(8)  Notice: Since an out of state zip code was not supplied during the vehicle registration process, credit for out of state tax paid has not been applied to your state or city use tax liability. If you paid out of state tax and wish to apply for this credit of taxes paid, please email the documentation listed below to vehicleusetax@azdor.gov

1. Vehicle registration and/or Title Application Documentation.
2. Vehicle contract from dealer.
3. Copy of Vehicle Use Tax Calculator Results.

The VUT Results screen will display the following key components:

- (1) & (2): **State and City Tax Base** calculated based on the information provided on the Entry Screen.
- (4): **Arizona Tax Rate and Liability** calculated using GIS validation to determine the applicable rates applied to the tax base.
- (3) & (5): Credit applied based on **Out-of-State Taxes Paid**. The credit distribution is calculated based on the tax rates at the dealer’s zip code. If no dealer zip code is provided, no credit is applied.
- (6): **Total Amount of Tax Due**
 - Calculated as the amount due offset by out-of-state taxes paid.
 - Tax is due at the time of registration. If the amount is less than zero, the total due is \$0.00.
- (7): **DOR contact information**
- (8): **Additional instructions** appear if the out-of-state dealer zip code is missing or incorrect.
