The following tables contain the rates for Transaction Privilege and other taxes imposed by the State of Arizona, the counties, and most Arizona cities:

- Table 1 provides the tax rates which *combine* the state's transaction privilege tax rate and the county excise tax rate. Table 1 also includes accounting credit rates for applicable classifications on STATE TAX ONLY.
- Table 2 contains a list of all the city privilege tax rates and city codes for *program* cities. The Arizona Department of Revenue collects these taxes for program cities.
- Table 3 contains a list of *non-program cities* and their telephone numbers. *These cities collect their own taxes.* Sales in these cities must be reported directly to the applicable city.
- Table 4 contains county identification codes and Special District Codes which must be used on the tax return (Form TPT-1) in the column marked Region Code.
- Table 5 contains special *region codes* to be used on the tax return (Form TPT-1) in the column marked Region Code by businesses that operate on Indian Reservations.
