CAUTION

The federal adjusted gross income that you use on your Arizona return may not be the same as the federal adjusted gross income from your federal tax return. Also, the federal Schedule A deductions used on the Arizona return may be different from the federal Schedule A deductions taken on your federal return.

Each year the Arizona State Legislature considers if they will adopt changes made to the federal tax law during the prior year. These forms assume the

Legislature will adopt all federal law changes made after January 1, 2016. If you use the amounts from your 2016 federal tax return to complete your Arizona return and the Legislature does not adopt the 2016 federal changes, you may have to amend your return at a later date for any difference between Arizona and federal law. For more details, visit www.azdor.gov and click on the link for 2016 conformity.

Notice

As a rule, the starting point for your Arizona return is your federal adjusted gross income. To take itemized deductions, you must start with the amount shown on the federal Schedule A. This is the case for 2016, except for changes Congress made to the federal tax code during 2016 and the following apply.

1. The changes affect how you figure your federal adjusted gross income.

AND/OR

2. The changes affect how you figure your itemized deductions.

When federal changes are made, Arizona legislature must adopt those changes if the Arizona starting points are to be kept the same. The legislature will address this issue when it is in session during 2017. We must publish these forms before this issue will be addressed by the legislature. When we went to print, Arizona had not yet adopted any federal tax law changes made after January 1, 2016.

What does this mean to you? It means that if any of the federal law changes made in 2016 apply to your 2016 return, you can opt to file your 2016 return using one of the following methods.

1. You can wait and file your 2016 return after this issue has been addressed.
 - To do this, you may need to ask for a filing extension. You must pay 90% of the tax due by the due date of the return before any extension.
2. You can file your 2016 return assuming that the federal law changes will be adopted. The 2016 tax forms make this assumption.

If you opt for method 2, one of the following will apply.

- If Arizona adopts those changes, you do not have to do anything more.
 - If Arizona does not adopt all those changes, you may need to amend your 2016 Arizona return. Your amended return will have to show the difference between the Arizona law and the federal law. If this happens, we will post more details on our Conformity to IRC webpage. To view this page go to <http://www.azdor.gov> and click on Legal Research on the left side, then click on Conformity to IRC. Generally, no penalties or interest will be assessed on these amended returns, if you follow the Department's instructions and pay any tax due when you file your original 2016 return and you file and pay the required amended return by the extended due date of your 2017 return.
3. You can file your 2016 return assuming that we will not adopt the federal law changes. If you opt for this method, you will have to do the following.
 - You will have to research all of the federal changes made after January 1, 2016.
 - You will have to figure out if any of those changes apply to you.
 - You will have figure out how to make adjustments for those changes on your return.

If you opt for method 3, one of the following will apply.

- If Arizona does not adopt those changes, you do not have to do anything more.
- If Arizona adopts those changes, you may need to amend your 2016 Arizona return. Your amended return will have to show the difference between what you reported and what you should have reported. If this happens, we will post more details on our Conformity to IRC webpage. To view this page go to <http://www.azdor.gov> and click on Legal Research on the left side, then click on Conformity to IRC.

Due date for calendar year filers

Because April 15, 2017, falls on a Saturday and District of Columbia Emancipation Day will be observed on Monday, April 17, 2017, you have until Tuesday, April 18, 2017, to file your income tax return.

2016 Individual Income Tax Brackets Adjusted for Inflation

For 2016, the individual income tax brackets have been adjusted for inflation.

2016 Arizona Standard Deduction

For 2016, the Arizona standard deduction was indexed for inflation. For a single taxpayer or a married taxpayer filing a separate return the amount is \$5,099. For a head of household or a married couple filing a joint return the amount is \$10,189.

Subtraction for Arizona Bonus Depreciation

Credit for Contributions made to Qualifying Charitable Organizations [Arizona Forms 321 and 352 (new for 2016)]

The laws providing for a credit for contributions made to qualifying Charitable Organizations have been amended. For tax years beginning from and after December 31, 2015:

- Donations to qualifying charitable organizations and donations to qualifying foster care organizations will be claimed as *separate* credits with separate limitations for each, rather than combined limitations.
 - Donations to qualifying charitable organizations (not including the qualifying foster care charitable organizations) will still be claimed on Arizona Form 321, *Credit for Contributions to Qualifying Charitable Organizations*.
For 2016, the maximum current year's credit is:
 - \$400 for single or head of household
 - \$800 for married filing joint
 - Donations to qualifying foster care charitable organizations will now be claimed on Arizona Form 352, *Credit for Contributions to Qualifying Foster Care Charitable Organizations*.
For 2016, the maximum current year's credit is:
 - \$500 for single or head of household
 - \$1,000 for married filing joint
- Credit eligible contributions made to a qualifying charitable organization or a qualifying foster care charitable organization that are made on or before the 15th day of the fourth month following the close of the taxable year may be applied to either the current or the

preceding taxable year and is considered to have been made on the last day of that taxable year. For example, a taxpayer who files a 2016 calendar year end tax return may claim qualifying contributions made between January 1, 2017 and April 18, 2017 on either the 2016 or 2017 income tax return.

NOTE: *Because calendar year filers have until April 18, 2017, to file their 2016 tax return, these taxpayers also have until April 18, 2017, to make qualifying contributions and claim these credits on their 2016 return.*

- If you have a carryover amount from a prior year for cash contributions made to a qualifying foster care charitable organization for which you claimed a credit on Form 321, you **must** claim the carryover amount on Form 321. Do not claim any carryover amount on Form 352 from contributions made to qualifying foster care charities and claimed on Form 321 in prior years.

Credit for Contributions Made or Fees Paid to Public Schools (Arizona Form 322)

The law providing for a credit for contributions made or fees paid to a public school by a taxpayer or on behalf of a taxpayer was amended to allow a taxpayer to claim a credit for contributions made or fees paid to a public school for extracurricular activities which may or may not require an enrolled student to pay fees to participate in a qualifying extracurricular activity. For more information on what qualifies as an extracurricular activity for the purpose of this credit, see Form 322.

Recent legislation also expanded what qualifies as an extracurricular activity. Beginning 2016, contributions made or fees paid for cardiopulmonary resuscitation training qualify for this credit. For more information, see Form 322.

Credit for Contributions to Private School Tuition Organizations (Arizona Form 323)

Solar Liquid Fuel Credit (Arizona Form 344)

For 2016 taxable years, the credit also includes costs for the production of solar liquid fuel in this state in commercial quantities, and for costs incurred during the taxable year to

convert or modify existing motor vehicle fuel service stations for the retail sale of solar liquid fuel to customers. For more information, see Arizona Form 344.

Credit for Contributions Made to Certified School Tuition Organization (Arizona Form 348)

Are You Subject to Tax in Arizona?

As a part-year resident, you are subject to tax on **all** of the following:

1. Any income you earned in 2016 while an Arizona resident. This includes any interest or dividends received from sources outside Arizona.
2. Any income you earned from an Arizona source in 2016 before moving to (or after leaving) the state.

NOTE: *If you also have Arizona source income and deductions for the portion of the year you were an Arizona nonresident, file AZ Form 140PY for the entire taxable year.*

Do You Have to File?

Arizona Filing Requirements		
These rules apply to all Arizona taxpayers		
You must file if you are:	and your Arizona adjusted gross income is at least:	or your gross income is at least:
• Single	\$ 5,500	\$15,000
• Married filing joint	\$11,000	\$15,000
• Married filing separate	\$ 5,500	\$15,000
• Head of household	\$ 5,500	\$15,000

If you are a part-year resident, you must report all income for the part of the year you were an Arizona resident, plus any income from Arizona sources for the part of the year you were an Arizona nonresident.

To see if you have to file, figure your gross income the same as you would figure your gross income for federal income tax purposes. Then you should exclude income Arizona law does not tax.

You can find your Arizona adjusted gross income on line 54 of Arizona Form 140PY.

NOTE: *You must file a state return even if your employer withheld all or part of the tax. Even if you do not have to file, you must still file a return to get a refund of any Arizona income tax withheld.*

Do You Have to File if You Are an American Indian?

You must file if you meet the Arizona filing requirements unless **all** the following apply to you:

- You are an enrolled member of an Indian tribe.
- You live on the reservation established for that tribe.
- You earned **all** of your income on that reservation.

For more information on the Arizona tax treatment of American Indians, see the department's ruling, ITR 96-4, *Income Taxation of Indians and Spouses*.

Do You Have to File if You Are the Spouse of an American Indian and You Are Not an Enrolled Indian?

You must file if you meet the Arizona filing requirements. For more information on the tax treatment of spouses of American Indians, see the department's ruling, ITR 96-4, *Income Taxation of Indians and Spouses*.

Do You Have to File if You Are in the Military?

You must file if you meet the Arizona filing requirements unless **all** the following apply to you:

- You are an active duty member of the United States armed forces.

- Your only income for the taxable year is pay received for active duty military service.
- There was no Arizona tax withheld from your active duty military pay.

If Arizona tax was withheld from your active duty military pay, you must file an Arizona income tax return to claim any refund you may be due from that withholding.

You must also file an Arizona income tax return if you have any other income besides pay received for active duty military pay.

If you were an Arizona resident when you entered the service, you remain an Arizona resident, no matter where stationed, until you establish a new domicile.

As an Arizona part-year resident, you must report all of your income for the portion of the year you were an Arizona resident, no matter where stationed. You must include your military pay, but using Form 140PY, you may subtract all pay received for active duty military service; to the extent it is included in your Arizona gross income.

If you are **not** an Arizona resident, but stationed in Arizona, the following applies to you:

- You are not subject to Arizona income tax on your military pay.
- You must report any other income you earn in Arizona. Use Form 140NR, *Nonresident Personal Income Tax Return*, to report this income.

To find out more, see our publication, Pub. 704, *Taxpayers in the Military*.

If You Included Your Child's Unearned Income on Your Federal Return, Does Your Child Have to File an Arizona Return?

No. In this case, the child should not file an Arizona return. The parent must include that same income in his or her Arizona taxable income.

Residency Status

If you are not sure if you are an Arizona resident for state income tax purposes, we may be able to help. For more information on determining residency status, see the department's procedure, ITP 92-1, *Procedure For Determining Residency Status*.

Residents

You are a resident of Arizona if your domicile is in Arizona. Domicile is the place where you have your permanent home. It is where you intend to return if you are living or working temporarily in another state or country. If you leave Arizona for a temporary period, you are still an Arizona resident while gone.

A resident is subject to tax on all income no matter where the resident earns the income.

If you are a full year resident, you must file either Arizona Form 140, Form 140A, or Form 140EZ.

Part-Year Residents

If you are a part-year resident, you must file Arizona Form 140PY, *Part-Year Resident Personal Income Tax Return*.

You are a part-year resident if you did either of the following during 2016:

- You moved into Arizona with the intent of becoming a resident.
- You moved out of Arizona with the intent of giving up your Arizona residency.

Nonresidents

If you are a nonresident, you must file Form Arizona 140NR, *Nonresident Personal Income Tax Return*.

What if a Taxpayer Died?

If a taxpayer died before filing a return for 2016, the taxpayer's spouse or personal representative may have to file and sign a return for that taxpayer. A personal representative can be an executor, administrator, or anyone who is in charge of the deceased taxpayer's property.

If the deceased taxpayer did not have to file a return but had tax withheld, a return must be filed to get a refund. The person who files the return should use the form the taxpayer would have used. The person who files the return should print the word "deceased" after the decedent's name. Also enter the date of death after the decedent's name. If your spouse died in 2016 and you did not remarry in 2016, or if your spouse died in 2017 before filing a return for 2016, you may file a joint return. If your spouse died in 2016, the joint return should show your spouse's 2016 income before death and your income for all of 2016. If your spouse died in 2017, before filing the 2016 return, the joint return should show all of your income and all of your spouse's income for 2016. Print "Filing as surviving spouse" in the area where you sign the return. If someone else is the personal representative, he or she must also sign the return.

Are Any Other Returns Required?

You may also have to file a fiduciary income tax return (Form 141AZ). For details about filing a fiduciary income tax return, call the department at (602) 255-3381.

Claiming a Refund for a Deceased Taxpayer

If you are claiming a refund for a deceased taxpayer, you **must** complete Arizona Form 131, *Claim for Refund on Behalf of Deceased Taxpayer*. Place this form on top of the return.

What Are the Filing Dates and Penalties?

When Should You File?

Your 2016 calendar year tax return is due no later than midnight, April 18, 2017. File your return as soon as you can after January 1, but no later than April 18, 2017.

NOTE: Because April 15, 2017, falls on a Saturday and District of Columbia Emancipation Day will be observed on April 17, 2017, you have until April 18, 2017, to file your return.

If you are a fiscal year filer, your return is due on the 15th day of the fourth month following the close of your fiscal year.

What if You Cannot File on Time?

You may request an extension if you know you will not be able to file on time.

NOTE: *An extension does not extend the time to pay your income tax. For details, see the instructions for Arizona Form 204.*

To get a filing extension, you can either

1. Apply for a state extension (Arizona Form 204). To apply for a state extension, file Form 204 by April 18, 2017. See Form 204 for details. You do not have to include a copy of the extension with your return when you file, but make sure that you check box **82F** on page 1 of the return. If you must make a payment, use Arizona Form 204, or visit www.AZTaxes.gov to make an electronic payment.
2. You may use your federal extension (federal Form 4868). File your Arizona return by the same due date. You do not have to include a copy of your federal extension with your return, but make sure that you check box **82F** on page 1 of the return.

When Should You File if You Are a Nonresident Alien?

The due date for your Arizona return is not the same as the due date for your federal return. Your Arizona return is due by April 18, 2017, even though your federal return is due on June 15, 2017. If you want to file your Arizona return after April 18, 2017, you must ask for a filing extension. You must file this request by April 18, 2017. Arizona will allow up to a 6-month extension. This will allow you to file your return by October 16, 2017. See Arizona Form 204 for extension filing details.

If you have a federal 6-month extension, you can file your Arizona return under that extension. If you file using your federal extension, Arizona will also allow you an extra 6 months. Because we will allow only 6 months, the due date for your Arizona return is not the same as the due date for your federal return. In this case, your Arizona return will be due by October 16, 2017, even though your federal return will not be due until December 15, 2017. If you file your 2016 Arizona calendar year return after October 16, 2017, your return will be late.

NOTE: *Because October 15, 2017, falls on a Sunday, you have until October 16, 2017, to file your return.*

If you are a fiscal year filer, your return is due on the 15th day of the fourth month following the close of your fiscal year.

What if You File or Pay Late?

If you file or pay late, we will charge you interest and penalties on the amount you owe. If the U.S. Post Office postmarks your 2016 calendar year return by April 18, 2017, your return will not be late.

You may also use certain private delivery services designated by the Internal Revenue Service (IRS) to meet the “timely

mailing as timely filed” rule. For more information, see “Mailing Your Return” at the end of these instructions.

Late Filing Penalty

If you file late, we will charge you a late filing penalty. This penalty is 4½% (.045) of the tax required to be shown on the return for each month or fraction of a month the return is late. This penalty cannot exceed 25% (.25) of the tax found to be remaining due.

Late Payment Penalty

If you pay your tax late, we will charge you a late payment penalty. This penalty is ½ of 1% (.005) of the amount shown as tax for each month or fraction of a month for which the failure continues. We charge this penalty from the original due date of the return until the date you pay the tax. This penalty cannot exceed a total of 10% (.10).

Extension Underpayment Penalty

If you file your return under an extension, you must pay 90% of the tax shown on your return by the return's original due date. If you do not pay this amount, we will charge you a penalty. This penalty is ½ of 1% (.005) of the tax not paid for each 30-day period or fraction of a 30-day period. We charge this penalty from the original due date of the return until the date you pay the tax. This penalty cannot exceed 25% of the unpaid tax. If we charge you the extension underpayment penalty, we will not charge you the late payment penalty under Arizona Revised Statutes (A.R.S.) § 42-1125(D).

NOTE: *If you are subject to two or more of the above penalties, the total cannot exceed 25%.*

Interest

We charge interest on any tax not paid by the due date. We will charge you interest even if you have an extension. If you have an extension, we will charge you interest from the original due date until the date you pay the tax. The Arizona interest rate is the same as the federal rate.

When Should You Amend a Return?

If you need to make changes to your return after you have filed, you should file Arizona Form 140X, *Individual Amended Income Tax Return*. You should file your amended return after your original return has processed. **Do not** file a new return for the year you are correcting. Generally, you have four years to amend a return to claim a refund.

If you amend your federal return for any year, you must also file an Arizona Form 140X for that year.

If the IRS makes a change to your federal taxable income for any year, you must report that change to Arizona. You must file Form 140X within 90 days of the final determination of the IRS. You may use one of the following two options to report this change.

Option 1

You may file a Form 140X for that year. If you choose this option, you must amend your Arizona return within 90 days of the final determination of the IRS. Include a complete copy of the federal notice with your Form 140X.

Option 2

You may file a copy of the final federal notice with the department within 90 days of the final determination of the IRS. If you choose this option, you must include a statement in which you must:

1. Request that the department recompute your tax.
2. Indicate if you agree or disagree with the federal notice.

If you do not agree with the federal notice, you must also include any documents that show why you do not agree. If you choose option 2, mail the federal notice and any other documents to:

If you are filing a joint return, enter your SSNs in the same order as your first names. *If your name appears first on the return, make sure your SSN is the first number listed.* Put your last names in the same order as your first names and SSNs.

If you are married filing separately, enter your name and SSN on the first line 1. Then enter your spouse's name and SSN on the second line 1.

NOTE: Make sure your SSN is correct. If you are filing a joint return, also make sure you list your SSNs in the same order every year.

Make sure that you enter your SSN on your return. Make sure that all SSNs are clear and correct. You may be subject to a penalty if you fail to include your SSN. It will take longer to process your return if SSNs are missing, incorrect, or unclear.

Use your current home address. The department will send your refund or correspond with you at that address.

For a deceased taxpayer, see page 2 of these instructions.

Last Name(s) Used in Last 4 Prior Years

If the last name that you or your spouse are using on this return is not the same as the last name you or your spouse used

on returns filed for the last 4 years, enter any other last name(s) that you or your spouse used when filing your return during the last 4 years.

ID Numbers for Paid Preparers

If you pay someone else to prepare your return, that person must also include an identification number where requested.

A paid preparer may use any of the following:

- his or her PTIN,
- his or her SSN, or
- the EIN for the business.

A paid preparer who fails to include the proper identification number may also be subject to a penalty.

Determining Your Filing Status

The filing status that you use on your Arizona return may be different from that used on your federal return.

Use this section to determine your filing status. Check the correct box (4 through 7) on the front of Form 140PY.

If you qualify as married for federal purposes, you qualify as married for Arizona purposes and must file using the status of either married filing joint or married filing separate.

If you are single you must file as single or if qualified you may file as head of household (see the instructions for box 5).

Box 4 - Married Filing Joint Return

If you are married and filing a joint return, check box 4.

You may file a joint return if you were married as of December 31, 2016. It does not matter whether or not you were living with your spouse. You may file a joint return, even if you and your spouse filed separate federal returns.

You may file a joint return if your spouse died during 2016 and you did not remarry in 2016. See page 2 of these instructions for details.

If you are a part-year resident married to an Arizona full year resident, you may file a joint return with your full year resident spouse. If filing a joint return with your full year resident spouse, you must use Form 140PY.

NOTE: For more information on filing a joint return with your full-year resident spouse, see the department's ruling, ITR 14-1, Filing a Joint Tax Return When a Resident Spouse is Married to a Part-Year Resident or Nonresident.

Box 5 - Head of Household

If you are filing as a head of household, check box 5. You may file as head of household on your Arizona return, only if one of the following applies:

- you qualify to file as head of household on your federal return, or
- you qualify to file as a qualifying widow or widower on your federal return.

Box 6 - Married Filing Separate Return

If you are filing a separate return, check box 6 and enter your spouse's name and SSN on the second line 1.

If you were married as of December 31, 2016, you may

choose to file a separate return. You may file a separate return, even if you and your spouse filed a joint federal return.

Arizona is a community property state. If you file a separate return, you must figure how much income to report using community property laws. If one spouse is a resident and the other spouse is not, special rules apply when filing a separate return.

For more information on how to report income in this case, see the department's ruling, 93-20, *Income Reporting Requirements of Resident and Nonresident Spouses Who File Separate Arizona Individual Income Tax Returns*; and the department's publication, Pub. 200, *Income Tax Issues Affecting Married and Divorced Taxpayers*.

NOTE: In some cases you may treat community income as separate income. For more information on when you may treat community income as separate income, see the department's ruling, ITR 93-22, When Community Income May Be Treated as Separate Income.

You must complete the Dependent section on page 1 (and page 3, if more space is needed) of your return before you can total your dependent exemptions. You may claim only the following as a dependent:

- A person that qualifies as your dependent on your federal return.

NOTE: *If you do not claim a dependent exemption for a student on your federal return in order to allow the student to claim a federal education credit on the student's federal return, you may still claim the exemption on your Arizona return.*

For more information, see the department's ruling, ITR 05-2, Will Arizona Allow a Dependent Exemption When a

Taxpayer Does Not Claim Federal Exemption in Order to Claim the Education Credit?

- A person who is age 65 or over (related to you or not) that does not qualify as your dependent on your federal return, but one of the following applies:

 2. In 2016, you paid more than \$800 for either Arizona home health care or other medical costs for the person.

1. The parent, grandparent or great-grandparent was 65 years old or older during 2016.
2. The parent or grandparent lived in your principal residence for the entire taxable year.

If your parent or grandparent died during the taxable year, this requirement will still be met if he or she lived with you for the entire part of the year in which he or she was alive. Temporary absences by the parent or grandparent for special circumstances, such as a hospital stay or care in a hospice facility, count as time lived in the taxpayer's principle residence.

3. You paid more than one-half of the support and maintenance costs of the parent or grandparent during the taxable year.

To help you determine if you paid more than one-half of your parent or grandparent's support during the taxable year, it is recommended that you review the department's procedure, ITP 14-1, *Procedure for Determining Support*

for Purposes of the Parents and Grandparents Exemption Allowed under A.R.S. § 43-1023(C), and complete the worksheet. Keep the worksheet for your records.

4. The parent or grandparent required assistance with activities of daily living.

The term “activities of daily living” means two or more of the listed categories. Activities of daily living include both basic activities of daily living and instrumental activities of daily living. The categories of activities of daily living are dressing, eating, ambulating, toileting, medicating and hygiene, shopping, housekeeping, managing personal finances, basic communication, food-preparation and transportation.

For more information regarding what the term “activities of daily living” means when determining an Arizona resident taxpayer’s eligibility for this exemption, see the department’s ruling, ITR 14-3, “Activities of Daily Living” for the Purpose of the Exemption Allowed Under A.R.S. § 43-1023(C).

To help you determine if your parent or grandparent required assistance with activities of daily living to meet this requirement, it is recommended that you review the department’s procedure, ITP 14-2, *Procedure for Determining Whether a Parent or Grandparent Requires Assistance with Activities of Daily Living for Purposes of the Exemption Allowed under A.R.S. § 43-1023(C)*, and complete the checklist. Keep the checklist for your records.

Determining Arizona Income

Use lines 15 through 27 to determine what portion of your total income is taxable by Arizona.

You must complete your federal return before completing your Arizona return. You must complete a 2016 federal return to determine your federal adjusted gross income, even if not filing a federal return.

Arizona uses federal adjusted gross income as a starting point to determine Arizona taxable income.

NOTE: *If you are unable to determine the proper line to use, please contact one of the numbers listed on page 1.*

FEDERAL Column

Enter the actual amounts shown on your 2016 federal income tax return in the FEDERAL column. Complete lines 15 through 26. Line 26 should equal the federal adjusted gross income shown on your 2016 federal Form 1040, Form 1040A, Form 1040EZ, or Form 1040NR.

ARIZONA Column

Enter that portion of your federal income received while you were an Arizona resident in the ARIZONA column. For example, if you became an Arizona resident on June 30, enter all income you received from that day to December 31, 2016.

NOTE: *If you also have Arizona source income for the portion of the taxable year you were an Arizona nonresident, also include that source income on the appropriate line in the ARIZONA column.*

The Tax Reform Act of 1986 limits the amount of losses that you may deduct from passive activities. A passive activity is one that involves the conduct of any trade or business in which the taxpayer does not materially participate.

As a part-year resident, your Arizona gross income may include some of these losses. For the part of the year you were an Arizona resident, you may consider any passive losses that arose while an Arizona resident. For the part of the year you were an Arizona nonresident, you may consider only those passive losses that arose from Arizona sources. Your 2016 Arizona gross income can include only losses you used on your 2016 federal return.

The following instructions apply to the ARIZONA column.

Line 15 - Wages, Salaries, Tips, etc.

Enter all amounts received while an Arizona resident. Also enter all amounts received from Arizona employment during the part of the year you were an Arizona nonresident.

For the period while a nonresident, income earned by a qualifying out-of-state employee, from performing qualified disaster recovery work during a disaster period, is exempt from Arizona income tax. Exclude this income from line 15 in the Arizona column.

For the purpose of this exemption, a qualifying out-of-state employee is an Arizona nonresident individual who is temporarily in Arizona to solely perform qualified disaster recovery work during a disaster period. For more information,

see the department's publication, Pub. 720, *Disaster Recovery Tax Relief*.

NOTE: *Do not include active duty military pay for the part of the year you were a nonresident.*

Line 16 - Interest

Enter all amounts received while an Arizona resident.

You must also enter any interest income derived from Arizona sources during the part of the year you were an Arizona nonresident. Interest income from Arizona sources is interest income that has acquired an Arizona business situs.

If you received tax exempt interest from municipal bonds, include a schedule listing the payors and the amount received from each payor. You may also want to include supporting documents for amounts received from Arizona municipal bonds that are exempt from Arizona income tax. These may be items such as bank statements, brokerage statements, etc.

Be sure you add the amount you received while an Arizona resident from non-Arizona municipal bonds to your income on line 30, *Other Additions to Income*.

Line 17 - Dividends

Enter all amounts received while an Arizona resident.

You must also enter any dividends derived from Arizona sources during the part of the year you were an Arizona nonresident. Dividend income from Arizona sources is dividend income that has acquired an Arizona business situs.

Line 18 - Arizona Income Tax Refunds

Enter the amount of Arizona income tax refunds received in 2016 that you included in your federal adjusted gross income.

Line 19 - Alimony Received

Line 20 - Business Income or (Loss)

Enter any business or farm income or (loss) incurred while you were an Arizona resident. Also enter income or (loss) derived from Arizona businesses during the part of the year you were an Arizona nonresident.

For the period while a nonresident, income earned by a nonresident who is a sole owner of a qualifying out-of-state business, from performing qualified disaster recovery work during a disaster period, is exempt from Arizona income tax. Exclude this income from line 20 in the Arizona column.

For the purpose of this exemption, a qualifying out-of-state business is a business that is temporarily in Arizona to solely perform qualified disaster recovery work during a disaster period. For more information, see the department's publication, Pub. 720, *Disaster Recovery Tax Relief*.

Line 21 - Gains or (Losses)

Enter any gain or (loss) on property sold while an Arizona resident if you included the amount as income on your 2016 federal return. Also enter gains or (losses) on sales of Arizona property during the part of the year you were an Arizona nonresident.

Line 22 - Rents, etc.

Enter income received from rents, royalties, partnerships, estates, trusts, small business corporations, etc., while an Arizona resident.

Also enter rents or royalties earned on Arizona properties during the part of the year you were an Arizona nonresident. Enter any income or (loss) derived from Arizona sources from partnerships, small business corporations, etc., during the part of the year you were an Arizona nonresident.

Line 23 - Other Income Reported on Your Federal Return

Enter other income shown on your federal return that you received while an Arizona resident. Other income may include pensions, social security, unemployment, and lottery winnings. Include a schedule listing these other items. Also enter any other income derived from Arizona sources during the part of the year you were an Arizona nonresident.

Net Operating Losses

Arizona does not have specific provisions for calculating the net operating loss of an individual. Generally, the amount of net operating loss deduction included in your federal adjusted gross income is the amount allowable for Arizona purposes. However, there are instances when the amount allowable for Arizona purposes may be different.

As a part-year resident, Arizona recognizes that portion of the federal net operating loss which is attributable to income taxed by Arizona as the Arizona net operating loss.

As a part-year resident, include in Arizona gross income the amount of federal net operating loss carry forward or carryback attributable to Arizona unless any of the following apply:

- The net operating loss attributable to Arizona included in your federal adjusted gross income has already been deducted for Arizona purposes.
- The net operating loss included in your federal adjusted gross income was incurred from non-Arizona sources while a nonresident.

Enter the amount of net operating loss deduction included in your federal adjusted gross income that was attributable to income taxed by Arizona. Do not include any amount of the loss that has already been deducted for Arizona purposes.

For information on deducting a net operating loss carryback in cases where you did not make an election under Internal Revenue Code (IRC) § 172(b)(1)(H), see the department’s procedure, ITP 13-1, *Procedure for Individuals Deducting a Net Operating Loss Carryback*. If you made an election under IRC § 172(b)(1)(H), see the instructions for line 46, “Other Subtractions From Income.”

Line 24 - Total Income

Add lines 15 through 23 and enter the total.

8. Moving expenses: Enter the amount of moving expenses included in your federal adjusted gross income that you accrued and paid during the part of the year you were an Arizona resident.

NOTE: Do not enter any amounts for items 1 through 8 above unless you deducted these items in computing your federal adjusted gross income.

If your federal return shows other adjustments to income, include your own schedule to show your calculation.

Line 26 - Federal Adjusted Gross Income

Subtract line 25 from line 24 in the FEDERAL column.

Line 27 - Arizona Gross Income

Subtract line 25 from line 24 in the ARIZONA column.

NOTE: Arizona gross income is made up of the portion of the federal adjusted gross income earned by the taxpayer during the period of residency (regardless of source as long as taxable by Arizona) **plus** the Arizona source income earned during the portion of the year that the taxpayer was a non-resident.

Line 28 - Arizona Income Ratio

You may reduce the addition by those expenses that you could not deduct on your federal return.

B. Ordinary Income Portion of Lump Sum Distribution Excluded on Your Federal Return

Arizona law does not provide for averaging. Enter the amount of the distributions received while an Arizona resident and treated as ordinary income on your federal return. For more information, see the department's ruling, ITR 93-5, *Arizona's Income Tax Treatment of the Capital Gain Portion of a Lump Sum Distribution from a Qualified Retirement Plan*.

C. Fiduciary Adjustment

A fiduciary uses Form 141AZ, Schedule K-1, to report to you your share of the fiduciary adjustment from the trust or estate. Line 3 of Form 141AZ, Schedule K-1, shows your share of the fiduciary adjustment from the estate or trust. Depending on your situation, you may either add (line 30) or subtract (line 46) this amount.

If the amount reported on line 3 of your AZ Form 141AZ, Schedule K-1, is a positive number, enter that portion of line 3 that is allocable to estate or trust income taxable by Arizona as an addition on line 30.

M. Original Issue Discount (OID) on Reacquisition of Debt Instrument

For federal purposes, when a taxpayer made the special election to defer discharge of indebtedness (DOI) income under IRC § 108(i) (for 2009 or 2010), the taxpayer was not allowed to take a deduction with respect to the portion of any OID that accrued with respect to that DOI income, during the income deferral period. In this case, the taxpayer had to deduct the aggregate amount of the OID deductions disallowed ratably over a 5 year period, beginning with the period in which the income was includible in federal adjusted gross income.

Arizona did not adopt the federal provisions requiring a taxpayer to defer the OID deduction in cases where the taxpayer federally deferred the DOI income. For Arizona purposes you were required to add the amount of deferred DOI income to Arizona gross income on the return filed for the year in which you reacquired the debt instrument if the debt reacquisition occurred while you were an Arizona resident, or if the DOI income was from an Arizona source. In this case, you were allowed to subtract any OID related to that DOI income in the year the OID accrued. (See the instructions for line 46, "*Other Subtractions From Income.*")

If your Arizona gross income includes a deduction for any accrued OID that you have already subtracted for Arizona purposes, you must make an addition to Arizona income for the amount of deferred OID deducted on your federal return that you included in your Arizona gross income. Generally, this addition will apply to taxable years 2014 through 2018. On line 30, enter the amount of any previously deferred OID that you deducted in computing your 2016 Arizona gross income, to the extent that the amount was previously subtracted from Arizona gross income.

N. Sole Proprietorship Loss of an Arizona Nonprofit Medical Marijuana Dispensary Included in Federal Adjusted Gross Income

If you are registered as an Arizona sole proprietorship with the Arizona Department of Health Services to operate in this state as a nonprofit medical marijuana dispensary, you are required to add the amount of the loss from the dispensary that is included in the computation of your federal adjusted gross income. Include the amount of the loss on line 30.

NOTE: *If the Arizona nonprofit medical marijuana dispensary is registered with the Arizona Department of Health Services as anything other than a sole proprietorship, this addition does not apply.*

O. Arizona Long-Term Health Care Savings Account (AZLTHSA) Withdrawals

You must add amounts withdrawn from your AZLTHSA if you used the money for purposes other than paying qualified long-term health care expenses. For more information, see A.R.S. § 43-1032.

P. Other Adjustments

Other special adjustments may be necessary. You may need to make an addition for depreciation or amortization. You may also need to make an addition if you claimed certain tax credits. Call one of the numbers listed on page 1, if any of the following apply:

- You sold or disposed of property that was held for the production of income and your basis was computed under the Arizona Income Tax Act of 1954, as amended (1978 prior), except depreciable property.
- You claimed the Environmental Technology Facility Credit. (305)
- You claimed the Pollution Control Credit. (Form 315)
- You claimed the Recycling Equipment Credit. (307)
- You claimed the Agricultural Pollution Control Equipment Credit. (Form 325)
- You elected to amortize the cost of a child care facility under Arizona law in effect before 1990. You are still deducting amortization or depreciation for that facility on your federal income tax return.

Line 31 - Subtotal

Add lines 27, 29, and 30. Enter the total on line 31.

Subtractions From Income

You may only subtract those items for which statutory authority exists. Without such authority, you cannot take a subtraction. If you have any questions concerning subtractions from income, call one of the numbers listed on page 1.

NOTE: *You may not subtract any amount which is allocable to income excluded from your Arizona taxable income.*

Lines 32 through 37 - Net Capital Gain or (loss)

NOTE: *If you reported a net capital gain or (loss) on your federal tax return, you must enter the amount of qualified Arizona net gain or (loss), on line 32. See the instructions for line 32.*

If you enter an amount on line 32, you must complete lines 33 and 34. If you do not complete lines 34 and 35, you cannot take the subtraction.

You may subtract a percentage of any Arizona net long-term capital gain included in your federal adjusted gross income that is derived from an investment in an asset acquired after December 31, 2011. For 2016, the percentage is 25% (.25).

You **must** complete the worksheet on page 30 of these instructions, *Worksheet for Net Long-Term Capital Gain Subtraction for Assets Acquired after December 31, 2011*, to take the allowable subtraction.

Line 32 - Total Arizona Net Capital Gain or (Loss)

As a part-year resident, you may take the allowable subtraction for only those qualified net long-term capital gains that are from the following:

- A qualified net long-term capital gains sourced to Arizona during the period that you were an Arizona nonresident.
- All qualified net long-term capital gains during the period that you were an Arizona resident.

Enter the total Arizona net capital gain or (loss) reported on the *Capital Gain or (Loss)* line on page 1 of your federal return. This amount should be reported in your federal adjusted gross income.

Line 33 - Total Arizona Net Short-Term Capital Gain or (Loss)

Enter the total Arizona net short-term capital gain reported on the *Capital Gain or (Loss)* line on page 1 of your federal return. This amount should be included in your federal adjusted gross income.

NOTE: *If you are not required to report dividend distributions and/or short-term capital gains from mutual funds on federal Form Schedule D, do not include the short-term capital gain distributed by the mutual fund on line 33.*

Line 34 - Total Net Long-Term Capital Gain or (Loss)

Enter the amount from the worksheet, line 14, column (b).

Line 35 - Net Long-Term Capital Gain From Assets Acquired After December 31, 2011

Enter the amount from the worksheet, line 14, column (d).

Only include net long-term capital gains on this line if it can be verified that the asset was acquired after December 31, 2011. For purposes of this line, an asset acquired by gift or inheritance is considered acquired on the date it was acquired by the gift-giver or the deceased individual.

Line 36 - Net Long-Term Capital Gain Subtraction From Income

Multiply the amount on line 35 by 25% (.25) and enter the result.

Line 37 - Net Capital Gain from Investment in a Qualified Small Business

You may subtract the amount of any net capital gain included in federal adjusted gross income for the taxable year derived from investment in a qualified small business as determined by the Arizona Commerce Authority (ACA) pursuant to A.R.S. § 41-1518.

To qualify for this subtraction, your investment in the qualified small business must have been made after the ACA certified the company as a qualified small business and before the company's certification expiration date. An investment made prior to certification or after the expiration of certification does not qualify for this subtraction. See the ACA's website, *Small Business Incentives: Angel Investment*, for a list of certified businesses and their certification dates.

On line 37, enter the amount of the allowable subtraction.

CAUTION: *If the amount entered on line 37 includes any long-term capital gain from an investment made after December 31, 2011, you cannot include that portion of the net capital gain in your computation of the allowable subtraction for any net long-term capital gain from assets acquired after December 31, 2011 and included in federal adjusted gross income. See the instructions on page 31 for the amount to enter on line 13, column (d) of the net long-term capital gain worksheet.*

Line 38 -

Subtract lines 36 and 37 from line 31.

Line 39 -

Enter the amount from line 38.

Line 40 - Recalculated Arizona depreciation

As a part-year resident, you may take the allowable subtraction that is from the following:

- depreciation related **only** to income sourced to Arizona during the period that you were an Arizona nonresident; and
- depreciation related to all income during the period that you were an Arizona resident.

For assets placed in service during taxable years beginning before December 31, 2012, enter the total amount of depreciation allowable pursuant to IRC § 167(a) for the taxable year calculated as if you had elected not to claim bonus depreciation for eligible properties for federal purposes. Enter the amount that is attributable to income taxable by Arizona.

For assets placed in service during taxable year beginning from and after December 31, 2012 through December 31, 2013, the amount of the subtraction depends on the method you used to compute the depreciation for these assets. Enter the amount that is attributable to income taxable by Arizona.

NOTE: *For more information, see the department's individual income tax procedure, ITP 16-2, Procedure for Individuals who Claim Federal and/or Arizona Bonus Depreciation.*

For assets placed in service during the taxable years beginning from and after December 31, 2013 through December 31, 2015, enter the total amount of depreciation allowable pursuant to IRC § 167(a) for the taxable year calculated as if the bonus depreciation is 10% of the amount of federal depreciation pursuant to IRC § 168(k). Enter the amount that is attributable to income taxable by Arizona.

For assets placed in service in taxable years beginning from and after December 31, 2015 through December 31, 2016, enter the total amount of depreciation allowable pursuant to IRC § 167(a) for the taxable year calculated as if the bonus depreciation is 55% of the amount of federal bonus depreciation pursuant to IRC § 168(k).

Add all amounts together and enter the total on line 40.

NOTE: *For more information and examples of how to calculate Arizona bonus depreciation, see the department's procedure, ITP 16-2, Procedure for Individuals who Claim Federal and/or Arizona Bonus Depreciation.*

Line 41 - Contributions to 529 College Savings Plans

You may subtract amounts you contribute to 529 college savings plans during the taxable year. You may subtract the amount you contributed during the year, while an Arizona resident, up to a total of \$2,000 (\$4,000 for a married couple filing a joint return). If you are married filing separate returns, either you or your spouse may take the subtraction, or you may divide it between you, but the total taken by both of you cannot be more than \$4,000.

If you contribute more than \$2,000 (\$4,000 if married) during the year, your total subtraction is still limited to \$2,000 (\$4,000 if married). For example, Jorge and Kate are married and have two children. During 2016, Jorge and Kate contributed \$2,500 to a 529 plan for Child 1 and \$2,500 to a 529 plan for Child 2. Even though Jorge and Kate contributed a total of \$5,000 during 2016, they may subtract only \$4,000 on their 2016 return.

You may take a subtraction for a contribution that you made during 2016, to a plan that existed before 2016. You may take a subtraction for a contribution that you made during 2016, to a plan established in another state. You may take a subtraction for a contribution that you made in 2016, to any 529 college savings plan. This could be a plan established for a child, grandchild, niece, nephew, or any other person for whom a plan has been established.

You cannot take a subtraction for an amount transferred from one college savings plan to a different college savings plan (a rollover).

Line 42 - Adjustment for IRC § 179 Expense Not Allowed in Prior Years

If you made an addition for IRC § 179 expense on your 2012 return, enter 20% of the amount added for 2012.

Line 43 - Interest on U.S. Obligations

Enter the amount of interest income from U.S. Government obligations included on line 16 in the ARIZONA column.

U.S. Government obligations include obligations such as U.S. savings bonds and treasury bills.

You cannot deduct any interest or other related expenses incurred to purchase or carry the obligations. If such expenses are included in your Arizona gross income, you must reduce the subtraction by such expenses.

If you are itemizing deductions on your Arizona return, you must exclude such expenses from the amount deducted.

NOTE: Do not subtract interest earned on Fannie Mae (FNMA) or Ginnie Mae (GNMA) bonds since this interest is taxable by Arizona. For details, see the department's ruling, ITR 06-1, Obligations of the United States Government, Federal Agencies, and United States Territories.

Do not subtract any amount received from a qualified pension plan that invests in U.S. Government obligations. Do not subtract any amount received from an IRA that invests in U.S. Government obligations. These amounts are not interest income.

For more information, see the department's rulings, ITR 96-2, Pension Plan Distributions Derived from Investment in U.S. Government Obligation; and ITR 96-3, Distributions Comprised of Income Earned by the IRA.

Line 44 - Arizona Lottery Winnings

You may subtract up to \$5,000 of winnings received in 2016 for Arizona lottery prizes. Only subtract those Arizona lottery winnings that you included on line 23 in the ARIZONA column and reported on your federal income tax return.

If you subtract Arizona lottery winnings here, you may have to adjust the amount of gambling losses claimed as an itemized deduction.

Line 45 - U.S. Social Security Benefits or Railroad Retirement Benefits

Arizona does not tax social security benefits received under Title II of the Social Security Act. Arizona does not tax railroad retirement benefits received from the Railroad Retirement Board under the Railroad Retirement Act. If you included such social security or railroad retirement benefits on your federal return as income and also included this amount in the ARIZONA column on line 23, subtract this income on line 45.

Subtract only the amount you reported as income on your federal return and included on line 23 in the ARIZONA column.

For more information about railroad retirement benefits, see the department's ruling, ITR 16-1, Railroad Retirement Benefits, Railroad Disability Benefits, Railroad Unemployment Benefits and Railroad Sickness Payments.

Line 46 - Other Subtractions From Income

Use line 46 if any of the following special circumstances apply. Include your own schedule, explaining any amounts entered here.

A. Exclusion for U.S. Government, Arizona State, or Local Government Pensions

If you receive pension income from any of the sources listed below, subtract the amount you received or \$2,500, whichever is less. Include only the amount you reported as income on your federal return and included on line 23 in the ARIZONA column. If both you and your spouse receive such pension income, each spouse may subtract the amount received or \$2,500, whichever is less.

Public pensions from the following sources qualify for this subtraction:

- the United States Government Service Retirement and Disability Fund
- the United States Foreign Service Retirement and Disability System
- retired or retainer pay of the uniformed services of the United States
- any other retirement system or plan established by federal law

NOTE: This applies only to those retirement plans authorized and enacted into the U.S. Code. This does not apply to a retirement plan that is only regulated by federal law (i.e., plans which must meet certain federal criteria to be qualified plans).

- the Arizona State Retirement System
- the Arizona State Retirement Plan
- the Corrections Officer Retirement Plan
- the Public Safety Personnel Retirement System
- the Elected Officials' Retirement Plan
- a retirement plan established for employees of a county, city, or town in Arizona
- an optional retirement program established by the Arizona Board of Regents under Arizona Revised Statutes
- an optional retirement plan established by an Arizona community college district

NOTE: Public retirement pensions from states other than Arizona do not qualify for this subtraction.

B. Agricultural Crops Given to Arizona Charitable Organizations

Arizona law allows a subtraction for qualified crop gifts made during 2016 to one or more charitable organizations. To take this subtraction, **all** of the following must apply:

- You must be engaged in the business of farming or processing agricultural crops.
- The crop must be grown in Arizona.
- You made your gift to a charitable organization located in Arizona that is exempt from Arizona income tax.

The subtraction is the greater of the wholesale market price or

the most recent sale price for the given crop. The amount of the subtraction cannot include any amount deducted pursuant to IRC § 170 with respect to the crop contribution that exceeds the cost of producing the contributed crop.

To determine if your crop contribution qualifies for this subtraction, see the department's procedure, ITP 12-1, *Establishing an Income Tax Subtraction for Agricultural Crops Contributed to Charitable Organizations*.

C. Certain Wages of American Indians

Enrolled members of American Indian tribes may subtract wages earned while living and working on their tribe's reservation. You can subtract only those amounts that you included on line 15, ARIZONA column. The federal government must recognize these tribes. For more information, see the department's ruling, ITR 96-4, *Income Taxation of Indians and Spouses*.

D. Pay Received for Active Service as a Member of the Reserves, National Guard, or the U.S. Armed Forces

If you are a member of the reserves or the National Guard, you may subtract pay received for active service as a reservist or as a National Guard member, including pay received for weekend or two-week training periods. You may subtract the amount of pay received for active service as a reservist or as a National Guard member that you had to include in your Arizona gross income. Enter only that amount of pay reported on your 2016 federal return that you also included on line 15 in the ARIZONA column.

Members of the U.S. armed forces may subtract pay received for active duty military service, including pay for serving in a combat zone or an area given the treatment of a combat zone. If you are a member of the U.S. armed forces, you may subtract the amount of pay received for active duty military service that you had to include in your Arizona gross income. Enter only that amount of pay reported on your 2016 federal return that you also included on line 15 in the ARIZONA column.

Military Technician (dual status)

You may not subtract any income you received for full-time civil service employment as a "military technician (dual status)". Compensation received by a "military technician (dual status)" for federal civil service employment for the National Guard or for the United States Reserves, is not income received for active service as a National Guard member for a Reserve member even though the employee may be required to wear a military uniform while at work.

For more information, see the department's ruling, ITR 12-2, *Compensation Received by a National Guard member or a member of the United States Reserves*.

NOTE: You may not subtract pay received for active duty service as a member of the U.S. Public Health Service or NOAA. For more information, see the department's ruling, ITR 10-1, Does the subtraction, for armed forces personnel, under A.R.S. § 43-1022 apply to Arizona residents who are active duty service members of the commissioned corps of the United States Public Health Service or the National Oceanic

and Atmospheric Administration?

E. Federally Taxable Arizona Municipal Interest as Evidenced by Bonds

Enter the amount of any interest income received on obligations of the State of Arizona, or any political subdivisions of Arizona, as evidenced by bonds and is included in your Arizona gross income. Enter only that amount of Arizona municipal interest income that you included on line 16 in the ARIZONA column. Do not enter any Arizona municipal interest that is exempt from federal taxation and not included in your federal adjusted gross income. For more information, see the department's ruling, ITR 15-1, *Arizona Municipal Interest that is Included in Federal Adjusted Gross Income*.

F. Adoption Expenses

You may take this subtraction only in the year the final adoption order is granted.

Enter the lesser of the total of the following adoption expenses or \$3,000.

When figuring your subtraction, you may include expenses incurred in prior years.

The following expenses are qualified adoption expenses:

- nonreimbursed medical and hospital costs,
- adoption counseling,
- legal and agency fees, and
- other nonrecurring costs of adoption.

If filing separately, you may take the entire subtraction, or you may divide the subtraction with your spouse. However, the total subtraction taken by both you and your spouse cannot exceed \$3,000.

G. Qualified Wood Stove, Wood Fireplace, or Gas Fired Fireplace

Arizona law provides a subtraction for converting an existing fireplace to one of the following:

- a qualified wood stove,
- a qualified wood fireplace, or
- a gas fired fireplace and non-optional equipment directly related to its operation.

You may subtract up to \$500 of the costs incurred for converting an existing fireplace on your property located in Arizona. When you figure your subtraction, do not include taxes, interest, or other finance charges.

A qualified wood stove or a qualified wood fireplace is a residential wood heater that was manufactured on or after July 1, 1990, or sold at retail on or after July 1, 1992. The residential wood heater must also meet the U.S. Environmental Protection Agency's July 1990 particulate emissions standards.

A qualified gas fired fireplace is any device that burns natural or liquefied petroleum gas as its fuel through a burner system that is permanently installed in the fireplace. The conversion of an existing wood burning fireplace to noncombustible gas logs that are permanently installed in the fireplace also qualifies as a gas fired fireplace.

H. Claim of Right Adjustment for Amounts Repaid in Prior Taxable Years

You must make an entry here if **all** of the following apply:

1. During a year prior to 2016 you were required to repay income held under a claim of right.
2. The amount required to be repaid was subject to Arizona income tax in the year included in income.
3. You computed your tax for that prior year under Arizona's claim of right provisions.
4. A net operating loss or capital loss was established due to the repayment made in the prior year.
5. You are entitled to take that net operating loss or capital loss carryover into account when computing your 2016 Arizona taxable income.
6. The amount of the loss carryover allowed to be taken into account for Arizona purposes is more than the amount included in your Arizona gross income.

Enter the amount by which the loss carryover allowed for the taxable year under Arizona law is more than the amount included in your Arizona gross income.

I. Certain Expenses Not Allowed for Federal Purposes

You may subtract some expenses that you cannot deduct on your federal return when you claim certain federal tax credits. These federal tax credits include the following:

- the federal work opportunity credit,
- the empowerment zone employment credit,
- the credit for employer-paid social security taxes on employee cash tips, and
- the Indian employment credit.

If you received any of the above federal tax credits for 2016, enter the portion of wages or salaries attributable to income subject to Arizona tax that you paid or incurred during the taxable year that is equal to the amount of those federal tax credits you received.

J. Qualified State Tuition Program Distributions

If you are a beneficiary of a qualified state tuition program, you may subtract some of the amount distributed from the program for qualified education expenses. Enter the amount of the distribution included in your federal adjusted gross income that you included as income in the ARIZONA column. A qualified state tuition program is a program that meets the requirements of IRC § 529.

K. Subtraction for World War II Victims

You may subtract distributions made to you for your persecution or the persecution of your ancestors by Nazi Germany or any other Axis regime for racial, religious or political reasons. If you are the first recipient of such distributions, enter the amount of the distributions that you had to include in your federal adjusted gross income that you also entered in the ARIZONA column on your Form 140PY.

You may also subtract items of income that are attributable to, derived from or related to assets that were stolen or hidden from or lost to you if you were persecuted by Nazi Germany or any other Axis regime for racial, religious or political

reasons before, during or immediately after World War II. If you are the first recipient of such income, enter the amount of income that you had to include in your federal adjusted gross income that you also entered in the ARIZONA column on your Form 140PY.

L. Installment Sale Income From Another State Taxed by the Other State in a Prior Taxable Year

You may subtract income from an installment sale if **both** of the following apply:

1. The income from the sale is subject to Arizona income tax in 2016.
2. You paid income tax to another state on that income in a prior tax year.

Enter the amount of such income that you included in your Arizona gross income for 2016.

Do not enter any amount that is subject to tax by both Arizona and another state in 2016. In this case, you may be eligible for a tax credit. See Arizona Form 309 for details.

M. Basis Adjustment for Property Sold or Otherwise Disposed of During the Taxable Year

With respect to property that is sold or otherwise disposed of during the taxable year by a taxpayer who has complied with the requirement to add back all depreciation attributable to income taxable by Arizona with respect to that property on tax returns for all taxable years beginning from and after December 31, 1999, enter the amount of depreciation that has been allowed pursuant to IRC § 167(a) attributable to income taxable by Arizona to the extent that the amount has not already reduced Arizona taxable income in the current or prior years. (Note: The practical effect of this is to allow a subtraction for the difference in basis for any asset for which bonus depreciation has been claimed on the federal return.)

A part-year resident may subtract only that amount that is attributable to income subject to Arizona tax.

N. Fiduciary Adjustment

A fiduciary uses Form 141AZ, Schedule K-1, to report to you your share of the fiduciary adjustment from the trust or estate. Line 3 of Form 141AZ, Schedule K-1, shows your share of the fiduciary adjustment from the estate or trust.

Depending on your situation, you may either add (line 30) or subtract (line 46) this amount.

If the amount reported on line 3 of your Form 141AZ, Schedule K-1, is a negative number, enter that portion of Form 141AZ, Schedule K-1, line 3 that is allocable to estate or trust income taxable by Arizona as a subtraction on line 46.

NOTE: *If the amount reported on line 3 of your Form 141AZ, Schedule K-1, is a positive number, enter that portion of line 3 that is allocable to estate or trust income taxable by Arizona as an addition on line 30.*

O. Partnership Income Adjustment (Negative)

Depending on your situation, you may either add (line 30) or subtract (line 46) this amount.

Use this adjustment if line 3, of your Arizona Form 165 Schedule K-1, shows a difference between federal and state

distributable income. If the difference reported on line 3, of your Arizona Form 165 Schedule K-1, is a negative number, enter that portion of the difference that is allocable to partnership income taxable by Arizona as a subtraction on line 46. **Do not include a minus sign or parentheses.**

NOTE: *If the difference reported on line 3, of your Arizona Form 165 Schedule K-1, is a positive number, enter that portion of the difference that is allocable to partnership income taxable by Arizona as an addition on line 30.*

P. Net Operating Loss Adjustment

NOTE: *This subtraction applies to only those individuals who made an election under the special federal net operating loss rules for 2008 and 2009. Under the special rules for 2008 and 2009, you could have elected to carry the net operating loss back for 3, 4 or 5 years, instead of the normal 2 years. This election would have been allowed under IRC § 172(b)(1)(H) as amended by the American Recovery and Reinvestment Act of 2009 or the Worker, Homeownership, and Business Assistance Act of 2009.*

Arizona did not adopt the special federal net operating loss rules for losses incurred during 2008 or 2009. For Arizona purposes, you must deduct an Arizona source net operating loss as if the loss was computed under IRC § 172 in effect prior to the enactment of those special rules. If you made an election to deduct your 2008 or 2009 federal net operating loss under IRC § 172(b)(1)(H), you may have to enter an amount here. Figure how much of the net operating loss carry forward would have been allowed as a deduction on your 2016 federal income tax return, if the election described in IRC § 172(b)(1)(H) had not been made in the year of the loss. Then figure how much of the carry forward computed under that method is attributable to income taxed by Arizona. The amount you may take as a subtraction is the difference between the Arizona amount and the amount actually taken for federal purposes that you included in your Arizona gross income. On line 46, enter the amount of carry forward deduction allowable on your Arizona return that exceeds the actual amount of net operating loss carry forward deduction that was deducted in arriving at Arizona gross income.

Q. Previously Deferred Discharge of Indebtedness (DOI) Income Adjustment

Generally, when a loan is settled for less than the amount owed, DOI income is realized by the debtor and usually must be included in the debtor's gross income. The amount of DOI income is generally equal to the amount of loan forgiveness. DOI income also occurs when a debtor repurchases his or her own debt at a discount (a price lower than the adjusted basis issue price of the debt instrument). In debt repurchase transactions, the amount of DOI income is generally equal to the difference between the adjusted issue price and the price paid for the debt instrument.

For federal purposes, a taxpayer may have made a special election for taxable years 2009 or 2010 to include DOI income in connection with the reacquisition of a business debt instrument, ratably over a 5 year period. A taxpayer that made

this election will generally include this income in federal adjusted gross income beginning with the 2014 taxable year. A taxpayer would have made the federal election under IRC § 108(i) as added by the American Recovery and Reinvestment Act of 2009.

Arizona did not adopt the special federal DOI income deferral provisions for the 2009 or 2010 taxable year. For Arizona purposes, if you made the federal election to defer the inclusion of DOI income under IRC § 108(i), you were required to add the amount of deferred DOI income to Arizona gross income on the return filed for the year in which you reacquired the debt instrument if the debt reacquisition occurred while you were an Arizona resident, or if the DOI income was from an Arizona source. If you made the required addition to Arizona income on the Arizona return filed for the year in which you reacquired the debt instrument (2009 or 2010), Arizona will not tax that DOI income twice. In the year in which you include that deferred DOI income in your federal adjusted gross income and likewise, your Arizona gross income, you may take a subtraction for the amount included for that year. Usually this subtraction will apply to taxable years 2014 through 2018. On line 46, enter the amount of previously deferred DOI income that you included in your Arizona gross income for the current taxable year to the extent that the amount was previously added to your Arizona income.

R. Original Issue Discount (OID) on Reacquisition of Debt Instrument

For federal purposes, when a taxpayer made the special election to defer DOI income under IRC § 108(i), the taxpayer was not allowed to take a deduction with respect to the portion of any OID that accrued with respect to that DOI income, during the income deferral period. In this case, the taxpayer must deduct the aggregate amount of the OID deductions disallowed ratably over a 5 year period, beginning with the period in which the income is includible in federal adjusted gross income.

Arizona did not adopt the federal provisions requiring a taxpayer to defer the OID deduction in cases where the taxpayer federally deferred the DOI income under IRC § 108(i). For Arizona purposes, you were required to add the amount of deferred DOI income to Arizona gross income on the return filed for the year in which you reacquired the debt instrument if the debt reacquisition occurred while you were an Arizona resident, or if the DOI income was from an Arizona source. If Arizona taxed the federally deferred DOI income for 2009 or 2010 on your 2009 or 2010 Arizona return, you may subtract the amount of OID that accrued during the taxable year with respect to that DOI income. On line 46, enter the amount of any OID related to that DOI income that was deferred and not allowed to be deducted in computing your federal adjusted gross income for 2016 under IRC § 108(i).

S. Sole Proprietorship Income of an Arizona Nonprofit Medical Marijuana Dispensary Included in Federal Adjusted Gross Income

If you are registered as an Arizona sole proprietorship with the Arizona Department of Health Services to operate in this state as a nonprofit medical marijuana dispensary, you may subtract the amount of the income from the dispensary that is included in the computation of your federal adjusted gross income. Include the amount of the income on line 46.

NOTE: *If the Arizona nonprofit medical marijuana dispensary is registered with the Arizona Department of Health Services as anything other than a sole proprietorship, this subtraction does not apply.*

T. Long-Term Care Insurance Premiums

You may subtract the amount of premium costs for long-term care insurance for qualified long-term care services. Qualified long-term care services are necessary diagnostic, preventive, therapeutic, curing, treating, mitigating, rehabilitative services, and maintenance and personal care services.

You may take this subtraction only if you are **not** claiming itemized deductions for the taxable year. An individual who claims itemized deductions may **not** take this subtraction.

You may only subtract the amount of premiums paid during the period you were an Arizona resident. Do not include the costs of any premiums paid during the period you were a nonresident. Include the allowable subtraction on line 46.

U. Arizona Long-Term Health Care Savings Accounts

If you are **sending a payment** with this return, mail the return to:

Arizona Department of Revenue
PO Box 52016
Phoenix, AZ 85072-2016

If you are **expecting a refund, or owe no tax, or owe tax but are not sending a payment**, mail the return to:

Arizona Department of Revenue
PO Box 52138
Phoenix, AZ 85072-2138

Make sure you put enough postage on the envelope

The U.S. Post Office or the United States mail service must postmark your return or extension request by midnight April 18, 2017.

The term "United States mail" includes any private delivery service designated by the United States Secretary of the Treasury pursuant to Internal Revenue Code § 7502(f) and the term "postmark" includes any date recorded or marked by any such designated delivery service.

An income tax return that is mailed to the department is timely filed if it is delivered on or before its due date. Additionally, if the envelope or wrapper containing the return sent through the United States mail bears a postmark of the United States mail and that tax return is delivered to the department after its due date that return will be considered timely filed if all of the following apply:

1. The return was deposited in an official depository of the United States mail;
2. The date of the postmark is no later than the due date;
3. The return was properly addressed; and
4. The return had proper postage.

If the envelope or wrapper containing a return sent through the United States mail bears a private meter postmark made by other than the United States mail, the return is treated as timely filed if both of the following apply:

1. The private meter postmark bears a date on or before the due date for filing; and
2. The return is received no later than the time it would ordinarily have been received from the same point of origin by the same class of U.S. postage. If the return is received by the department within five business days of the private meter postmark date the department will consider this requirement satisfied.

You may also use certain private delivery services designated by the IRS to meet the "timely mailing as timely filed" rule.

For more information, see the department's ruling, GTR 16-1, *Timely Filing of Income or Withholding Tax Returns Through the United States Mail*.

How Long To Keep Your Return

You must keep your records as long as they may be needed for the administration of any provision of Arizona tax law. Generally, this means you must keep records that support items shown on your return until the period of limitations for that return runs out.

The period of limitations is the period of time in which you can amend your return to claim a credit or refund or the department can assess additional tax. A period of limitations is the limited time after which no legal action can be brought. Usually, this is four years from the date the return was due or filed.

In some cases, the limitation period is longer than four years. The period is six years from when you file a return if you underreport the income shown on that return by more than 25% (.25).

The department can bring an action at any time if a return is false or fraudulent, or you do not file a return. To find out more about what records you should keep, get federal Publication 552.

Where's My Refund?

You can check on your refund by visiting www.azdor.gov . www.AZTaxes.gov and clicking on "Where's my refund?" or you may call one of the numbers listed on page 1.

Before you call, be sure to have a copy of your 2016 tax return on hand. You will need to know your SSN, your filing status and your 5-digit ZIP Code.

Contacting the Department

Your tax information on file with the department is confidential. If you want the department to discuss your tax matters with someone other than yourself, you must authorize the department to release confidential information to that person.

You may use Arizona Form 285 to authorize the department to release confidential information to your appointee. See Form 285 for details.

Instructions for completing the worksheet for the subtraction from Arizona gross income for any net long-term capital gain from assets acquired *after* December 31, 2011.

Purpose of the Worksheet

You may subtract a percentage of any net long-term capital gain included in your federal adjusted gross income that is from an investment in an asset acquired after December 31, 2011.

For purposes of this subtraction, “*qualified*” means an Arizona asset that was acquired *after* December 31, 2011.

As a part-year resident, you may take the allowable subtraction for only those qualified net long-term capital gains that are from the following.

- Only those qualified net long-term capital gains sourced to Arizona during the period that you were an Arizona nonresident.
- All qualified net long-term capital gains during the period that you were an Arizona resident.

To take the allowable subtraction, you must know whether the capital gain or (loss) is considered short-term or long-term. Only the net long-term capital gain from assets acquired *after* December 31, 2011, is used in the computation for the subtraction.

For more information about determining whether a gain or (loss) is short term or long term, see federal *Publication 544* at www.irs.gov.

If you cannot verify that the capital gain is from the sale of an asset acquired after December 31, 2011, then the capital gain should be included in column (c) of the worksheet as a capital gain from an asset acquired before January 1, 2012.

An asset acquired by gift or inheritance is considered acquired on the date it was acquired by the gift-giver or the deceased individual.

Who Should Complete the Worksheet?

You *must* complete this worksheet to take the allowable subtraction if you have a net capital gain included in your federal adjusted gross income and the gain includes assets purchased *after* December 31, 2011.

Do *not* complete this worksheet if either of the following applies.

- You do not have any capital gains to report for the current tax year; or
- You do not have any net capital gain from asset(s) acquired *after* December 31, 2011, to report for the current tax year.

General Instructions

1. Check the box if this worksheet is for an original or an amended return.
2. Keep this worksheet for your records.

Line-by-Line instructions

Lines 1 through 8, lists the federal forms reported on federal Schedule D. Line 9 identifies the total capital gain distributions reported on Form(s) 1099-DIV.

- **Column (a)** is the **total** amount of long-term capital gains or (losses) reported on federal Schedule D or other forms/schedules.
- **Column (b)** is the amount of long-term capital gains or (losses) included in column (a) from the following.
 - Only those qualified net long-term capital gains sourced to Arizona during the period that you were an Arizona nonresident.
 - All qualified net long-term capital gains during the period that you were an Arizona resident.
- **Column (c)** is the amount of the long-term capital gains or (losses), included in column (b) for assets acquired *before* January 1, 2012.
- **Column (d)** is the amount of the long-term capital gains or (losses), included in column (b) for assets acquired *after* December 31, 2011.

Lines 1 through 8 - Capital Gains or (Losses) Reported on Federal Schedule D

Enter the long-term capital gain or (loss) from the federal form listed that was reported on your federal Schedule D and included in the computation of your federal adjusted gross income.

Line 9 - Long-Term Capital Gains or (Losses)

Capital gains listed on a 1099-DIV are gains passed on from a fund, such as a mutual fund, from the sale of assets within the fund. Generally, such funds do not provide the information needed to determine when the asset that was sold was acquired. In this situation, the capital gains will be considered as acquired before January 1, 2012, and would not qualify for this subtraction.

Enter the long-term capital gain or (loss) reported on Form(s) 1099-DIV and included in your computation of federal adjusted gross income.

NOTE: *Some taxpayers are not required to file federal Schedule D to report certain capital gains or (losses). In these cases, the long-term capital gains or (losses) are reported directly on the taxpayer’s income tax return. Enter those items on line 9 of the worksheet.*

Line 10 - Subtotal

For each column, combine the amounts listed on lines 1 through 9 and enter the total.

Line 11 - Long-Term Capital (Loss) Carryover

- Column (a), enter the total amount of long-term capital loss carryover *actually used* on the federal return for the current table year.
- Column (b), enter the portion from column (a) that is *from Arizona sources*.

- Column (c), enter the portion from column (b) that is from assets acquired before January 1, 2012.
- Column (d), enter the portion from column (b) that is from assets acquired after December 31, 2011.

Line 12 -

Subtract Line 11 from line 10 and enter the difference in each applicable column.

Line 13 - Net Long-Term Capital Gain from Investment in Qualified Small Business

To determine the amount to enter on line 13, column (d); answer the following questions.

Did you take a subtraction for any net capital gain included in federal adjusted gross income for the taxable year derived from investment in a qualified small business on Arizona Form 140PY, page 1, line 37?

- If “No”, enter zero on line 13, column (d).
- If “Yes”, does that amount include any net long-term capital gain from an investment made *after* December 31, 2011?
 - If “No”, enter zero on line 13, column (d).
 - If “Yes”, enter on line 13, column (d) the amount of any net long-term capital gain from an investment made *after* December 31, 2011, and included in the amount subtracted on AZ Form 140PY, line 37.

Line 14 - Current Year Net Long-Term Capital Gain or (Loss)

Subtract line 13 from line 12 and enter the difference in each applicable column.

- If the amount on line 14, column (d) is a net capital (loss), you do not qualify to take the subtraction.
- If the amount on line 14, column (d) is a net capital gain, enter the amount on Form 140PY, line 35.

Also enter the amount from line 12, column (b) on Form 140PY, line 34.

Where Should I Mail My Return?

If you are **sending a payment** with this return, mail the return to:

Arizona Department of Revenue
PO Box 52016
Phoenix, AZ 85072-2016

If you are **expecting a refund, or owe no tax, or owe tax but are not sending a payment**, mail the return to:

Arizona Department of Revenue
PO Box 52138
Phoenix, AZ 85072-2138

Make sure you put enough postage on the envelope

The U.S. Post Office or the United States mail service must postmark your return or extension request by midnight April 18, 2017.

The term "United States mail" includes any private delivery service designated by the United States Secretary of the Treasury pursuant to Internal Revenue Code § 7502(f) and the term "postmark" includes any date recorded or marked by any such designated delivery service.

An income tax return that is mailed to the department is timely filed if it is delivered on or before its due date. Additionally, if the envelope or wrapper containing the return sent through the United States mail bears a postmark of the United States mail and that tax return is delivered to the department after its due date that return will be considered timely filed if all of the following apply:

1. The return was deposited in an official depository of the United States mail;
2. The date of the postmark is no later than the due date;
3. The return was properly addressed; and
4. The return had proper postage.

If the envelope or wrapper containing a return sent through the United States mail bears a private meter postmark made by other than the United States mail, the return is treated as timely filed if both of the following apply:

1. The private meter postmark bears a date on or before the due date for filing; and
2. The return is received no later than the time it would ordinarily have been received from the same point of origin by the same class of U.S. postage. If the return is received by the department within five business days of the private meter postmark date the department will consider this requirement satisfied.

You may also use certain private delivery services designated by the IRS to meet the "timely mailing as timely filed" rule.

For more information, see the department's ruling, GTR 16-1, *Timely Filing of Income or Withholding Tax Returns Through the United States Mail*.

How Long To Keep Your Return

You must keep your records as long as they may be needed for the administration of any provision of Arizona tax law. Generally, this means you must keep records that support items shown on your return until the period of limitations for that return runs out.

The period of limitations is the period of time in which you can amend your return to claim a credit or refund or the department can assess additional tax. A period of limitations is the limited time after which no legal action can be brought. Usually, this is four years from the date the return was due or filed.

In some cases, the limitation period is longer than four years. The period is six years from when you file a return if you underreport the income shown on that return by more than 25% (.25).

The department can bring an action at any time if a return is false or fraudulent, or you do not file a return. To find out more about what records you should keep, get federal Publication 552.

Where's My Refund?

You can check on your refund by visiting www.azdor.gov . www.AZTaxes.gov and clicking on "Where's my refund?" or you may call one of the numbers listed on page 1.

Before you call, be sure to have a copy of your 2016 tax return on hand. You will need to know your SSN, your filing status and your 5-digit ZIP Code.

Contacting the Department

Your tax information on file with the department is confidential. If you want the department to discuss your tax matters with someone other than yourself, you must authorize the department to release confidential information to that person.

You may use Arizona Form 285 to authorize the department to release confidential information to your appointee. See Form 285 for details.

Instructions for completing the worksheet for the subtraction from Arizona gross income for any net long-term capital gain from assets acquired *after* December 31, 2011.

Purpose of the Worksheet

You may subtract a percentage of any net long-term capital gain included in your federal adjusted gross income that is from an investment in an asset acquired after December 31, 2011.

For purposes of this subtraction, “*qualified*” means an Arizona asset that was acquired *after* December 31, 2011.

As a part-year resident, you may take the allowable subtraction for only those qualified net long-term capital gains that are from the following.

- Only those qualified net long-term capital gains sourced to Arizona during the period that you were an Arizona nonresident.
- All qualified net long-term capital gains during the period that you were an Arizona resident.

To take the allowable subtraction, you must know whether the capital gain or (loss) is considered short-term or long-term. Only the net long-term capital gain from assets acquired *after* December 31, 2011, is used in the computation for the subtraction.

For more information about determining whether a gain or (loss) is short term or long term, see federal *Publication 544* at www.irs.gov.

If you cannot verify that the capital gain is from the sale of an asset acquired after December 31, 2011, then the capital gain should be included in column (c) of the worksheet as a capital gain from an asset acquired before January 1, 2012.

An asset acquired by gift or inheritance is considered acquired on the date it was acquired by the gift-giver or the deceased individual.

Who Should Complete the Worksheet?

You *must* complete this worksheet to take the allowable subtraction if you have a net capital gain included in your federal adjusted gross income and the gain includes assets purchased *after* December 31, 2011.

Do *not* complete this worksheet if either of the following applies.

- You do not have any capital gains to report for the current tax year; or
- You do not have any net capital gain from asset(s) acquired *after* December 31, 2011, to report for the current tax year.

General Instructions

1. Check the box if this worksheet is for an original or an amended return.
2. Keep this worksheet for your records.

Line-by-Line instructions

Lines 1 through 8, lists the federal forms reported on federal Schedule D. Line 9 identifies the total capital gain distributions reported on Form(s) 1099-DIV.

- **Column (a)** is the **total** amount of long-term capital gains or (losses) reported on federal Schedule D or other forms/schedules.
- **Column (b)** is the amount of long-term capital gains or (losses) included in column (a) from the following.
 - Only those qualified net long-term capital gains sourced to Arizona during the period that you were an Arizona nonresident.
 - All qualified net long-term capital gains during the period that you were an Arizona resident.
- **Column (c)** is the amount of the long-term capital gains or (losses), included in column (b) for assets acquired *before* January 1, 2012.
- **Column (d)** is the amount of the long-term capital gains or (losses), included in column (b) for assets acquired *after* December 31, 2011.

Lines 1 through 8 - Capital Gains or (Losses) Reported on Federal Schedule D

Enter the long-term capital gain or (loss) from the federal form listed that was reported on your federal Schedule D and included in the computation of your federal adjusted gross income.

Line 9 - Long-Term Capital Gains or (Losses)

Capital gains listed on a 1099-DIV are gains passed on from a fund, such as a mutual fund, from the sale of assets within the fund. Generally, such funds do not provide the information needed to determine when the asset that was sold was acquired. In this situation, the capital gains will be considered as acquired before January 1, 2012, and would not qualify for this subtraction.

Enter the long-term capital gain or (loss) reported on Form(s) 1099-DIV and included in your computation of federal adjusted gross income.

NOTE: *Some taxpayers are not required to file federal Schedule D to report certain capital gains or (losses). In these cases, the long-term capital gains or (losses) are reported directly on the taxpayer’s income tax return. Enter those items on line 9 of the worksheet.*

Line 10 - Subtotal

For each column, combine the amounts listed on lines 1 through 9 and enter the total.

Line 11 - Long-Term Capital (Loss) Carryover

- Column (a), enter the total amount of long-term capital loss carryover *actually used* on the federal return for the current table year.
- Column (b), enter the portion from column (a) that is *from Arizona sources*.

- Column (c), enter the portion from column (b) that is from assets acquired before January 1, 2012.
- Column (d), enter the portion from column (b) that is from assets acquired after December 31, 2011.

Line 12 -

Subtract Line 11 from line 10 and enter the difference in each applicable column.

Line 13 - Net Long-Term Capital Gain from Investment in Qualified Small Business

To determine the amount to enter on line 13, column (d); answer the following questions.

Did you take a subtraction for any net capital gain included in federal adjusted gross income for the taxable year derived from investment in a qualified small business on Arizona Form 140PY, page 1, line 37?

- If “No”, enter zero on line 13, column (d).
- If “Yes”, does that amount include any net long-term capital gain from an investment made *after* December 31, 2011?
 - If “No”, enter zero on line 13, column (d).
 - If “Yes”, enter on line 13, column (d) the amount of any net long-term capital gain from an investment made *after* December 31, 2011, and included in the amount subtracted on AZ Form 140PY, line 37.

Line 14 - Current Year Net Long-Term Capital Gain or (Loss)

Subtract line 13 from line 12 and enter the difference in each applicable column.

- If the amount on line 14, column (d) is a net capital (loss), you do not qualify to take the subtraction.
- If the amount on line 14, column (d) is a net capital gain, enter the amount on Form 140PY, line 35.

Also enter the amount from line 12, column (b) on Form 140PY, line 34.
