Rescission of Arizona Individual Income Tax Ruling ITR 01-1

Arizona Individual Income Tax Ruling ITR 01-1 deals with the use of Form AZ-8453 as a substitute for the signature on an individual income tax return when the return is filed electronically. Form AZ-8453 has been discontinued by the department and the issue of electronic signatures for individual income tax returns is now addressed by Arizona Administrative Code rule R15-10-503. As a result of these changes, ITR 01-1 is obsolete and unnecessary. Therefore, the department hereby rescinds ITR 01-1.
