#### **CAUTION**

The federal adjusted gross income that you use on your Arizona return may not be the same as the federal adjusted gross income from your federal tax return. Also, the federal Schedule A deductions used on the Arizona return may be different from the federal Schedule A deductions taken on your federal return.

Each year the Arizona State Legislature considers if they will adopt changes made to the federal tax law during the prior year. These forms assume the

Legislature will adopt all federal law changes made after January 1, 2016. If you use the amounts from your 2016 federal tax return to complete your Arizona return and the Legislature does not adopt the 2016 federal changes, you may have to amend your return at a later date for any difference between Arizona and federal law. For more details, visit **www.azdor.gov** and click on the link for 2016 conformity.

#### **Notice**

As a rule, the starting point for your Arizona return is your federal adjusted gross income. To take itemized deductions, you must start with the amount shown on the federal Schedule A. This is the case for 2016, except for changes Congress made to the federal tax code during 2016 and the following apply.

1. The changes affect how you figure your federal adjusted gross income.

#### AND/OR

2. The changes affect how you figure your itemized deductions.

When federal changes are made, Arizona legislature must adopt those changes if the Arizona starting points are to be kept the same. The legislature will address this issue when it is in session during 2017. We must publish these forms before this issue will be addressed by the legislature. When we went to print, Arizona had not yet adopted any federal tax law changes made after January 1, 2016.

What does this mean to you? It means that if any of the federal law changes made in 2016 apply to your 2016 return, you can opt to file your 2016 return using one of the following methods.

- 1. You can wait and file your 2016 return after this issue has been addressed.
  - To do this, you may need to ask for a filing extension. You must pay 90% of the tax due by the due
    date of the return before any extension.
- 2. You can file your 2016 return assuming that the federal law changes will be adopted. The 2016 tax forms make this assumption.

#### If you opt for method 2, one of the following will apply.

- If Arizona adopts those changes, you do not have to do anything more.
- If Arizona does not adopt all those changes, you may need to amend your 2016 Arizona return. Your amended return will have to show the difference between the Arizona law and the federal law. If this happens, we will post more details on our Conformity to IRC webpage. To view this page go to <a href="http://www.azdor.gov">http://www.azdor.gov</a> and click on Legal Research on the left side, then click on Conformity to IRC. Generally, no penalties or interest will be assessed on these amended returns, if you follow the Department's instructions and pay any tax due when you file your original 2016 return and you file and pay the required amended return by the extended due date of your 2017 return.
- **3.** You can file your 2016 return assuming that we will not adopt the federal law changes. If you opt for this method, you will have to do the following.
  - You will have to research all of the federal changes made after January 1, 2016.
  - You will have to figure out if any of those changes apply to you.
  - You will have figure out how to make adjustments for those changes on your return.

#### If you opt for method 3, one of the following will apply.

- If Arizona does not adopt those changes, you do not have to do anything more.
- If Arizona adopts those changes, you may need to amend your 2016 Arizona return. Your amended return will have to show the difference between what you reported and what you should have reported. If this happens, we will post more details on our Conformity to IRC webpage. To view this page go to <a href="http://www.azdor.gov">http://www.azdor.gov</a> and click on Legal Research on the left side, then click on Conformity to IRC.

#### Due date for calendar year filers

Because April 15, 2017, falls on a Saturday and District of Columbia Emancipation Day will be observed on Monday, April 17, 2017, you have until Tuesday, April 18, 2017, to file your income tax return.

### 2016 Individual Income Tax Brackets Adjusted for Inflation

For 2016, the individual income tax brackets have been adjusted for inflation.

#### 2016 Arizona Standard Deduction

#### **Subtraction for Arizona Bonus Depreciation**

## Credit for Contributions made to Qualifying Charitable Organizations [Arizona Forms 321 and 352 (new for 2016)]

The laws providing for a credit for contributions made to qualifying Charitable Organizations have been amended. For tax years beginning from and after December 31, 2015:

- Donations to qualifying charitable organizations and donations to qualifying foster care organizations will be claimed as *separate* credits with separate limitations for each, rather than combined limitations.
  - Donations to qualifying charitable organizations (not including the qualifying foster care charitable organizations) will still be claimed on Arizona Form 321, Credit for Contributions to Qualifying Charitable Organizations.

For 2016, the maximum current year's credit is:

- \$400 for single or head of household
- \$800 for married filing joint
- Donations to qualifying foster care charitable organizations will now be claimed on Arizona Form 352, Credit for Contributions to Qualifying Foster Care Charitable Organizations.

For 2016, the maximum current year's credit is:

- \$500 for single or head of household
- \$1,000 for married filing joint
- Credit eligible contributions made to a qualifying charitable organization or a qualifying foster care charitable organization that are made on or before the 15th day of the fourth month following the close of the taxable year may be applied to either the current or the

preceding taxable year and is considered to have been made on the last day of that taxable year. For example, a taxpayer who files a 2016 calendar year end tax return may claim qualifying contributions made between January 1, 2017 and April 18, 2017 on either the 2016 or 2017 income tax return.

**NOTE:** Because calendar year filers have until April 18, 2017, to file their 2016 tax return, these taxpayers also have until April 18, 2017, to make qualifying contributions and claim these credits on their 2016 return.

• If you have a carryover amount from a prior year for cash contributions made to a qualifying foster care charitable organization for which you claimed a credit on Form 321, you **must** claim the carryover amount on Form 321. Do not claim any carryover amount on Form 352 from contributions made to qualifying foster care charities and claimed on Form 321 in prior years.

#### Credit for Contributions Made or Fees Paid to <u>Public</u> Schools (Arizona Form 322)

The law providing for a credit for contributions made or fees paid to a public school by a taxpayer or on behalf of a taxpayer was amended to allow a taxpayer to claim a credit for contributions made or fees paid to a public school for extracurricular activities which may or may not require an enrolled student to pay fees to participate in a qualifying extracurricular activity. For more information on what qualifies as an extracurricular activity for the purpose of this credit, see Form 322.

Recent legislation also expanded what qualifies as an extracurricular activity. Beginning 2016, contributions made or fees paid for cardiopulmonary resuscitation training qualify for this credit. For more information, see Form 322.

For 2016 taxable years, the credit also includes costs for the production of solar liquid fuel in this state in commercial quantities, and for costs incurred during the taxable year to

convert or modify existing motor vehicle fuel service stations for the retail sale of solar liquid fuel to customers. For more information, see Arizona Form 344.

## Credit for Contributions Made to Certified School Tuition Organization (Arizona Form 348)

- You are not making voluntary gifts through means of a refund check-off.

- Your Arizona taxable income is less than \$50,000, regardless of your filing status.
- The **only** tax credits you are claiming are the:
  - Family Income Tax credit, and/or
  - Increased Excise Tax Credit

**NOTE:** Do not use Form 140EZ if you are an active duty military member. You may subtract all of your active duty military pay included in your federal adjusted gross income, but you cannot do this on Form 140EZ. To take this subtraction, you must file your 2016 return using Arizona Form 140. For more information, see Form 140 instructions.

#### Do You Have to File?

Arizona Filing Requirements These rules apply to all Arizona taxpayers										
You must file if you are:	and your Arizona adjusted gross income is at least:	or your gross income is at least:								
• Single	\$ 5,500	\$15,000								
Married filing joint	\$11,000	\$15,000								
Married filing separate	\$ 5,500	\$15,000								
Head of household	\$ 5,500	\$15,000								

If you are an Arizona resident, you must report income from **all** sources. This includes out-of-state income.

To see if you have to file, figure your gross income the same as you would figure your gross income for federal income tax purposes. Then, you should exclude income Arizona law does not tax.

Income Arizona law does not tax includes the following:

- interest from U.S. Government obligations,
- social security retirement benefits received under Title II of the Social Security Act,
- benefits received under the Railroad Retirement Act, tier 1 or tier 2 railroad retirement benefits, railroad disability benefits reported on federal forms RRB-1099 and RRB-1099-R, railroad unemployment benefits and railroad sickness payments paid by the Railroad Retirement Board, or
- pay received for service as a member of the Reserves, National Guard or the U.S. Armed Forces

If you use this form, your Arizona adjusted gross income is the same as your federal adjusted gross income that you entered on line 6.

**NOTE:** Even if you do not have to file, you must still file a return to get a refund of any Arizona income tax withheld.

## Do You Have to File if You Are an American Indian?

You must file if you meet the Arizona filing requirements unless **all** the following apply to you:

- You are an enrolled member of an Indian tribe.
- You live on the reservation established for that tribe.
- You earned all of your income on that reservation.

Enrolled members of American Indian tribes that must file a return may subtract wages earned while living and working on their tribe's reservation. If you are eligible to subtract these wages, you must file Arizona Form 140. In this case, do not file Form 140EZ.

For more information on the Arizona tax treatment of American Indians, see the department's ruling is ITR 96-4, *Income Taxation of Indians and Spouses*.

## Do You Have to File if You Are the Spouse of an American Indian and You Are Not an Enrolled Indian?

You must file if you meet the Arizona filing requirements. For more information on the tax treatment of spouses of American Indians, see the department's ruling, ITR 96-4, *Income Taxation of Indians and Spouses*.

#### Do You Have to File if You Are in the Military?

You must file if you meet the Arizona filing requirements unless **all** the following apply to you:

- You are an active duty member of the United States armed forces.
- Your only income for the taxable year is pay received for active duty military service.
- There was no Arizona tax withheld from your active duty military pay.

If Arizona tax was withheld from your active duty military pay, you must file an Arizona income tax return to claim any refund you may be due from that withholding.

You must also file an Arizona income tax return if you have any other income besides pay received for active duty military service.

If you are an Arizona resident and you have to file an Arizona return, you should file using Form 140. If you were an Arizona resident when you entered the service, you remain an Arizona resident, no matter where stationed, until you establish a new domicile.

As an Arizona resident, you must report all of your income, no matter where stationed. You must include your military pay, but using Form 140, you may subtract all pay received for active duty military service; to the extent it is included in your federal adjusted gross income.

If you are **not** an Arizona resident, but stationed in Arizona, the following applies to you:

- You are not subject to Arizona income tax on your military pay.
- You must report any other income you earn in Arizona. Use Arizona Form 140NR, *Nonresident Personal Income Tax Return*, to report this income.

To find out more, see the department's publication, Pub. 704, *Taxpayers in the Military*.

#### **Residency Status**

If you are not sure if you are an Arizona resident for state income tax purposes, we may be able to help. For help on determining residency status, see the department's procedure, ITP 92-1, *Procedure For Determining Residency Status*.

#### Residents

You are a resident of Arizona if your domicile is in Arizona. Domicile is the place where you have your permanent home. It is where you intend to return if you are living or working temporarily in another state or country. If you leave Arizona for a temporary period, you are still an Arizona resident while gone. A resident is subject to tax on all income no matter where the income is earned.

#### **Part-Year Residents**

If you are a part-year resident, you must file Arizona Form 140PY, *Part-Year Resident Personal Income Tax Return*. You are a part-year resident if you did either of the following during 2016:

- You moved into Arizona with the intent of becoming a resident.
- You moved out of Arizona with the intent of giving up your Arizona residency.

#### **Nonresidents**

If you are a nonresident, you must file Arizona Form 140NR, *Nonresident Personal Income Tax Return*.

#### What if a Taxpayer Died?

If a taxpayer died before filing a return for 2016, the taxpayer's spouse or personal representative may have to file and sign a return for that taxpayer. A personal representative can be an executor, administrator, or anyone who is in charge of the deceased taxpayer's property.

If the deceased taxpayer did not have to file a return but had tax withheld, a return must be filed to get a refund.

The person who files the return should use the form the taxpayer would have used. The person who files the return should print the word "deceased" after the decedent's name in the address section of the form. Also enter the date of death after the decedent's name.

If your spouse died in 2016 and you did not remarry in 2016, or if your spouse died in 2017 before filing a return for 2016, you may file a joint return. If your spouse died in 2016, the joint return should show your spouse's 2016 income before death and your income for all of 2016. If your spouse died in 2017, before filing the 2016 return, the joint return should show all of your income and all of your spouse's income for 2016. Print "Filing as surviving spouse" in the area where you sign the return. If someone else is the personal representative, he or she must also sign the return.

#### Are Any Other Returns Required?

You may also have to file a fiduciary income tax return (Form 141AZ). For details about filing a fiduciary income tax return, call the department at (602) 255-3381.

#### Claiming a Refund for a Deceased Taxpayer

If you are claiming a refund for a deceased taxpayer, you **must** complete Arizona Form 131, *Claim for Refund on Behalf of Deceased Taxpayer*. Place this form on top of the return.

#### What Are the Filing Dates and Penalties?

#### When Should You File?

Your 2016 calendar year tax return is due no later than midnight, April 18, 2017. File your return as soon as you can after January 1, but no later than April 18, 2017.

**NOTE:** Because April 15, 2017, falls on a Saturday, and District of Columbia Emancipation Day will be observed on April 17, 2017, you have until Tuesday April 18, 2017, to file your return.

#### What if You Cannot File on Time?

You may request an extension if you know you will not be able to file on time.

**NOTE:** An extension does not extend the time to pay your income tax. For details, see the instructions for Arizona Form 204.

#### To get a filing extension, you can either:

- 1. Apply for a state extension (Arizona Form 204). To apply for a state extension, file Arizona Form 204 by April 18, 2017. See Form 204 for details. You do not have to include a copy of the extension with your return when you file, but make sure that you check box 82F on page 1 of the return. If you must make a payment, use Form 204, or visit www.AZTaxes.gov to make an electronic payment; or
- 2. You may use your federal extension (federal Form 4868). File your Arizona return by the same due date. You do not have to include a copy of your federal extension with your return, but make sure that you check box 82F on page 1 of the return.

**NOTE:** Because October 15, 2017, falls on a Sunday, you have until October 16, 2017, to file your return.

## When Should You File if You Are a Nonresident Alien?

The due date for your Arizona return is not the same as the due date for your federal return. Your Arizona return is due by April 18, 2017, even though your federal return is due on June 15, 2017. If you want to file your Arizona return after April 18, 2017, you must ask for a filing extension. You must file this request by April 18, 2017. Arizona will allow up to a 6-month extension. This will allow you to file your return by October 16, 2017. See Form 204 for extension filing details.

If you have a federal 6-month extension, you can file your Arizona return under that extension. If you file using your federal extension, Arizona will also allow you an extra 6 months.

Because we will allow only 6 months, the due date for your Arizona return is not the same as the due date for your federal return. In this case, your Arizona return will be due by October 16, 2017, even though your federal return will not be due until December 15, 2017. If you file your 2016 Arizona calendar year return after October 16, 2017, your return will be late.

**NOTE:** Because October 15, 2017, falls on a Sunday, you have until October 16, 2017, to file your return.

If you are a fiscal year filer, your return is due on the 15th day of the fourth month following the close of your fiscal year.

#### What if You File or Pay Late?

If you file or pay late, we will charge you interest and penalties on the amount you owe. If the U.S. Post Office postmarks your 2016 calendar year return by April 18, 2017, your return will not be late. You may also use certain private delivery services designated by the IRS to meet the "timely mailing as timely filed" rule. For more information, see "Mailing Your Return" at the end of these instructions.

#### Late Filing Penalty

If you file late, we will charge you a late filing penalty. This penalty is  $4\frac{1}{2}$ % (.045) of the tax required to be shown on the return for each month or fraction of a month the return is late. This penalty cannot exceed 25% (.25) of the tax found to be remaining due.

#### **Late Payment Penalty**

If you pay your tax late, we will charge you a late payment penalty. This penalty is  $\frac{1}{2}$  of 1% (.005) of the amount shown as tax for each month or fraction of a month for which the failure continues. We charge this penalty from the original due date of the return until the date you pay the tax. This penalty cannot exceed a total of 10% (.10) of the unpaid tax.

#### **Extension Underpayment Penalty**

If you file your return under an extension, you must pay 90% of the tax shown on your return by the return's original due date. If you do not pay this amount, we will charge you a penalty. This penalty is  $\frac{1}{2}$  of 1% (.005) of the tax not paid for each 30 day period or fraction of a 30 day period. We charge this penalty from the original due date of the return until the

date you pay the tax. This penalty cannot exceed 25% (.25) of the unpaid tax. If we charge you the extension underpayment penalty, we will not charge you the late payment penalty under Arizona Revised Statutes (A.R.S.) § 42-1125(D).

**NOTE:** If you are subject to two or more of the above penalties, the total cannot exceed 25%.

#### Interest

We charge interest on any tax not paid by the due date. We will charge you interest even if you have an extension. If you have an extension, we will charge you interest from the original due date until the date you pay the tax. The Arizona interest rate is the same as the federal rate.

#### When Should You Amend a Return?

If you need to make changes to your return after you have filed, **do not** file a new return using Form 140EZ for the year you are correcting. You **must** file Arizona Form 140X, *Individual Amended Income Tax Return*. File your amended return after your original return has processed. Generally, you have four years to amend a return to claim a refund.

If you amend your federal return for any year, you must also file an Arizona Form 140X for that year.

If the IRS makes a change to your federal taxable income for any year, you must report that change to Arizona. You must file Form 140X within 90 days of the final determination of the IRS. You may use one of the following two options to report this change.

#### Option 1

You may file a Form 140X for that year. If you choose this option, you must amend your Arizona return within 90 days of the final determination of the IRS. Include a complete copy of the federal notice with your Form 140X.

#### Option 2

You may file a copy of the final federal notice with the department within 90 days of the final determination of the IRS. If you choose this option, you must include a statement in which you must:

- 1. Request that the department recompute your tax.
- 2. Indicate if you agree or disagree with the federal notice.

If you do not agree with the federal notice, you must also include any documents that show why you do not agree.

If you choose option 2, mail the federal notice and any other documents to:

Individual Income Audit Arizona Department of Revenue PO Box 29084 Phoenix, AZ 85038-9084

#### **Line-by-Line Instructions**

#### **Tips for Preparing Your Return**

- Make sure that you write your SSN on your return.
- Complete your return using black ink.
- You **must** round dollar amounts to the nearest whole dollar. If 50 cents or more, round up to the next dollar; if less than 50 cents, round down. Do not enter cents.

- You must complete your federal return before you can start your Arizona return.
- Make sure you include your daytime telephone number.

## Entering Your Name, Address, and SSN Lines 1, 2, and 3 -

Please make sure that you write in your social security number (SSN) on the appropriate line.

Print or type your name, address, and SSN in the space provided. If you are filing a joint return, enter your SSNs in the same order as your names. If your name appears first on the return, make sure your SSN is the first number listed.

If you are a nonresident of the United States or a resident alien who does not have an SSN use the individual taxpayer identification number (ITIN) the IRS issued to you.

**NOTE:** Make sure your SSN is correct. If you are filing a joint return, also make sure you list your SSNs in the same order every year.

Make sure that you enter your SSN on your return. Make sure that all SSNs are clear and correct. You may be subject to a penalty if you fail to include your SSN. It will take longer to process your return if SSNs are missing, incorrect, or unclear. Use your current home address. The department will mail your refund or correspond with you at that address.

For a deceased taxpayer, see page 2 of these instructions.

#### Foreign Addresses

If you have a foreign address, enter the information in the following order: city, province or state, and country. Follow the country's practice for entering the postal code. Do not abbreviate the country name.

#### Last Name(s) Used in Prior Years

If the last name that you or your spouse are using on this return is not the same as the last name you used on returns filed for the last 4 years. Enter any other last name(s) that you or your spouse used when filing your return during the last 4 years.

#### **Identification Numbers for Paid Preparers**

If you pay someone else to prepare your return, that person must also include an identification number where requested.

A paid preparer may use any of the following:

- his or her PTIN,
- his or her SSN, or
- the EIN for the business.

A paid preparer who fails to include the proper identification number may be subject to a penalty.

#### **Your Filing Status**

If you qualify as married for federal purposes, you qualify as married for Arizona purposes and must file using the status of either married filing joint or married filing separate. If you are married and filing a separate return, you cannot use Form 140EZ.

#### **Box 4 - Married Filing Joint Return**

If you are married and filing a joint return, check box 4.

You may file a joint return if you were married as of December 31, 2016. It does not matter whether or not you were living with your spouse. You may file a joint return, even if you and your spouse filed separate federal returns. You may file a joint return if your spouse died during 2016 and you did not remarry in 2016. See page 2 of these instructions for details.

#### **Box 5 - Single Return**

If you are filing as single, check box 5.

Use this filing status if you were single on December 31, 2016. You are single if any of the following apply to you:

- You have never been married.
- You are legally separated under a decree of divorce or of separate maintenance.
- You were widowed before January 1, 2016, and you did not remarry in 2016, and you do not qualify to file as a qualifying widow or widower with dependent children on your federal return.

**NOTE:** If you got divorced during the year and need help completing your return, see the department's ruling, ITR 14-2, Reporting Income, Deductions, Exemptions, and Withholding for Divorced Individuals for the Year of Divorce; and publication, Pub. 200, Income Tax Issues Affecting Married and Divorced Taxpayers.

#### Income

#### Line 6 - Federal Adjusted Gross Income

You must complete your federal return before you enter an amount on line 6. You must complete a 2016 federal return to figure your federal adjusted gross income. You must complete a federal return even if you do not have to file a federal return.

Arizona uses federal adjusted gross income as a starting point to determine Arizona taxable income. Your federal adjusted gross income is your Arizona gross income.

**NOTE:** Be sure to use your federal adjusted gross income and not your federal taxable income.

#### **Figuring Your Tax**

#### **Line 7 - Standard Deduction and Personal Exemption**

If your filing status is:	Your total standard deduction and personal exemption amount is:
Married filing jointly	\$ 14,389
Single	\$ 7,199

#### Line 9 - Tax Amount

Enter the tax from the Optional Tax Tables.

#### Line 10 - Family Income Tax Credit

*e-file* software will let you know if you are eligible and will figure the credit for you.

**NOTE:** The family income tax credit will only reduce your tax and cannot be refunded.

You may take this credit if your income does not exceed the maximum income allowed for your filing status.

If you are married filing a joint return with no dependents, you may take this credit if the amount on Form 140EZ, line 6, is \$20,000 or less.

If you are single with no dependents, you may take this credit if the amount on Form 140EZ, line 6, is \$10,000 or less. You may qualify for this credit even if your parents can claim you as a dependent on their income tax return. To figure your credit, complete the following worksheet.

Enter the Arizona income tax withheld shown on the Form(s) W-2 from your employer. Include the Form(s) W-2 after the last page of your return.

**NOTE:** You should receive your Form(s) W-2 no later than January 31. If you did not receive a Form W-2 or you think your Form W-2 is wrong, contact your employer.

#### Line 13 - 2016 Arizona Extension Payment (Form 204)

Use this line to report the payment you sent with your extension request or the electronic extension payment you made using www.AZTaxes.gov.

#### Line 14 - Increased Excise Tax Credit

You may take this credit if you meet all of the following:

- You have a SSN that is valid for employment.
- You meet the income threshold for your filing status.
  - If you are married filing a joint return, you may take this credit if the amount on Form 140EZ, page 1, line 6, is \$25,000 or less.
  - If you are single, you may take this credit if the amount on Form 140EZ, page 1, line 6, is \$12,500 or less
- You are not claimed as a dependent by any other taxpayer.
- You were not sentenced for at least 60 days of 2016 to a county, state or federal prison.

**NOTE:** If you are filing a joint return with your spouse, and your spouse was sentenced for at least 60 days during 2016 to a county, state or federal prison, you may claim the Excise Tax Credit if you otherwise qualify to claim the credit, but you cannot claim the credit for your spouse. If your spouse has a valid SSN, but you do not, neither you nor your spouse can claim this this credit.

For more information about how incarceration affects this credit, see the department's publication, Pub. 709, *Excise Tax Credit – How Does Incarceration Affect Eligibility*. If you are married filing a joint return, you may also claim a credit for your spouse if your spouse has either a valid SSN or an ITIN.

If you also claim a credit for qualifying children, your qualifying children must have either a valid SSN or an ITIN.

To figure your credit, complete the following worksheet.

If you checked no, STOP. You do not qualify for this credit. If you checked yes, complete the rest of this worksheet.		
If you checked filing status 4 (married filing jointly), enter \$50 here. If you checked filing status 5 (single), enter \$25 here. Also enter this amount on Form 140EZ, page 1, line 14.	\$	

**NOTE:** The credit cannot exceed \$100 per household. Do not claim this credit if someone else in your household has already claimed \$100 of the credit. If someone else in your household has claimed less than \$100, you may claim the credit as long as all credit claims filed from your household do not exceed \$100.

#### Line 15 – Total Payments/Credits

Add lines 12 through 14. Enter the total.

#### **Tax Due or Overpayment**

#### Line 16 - Tax Due

If line 11 is more than line 15, subtract line 15 from line 11 and enter the amount of tax due. Skip line 17. You may pay only with a check, electronic check, money order, or credit card.

#### Check or money order

**NOTE:** Include your check or money order with your return. *Do not send cash.* 

Make your check payable to Arizona Department of Revenue. Write your SSN and tax year on the front of your check or money order. The department cannot accept checks or money orders in foreign currency. You must make payment in U.S. dollars.

### Electronic payment from your checking or savings account

You can make an electronic payment from your checking or savings account to pay your balance due for 2016. There is no fee to use this method. To make an electronic payment, go to www.AZTaxes.gov and click on the "Make a Payment" link.

Be sure to enter the correct routing number and account number for your checking or savings account. You will be charged a \$25 NSF (non-sufficient funds) fee if you provide an incorrect routing number or an incorrect account number. Check with your financial institution to get the correct routing and account numbers.

The "E-Check" option in the "Payment Method" drop-down box will debit the amount from the checking or savings account that you specify. If you make an electronic payment from your checking or savings account, you will receive a confirmation number. Please keep this confirmation number as proof of payment.

**NOTE:** You may not make an electronic payment from your checking or savings account if the payment will ultimately be coming from a foreign account. In this case, you must pay by check or money order.

#### Credit card payment

You can pay with your Discover, MasterCard, Visa, or American Express credit card. Go to www.AZTaxes.gov and click on the "Make a Payment" link, and choose the credit card option. This will take you to a third party vendor site (provider). The provider will charge you a convenience fee based on the amount of your tax payment. The provider will tell you what the fee is during the transaction; you will have the option to continue or cancel the transaction. If you complete the credit card transaction, you will receive a confirmation number. Please keep this confirmation number as proof of payment.

#### **Installment Payments**

If you cannot pay the full amount shown on line 16 when you file, you may ask to make monthly installment payments. To make this request, complete Arizona Form 140-IA, *Individual Income Tax Installment Agreement Request*, and mail the completed form to the address on the Form 140-IA. **Do not mail Form 140-IA with your income tax return.** You may obtain this form from our website at www.azdor.gov.

If you cannot pay the full amount shown on line 16, you will be charged interest and may be charged a late payment penalty on the tax not paid by April 18, 2017. To limit the interest and penalty charges, pay as much of the tax as possible when you file.

#### Line 17 - Overpayment/Refund

If line 15 is more than line 11, subtract line 11 from line 15. If you owe money to any Arizona state agency, court, county, incorporated city or town and certain federal agencies, your refund may go to pay some of the debt. If so, the department will let you know by letter.

**TAX TIP:** If you change your address before you get your refund, let the department know. Write to: Refund Desk, Arizona Department of Revenue, PO Box 29216, Phoenix AZ 85038-9216. Make sure that you include your SSN in your letter.

#### **Direct Deposit of Refund**

Complete the direct deposit line if you want us to directly deposit the amount shown on line 17 into your account at a bank or other financial institution (such as a mutual fund, brokerage firm or credit union) instead of sending you a check. Be sure to check the box if the direct deposit will ultimately be placed in a foreign account.

**NOTE**: Check the box on line 17A if the direct deposit will ultimately be placed in a foreign account. If you check box 17A, do not enter your routing or account numbers. If this box is checked, we will not direct deposit your refund. We will send you a check instead.

#### Why Use Direct Deposit?

- You will get your refund fast even faster if you e-file!
- Payment is more secure since there is no check to get lost.
- It is more convenient. No trip to the bank to deposit your check.
- It saves tax dollars. A refund by direct deposit costs less to process than a check.

**NOTE:** We are not responsible for a lost refund if you enter the wrong account information. Check with your financial institution to get the correct routing and account numbers and to make sure your direct deposit will be accepted.

#### **Routing Number**

## MAKE SURE YOU ENTER THE CORRECT ROUTING NUMBER.

The routing number must be nine digits. The first 2 digits must be 01 through 12 or 21 through 32. Otherwise, the direct deposit will be rejected and a check sent instead. On the following sample check, the routing number is 250250025.

Your check may state that it is payable through a financial institution different from the one at which you have your checking account. If so, **do not** use the routing number on that check. Instead, contact your financial institution for the correct routing number to enter here.

#### **Account Number**

## MAKE SURE YOU ENTER THE CORRECT ACCOUNT NUMBER.

The account number can be up to 17 characters (both numbers and letters). **DO NOT** include hyphens, spaces or special symbols. Enter the number from left to right and leave any unused boxes blank. On the sample check, the account number is 20202086. Be sure **not** to include the check number.

**Sample Check** 

Note: The routing and account numbers may be in different places on your check.

**NOTE:** If the direct deposit is rejected, a check will be mailed instead.

#### Sign Your Return

You must sign your return. If married filing a joint return, both you and your spouse must sign, even if only one had income. Form 140EZ is not considered a valid return unless you sign it.

The department cannot send a refund check if you, and your spouse if married filing jointly, fail to sign the return.

#### Instructions Before Mailing

- DO NOT *STAPLE* YOUR RETURN OR ANY SCHEDULE, FORM OR PAYMENT TO YOUR RETURN.
- Make sure your **NAME** is on the return.
- Make sure your **SSN** is on your return.
- Be sure you enter your daytime telephone number in the space provided on the front of your return.
- Check to make sure that your math is correct. A math error can cause delays in processing your return.
- Do not send correspondence with your return.
- Check the boxes to make sure you filled in all required boxes
- Sign your return and have your spouse sign, if filing jointly.
- Include all required documents. Include Form(s) W-2 after the last page of your return.
- Write your SSN and tax year on the front of your check.

The department may charge you \$25 for a check returned unpaid by your financial institution.

#### **Mailing Your Return**

If you are mailing your return, make a copy of your return before mailing. Keep the copy for your records. Be sure that you mail the original and not a copy. **To avoid delays, please use separate envelopes for each return.** 

#### Where Should I Mail My Return?

If you are expecting a refund, or owe no tax, or owe tax but are not sending a payment, mail the return to:

Arizona Department of Revenue PO Box 52138 Phoenix, AZ 85072-2138

If you are **sending a payment** with this return, mail the return to:

Arizona Department of Revenue PO Box 52016 Phoenix, AZ 85072-2016

## Make Sure You Put Enough Postage on the Envelope.

The U.S. Post Office or United States mail service must postmark your return or extension request by midnight April 18, 2017.

The term "United States mail" includes any private delivery service designated by the United States Secretary of the Treasury pursuant to Internal Revenue Code § 7502(f) and the term "postmark" includes any date recorded or marked by any such designated delivery service.

An income tax return that is mailed to the department is timely filed if it is delivered on or before its due date. Additionally, if the envelope or wrapper containing the return sent through the United States mail bears a postmark of the United States mail and that tax return is delivered to the department after its due date that return will be considered timely filed if all of the following apply:

- 1. The return was deposited in an official depository of the United States mail;
- 2. The date of the postmark is no later than the due date;
- 3. The return was properly addressed; and
- 4. The return had proper postage.

If the envelope or wrapper containing a return sent through the United States mail bears a private meter postmark made by other than the United States mail, the return is treated as timely filed if both of the following apply:

- 1. The private meter postmark bears a date on or before the due date for filing; and
- The return is received no later than the time it would ordinarily have been received from the same point of origin by the same class of U.S. postage. If the return is received by the department within five business days of the private meter postmark date the department will consider this requirement satisfied.

You may also use certain private delivery services designated by the IRS to meet the "timely mailing as timely filed" rule.

For more information, see the department's ruling, GTR 16-1, *Timely Filing of Income or Withholding Tax Returns Through the United States Mail.* 

#### **How Long to Keep Your Return**

You must keep your records as long as they may be needed for the administration of any provision of Arizona tax law. Generally, this means you must keep records that support items shown on your return until the period of limitations for that return runs out. The period of limitations is the period of time in which you can amend your return to claim a credit or refund or the department can assess additional tax. A period of limitations is the limited time after which no legal action can be brought. Usually, this is four years from the date the return was due or filed.

In some cases, the limitation period is longer than four years. The period is six years from when you file a return if you underreport the income shown on that return by more than 25% (.25). The department can bring an action at any time if a return is false or fraudulent, or you do not file a return. To find out more about what records you should keep, get federal Publication 552.

#### Where's My Refund?

You can check on your refund by visiting www.azdor.gov or AZTaxes.gov and clicking on "Where's my refund?" or you may call one of the numbers listed on page 1 of these instructions. Before you call, be sure to have a copy of your 2016 tax return on hand. You will need to know your SSN, your filing status and your 5-digit ZIP Code.

#### **Contacting the Department**

Your tax information on file with the department is confidential. If you want the department to discuss your tax matters with someone other than yourself, you must authorize the department to release confidential information to that person. You may use Arizona Form 285, to authorize the department to release confidential information to your appointee. See Form 285 for details.

#### Tax forms, instructions, and other tax information

If you need tax forms, instructions, and other tax information, go to the department's website at www.azdor.gov.

#### Income Tax Procedures and Rulings

These instructions may refer to the department's income tax procedures and rulings for more information. To view or print these, go to our website and click on Legal Research then click on Procedures or Rulings and select a tax type from the drop down menu.

#### **Publications**

To view or print the department's publications, go to our website and click on Publications.

Leave the paper behind and e-file your Arizona extension request.

Visit www.azdor.gov for e-file requirements.

#### Use of Form 204

Use Arizona Form 204 to apply for an extension of time to file an Arizona Form 140, 140A, 140EZ, 140ET, 140PTC, 140PY, or 140NR. Individuals use this form to apply for an automatic six (6) month extension.

If you are using Form 204 to request a filing extension for an Arizona Form 140NR composite return, enter the partnership or S corporation's employer identification number (EIN) in the area designated for an individual's Social Security Number (SSN).

Also, use Form 204 to remit an extension payment whether you are requesting an Arizona extension or using a valid federal extension. However, if you are filing under a federal extension, but making an electronic extension payment or making an extension payment using a credit card, you do not need to mail in Form 204.

Arizona will accept your federal extension for the period covered by the federal extension.

#### **Foreign Address**

If you have a foreign address, enter the information in the following order: city, province or state, and country. Follow the country's practice for entering the postal code. Do not abbreviate the country name.

#### When to File Form 204

All extension requests must be postmarked on or before the original due date of the return, unless the original due date falls on a Saturday, Sunday, or legal holiday.

In that case, your request must be postmarked on or before the business day following that Saturday, Sunday or legal holiday. For more information, see the department's general tax ruling,

GTR 16-2, Timely Filing of Income or Withholding Tax Return - Holidays and Weekends.

For calendar year filers: Because April 15, 2017, falls on a Saturday, and District of Columbia Emancipation Day will be observed on April 17, 2017, you have until Tuesday, April 18, 2017, to file the request for an extension.

Since October 15, 2016, falls on a Sunday, you will have until October 16, 2017, to file your income tax return.

Complete Form 204 to request an automatic six (6) month extension. Mark your envelope "2016 Extension Request."

If you are **sending a payment** with this request, mail the form to:

Arizona Department of Revenue PO Box 29085 Phoenix, AZ 85038-9085

If you are **not** sending a payment with your request, mail the form to:

Arizona Department of Revenue PO Box 52138 Phoenix, AZ 85072-2138

The department will not return a copy of the Form 204 to you. Be sure to keep a copy of the completed Form 204.

An extension does not extend the time to pay your income tax. You must still pay your tax liability by April 18, 2017, (or by the original due date of your return).

NOTE: Because April 15, 2017, falls on a Saturday and District of Columbia Emancipation Day will be observed on April 17, 2017, you have until Tuesday, April 18, 2017, to pay your tax liability.

If you do not pay at least 90% (.90) of the income tax liability disclosed by your return by the return's original due date, you will be subject to the extension underpayment penalty. We charge interest from the original due date to the date of payment.

Extension Underpayment Penalty: We impose this penalty if you do not pay at least 90% (.90) of the income tax liability shown on your return filed under an extension by the return's original due date. The extension underpayment penalty is ½ of 1% (.005) of the income tax not paid for each 30-day period or fraction of a 30-day period. We impose this penalty from the original due date of the return until you pay the tax. The extension underpayment penalty cannot exceed 25% (.25) of the unpaid income tax. If we charge you the extension underpayment penalty, we will not charge you the late payment penalty under Arizona Revised Statutes (A.R.S.) § 42-1125(D).

#### Nonresident Aliens

The due date for your Arizona return is not the same as the due date for your federal return. Your Arizona return is due by April 18, 2017, even though your federal return is due on June 15, 2017. If you want to file your 2016 Arizona return after April 18, 2017, you must ask for a filing extension.

**For Calendar Year Filers:** Because April 15, 2017, falls on a Saturday and District of Columbia Emancipation Day will be observed on April 17, 2017, you have until Tuesday, April 18, 2017, to pay your tax liability.

Arizona will allow up to a 6-month extension. This will allow you to file your return by October 16, 2017.

**NOTE:** Because October 15, 2017, falls on a Sunday, you have until October 16, 2017, to file your return.

If you have a federal 6-month extension, you can file your Arizona return under that extension. If you file using your federal extension, Arizona will also allow you an extra 6 months.

Because we will allow only 6 months, the due date for your Arizona return is not the same as the due date for your federal return. In this case, your Arizona return will be due by October 16, 2017, even though your federal return will not be due until December 15, 2017. If you file your 2016 Arizona calendar year return after October 16, 2017, your return will be late.

#### **Making Your Payment**

Individuals may make extension payments by check, electronic check, money order, or credit card.

Partnerships or S corporations making an extension payment on behalf of nonresidents participating in the filing of an Arizona Form 140NR composite return must make that payment by check or money order.

#### Check or money order

If paying by check or money order, make your check or money order payable to Arizona Department of Revenue.

Write your SSN (or EIN) and 2016 Extension Request on the **front** of your check or money order.

Include your check or money order with Form 204.

## Electronic payment from your checking or savings account

You can make an electronic payment from your checking or savings account to pay your balance due for 2016. There is no fee to use this method. To make an electronic payment, go to www.AZTaxes.gov and click on the "Make a Payment" link.

Be sure to enter the correct routing number and account number for your checking or savings account. You will be charged a \$25 NSF (non-sufficient funds) fee if you provide an incorrect routing number or an incorrect account number. Check with your financial institution to get the correct routing and account numbers.

The "E-Check" option in the "Payment Method" drop-down box will debit the amount from the checking or savings account that you specify. If you make an electronic payment from your checking or savings account, you will receive a confirmation number. Please keep this confirmation number as proof of payment.

**NOTE:** You may not make an electronic payment from your checking or savings account if the payment will ultimately be coming from a foreign account. In this case, you must pay by check or money order.

#### Credit card payment

You can pay with your Visa, MasterCard, Discover, or American Express credit card. Go to www.AZTaxes.gov and click on the "Make a Payment" link and choose the credit card option. This will take you to a third party vendor site (provider). The provider will charge you a convenience fee based on the amount of your tax payment. The provider will tell you what the fee is during the transaction; you will have the option to continue or cancel the transaction. #### **Instructions Before Mailing**

Make sure that you have completed all the information requested on the **front** of the form.

To avoid an extension underpayment penalty, make sure you pay at least 90% (.90) of your Arizona tax liability.

#### HOW MUCH INCOME CAN YOU HAVE AND PAY NO TAXES? EXAMPLES

You still have to file a return, but you pay no taxes if your income is less than the levels shown in the chart below. For purposes of this chart, "income" means Arizona adjusted gross income plus the dependent exemption claimed (Form 140, page 2, line 42 plus the amount on Form 140, page 2, line 40; or Form 140A, page 1, line 17, plus the amount on Form 140A, page 1, line 15; or Form 140EZ, page 1, line 6). To rely on this chart, you must claim the family income tax credit, if you qualify. For purposes of this chart, "income" means Arizona adjusted gross income plus the dependent exemption claimed.

#### **2016 Optional Tax Tables**

If your taxable income is less than \$50,000, use the Optional Tax Tables. If your taxable income is \$50,000 or more, use Tax Table X or Y. Also, if your taxable income is \$50,000 or more, you cannot use Form 140EZ or Form 140A to file for 2016. In this case, you must file using Form 140.

To Find Your Tax: Read down the income column until you find your taxable income shown on Form 140EZ, line 8. Read across until you find your filing status as shown on Form 140A.
