any use tax that you owe from out-ofstate purchases that you made in 2011. Enter an amount on line 30 to report your use tax only if all of the following apply.

- 1. The items you bought were not for business purposes.
- 2. You stored, used or consumed the item in Arizona.
- 3. You are not a registered retailer.

For example, you may have bought goods from a catalogue or from the Internet. You may have purchased items costing more than \$200, while traveling outside of the U.S. If you made any out-of-state purchase during 2011 and paid **no** sales tax on that purchase, you must complete the use tax worksheet. You should keep your receipts or invoices for your out-of-state purchases.

Some items are exempt from use tax. For example, you do not have to pay use tax on any of the following items:

- Prescription drugs
- Prescription eyeglasses
- Contact lenses
- Hearing aids

Other items may also be exempt from use tax. To find out more about use tax and items exempt from use tax, see our brochure, *Pub 610, Use Tax.* To see this brochure, visit our web site at www.azdor.gov and click on publications.

If you did not make any out-of-state purchases during 2011, you do not owe any use tax. In this case, enter "0" on line 30.

Arizona's Use Tax

Arizona's use tax has been part of our tax laws since 1955. Every state with a sales tax also has a use tax. When Arizona shoppers buy from out-of-state sellers who do not collect tax, this puts in-state sellers at a disadvantage. The use tax puts all retailers on a level playing field.

What if I Have Already Paid Tax on My Out-of-State Purchase?

If you have paid sales tax to another state on the purchase, or if you have already paid your Arizona use tax, then you should enter "0" on line 30.

Use Tax Worksheet

Complete the following worksheet to figure your unpaid use tax.

	Use Tax Worksheet	
1.	Taxable Purchases	
2.	Arizona use tax rate	.066
3.	Multiply line 1 by the decimal on line 2. Enter the result here.

A postage meter postmark will not qualify as a timely postmark. *Only a postmark from the U.S. Post Office will qualify.* You may also use certain private delivery services designated by the IRS to meet the "timely mailing as timely filed" rule.

How Long To Keep Your Return

You must keep your records as long as they may be needed for the administration of any provision of Arizona tax law. Generally, this means you must keep records that support items shown on your return until the period of limitations for that return runs out. The period of limitations is the period of time in which you can amend your return to claim a credit or refund or the department can assess additional tax. A period of limitations is the limited time after which no legal action can be brought. Usually, this is four years from the date the return was due or filed.

In some cases, the limitation period is longer than four years. The period is six years from when you file a return if you underreport the income shown on that return by more than 25%. The department can bring an action at any time if a return is false or fraudulent, or you do not file a return. To find out more about what records you should keep, get federal Publication 552.

Where's My Refund?

If you e-filed, you can expect your refund within 2 weeks of the date you filed. If you filed a paper return, you can expect your refund within 12 weeks of the date you filed. You can check on your refund by visiting www.azdor.gov and clicking on "Where's my refund?" If you have not received your refund within the noted time frames, you may call one of the numbers listed on the back cover. Before you call, be sure to have a copy of your 2011 tax return on hand. You will need to know your SSN, your filing status and your 5-digit zip code.

Calling the Department

Your tax information on file with the department is confidential. If you want the department to discuss your tax matters with someone other than yourself, you must authorize the department to release confidential information to that person. You may use Form 285 to authorize the department to release confidential information to your appointee. See Form 285 for details.

HOW MUCH INCOME CAN YOU HAVE AND PAY NO TAXES?

You still have to file a return, but you pay no taxes if your income is less than the levels shown in the chart below. **For purposes of this chart**, "income" means Arizona adjusted gross income plus the dependent exemption claimed (Form 140, page 1, line 15 plus the amount on Form 140, page 2, line C15; or Form 140A, page 1, line 18, plus the amount on Form 140A, page 1, line 15, or Form 140EZ, page 1, line 6). *To rely on this chart, you must claim the family income tax credit if you are qualified*.

2011 Optional Tax Tables

If your taxable income is less than \$50,000, use the Optional Tax Tables. If your taxable income is \$50,000 or more, use Tax Table X or Y. Also, if your taxable income is \$50,000 or more, you cannot use Form 140EZ or Form 140A to file for 2011. In this case, you must file using Form 140.

 To Find Your Tax:
 Read down the income column until you find your taxable income shown on Form 140, line 18. Read across until you find your filing status as shown on Form 140. Enter the tax on Form 140, line 19.

 Single or
 Married

Example: Mr. and Mrs. Timely are filing a joint return. Their taxable income on Form 140, line 18 is \$19,360. First, they find the \$19,350-\$19,400 income line. Next they find the column for married filing jointly and read down the column. The amount shown where the income lines and filing status column meet is \$502. This is the tax amount they must write on Form 140, line 19.
